(g) The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Term Loans required to be made pursuant to clauses (a) through (d) of this Section 2.05(2) at least three (3) Business Days prior to the date of such prepayment (provided that, in the case of clause (b) or (d) of this Section 2.05(2), the Borrower may rescind (or delay the date of prepayment identified in) such notice if such prepayment would have resulted from a refinancing of all or any portion of the applicable Facility or other conditional event, which refinancing or other conditional event shall not be consummated or shall otherwise be delayed). Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the aggregate amount of such prepayment to be made by the Borrower. The Administrative Agent will promptly notify each Appropriate Lender of the contents of the Borrower’s prepayment notice and of such Appropriate Lender’s Pro Rata Share of the prepayment. Each Appropriate Lender may reject all or a portion of its Pro Rata Share of any mandatory prepayment (such declined amounts, the “Declined Proceeds”) of Term Loans required to be made pursuant to clauses (a),

133
(b) and (d)(i) of this Section 2.05(2) by providing written notice (each, a “Rejection Notice”) to the Administrative Agent and the Borrower no later than 5:00 p.m., New York time, one (1) Business Day after the date of such Lender’s receipt of notice from the Administrative Agent regarding such prepayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Term Loans to be rejected by such Lender. If a Term Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Term Loans. Subject to the terms of the Second Lien Credit Agreement, any Declined Proceeds remaining must be offered to prepay the Second Lien Term Loans to the extent otherwise required pursuant to the Second Lien Credit Agreement; provided, that any such prepayment amount declined by the Second Lien Lenders shall be retained by the Borrower (or the applicable Restricted Subsidiary) and may be applied by the Borrower or such Restricted Subsidiary in any manner not prohibited by this Agreement.

(h) Notwithstanding any other provisions of this Section 2.05(2), (A) to the extent that any or all of the Net Proceeds of any Asset Sale by a Foreign Subsidiary giving rise to a prepayment event pursuant to Section 2.05(2)(b) (a “Foreign Asset Sale”), the Net Proceeds of any Casualty Event from a Foreign Subsidiary (a “Foreign Casualty Event”) or all or a portion of Excess Cash Flow are prohibited or delayed by applicable local law from being repatriated to the United States, an amount equal to the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.05(2) so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Borrower hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Proceeds or Excess Cash Flow is permitted under the applicable local law, an amount equal to such Net Proceeds or Excess Cash Flow permitted to be repatriated will be promptly (and in any event not later than two (2) Business Days after any such repatriation) applied (net of additional taxes that are or would be payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to this Section 2.05(2) to the extent otherwise provided herein and (B) to the extent that the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Foreign Asset Sale or Foreign Casualty Event or Excess Cash Flow would have a material adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation) with respect to such Net Proceeds or Excess Cash Flow, an amount equal to the Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.05(2).

(i) All prepayments under this Section 2.05 (other than prepayments of Base Rate Revolving Loans that are not made in connection with the termination or permanent reduction of Revolving Commitments) shall be accompanied by all accrued interest thereon, together with, in the case of any such prepayment of a Eurodollar Rate Loan or EURIBOR Rate Loan on a date prior to the last day of an Interest Period therefor, any amounts owing in respect of such Eurodollar Rate Loan or EURIBOR Rate Loan pursuant to Section 3.05.

Notwithstanding any of the other provisions of this Section 2.05, so long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurodollar Rate Loans or EURIBOR Rate Loans is required to be made under this Section 2.05 prior to the last day of the Interest Period therefor, in lieu of making any payment pursuant to this Section 2.05 in respect of any such Eurodollar Rate Loan or EURIBOR Rate Loan prior to the last day of the Interest Period therefor, the Borrower may, in its discretion, deposit an amount sufficient to make any such prepayment otherwise required to be made thereunder together with accrued interest to the last day of such Interest Period into a Cash Collateral Account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to
apply such amount to the prepayment of such Loans in accordance with this Section 2.05. Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with the relevant provisions of this Section 2.05. Such deposit shall be deemed to be a prepayment of such Loans by the Borrower for all purposes under this Agreement.

Additionally, notwithstanding anything else in this Agreement to the contrary, in the event that any Term Loan of any Lender would otherwise be repaid or prepaid from the proceeds of other Term Loans being funded on the date of such repayment or prepayment, if agreed to by the Borrower and such Lender and notified to the Administrative Agent prior to the date of the applicable repayment or prepayment, all or any portion of such Lender’s Term Loan that would have otherwise been repaid or prepaid in connection therewith may be converted on a “cashless roll” basis into a new Term Loan.

SECTION 2.06 Termination or Reduction of Commitments

(1) Optional. The Borrower may, upon written notice by the Borrower to the Administrative Agent, terminate the unused Commitments of any Class, or from time to time permanently reduce the unused Commitments of any Class, in each case without premium or penalty; provided that
(a) any such notice shall be received by the Administrative Agent three (3) Business Days prior to the date of termination or reduction,
(b) any such partial reduction shall be in an aggregate amount of $5.0 million or any whole multiple of $1.0 million in excess thereof or, if less, the entire amount thereof and
(c) if, after giving effect to any reduction of the Commitments, the L/C Sublimit exceeds the amount of the Revolving Facility, the L/C Sublimit shall be automatically reduced by the amount of such excess.

Except as provided above, the amount of any such Revolving Commitment reduction shall not be applied to the L/C Sublimit unless otherwise specified by the Borrower. Notwithstanding the foregoing, the Borrower may rescind or postpone any notice of termination of any Commitments if such termination would have resulted from a refinancing of all of the applicable Facility or other conditional event, which refinancing or other conditional event shall not be consummated or shall otherwise be delayed.

(2) Mandatory. The Closing Date Additional Term B USD Term Loan Commitment of each USD Additional Term B USD Lender on the Closing Date Second Amendment Effective Date shall be automatically and permanently reduced to $0 upon the making of such Lender’s Closing Date Term B USD Term Loans to the Borrower pursuant to Section 2.01(1)(c). The Closing Date Additional Term B Euro Term Loan Commitment of each Euro Additional Term B Euro Lender on the Closing Date Second Amendment Effective Date shall be automatically and permanently reduced to €0 upon the making of such Lender’s Closing Date Term B Euro Term Loans to the Borrower pursuant to Section 2.01(1)(c). The Term B Euro Incremental Commitment of the Term B Euro Incremental Lender on the Second Amendment Effective Date shall be automatically and permanently reduced to €0 upon the making of such Lender’s Term B Euro Incremental Loans to the Borrower pursuant to Section 2.01(1)(g). The Revolving Commitment of each Revolving Lender shall automatically and permanently terminate on the Maturity Date for the applicable Revolving Facility.
Application of Commitment Reductions; Payment of Fees. The Administrative Agent will promptly notify the Appropriate Lenders of any termination or reduction of unused portions of the L/C Sublimit or the unused Commitments of any Class under this Section 2.06. Upon any reduction of unused Commitments of any Class, the Commitment of each Lender of such Class shall be reduced on a pro rata basis (determined on the basis of the aggregate Commitments under such Class) (other than the termination of the Commitment of any Lender as provided in Section 3.07). Any commitment fees accrued until the effective date of any termination of the Revolving Commitments shall be paid on the effective date of such termination.

SECTION 2.07 Repayment of Loans.

(1) Term B Loans. The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders (a) on the last Business Day of each March, June, September and December, commencing with December 31, 2017, an aggregate principal amount (x) in Dollars equal to .025% of the aggregate principal amount of all Closing Date Term B USD Term Loans outstanding on the Closing Second Amendment Effective Date and (y) in Euros equal to 0.25% of the aggregate principal amount of all Closing Date Term B Euro Term Loans outstanding on the Closing Second Amendment Effective Date (in each case, which payments shall be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.05) and (b) on the Maturity Date for the Closing Date Term B Loans, the aggregate principal amount of all Closing Date Term B Loans outstanding on such date. In connection with any Incremental Term Loans that constitute part of the same Class as the Closing Date Term B USD Term Loans or Closing Date Term B Euro Term Loans, as applicable, the Borrower and the Administrative Agent shall be permitted to adjust the rate of prepayment in respect of such Class such that the Term Lenders holding Closing Date Term B USD Term Loans or Closing Date Term B Euro Term Loans, as applicable, comprising part of such Class continue to receive a payment that is not less than the same Dollar amount that such Term Lenders would have received absent the incurrence of such Incremental Term Loans; provided, that if such Incremental Term Loans are to be “fungible” with the Closing Date Term B USD Term Loans or Closing Date Term B Euro Term Loans, as applicable, notwithstanding any other conditions specified in this Section 2.07(1), the amortization schedule for such “fungible” Incremental Term Loan may provide for amortization in such other percentage(s) to be agreed by the Borrower and the Administrative Agent to ensure that the Incremental Term Loans will be “fungible” with the Closing Date Term B USD Term Loans or Closing Date Term B Euro Term Loans, as applicable.

(2) Revolving Loans. The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the Maturity Date for the applicable Revolving Facility the aggregate principal amount of all Revolving Loans under such Facility outstanding on such date.

(3) Non-Converted Closing Date Term Loans. The Borrower shall repay to the Administrative Agent for the ratable account of each Term Lender with Non-Converted Closing Date Term Loans, the full amount of Non-Converted Closing Date Term Loans on the Second Amendment Effective Date.

SECTION 2.08 Interest.

Subject to the provisions of Section 2.08(2), (a) each Eurodollar Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Eurodollar Rate for such Interest Period, plus the Applicable Rate, (b) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable Borrowing date at a rate per annum equal to the Base Rate, plus the Applicable Rate and (c) each EURIBOR Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the EURIBOR Rate for such Interest Period, plus the Applicable Rate.
(2) During the continuance of a Default under Section 8.01(1), the Borrower shall pay interest on past due amounts hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws; provided that no interest at the Default Rate shall accrue or be payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(3) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

SECTION 2.09 Fees

(1) **Commitment Fee.** The Borrower agrees to pay to the Administrative Agent for the account of each Revolving Lender under each Revolving Facility in accordance with its Applicable Percentage, a commitment fee equal to the applicable Commitment Fee Rate times the actual daily amount by which the aggregate Revolving Commitments exceed the sum of (a) the Outstanding Amount of Revolving Loans and (b) the Outstanding Amount of L/C Obligations; provided that any commitment fee accrued with respect to any of the Commitments of a Defaulting Lender under such Revolving Facility during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrower so long as such Lender shall be a Defaulting Lender except to the extent that such commitment fee shall otherwise have been due and payable by the Borrower prior to such time, and provided further that no commitment fee shall accrue on any of the Commitments under any Revolving Facility of a Defaulting Lender so long as such Lender shall be a Defaulting Lender. The commitment fee on each Revolving Commitment shall accrue at all times from the Closing Date (or date of initial effectiveness, as applicable) (and for the avoidance of doubt, the commitment fee on the Revolving Commitment under the Closing Date Revolving Facility shall accrue from the Closing Date) until the Maturity Date for the applicable Revolving Commitment, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable quarterly in arrears on the last Business Day of each of March, June, September and December, commencing with December 29, 2017, and on the Maturity Date for such Revolving Facility. The commitment fee shall be calculated quarterly in arrears, and if there is any change in the Commitment Fee Rate during any quarter, the actual daily amount shall be computed and multiplied by the Commitment Fee Rate separately for each period during such quarter that such Commitment Fee Rate was in effect.

(2) **Other Fees.** The Borrower shall pay to the Agents such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrower and the applicable Agent).

SECTION 2.10 Computation of Interest and Fees. All computations of interest for Base Rate Loans shall be made on the basis of a year of 365 days or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(1), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.
SECTION 2.11 Evidence of Indebtedness.

(1) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c), as agent for the Borrower, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be prima facie evidence absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent, as set forth in the Register, in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which shall evidence such Lender’s Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(2) In addition to the accounts and records referred to in Section 2.11(1), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records and, in the case of the Administrative Agent, entries in the Register, evidencing the purchases and sales by such Lender of participations in Letters of Credit. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(3) Entries made in good faith by the Administrative Agent in the Register pursuant to Sections 2.11(1) and (2), and by each Lender in its account or accounts pursuant to Sections 2.11(1) and (2), shall be prima facie evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement and the other Loan Documents, absent manifest error; provided that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement and the other Loan Documents.

SECTION 2.12 Payments Generally.

(1) All payments with respect to any Class of Loans to be made by the Borrower hereunder shall be made in the currency in which the Loans thereunder are denominated without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent’s Office for payment and in Same Day Funds not later than 2:00 p.m., New York time, on the date specified herein. The Administrative Agent will promptly distribute to each Appropriate Lender its Pro Rata Share (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender’s Lending Office. Any payments under this Agreement that are made later than 2:00 p.m., New York time, shall be deemed to have been made on the next succeeding Business Day (but the Administrative Agent may extend such deadline for purposes of computing interest and fees (but not beyond the end of such day) in its sole discretion whether or not such payments are in process).
(2) Except as otherwise expressly provided herein, if any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(3) Unless the Borrower or any Lender has notified the Administrative Agent, prior to the date, or in the case of any Borrowing of Base Rate Loans, prior to 1:00 p.m., New York time, on the date of such Borrowing, any payment is required to be made by it to the Administrative Agent hereunder (in the case of the Borrower, for the account of any Lender or an Issuing Bank hereunder or, in the case of the Lenders, for the account of any Issuing Bank or the Borrower hereunder), that the Borrower or such Lender, as the case may be, will not make such payment, the Administrative Agent may assume that the Borrower or such Lender, as the case may be, has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to the Person entitled thereto. If and to the extent that such payment was not in fact made to the Administrative Agent in Same Day Funds, then:

(a) if the Borrower failed to make such payment, each Lender or Issuing Bank shall forthwith on demand repay to the Administrative Agent the portion of such assumed payment that was made available to such Lender or Issuing Bank in Same Day Funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender or Issuing Bank to the date such amount is repaid to the Administrative Agent in Same Day Funds at the Overnight Rate from time to time in effect; and

(b) if any Lender failed to make such payment, such Lender shall forthwith on demand pay to the Administrative Agent the amount thereof in Same Day Funds, together with interest thereon for the period from the date such amount was made available by the Administrative Agent to the Borrower to the date such amount is recovered by the Administrative Agent together with all accrued interest thereon, at a rate per annum equal to the Overnight Rate from time to time in effect. When such Lender makes payment to the Administrative Agent (together with all accrued interest thereon), then such payment amount (excluding the amount of any interest which may have accrued and been paid in respect of such late payment) shall constitute such Lender’s Loan included in the applicable Borrowing. If such Lender does not pay such amount forthwith upon the Administrative Agent’s demand therefor, the Administrative Agent may make a demand therefor upon the Borrower, and the Borrower shall pay such amount, or cause such amount to be paid, to the Administrative Agent, together with interest therefor for the Compensation Period at a rate per annum equal to the rate of interest applicable to the applicable Borrowing. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrower may have against any Lender as a result of any default by such Lender hereunder. A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this Section 2.12(3) shall be conclusive, absent manifest error.

(c) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Section 4.02 are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.
(d) The obligations of the Lenders hereunder to make Loans and to fund participations in Letters of Credit are several and not joint. The failure of any Lender to make any Loan or fund any participation on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or purchase its participation.

(e) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 8.03 (or otherwise expressly set forth herein). If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender’s Pro Rata Share of the sum of (i) the Outstanding Amount of all Loans outstanding at such time and (ii) the Outstanding Amount of all L/C Obligations outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

SECTION 2.13 Sharing of Payments. Other than as expressly provided elsewhere herein, if any Lender of any Class should obtain payment in respect of any principal of or interest on account of the Loans of such Class made by it or the participations in L/C Obligations held by it (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (1) notify the Administrative Agent of such fact, and (2) purchase from the other Lenders such participations in the Loans of such Class made by them or such sub participations in the participations in L/C Obligations held by them, as the case may be, as shall be necessary to cause such purchasing Lender to share the excess payment in respect of any principal of or interest on such Loans of such Class or such participations, as the case may be, pro rata with each of them; provided that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender’s ratable share (according to the proportion of (a) the amount of such paying Lender’s required repayment to (b) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. For the avoidance of doubt, the provisions of this Section 2.13 shall not be construed to apply to (i) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement as in effect from time to time (including the application of funds arising from the existence of a Defaulting Lender) or (ii) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant permitted hereunder. The Borrower agrees that any Lender so purchasing a participation from another Lender pursuant to this Section 2.13 may, to the fullest extent permitted by applicable Law, exercise all its rights.
of payment (including the right of setoff, but subject to Section 10.10) with respect to such participation as fully as if such Lender were the direct
creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the
absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or
repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices,
requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same
extent as though the purchasing Lender were the original owner of the Obligations purchased. For purposes of clause (3) of the definition of Excluded
Taxes, any participation acquired by a Lender pursuant to this Section 2.13 shall be treated as having been acquired on the earlier date(s) on which the
applicable interest(s) in the Commitment(s) or Loan(s) to which such participation relates were acquired by such Lender.

SECTION 2.14 Incremental Facilities.

(1) Incremental Loan Request. The Borrower may at any time and from time to time after the Closing Date, by notice to the
Administrative Agent (an “Incremental Loan Request”), request (A) one or more new commitments which may be of the same Class as any
outstanding Term Loans (a “Term Loan Increase”) or a new Class of term loans (collectively with any Term Loan Increase, the “Incremental Term
Commitments”) and/or (B) one or more increases in the amount of the Revolving Commitments (a “Revolving Commitment Increase”) or the
establishment of one or more new revolving credit commitments (each an “Incremental Revolving Facility”); and, collectively with any Revolving
Commitment Increases, the “Incremental Revolving Commitments” and any Incremental Revolving Commitments, collectively with any Incremental
Term Commitments, the “Incremental Commitments”), whereupon the Administrative Agent shall promptly deliver a copy to each of the Lenders.
Each Incremental Loan Request from the Borrower pursuant to this Section 2.14 shall set forth the requested amount and proposed terms of the relevant
Incremental Term Commitments or Incremental Revolving Commitments.

(2) Incremental Loans. Any Incremental Term Loans or Incremental Revolving Commitments effected through the establishment of one or
more new term loans or new revolving credit commitments, as applicable, made on an Incremental Facility Closing Date (other than a Loan Increase)
shall be designated a separate Class of Incremental Term Loans or Incremental Revolving Commitments, as applicable, for all purposes of this
Agreement. On any Incremental Facility Closing Date on which any Incremental Term Commitments of any Class are effected (including through any
Term Loan Increase), subject to the satisfaction of the terms and conditions in this Section 2.14, (i) each Incremental Term Lender of such Class shall
make a Loan to the Borrower (an “Incremental Term Loan”) in an amount equal to its Incremental Term Commitment of such Class and (ii) each
Incremental Term Lender of such Class shall become a Lender hereunder with respect to the Incremental Term Commitment of such Class and the
Incremental Term Loans of such Class made pursuant thereto. On any Incremental Facility Closing Date on which any Incremental Revolving
Commitments of any Class are effected through the establishment of one or more new revolving credit commitments (including through any Revolving
Commitment Increase), subject to the satisfaction of the terms and conditions in this Section 2.14, (i) each Incremental Revolving Lender of such Class
shall make its Commitment available to the Borrower (when borrowed, an “Incremental Revolving Loan” and collectively with any Incremental Term
Loan, an “Incremental Loan”) in an amount equal to its Incremental Revolving Commitment of such Class and (ii) each Incremental Revolving Lender
of such Class shall become a Lender hereunder with respect to the Incremental Revolving Commitment of such Class and the Incremental Revolving
Loans of such Class made pursuant thereto.
(3) **Incremental Lenders.** Incremental Term Loans may be made, and Incremental Revolving Commitments may be provided, by any existing Lender as approved by the Borrower (but no existing Lender will have an obligation to make any Incremental Commitment (or Incremental Loan), nor will the Borrower have any obligation to approach any existing Lenders to provide any Incremental Commitment (or Incremental Loan)) or by any Additional Lender (each such existing Lender or Additional Lender providing such Loan or Commitment, an “Incremental Term Lender” or “Incremental Revolving Lender,” as applicable, and, collectively, the “Incremental Lenders”); provided that (i) the Administrative Agent or, in the case of any Incremental Revolving Commitments only, each Issuing Bank, shall have consented (in each case, not to be unreasonably withheld or delayed) to such Additional Lender’s making such Incremental Term Loans or providing such Incremental Revolving Commitments to the extent such consent, if any, would be required under Section 10.07(b) for an assignment of Loans or Revolving Commitments, as applicable, to such Additional Lender, (ii) with respect to Incremental Term Commitments, any Affiliated Lender providing an Incremental Term Commitment shall be subject to the same restrictions set forth in Section 10.07(b) as they would otherwise be subject to with respect to any purchase by or assignment to such Affiliated Lender of Term Loans and (iii) Affiliated Lenders may not provide Incremental Revolving Commitments.

(4) **Effectiveness of Incremental Amendment.** The effectiveness of any Incremental Amendment and the availability of any initial credit extensions thereunder shall be subject to the satisfaction on the date thereof (the “Incremental Facility Closing Date”) of each of the following conditions (subject to Section 1.07(10)):

(a) (x) no Event of Default shall exist after giving effect to such Incremental Commitments; provided that, with respect to any Incremental Amendment the primary purpose of which is to finance an acquisition or other Investment permitted by this Agreement, the requirement pursuant to this clause (4)(a)(x) shall be that no Event of Default under Section 8.01(1) or, solely with respect to the Borrower, Section 8.01(6) shall exist after giving effect to such Incremental Commitments, and (y) the representations and warranties of the Borrower contained in Article V or any other Loan Document shall be true and correct in all material respects on and as of the date of such Incremental Amendment (provided that, to the extent that such representations and warranties specifically refer to an earlier date, they shall be true and correct in all material respects as of such earlier date; provided, further, that, any representation and warranty that is qualified as to “materiality,” “Material Adverse Effect” or similar language shall be true and correct (after giving effect to any qualification therein) in all respects on such respective dates); provided that, in connection with an acquisition or other Investment permitted hereunder, the conditions in clause (x) and in clause (y) shall only be required to the extent requested by the Persons providing more than 50% of the applicable Incremental Term Loans and Incremental Term Commitments or Incremental Revolving Loans and Incremental Revolving Commitments, as the case may be (provided, further, that, in the case of an acquisition or other Investment with a purchase price in excess of $100.0 million, the conditions contained in the proviso to clause (x) with respect to no Event of Default under Section 8.01(1) or, solely with respect to the Borrower, Section 8.01(6) and in clause (y) with respect to Specified Representations, in each case, shall be required whether or not requested by such Persons, unless waived in accordance with Section 10.01);

(b) each Incremental Term Commitment shall be in an aggregate principal amount that is not less than $5.0 million (provided that such amount may be less than $5.0 million if such amount represents all remaining availability under the limit set forth in clause (c) of this Section 2.14(4)) and each Incremental Revolving Commitment shall be in an aggregate principal amount that is not less than $5.0 million (provided that such amount may be less than $5.0 million if such amount represents all remaining availability under the limit set forth in clause (c) of Section 2.14(4));
(c) the aggregate principal amount of Incremental Term Loans and Incremental Revolving Commitments shall not, together with the aggregate principal amount of Permitted Incremental Equivalent Debt, exceed the sum of:

(A) (1) $500.0 million plus any General Debt Basket Reallocated Amount less the Second Lien Incremental Usage Amount plus
(2) the aggregate amount of (w) voluntary prepayments, redemptions or repurchases of Incremental Term Loans and Permitted Incremental Equivalent Debt (other than any Permitted Incremental Equivalent Debt that is a revolving credit facility) (including purchases of Incremental Term Loans or Permitted Incremental Equivalent Debt by Holdings, the Borrower or any of its Subsidiaries at or below par, in which case the amount of voluntary prepayments of such Incremental Term Loans or Permitted Incremental Equivalent Debt shall be deemed not to exceed the actual purchase price of such Loans or Permitted Incremental Equivalent Debt below par), in each case, only to the extent such Incremental Term Loans or Permitted Incremental Equivalent Debt was incurred in reliance on clause (A)(1) above,
(x) voluntary permanent commitment reductions in respect of Incremental Revolving Commitments or Permitted Incremental Equivalent Debt consisting of revolving credit commitments, in each case, to the extent such Incremental Revolving Commitments or Permitted Incremental Equivalent Debt was incurred in reliance on clause (A)(1) above, (y) voluntary prepayments, redemption or repurchase of Second Lien Incremental Usage Amount Debt (including purchases of Second Lien Incremental Usage Amount Debt by Holdings, the Borrower or any of its Subsidiaries) and (z) voluntary prepayments, redemptions or repurchases of any Credit Agreement Refinancing Indebtedness, Other Loans, Refinancing Indebtedness or other Indebtedness, in each case, previously applied to the prepayment, redemption or repurchase of any Incremental Term Loans and Permitted Incremental Equivalent Debt (other than any Permitted Incremental Equivalent Debt that is a revolving credit facility) incurred in reliance on clause (A)(1) above or any Second Lien Incremental Usage Amount Debt, in the case of this clause (w), (x) and (z), from proceeds of long-term Indebtedness (other than revolving credit facilities); provided, that for the avoidance of doubt, this clause (A) shall not give credit to any prepayment of Closing Date Term Loans with the proceeds of, or by the conversion into, Term B Loans, plus

(B) (x) in the case of any Incremental Loans or Incremental Commitments that effectively extend the Maturity Date of, or refinance, any Facility, an amount equal to the portion of the Facility to be replaced with (or refinanced by) such Incremental Loans or Incremental Commitments and (y) in the case of any Incremental Loans or Incremental Commitments that effectively replace any Commitment or Loan that is terminated or cancelled in accordance with Section 3.07, an amount equal to the portion of the relevant terminated or cancelled Commitment or Loan, plus

(C) solely to the extent not in duplication of prepayments, redemptions, repurchases or permanent commitment reductions described in Section 2.14(4)(c)(A)(2), the aggregate amount of (x) voluntary prepayments, redemptions or repurchases of Term Loans and Permitted Incremental Equivalent Debt (other than any Permitted Incremental Equivalent Debt that is a revolving credit facility) (including purchases of Term Loans or Permitted Incremental Equivalent Debt by Holdings, the Borrower or any of its
Subsidiaries), (y) voluntary permanent commitment reductions in respect of Revolving Commitments or Permitted Incremental Equivalent Debt consisting of revolving credit commitments and (z) voluntary prepayments, redemptions or repurchases of any Credit Agreement Refinancing Indebtedness, Other Loans, Refinancing Indebtedness or other Indebtedness, in each case, previously applied to the prepayment, redemption or repurchase of any Term Loans and Permitted Incremental Equivalent Debt (other than any Permitted Incremental Equivalent Debt that is a revolving credit facility), in the case of this clause (z), so long as such prepayment, redemption or repurchase was not previously included in clause (x) above; other than, in each case under clauses (x) and (z), from proceeds of long-term Indebtedness (other than revolving credit facilities) provided, that for the avoidance of doubt, this clause (C) shall not give credit to any prepayment of Closing Date Term Loans with the proceeds of, or by the conversion into, Term B Loans, plus

(D) an unlimited amount, so long as in the case of this clause (D) only,

(x) in the case of Incremental Loans or Incremental Revolving Commitments secured by Liens on all or a portion of the Collateral on a basis that is equal in priority to the Liens on the Collateral securing the First Lien Obligations under this Agreement (but without regard to the control of remedies), either (I) the First Lien Net Leverage Ratio for the Test Period most recently ended calculated on a pro forma basis after giving effect to any such incurrence, does not exceed 4.25 to 1.00 (including in connection with an acquisition or other similar Investment permitted under this Agreement) or (II) to the extent such Incremental Loans or Incremental Revolving Commitments are incurred in connection with an acquisition or other similar Investment permitted under this Agreement, the First Lien Net Leverage Ratio for the Test Period most recently ended calculated on a pro forma basis after giving effect to any such incurrence is no greater than the First Lien Net Leverage Ratio immediately prior to giving effect to such incurrence of Incremental Loans or establishment of Incremental Revolving Commitments (in each case under clauses (I) and (II), in the case of an incurrence of Incremental Revolving Commitments, assuming such Incremental Revolving Commitments are fully drawn and calculating the First Lien Net Leverage Ratio without netting the cash proceeds from such Incremental Loans then proposed to be incurred),

(y) in the case of Incremental Loans or Incremental Revolving Commitments secured by Liens on all or a portion of the Collateral on a basis that is junior in priority to the Liens on the Collateral securing the First Lien Obligations under this Agreement, either (I) the Secured Net Leverage Ratio for the Test Period most recently ended calculated on a pro forma basis after giving effect to any such incurrence, does not exceed 5.25 to 1.00 (including in connection with an acquisition or other similar Investment permitted under this Agreement) or (II) to the extent such Incremental Loans or Incremental Revolving Commitments are incurred in connection with an acquisition or other similar Investment permitted under this Agreement, the Secured Net Leverage Ratio for the Test Period most recently ended calculated on a pro forma basis after giving effect to any such incurrence is no greater than the Secured Net Leverage Ratio immediately prior to giving effect to such incurrence of Incremental Loans or establishment of Incremental Revolving Commitments (in each case under clauses (I) and (II), in the case of an incurrence of Incremental Revolving Commitments, assuming such Incremental Revolving Commitments are fully drawn and calculating the Secured Net Leverage Ratio without netting the cash proceeds from such Incremental Loans then proposed to be incurred) and

144
(z) in the case of Incremental Loans or Incremental Revolving Commitments that are unsecured, (i) the Total Net Leverage Ratio for the Test Period most recently ended calculated on a pro forma basis after giving effect to any such incurrence, does not exceed 5.50 to 1.00 (including in connection with an acquisition or other similar Investment permitted under this Agreement) or (ii) to the extent such Incremental Loans or Incremental Revolving Commitments are incurred in connection with an acquisition or other Investment permitted under this Agreement, the Total Net Leverage Ratio for the Test Period most recently ended calculated on a pro forma basis after giving effect to any such incurrence is no greater than the Total Net Leverage Ratio immediately prior to giving effect to such incurrence of Incremental Loans or establishment of Incremental Revolving Commitments (in each case in the case of an incurrence of Incremental Revolving Commitments, assuming such Incremental Revolving Commitments are fully drawn and calculating the Total Net Leverage Ratio without netting the cash proceeds from such Incremental Loans then proposed to be incurred);

(5) Required Terms. The terms, provisions and documentation of the Incremental Term Loans and Incremental Term Commitments or the Incremental Revolving Loans and Incremental Revolving Commitments, as the case may be, of any Class and any Loan Increase shall be as agreed between the Borrower and the applicable Incremental Lenders providing such Incremental Commitments, and except as otherwise set forth herein, to the extent not identical to the Closing Date Term B Loans or Closing Date Revolving Facility, as applicable, existing on the Incremental Facility Closing Date, shall either, at the option of the Borrower, (A) reflect market terms and conditions (taken as a whole) at the time of incurrence of such Indebtedness (as determined by the Borrower in good faith), (B) be not materially more restrictive to the Borrower (as determined by the Borrower in good faith), when taken as a whole, than the terms of the Closing Date Term B Loans or Closing Date Revolving Facility, as applicable, except with respect to (x) covenants and other terms applicable to any period after the Latest Maturity Date in effect immediately prior to the incurrence of the Incremental Term Loans and Incremental Term Commitments or the Incremental Revolving Loans and Incremental Revolving Commitments, as the case may be, or (y) subject to the immediately succeeding proviso, a Previously Absent Financial Maintenance Covenant; provided that, notwithstanding anything to the contrary herein, if any such terms of any Incremental Revolving Loans and Incremental Revolving Commitments contain a Previously Absent Financial Maintenance Covenant that is in effect prior to the applicable Latest
Maturity Date of the Revolving Facility, such Previously Absent Financial Maintenance Covenant shall be included for the benefit of the Revolving Facility or (C) if neither clause (A) or (B) are satisfied, such terms, provisions and documentation shall be reasonably satisfactory to the Administrative Agent (it being understood that, at Borrower’s election, to the extent any term or provision is added for the benefit of (x) the Lenders of Incremental Term Loans, no consent shall be required from the Administrative Agent to the extent that such term or provision is also added (or the features of such term are provided) for the benefit of the Lenders of the Closing Date Term B Loans or (y) the Lenders under Incremental Revolving Commitments, no consent shall be required from the Administrative Agent to the extent that such term or provision is also added (or the features of such term are provided) for the benefit of the Lenders of the Closing Date Revolving Facility); provided, further, that in the case of a Term Loan Increase or a Revolving Commitment Increase, the terms, provisions and documentation of such Term Loan Increase or a Revolving Commitment Increase shall be identical (other than with respect to upfront fees, OID or similar fees, it being understood that, if required to consummate such Loan Increase transaction, the interest rate margins and rate floors may be increased, any call protection provision may be made more favorable to the applicable existing Lenders and additional upfront or similar fees may be payable to the lenders providing the Loan Increase) to the applicable Term Loans or Revolving Commitments being increased, in each case, as existing on the Incremental Facility Closing Date (provided that if such Incremental Term Loans are to be “fungible” with the Closing Date Term B USD Term Loans or Closing Date Term B Euro Term Loans, as applicable, notwithstanding any other conditions specified in this Section 2.14(5), the amortization schedule for such “fungible” Incremental Term Loan may provide for amortization in such other percentage(s) to be agreed by Borrower and the Administrative Agent to ensure that the Incremental Term Loans will be “fungible” with the Closing Date Term B USD Term Loans or Closing Date Term B Euro Term Loans, as applicable). In any event:

(a) the Incremental Term Loans:

(i) (x) shall rank equal in priority in right of payment with the First Lien Obligations under this Agreement and (y) shall either

(1) rank equal (but without regard to the control of remedies) or junior in priority of right of security with the First Lien Obligations under this Agreement (subject to the applicable Intercreditor Agreement) or (2) be unsecured, in each case as applicable pursuant to clause (4) (c) above,

(ii) shall not mature earlier than the Original Term Loan Maturity Date,

(iii) shall have a Weighted Average Life to Maturity not shorter than the remaining Weighted Average Life to Maturity of the Closing Date Term B Loans on the date of incurrence of such Incremental Term Loans,

(iv) subject to clause (5)(a)(iii) above and clause (5)(c) below, respectively, shall have amortization and an Applicable Rate determined by the Borrower and the applicable Incremental Term Lenders,

(v) may participate on a pro rata basis, less than a pro rata basis or greater than a pro rata basis in any mandatory prepayments of Term Loans hereunder (except that, unless otherwise permitted under this Agreement, such Incremental Term Loans may not participate on a greater than a pro rata basis as compared to any earlier maturing Class of Term Loans constituting First Lien Obligations in any mandatory prepayments under Section 2.05(2)(a), (b) and (d)(i)), as specified in the applicable Incremental Amendment,
(vi) shall be denominated in Dollars, Euros or, subject to the consent of the Administrative Agent (not to be unreasonably withheld, delayed or conditioned), another currency as determined by the Borrower and the applicable Incremental Term Lenders, and

(vii) shall not at any time be guaranteed by any Subsidiary of the Borrower other than Subsidiaries that are Guarantors.

(b) the Incremental Revolving Commitments and Incremental Revolving Loans:

(i) (x) shall rank equal in priority in right of payment with the First Lien Obligations under this Agreement and (y) shall either (1) rank equal (but without regard to the control of remedies) or junior in priority of right of security with the First Lien Obligations under this Agreement or (2) be unsecured, in each case as applicable pursuant to clause (4)(c) above,

(ii) shall not mature earlier than the Original Revolving Facility Maturity Date, and shall not be subject to amortization,

(iii) shall provide that the borrowing and repayment (except for (1) payments of interest and fees at different rates on Incremental Revolving Commitments (and related outstanding Incremental Revolving Loans), (2) repayments required upon the Maturity Date of any Revolving Commitments, (3) repayments made in connection with any refinancing of Revolving Commitments and (4) repayment made in connection with a permanent repayment and termination of Commitments) of Revolving Loans with respect to Incremental Revolving Commitments after the associated Incremental Facility Closing Date shall be made on a pro rata basis with all other outstanding Revolving Commitments existing on such Incremental Facility Closing Date,

(iv) subject to the provisions of Section 2.03(13) in connection with Letters of Credit which mature or expire after a Maturity Date at any time Incremental Revolving Commitments with a later Maturity Date are outstanding, shall provide that all Letters of Credit shall be participated on a pro rata basis by each Lender with a Revolving Commitment in accordance with its percentage of the Revolving Commitments existing on the Incremental Facility Closing Date (and except as provided in Section 2.03(13), without giving effect to changes thereto on an earlier Maturity Date with respect to Letters of Credit theretofore incurred or issued),

(v) shall provide that the permanent repayment of Revolving Loans with respect to, and termination of, Incremental Revolving Commitments after the associated Incremental Facility Closing Date may be made on a pro rata basis or less than a pro rata basis or greater than a pro rata basis, in each case, with all other Revolving Commitments existing on such Incremental Facility Closing Date,

(vi) shall provide that assignments and participations of Incremental Revolving Commitments and Incremental Revolving Loans shall be governed by the same assignment and participation provisions applicable to Revolving Commitments and Revolving Loans existing on the Incremental Facility Closing Date,
(vii) shall provide that any Incremental Revolving Commitments may constitute a separate Class or Classes, as the case may be, of Commitments from the Classes constituting the applicable Revolving Commitments prior to the Incremental Facility Closing Date; provided at no time shall there be Revolving Commitments hereunder (including Incremental Revolving Commitments and any original Revolving Commitments) which have more than four (4) different Maturity Dates unless otherwise agreed to by the Administrative Agent,

(viii) shall have an Applicable Rate determined by the Borrower and the applicable Incremental Revolving Lenders,

(ix) shall be denominated in Dollars or, subject to the consent of the Administrative Agent (not to be unreasonably withheld, delayed or conditioned), another currency as determined by the Borrower and the applicable Incremental Revolving Lenders and

(x) shall not at any time be guaranteed by any Subsidiary of the Borrower other than Subsidiaries that are Guarantors.

(c) the amortization schedule applicable to any Incremental Term Loans and the All-In Yield applicable to the Incremental Term Loans of each Class shall be determined by the Borrower and the applicable Incremental Term Lenders and shall be set forth in each applicable Incremental Amendment; provided, however, that (i) with respect to any syndicated Dollar-denominated Class of Incremental Term Loans that rank equal in priority of right of security with the First Lien Obligations under this Agreement (but without regard to the control of remedies), the All-In Yield applicable to such Incremental Term Loans shall not be greater than the applicable All-In Yield payable pursuant to the terms of this Agreement as amended through the date of such calculation with respect to Closing Date Term B USD Term Loans, plus 50 basis points per annum unless the Applicable Rate (together with, as provided in the proviso below, the Eurodollar Rate or Base Rate floor) with respect to the Closing Date Term B USD Term Loans is increased so as to cause the then applicable All-In Yield under this Agreement on the Closing Date Term B USD Term Loans to equal the All-In Yield then applicable to the Incremental Term Loans, minus 50 basis points per annum; provided that any increase in All-In Yield on the Closing Date Term B USD Term Loans due to the application of a Eurodollar Rate or Base Rate floor on any Incremental Term Loan shall be effected solely through an increase in (or implementation of, as applicable) the Eurodollar Rate or Base Rate floor applicable to such Closing Date Term B USD Term Loans and (ii) with respect to any syndicated Euro-denominated Class of Incremental Term Loans that rank equal in priority of right of security with the First Lien Obligations under this Agreement (but without regard to the control of remedies), the All-In Yield applicable to such Incremental Term Loans shall not be greater than the applicable All-In Yield payable pursuant to the terms of this Agreement as amended through the date of such calculation with respect to Closing Date Term B Euro Term Loans, plus 50 basis points per annum unless the Applicable Rate (together with, as provided in the proviso below, the EURIBOR Rate floor) with respect to the Closing Date Term B Euro Term Loans is increased so as to cause the then applicable All-In Yield under this Agreement on the Closing Date Term B Euro Term Loans to equal the All-In Yield then applicable to the Incremental Term Loans, minus 50 basis points per annum; provided that any increase in All-In Yield on the Closing Date Term B Euro Term Loans due to the application of a EURIBOR Rate floor on any Incremental Term Loan shall be effected solely through an increase in (or implementation of, as applicable) the EURIBOR Rate floor applicable to such Closing Date Term B Euro Term Loans.
Incremental Amendment. Commitments in respect of Incremental Term Loans and Incremental Revolving Commitments shall become Commitments (or in the case of an Incremental Revolving Commitment to be provided by an existing Revolving Lender, an increase in such Lender’s applicable Revolving Commitment), under this Agreement pursuant to an amendment (an “Incremental Amendment”) to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Incremental Lender providing such Incremental Commitments and the Administrative Agent. The Incremental Amendment may, without the consent of any other Loan Party, Agent or Lender, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.14. In connection with any Incremental Amendment, the Borrower shall, if reasonably requested by the Administrative Agent, deliver customary reaffirmation agreements and/or such amendments to the Collateral Documents as may be reasonably requested by the Administrative Agent in order to ensure that such Incremental Loans are provided with the benefit of the applicable Loan Documents. The Borrower will use the proceeds (if any) of the Incremental Loans for any purpose not prohibited by this Agreement. No Lender shall be obligated to provide any Incremental Commitments or Incremental Loans unless it so agrees.

Notwithstanding anything to the contrary in Section 10.01, the Administrative Agent is expressly permitted, without the consent of any Lenders or any Issuing Bank, to amend the Loan Documents (including Section 2.07) to the extent necessary or appropriate in the reasonable discretion of the Administrative Agent to give effect to any Incremental Commitment pursuant to this Section 2.14 (which may be in the form of an amendment and restatement), including to provide to the Lenders of any Class of Loans or Commitments hereunder the benefit of any term or provision that is added under any Incremental Amendment for the benefit of the Lenders of a Class of Incremental Commitments (including to the extent necessary or advisable to allow any Class of Incremental Commitments to be an Incremental Increase).

Reallocation of Revolving Exposure. Upon any Incremental Facility Closing Date on which Incremental Revolving Commitments are effected through an increase in the Revolving Commitments with respect to any existing Revolving Facility pursuant to this Section 2.14, (a) each of the Revolving Lenders under such Facility shall assign to each of the Incremental Revolving Lenders, and each of the Incremental Revolving Lenders shall purchase from each of the Revolving Lenders, at the principal amount thereof, such interests in the Revolving Loans outstanding on such Incremental Facility Closing Date as shall be necessary in order that, after giving effect to all such assignments and purchases, such Revolving Loans will be held by existing Revolving Lenders and Incremental Revolving Lenders ratably in accordance with their Revolving Commitments after giving effect to the addition of such Incremental Revolving Commitments to the Revolving Commitments, (b) each Incremental Revolving Commitment shall be deemed for all purposes a Revolving Commitment and each Loan made thereunder shall be deemed, for all purposes, a Revolving Loan and (c) each Incremental Revolving Lender shall become a Lender with respect to the Incremental Revolving Commitments and all matters relating thereto. The Administrative Agent and the Lenders hereby agree that the minimum borrowing and prepayment requirements in Section 2.02 and 2.05(1) of this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

This Section 2.14 shall supersede any provisions in Section 2.12, 2.13 or 10.01 to the contrary. For the avoidance of doubt, any of the provisions of this Section 2.14 may be amended with the consent of the Required Lenders (or the applicable Required Facility Lenders, if applicable).
SECTION 2.15 Refinancing Amendments.

(1) At any time after the Closing Date, the Borrower may obtain, from any Lender or any Additional Lender (it being understood that (i) no Lender shall be required to provide any Other Loan without its consent, (ii) Affiliated Lenders may not provide Other Revolving Commitments and (iii) Other Term Loans provided by Affiliated Lenders shall be subject to the limitations set forth in Section 10.07(h)), Other Loans to refinance all or any portion of the applicable Class or Classes of Loans then outstanding under this Agreement which will be made pursuant to Other Term Loan Commitments, in the case of Other Term Loans, and pursuant to Other Revolving Commitments, in the case of Other Revolving Loans, in each case pursuant to a Refinancing Amendment; provided that such Other Loans and Other Revolving Commitments (i) shall rank equal in priority in right of payment with the other Loans and Commitments hereunder, (ii) shall be unsecured or rank pari passu (without regard to the control of remedies) or junior in right of security with any First Lien Obligations under this Agreement and, if secured on a junior basis, shall be subject to an applicable Intercreditor Agreement(s), (iii) if secured, shall not be secured by any property or assets of the Borrower or any Restricted Subsidiary other than the Collateral, (iv) shall not at any time be guaranteed by any Subsidiary of the Borrower other than Subsidiaries that are Guarantors, (v)(A) shall have interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, funding discounts, original issue discounts and prepayment terms and premiums as may be agreed by the Borrower and the Lenders thereof and/or (B) may provide for additional fees and/or premiums payable to the Lenders providing such Other Loans in addition to any of the items contemplated by the preceding clause (A), in each case, to the extent provided in the applicable Refinancing Amendment, (vi) may have optional prepayment terms (including call protection and prepayment terms and premiums) as may be agreed between the Borrower and the Lenders thereof, (vii) will have a final maturity date no earlier than, and, in the case of Other Term Loans, will have a Weighted Average Life to Maturity equal to or greater than, the Term Loans or Revolving Commitments being refinanced and (viii) will have such other terms and conditions (other than as provided in foregoing clauses (ii) through (vii)) that either, at the option of the Borrower, (1) reflect market terms and conditions (taken as a whole) at the time of incurrence of such Other Loans or Other Revolving Commitments (as determined by the Borrower in good faith) or (2) if otherwise not consistent with the terms of such Class of Loans or Commitments being refinanced, not be materially more restrictive to the Borrower (as determined by the Borrower in good faith), when taken as a whole, than the terms of such Class of Loans or Commitments being refinanced, except with respect to (x) covenants and other terms applicable to any period after the Latest Maturity Date of the Loans in effect immediately prior to such refinancing or (y) subject to the immediately succeeding proviso, a Previously Absent Financial Maintenance Covenant; provided that, notwithstanding anything to the contrary contained herein, if any such terms of the Other Revolving Commitments contain a Previously Absent Financial Maintenance Covenant that is in effect prior to the applicable Latest Maturity Date of the Revolving Facility, such Previously Absent Financial Maintenance Covenant shall be included for the benefit of each Class of Revolving Commitments. Any Other Term Loans may participate on a pro rata basis, less than a pro rata basis or greater than a pro rata basis in any mandatory prepayments of Term Loans hereunder (except that, unless otherwise permitted under this Agreement or unless the Class of Term Loans being refinanced was so entitled to participate on a greater than a pro rata basis in such mandatory prepayments, such Other Term Loans may not participate on a greater than a pro rata basis as compared to any earlier maturing Class of Term Loans constituting First Lien Obligations in any mandatory prepayments under Section 2.05(2)(a), (b) and (d)(i)), as specified in the applicable Refinancing Amendment. All Other Revolving Commitments shall provide that all borrowings under the applicable Revolving Commitments and repayments thereunder shall be made on a pro rata basis (except for (1) payments of interest and fees at different rates on Other Revolving Commitments (and related outstanding Other Revolving Loans), (2) repayments required upon the Maturity Date of the Revolving Commitments, (3) repayments made in connection with any refinancing of Revolving Commitments and (4) repayment made in connection with a permanent repayment and termination of Commitments). In connection with any Refinancing Amendment, the
Borrower shall, if reasonably requested by the Administrative Agent, deliver customary reaffirmation agreements and/or such amendments to the Collateral Documents as may be reasonably requested by the Administrative Agent in order to ensure that such Other Loans or Other Revolving Commitments are provided with the benefit of the applicable Loan Documents.

(2) Each Class of Other Commitments and Other Loans incurred under this Section 2.15 shall be in an aggregate principal amount that is not less than $5.0 million. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Other Commitments and Other Loans incurred pursuant thereto (including any amendments necessary to treat the Other Loans and/or Other Commitments as Loans and Commitments). Any Refinancing Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.15.

(3) This Section 2.15 shall supersede any provisions in Section 2.12, 2.13 or 10.01 to the contrary. For the avoidance of doubt, any of the provisions of this Section 2.15 may be amended with the consent of the Required Lenders (or the applicable Required Facility Lenders, if applicable).

SECTION 2.16 Extensions of Loans.

(1) Extension of Term Loans. The Borrower may at any time and from time to time request that all or a portion of the Term Loans of any Class (each, an "Existing Term Loan Class") be converted or exchanged to extend the scheduled Maturity Date(s) of any payment of principal with respect to all or a portion of any principal amount of such Term Loans (any such Term Loans which have been so extended, "Extended Term Loans") and to provide for other terms consistent with this Section 2.16. Prior to entering into any Extension Amendment with respect to any Extended Term Loans, the Borrower shall provide written notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Term Loan Class, with such request offered equally to all such Lenders of such Existing Term Loan Class) (each, a "Term Loan Extension Request") setting forth the proposed terms of the Extended Term Loans to be established, which terms shall be identical in all material respects to the Term Loans of the Existing Term Loan Class from which they are to be extended except that (i) the scheduled final maturity date shall be extended and all or any of the scheduled amortization payments, if any, of all or a portion of any principal amount of such Extended Term Loans may be delayed to later dates than the scheduled amortization, if any, of principal of the Term Loans of such Existing Term Loan Class (with any such delay resulting in a corresponding adjustment to the scheduled amortization payments reflected in the Extension Amendment, the Incremental Amendment, the Refinancing Amendment or any other amendment, as the case may be, with respect to the Existing Term Loan Class from which such Extended Term Loans were extended), (ii)(A) the interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, funding discounts, original issue discounts and voluntary prepayment terms and premiums with respect to the Extended Term Loans may be different than those for the Term Loans of such Existing Term Loan Class and/or (B) additional fees and/or premiums may be payable to the Lenders providing such Extended Term Loans in addition to any of the items contemplated by the preceding clause (A), in each case, to the extent provided in the applicable Extension Amendment, (iii) the Extended Term Loans may have optional prepayment terms (including call protection and prepayment terms and premiums) as may be agreed between the Borrower and the Lenders thereof, (iv) any Extended Term Loans may participate on a pro rata basis, less than a pro rata basis or greater than a pro rata basis in any mandatory prepayments of Term Loans hereunder (except that, unless otherwise permitted under this Agreement, such Extended Loans shall be treated as Term Loans hereunder), (v) the Borrower shall, if reasonably requested by the Administrative Agent, deliver customary reaffirmation agreements and/or such amendments to the Collateral Documents as may be reasonably requested by the Administrative Agent in order to ensure that such Other Loans or Other Revolving Commitments are provided with the benefit of the applicable Loan Documents.

151
Term Loans may not participate on a greater than pro rata basis as compared to any earlier maturing Class of Term Loans in any mandatory prepayments under Section 2.05(2)(a), (b) and (d)(i), in each case as specified in the respective Term Loan Extension Request and (v) the Extension Amendment may provide for other covenants and terms that apply to any period after the Latest Maturity Date in respect of Term Loans that is in effect immediately prior to the establishment of such Extended Term Loans. No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Class converted into Extended Term Loans pursuant to any Term Loan Extension Request. Any Extended Term Loans extended pursuant to any Term Loan Extension Request shall be designated a series (each, a “Term Loan Extension Series”) of Extended Term Loans for all purposes of this Agreement and shall constitute a separate Class of Loans from the Existing Term Loan Class from which they were extended; provided that any Extended Term Loans amended from an Existing Term Loan Class may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Term Loan Extension Series with respect to such Existing Term Loan Class.

(2) Extension of Revolving Commitments. The Borrower may at any time and from time to time request that all or a portion of the Revolving Commitments of any Class (each, an “Existing Revolving Class”) be converted or exchanged to extend the scheduled Maturity Date(s) of any payment of principal with respect to all or a portion of any principal amount of such Revolving Commitments (any such Revolving Commitments which have been so extended, “Extended Revolving Commitments”) and to provide for other terms consistent with this Section 2.16. Prior to entering into any Extension Amendment with respect to any Extended Revolving Commitments, the Borrower shall provide written notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Revolving Class, with such request offered equally to all such Lenders of such Existing Revolving Class) (each, a “Revolving Extension Request”) setting forth the proposed terms of the Extended Revolving Commitments to be established, which terms shall be identical in all material respects to the Revolving Commitments of the Existing Revolving Class from which they are to be extended except that (i) the scheduled final maturity date shall be extended to a later date than the scheduled final maturity date of the Revolving Commitments of suchExisting Revolving Class; provided, however, that at no time shall there be Classes of Revolving Commitments hereunder (including Extended Revolving Commitments) which have more than four (4) different Maturity Dates (unless otherwise consented to by the Administrative Agent), (ii)(A) the interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, funding discounts, original issue discounts and voluntary prepayment terms and premiums with respect to the Extended Revolving Commitments may be different than those for the Revolving Commitments of such Existing Revolving Class and/or (B) additional fees and/or premiums may be payable to the Lenders providing such Extended Revolving Commitments in addition to any of the items contemplated by the preceding clause (A), in each case, to the extent provided in the applicable Extension Amendment, (iii) all borrowings under the applicable Revolving Commitments (i.e., the Existing Revolving Class and the Extended Revolving Commitments of the applicable Revolving Extension Series) and repayments thereunder shall be made on a pro rata basis (except for (I) payments of interest and fees at different rates on Extended Revolving Commitments (and related outstanding Extended Revolving Loans), (II) repayments required upon the Maturity Date of the non-extending Revolving Commitments, (III) repayments made in connection with any refinancing of Revolving Commitments and (IV) repayments made in connection with a permanent repayment and termination of Commitments), and (iv) the Extension Amendment may provide for other covenants and terms that apply to any period after the Latest Maturity Date in respect of Revolving Commitments that is in effect immediately prior to the establishment of such Extended Revolving Commitments. No Lender shall have any obligation to agree to have any of its Revolving Commitments of any Existing Revolving Class converted into Extended Revolving Commitments pursuant to any Revolving Extension Request. Any Extended Revolving Commitments extended pursuant to any Revolving Extension Request shall be designated a series (each, a “Revolving Extension Series”) of Extended Revolving Commitments for all purposes of this Agreement and shall constitute a separate Class of Revolving Commitments from the
Existing Revolving Class from which they were extended; provided that any Extended Revolving Commitments amended from an Existing Revolving Class may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Revolving Extension Series with respect to such Existing Revolving Class.

(3) **Extension Request.** The Borrower shall provide the applicable Extension Request to the Administrative Agent at least five (5) Business Days (or such shorter period as the Administrative Agent may determine in its sole discretion) prior to the date on which Lenders under the applicable Existing Term Loan Class or Existing Revolving Class, as applicable, are requested to respond. Any Lender holding a Term Loan under an Existing Term Loan Class (each, an "Extending Term Lender") wishing to have all or a portion of its Term Loans of an Existing Term Loan Class or Existing Term Loan Classes, as applicable, subject to such Extension Request converted or exchanged into Extended Term Loans, and any Revolving Lender with a Revolving Commitment under an Existing Revolving Class (each, an "Extending Revolving Lender") wishing to have all or a portion of its Revolving Commitments of an Existing Revolving Class or Existing Revolving Classes, as applicable, subject to such Extension Request converted or exchanged into Extended Revolving Commitments, as applicable, shall notify the Administrative Agent (each, an "Extension Election") on or prior to the date specified in such Extension Request of the amount of its Term Loans or Revolving Commitments, as applicable, which it has elected to convert or exchange into Extended Term Loans or Extended Revolving Commitments, as applicable. In the event that the aggregate principal amount of Term Loans and/or Revolving Commitments, as applicable, subject to Extension Elections exceeds the amount of Extended Term Loans and/or Extended Revolving Commitments, respectively, requested pursuant to the Extension Request, Term Loans and/or Revolving Commitments, as applicable, subject to Extension Elections shall be converted or exchanged into Extended Term Loans and/or Revolving Commitments, respectively, on a pro rata basis (subject to such rounding requirements as may be established by the Administrative Agent) based on the aggregate principal amount of Term Loans or Revolving Commitments, as applicable, included in each such Extension Election or as may be otherwise agreed to in the applicable Extension Amendment.

(4) **Extension Amendment.** Extended Term Loans and Extended Revolving Commitments shall be established pursuant to an amendment (each, an "Extension Amendment") to this Agreement (which, notwithstanding anything to the contrary set forth in Section 10.01, shall not require the consent of any Lender other than the Extending Lenders with respect to the Extended Term Loans and/or Extended Revolving Commitments established thereby, as the case may be) executed by the Borrower, the Administrative Agent and the Extending Lenders, it being understood that such Extension Amendment shall not require the consent of any Lender other than (A) the Extending Lenders with respect to the Extended Term Loans or Extended Revolving Commitments, as applicable, established thereby and (B) with respect to any extension of the Revolving Commitments that results in an extension of Issuing Bank’s obligations with respect to Letters of Credit, the consent of such Issuing Bank). Each request for an Extension Series of Extended Term Loans or Extended Revolving Commitments proposed to be incurred under this Section 2.16 shall be in an aggregate principal amount that is not less than $5.0 million (it being understood that the actual principal amount thereof provided by the applicable Lenders may be lower than such minimum amount), and the Borrower may condition the effectiveness of any Extension Amendment on an Extension Minimum Condition, which may be waived by the Borrower in its sole discretion. In addition to any terms and changes required or permitted by Sections 2.16(1) and (2), each of the parties hereto agrees that this Agreement and the other Loan Documents may be amended pursuant to an Extension Amendment, without the consent of any other Lenders, to the extent necessary to (i) in respect of each Extension Amendment in respect of Extended Term Loans, amend the scheduled amortization payments pursuant to Section 2.07 or the applicable Incremental Amendment, Extension Amendment, Refinancing Amendment or other amendment, as the case may be, with respect to the Existing Term Loan Class from which the Extended Term Loans were exchanged to reduce each
scheduled repayment amount for the Existing Term Loan Class in the same proportion as the amount of Term Loans of the Existing Term Loan Class is to be reduced pursuant to such Extension Amendment (it being understood that the amount of any repayment amount payable with respect to any individual Term Loan of such Existing Term Loan Class that is not an Extended Term Loan shall not be reduced as a result thereof); (ii) reflect the existence and terms of the Extended Term Loans or Extended Revolving Commitments, as applicable, incurred pursuant thereto; (iii) modify the prepayments set forth in Section 2.05 to reflect the existence of the Extended Term Loans and the application of prepayments with respect thereto and (iv) effect such other amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.16, and the Lenders hereby expressly authorize the Administrative Agent to enter into any such Extension Amendment. In connection with any Extension Amendment, the Borrower shall, if reasonably requested by the Administrative Agent, deliver customary reaffirmation agreements and/or such amendments to the Collateral Documents as may be reasonably requested by the Administrative Agent in order to ensure that such Extended Term Loans and/or Extended Revolving Commitments are provided with the benefit of the applicable Loan Documents.

(5) Notwithstanding anything to the contrary contained in this Agreement, on any date on which any Existing Term Loan Class and/or Existing Revolving Class is converted or exchanged to extend the related scheduled maturity date(s) in accordance with paragraphs (1) and (2) of this Section 2.16, in the case of the existing Term Loans or Revolving Commitments, as applicable, of each Extending Lender, the aggregate principal amount of such existing Loans shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Term Loans and/or Extended Revolving Commitments, respectively, so converted or exchanged by such Lender on such date, and the Extended Term Loans and/or Extended Revolving Commitments shall be established as a separate Class of Loans, except as otherwise provided under Sections 2.16(1) and (2). Subject to the provisions of Section 2.03(13) in connection with Letters of Credit which mature or expire after a Maturity Date at any time Extended Revolving Commitments with a later Maturity Date are outstanding, all Letters of Credit shall be participated on a pro rata basis by each Lender with a Revolving Commitment in accordance with its percentage of the Revolving Commitments existing on the date of the Extension of such Extended Revolving Commitments (and except as provided in Section 2.03(13), without giving effect to changes thereto on an earlier Maturity Date with respect to Letters of Credit theretofore incurred or issued).

(6) In the event that the Administrative Agent determines in its sole discretion that the allocation of Extended Term Loans and/or Extended Revolving Commitments of a given Extension Series to a given Lender was incorrectly determined as a result of manifest administrative error in the receipt and processing of an Extension Election timely submitted by such Lender in accordance with the procedures set forth in the applicable Extension Amendment, then the Administrative Agent, the Borrower and such affected Lender may (and hereby are authorized to), in their sole discretion and without the consent of any other Lender, enter into an amendment to this Agreement and the other Loan Documents (each, a “Corrective Extension Amendment”) within 15 days following the effective date of such Extension Amendment, as the case may be, which Corrective Extension Amendment shall (i) provide for the conversion or exchange and extension of Term Loans under the Existing Term Loan Class, or of Revolving Commitments under the Existing Revolving Class, in either case, in such amount as is required to cause such Lender to hold Extended Term Loans or Extended Revolving Commitments, as applicable, of the applicable Extension Series into which such other Term Loans or Revolving Commitments were initially converted or exchanged, as the case may be, in the amount such Lender would have held had such administrative error not occurred and had such Lender received the minimum allocation of the applicable Loans or Commitments to which it was entitled under the terms of such Extension Amendment, in the absence of such error, (ii) be subject to the satisfaction of such conditions as the Administrative Agent, the Borrower and such Extending Term Lender or Extending Revolving Lender, as applicable, may agree, and (iii) effect such other amendments of the type (with appropriate reference and nomenclature changes) described in the penultimate sentence of Section 2.16(4).
(7) No conversion or exchange of Loans or Commitments pursuant to any Extension Amendment in accordance with this Section 2.16 shall constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

(8) This Section 2.16 shall supersede any provisions in Section 2.12, 2.13 or 10.01 to the contrary. For the avoidance of doubt, any of the provisions of this Section 2.16 may be amended with the consent of the Required Lenders (or the applicable Required Facility Lenders, if applicable).

SECTION 2.17 Defaulting Lenders.

(1) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(a) Waivers and Amendments. That Defaulting Lender’s right to approve or disapprove of any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 10.01.

(b) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to the relevant Issuing Banks hereunder; third, if so determined by the Administrative Agent or requested by the relevant Issuing Banks, to be held as Cash Collateral for future funding obligations of that Defaulting Lender of any participation in any Letter of Credit; fourth, as the Borrower may request (so long as no Default has occurred and is continuing), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fifth, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; sixth, to the payment of any amounts owing to the Lenders or the relevant Issuing Banks as a result of any judgment of a court of competent jurisdiction obtained by any Lender or the relevant Issuing Banks against that Defaulting Lender as a result of that Defaulting Lender’s breach of its obligations under this Agreement; seventh, so long as no Default has occurred and is continuing, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender’s breach of its obligations under this Agreement; and eighth, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (i) such payment is a payment of the principal amount of any Loans or L/C Borrowings in respect of which that Defaulting Lender has not fully funded its appropriate share and (ii) such Loans or L/C Borrowings were made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and L/C Borrowings owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or L/C Borrowings owed to, that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.17(1)(b) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.
(c) **Certain Fees.** That Defaulting Lender (i) shall not be entitled to receive any commitment fee pursuant to Section 2.09(1) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender) and (ii) shall be limited in its right to receive Letter of Credit fees as provided in Section 2.03(9).

(d) **Reallocation of Applicable Percentages to Reduce Fronting Exposure.** During any period in which there is a Defaulting Lender, for purposes of computing the amount of the obligation of each Non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit pursuant to Section 2.03, the “Applicable Percentage” of each Non-Defaulting Lender’s Revolving Loans and L/C Obligations shall be computed without giving effect to the Commitment of that Defaulting Lender; **provided** that the aggregate obligation of each Non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit shall not exceed the positive difference, if any, of (1) the Revolving Commitment of that Non-Defaulting Lender minus (2) the aggregate Outstanding Amount of the Revolving Loans of that Non-Defaulting Lender.

(2) **Defaulting Lender Cure.** If the Borrower, the Administrative Agent and the Issuing Banks agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Revolving Loans and funded and unfunded participations in Letters of Credit to be held on a pro rata basis by the Lenders in accordance with their Applicable Percentages (without giving effect to Section 2.17(1)(d)), whereupon that Lender will cease to be a Defaulting Lender; **provided** that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; **provided further** that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender having been a Defaulting Lender.

SECTION 2.18 **Loan Repricing Protection.** In the event that, on or prior to the twelve month anniversary of the Closing Date that is six months after the Second Amendment Effective Date, the Borrower (a) makes any prepayment of any Closing Date Term B Loans in connection with any Repricing Transaction with respect to such Closing Date Term B Loans or (b) effects any amendment of this Agreement resulting in a Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each applicable Lender, (i) in the case of clause (a), a prepayment premium of 1.00% of the aggregate principal amount of such Closing Date Term B Loans being prepaid and (ii) in the case of clause (b), a payment equal to 1.00% of the aggregate principal amount of the applicable Closing Date Term B Loans outstanding immediately prior to such amendment that are subject to such Repricing Transaction.
SECTION 3.01 Taxes.

(1) Except as required by applicable Law, all payments by or on account of any Loan Party to or for the account of any Agent or any Lender under any Loan Document shall be made free and clear of and without deduction or withholding for any Taxes.

(2) If any Loan Party or any other applicable withholding agent is required by applicable Law to make any deduction or withholding on account of any Taxes from any sum paid or payable by or on account of any Loan Party to or for the account of any Lender or Agent under any of the Loan Documents:

   (a) the applicable Loan Party or other applicable withholding agent shall make such deduction or withholding and pay to the relevant Governmental Authority any such Tax before the date on which penalties attach thereto, such payment to be made (if the liability to pay is imposed on any Loan Party) for such Loan Party’s account or (if that liability is imposed on the Lender or Agent) on behalf of and in the name of the Lender or Agent (as applicable);

   (b) if the Tax in question is a Non-Excluded Tax or Other Tax, the sum payable to such Lender or Agent (as applicable) shall be increased by such Loan Party to the extent necessary to ensure that, after the making of any required deduction or withholding for Non-Excluded Taxes or Other Taxes (including any deductions or withholdings for Non-Excluded Taxes or Other Taxes attributable to any payments required to be made under this Section 3.01), such Lender (or, in the case of any payment made to the Administrative Agent for its own account, the Administrative Agent) receives on the due date a net sum equal to what it would have received had no such deduction or withholding been required or made; and

   (c) within thirty days after paying any sum from which it is required by Law to make any deduction or withholding, and within thirty days after the due date of payment of any Tax which it is required by clause (a) above to pay (or, in each case, as soon as reasonably practicable thereafter), the Borrower shall deliver to the Administrative Agent evidence reasonably satisfactory to the other affected parties of such deduction or withholding and of the remittance thereof to the relevant Governmental Authority.

(3) Status of Lender. Each Lender shall, at such times as are reasonably requested by the Borrower or the Administrative Agent, provide the Borrower and the Administrative Agent with any documentation prescribed by Laws or reasonably requested by the Borrower or the Administrative Agent certifying as to any entitlement of such Lender to an exemption from, or reduction in, withholding Tax with respect to any payments to be made to such Lender under any Loan Document. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Each such Lender shall, whenever a lapse in time or change in circumstances renders any such documentation (including any specific documentation required below in this Section 3.01(3)) obsolete, expired or inaccurate in any respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower or the Administrative Agent) or promptly notify the Borrower and Administrative Agent of its legal ineligibility to do so.
Without limiting the foregoing:

(a) Each U.S. Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement two properly completed and duly signed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding.

(b) Each Foreign Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent) whichever of the following is applicable:

(i) two properly completed and duly signed copies of IRS Form W-8BEN or W-8BEN-E (or any successor forms) claiming eligibility for the benefits of an income tax treaty to which the United States is a party, and such other documentation as required under the Code,

(ii) two properly completed and duly signed copies of IRS Form W-8ECI (or any successor forms),

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (A) two properly completed and duly signed certificates substantially in the form of Exhibit H (any such certificate, a “United States Tax Compliance Certificate”) and (B) two properly completed and duly signed copies of IRS Form W-8BEN or W-8BEN-E (or any successor forms),

(iv) to the extent a Foreign Lender is not the beneficial owner (for example, where such Foreign Lender is a partnership or a participating Lender), IRS Form W-8IMY (or any successor forms) of such Foreign Lender, accompanied by an IRS Form W-8ECI, Form W-8BEN or W-8BEN-E, United States Tax Compliance Certificate, Form W-9, Form W-8IMY and any other required information (or any successor forms) from each beneficial owner that would be required under this Section 3.01(3) if such beneficial owner were a Lender, as applicable (provided that, if a Lender is a partnership (and not a participating Lender) and if one or more beneficial owners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Foreign Lender on behalf of such beneficial owner(s)), or

(v) two properly completed and duly signed copies of any other documentation prescribed by applicable U.S. federal income tax laws (including the Treasury Regulations) as a basis for claiming a complete exemption from, or a reduction in, U.S. federal withholding tax on any payments to such Lender under the Loan Documents.

(c) If a payment made to a Lender under any Loan Document would be subject to Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time
or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has complied with such Lender’s obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this paragraph (c), the term “FATCA” shall include any amendments made to FATCA after the date of this Agreement.

For the avoidance of doubt, if a Lender is an entity disregarded from its owner for U.S. federal income tax purposes, references to the foregoing documentation are intended to refer to documentation with respect to such Lender’s owner and, as applicable, such Lender.

Notwithstanding any other provision of this Section 3.01(3), a Lender shall not be required to deliver any documentation that such Lender is not legally eligible to deliver. Each Lender hereby authorizes the Administrative Agent to deliver to the Loan Parties and to any successor Administrative Agent any documentation provided by such Lender to the Administrative Agent pursuant to this Section 3.01(3).

(4) Without duplication of other amounts payable by the Borrower pursuant to Section 3.01(2), the Borrower shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(5) The Loan Parties shall, jointly and severally, indemnify a Lender or the Administrative Agent (each a “Tax Indemnitee”), within 10 days after written demand therefor, for the full amount of any Non-Excluded Taxes paid or payable by such Tax Indemnitee on or attributable to any payment under or with respect to any Loan Document, and any Other Taxes payable by such Tax Indemnitee (including Non-Excluded Taxes or Other Taxes imposed on or attributable to amounts payable under this Section 3.01) (other than any interest, penalties and other costs determined by a final and non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence, bad faith or willful misconduct of such Tax Indemnitee), whether or not such Taxes were correctly or legally imposed or asserted by the Governmental Authority; provided that if the Borrower reasonably believes that such Taxes were not correctly or legally imposed or asserted by the Governmental Authority, such Tax Indemnitee will use reasonable efforts to cooperate with the Borrower to obtain a refund of such Taxes (which shall be repaid to the Borrower in accordance with Section 3.01(6)) so long as such efforts would not, in the sole determination of such Tax Indemnitee (exercised in good faith), result in any additional out-of-pocket costs or expenses not reimbursed by such Loan Party or be otherwise materially disadvantageous to such Tax Indemnitee. A certificate as to the amount of such payment or liability prepared in good faith and delivered by the Tax Indemnitee or by the Administrative Agent on behalf of another Tax Indemnitee, shall be conclusive absent manifest error.

(6) If and to the extent that a Tax Indemnitee, in its sole discretion (exercised in good faith), determines that it has received a refund (whether received in cash or applied as a credit against any other cash Taxes payable) of any Non-Excluded Taxes or Other Taxes in respect of which it has received indemnification payments or additional amounts under this Section 3.01, then such Tax Indemnitee shall pay to the relevant Loan Party the amount of such refund, net of all out-of-pocket expenses of the Tax Indemnitee (including any Taxes imposed with respect to such refund), and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the Loan Party, upon the request of the Tax Indemnitee, agrees to repay the amount paid over by the Tax Indemnitee (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Tax Indemnitee to the extent the Tax Indemnitee is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 3.01(6), in no event
will the Tax Indemnitee be required to pay any amount to a Loan Party pursuant to this Section 3.01(6) the payment of which would place the Tax Indemnitee in a less favorable net after-Tax position than the Tax Indemnitee would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require a Tax Indemnitee to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party or any other Person.

(7) On or before the date the Administrative Agent becomes a party to this Agreement, the Administrative Agent shall deliver to the Borrower whichever of the following is applicable: (i) if the Administrative Agent is a “United States person” within the meaning of Section 7701(a)(30) of the Code, two executed original copies of IRS Form W-9 certifying that such Administrative Agent is exempt from U.S. federal backup withholding or (ii) if the Administrative Agent is not a “United States person” within the meaning of Section 7701(a)(30) of the Code, (A) with respect to payments received for its own account, two executed original copies of IRS Form W-8ECI and (ii) with respect to payments received on account of any Lender, two executed original copies of IRS Form W-8IMY (together with all required accompanying documentation) certifying that the Administrative Agent is a U.S. branch and may be treated as a United States person for purposes of applicable U.S. federal withholding Tax. At any time thereafter, the Administrative Agent shall provide updated documentation previously provided (or a successor form thereto) when any documentation previously delivered has expired or become obsolete or invalid or otherwise upon the reasonable request of the Borrower. Notwithstanding anything to the contrary in this Section 3.01(7), the Administrative Agent shall not be required to provide any documentation that the Administrative Agent is not legally eligible to deliver as a result of a Change in Law after the Closing Date.

(8) The agreements in this Section 3.01 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(9) For the avoidance of doubt, for purposes of this Section 3.01, the term “Lender” includes any Issuing Bank.

SECTION 3.02 Illegality.

(1) If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to the Eurodollar Rate, or to determine or charge interest rates based upon the Eurodollar Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on written notice thereof by such Lender to the Borrower through the Administrative Agent, (1) any obligation of such Lender to make or continue Eurodollar Rate Loans or to convert Base Rate Loans to Eurodollar Rate Loans shall be suspended, and (2) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on Base Rate Loans of such Lender shall be suspended, and (2) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Eurodollar Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be reasonably determined by the Administrative Agent without reference to the Eurodollar Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (a) the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Rate Loans and shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Eurodollar Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such
illegality, be determined by the Administrative Agent without reference to the Eurodollar Rate component of the Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurodollar Rate Loans and (b) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Eurodollar Rate component of the Base Rate with respect to any Base Rate Loans, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Eurodollar Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurodollar Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

(2) If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to the EURIBOR Rate, or to determine or charge interest rates based upon the EURIBOR Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Euros in the European interbank market, then, on written notice thereof by such Lender to the Borrower through the Administrative Agent, (1) any obligation of such Lender to make or continue EURIBOR Rate Loans or to convert Base Rate Loans to EURIBOR Rate Loans shall be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of or continuation of EURIBOR Rate Loans and, unless the Administrative Agent (acting on instructions of the Required Lenders) and the Borrower otherwise agree to a substitute rate (it being understood that the Administrative Agent, Required Lenders and Borrower shall negotiate in good faith to amend the definition of “EURIBOR Rate” and other applicable provisions to preserve the original intent thereof in light of such change) such EURIBOR Rate Loans shall bear interest at such rate as the Administrative Agent (acting on instructions of the Required Lenders) shall determine adequately and fairly reflects the cost to the Euro Term Lenders of making or maintaining such EURIBOR Rate Loans for the applicable Interest Period plus the applicable percentage set forth in the definition of Applicable Rate with respect to such EURIBOR Rate Loans.

SECTION 3.03 Inability to Determine Rates.

(1) If the Administrative Agent (in the case of clause (1) or (2) below) or the Required Lenders (in the case of clause (3) below) reasonably determine that for any reason in connection with any request for a Eurodollar Rate Loan or a conversion to or continuation thereof that

(a) Dollar deposits are not being offered to banks in the London interbank eurodollar market for the applicable amount and Interest Period of such Eurodollar Rate Loan,

(b) adequate and reasonable means do not exist for determining the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan or in connection with an existing or proposed Base Rate Loan, or

(c) the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan,
the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (i) the obligation of the Lenders to make or maintain
Eurodollar Rate Loans shall be suspended, and (ii) in the event of a determination described in the preceding sentence with respect to the Eurodollar
Rate component of the Base Rate, the utilization of the Eurodollar Rate component in determining the Base Rate shall be suspended, in each case until
the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrower may revoke any
pending request for a Borrowing of, conversion to or continuation of Eurodollar Rate Loans or, failing that, will be deemed to have converted such
request into a request for a Borrowing of Base Rate Loans in the amount specified therein.

(2) If the Administrative Agent (in the case of clause (1) or (2) below) or the Required Lenders (in the case of clause (3) below) reasonably
determine that for any reason in connection with any request for a EURIBOR Rate Loan or continuation thereof that

(a) Euro deposits are not being offered to banks in the European interbank market for the applicable amount and Interest Period of such
EURIBOR Rate Loan,

(b) adequate and reasonable means do not exist for determining the EURIBOR Rate for any requested Interest Period with respect to a
proposed EURIBOR Rate Loan, or

(c) the EURIBOR Rate for any requested Interest Period with respect to a proposed EURIBOR Rate Loan does not adequately and fairly
reflect the cost to such Lenders of funding such Loan,

the Administrative Agent will promptly so notify the Borrower and each Euro Term Lender. Thereafter, the obligation of the Lenders to make or
maintain EURIBOR Rate Loans shall be suspended until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice
and, unless the Administrative Agent (acting on instructions of the Required Lenders) and the Borrower otherwise agree to a substitute rate (it being
understood that the Administrative Agent, Required Lenders and Borrower shall negotiate in good faith to amend the definition of “EURIBOR Rate”
and other applicable provisions to preserve the original intent thereof in light of such change) such EURIBOR Rate Loans shall bear interest at such rate
as the Administrative Agent (acting on instructions of the Required Lenders) shall determine adequately and fairly reflects the cost to the Euro Term
Lenders of making or maintaining such EURIBOR Rate Loans for the applicable Interest Period plus the applicable percentage set forth in the definition
of Applicable Rate with respect to such EURIBOR Rate Loans. Upon receipt of such notice, the Borrower may revoke any pending request for a
Borrowing of or continuation of EURIBOR Rate Loans.

SECTION 3.04 Increased Cost and Reduced Return; Capital Adequacy; Reserves on Eurodollar Rate Loans and EURIBOR Rate Loans.

(1) Increased Costs Generally. If any Change in Law shall:

(a) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets
of, deposits with or for the account of, or credit extended or participated in by, any Lender;

(b) subject any Lender to any Tax of any kind whatsoever with respect to this Agreement or any Eurodollar Rate Loan or EURIBOR Rate
Loan made by it, or change the basis of taxation of payments to such Lender in respect thereof (except for Non-Excluded Taxes or Other Taxes
covered by Section 3.01 and any Excluded Taxes); or
(c) impose on any Lender or the London interbank market or European interbank market any other condition, cost or expense affecting this Agreement or Eurodollar Rate Loans or EURIBOR Rate Loans made by such Lender that is not otherwise accounted for in the definition of “Eurodollar Rate”, “EURIBOR Rate” or this clause (1);

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Loan the interest on which is determined by reference to the Eurodollar Rate or EURIBOR Rate (or of maintaining its obligation to make any such Loan), or to reduce the amount of any sum received or receivable by such Lender (whether of principal, interest or any other amount) then, from time to time within fifteen (15) days after demand by such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent), the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered; provided that such amounts shall only be payable by the Borrower to the applicable Lender under this Section 3.04(1) so long as it is such Lender’s general policy or practice to demand compensation in similar circumstances under comparable provisions of other financing agreements.

(2) Capital Requirements. If any Lender reasonably determines that any Change in Law affecting such Lender or any Lending Office of such Lender’s capital or on the capital of such Lender’s holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by it, or participations in or issuance of Letters of Credit by such Lender, to a level below that which such Lender or such Lender’s holding company, as the case may be, could have achieved but for such Change in Law (taking into consideration such Lender’s policies and the policies of such Lender’s holding company with respect to capital adequacy), then from time to time upon demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the Administrative Agent), the Borrower will pay to such Lender additional amount or amounts as will compensate such Lender or such Lender’s holding company for any such reduction suffered; provided that such amounts shall only be payable by the Borrower to the applicable Lender under this Section 3.04(2) so long as it is such Lender’s general policy or practice to demand compensation in similar circumstances under comparable provisions of other financing agreements.

(3) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in subsection (1) or (2) of this Section 3.04 and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender, as the case may be, the amount shown as due on any such certificate within fifteen (15) days after receipt thereof.

SECTION 3.05 Funding Losses. Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, which demand shall set forth in reasonable detail the basis for requesting such amount, the Borrower shall promptly compensate such Lender and hold such Lender harmless from any loss, cost or expense (excluding loss of anticipated profits or margin) actually incurred by it as a result of:

(1) any continuation, conversion, payment or prepayment of any Eurodollar Rate Loan or EURIBOR Rate Loan on a day prior to the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);
any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Eurodollar Rate Loan or EURIBOR Rate Loan on the date or in the amount notified by the Borrower; or

(3) any assignment of a Eurodollar Rate Loan or EURIBOR Rate Loan on a day prior to the last day of the Interest Period therefor as a result of a request by the Borrower pursuant to Section 3.07; including any loss or expense (excluding loss of anticipated profits or margin) actually incurred by reason of the liquidation or reemployment of funds obtained by it to maintain such Eurodollar Rate Loan or EURIBOR Rate Loan or from fees payable to terminate the deposits from which such funds were obtained.

Notwithstanding the foregoing, no Lender may make any demand under this Section 3.05 with respect to the “floor” specified (x) in the proviso to the definition of “Eurodollar Rate” or (y) in the proviso to the definition of “EURIBOR Rate”.

SECTION 3.06 Matters Applicable to All Requests for Compensation.

(1) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.04, or the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the good faith judgment of such Lender such designation or assignment (a) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (b) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material economic, legal or regulatory respect.

(2) Suspension of Lender Obligations. If any Lender requests compensation by the Borrower under Section 3.04, the Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue Eurodollar Rate Loans from one Interest Period to another Interest Period, or to convert Base Rate Loans into Eurodollar Rate Loans until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.06(3) shall be applicable); provided that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(3) Conversion of Eurodollar Rate Loans. If any Lender gives notice to the Borrower (with a copy to the Administrative Agent) that the circumstances specified in Section 3.02, 3.03 or 3.04 hereof that gave rise to the conversion of such Lender’s Eurodollar Rate Loans no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurodollar Rate Loans made by other Lenders, as applicable, are outstanding, such Lender’s Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurodollar Rate Loans to the extent necessary so that, after giving effect thereto, all Loans of a given Class held by the Lenders of such Class holding Eurodollar Rate Loans and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Pro Rata Shares.
Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of Sections 3.01 or 3.04 shall not constitute a waiver of such Lender’s right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of Section 3.01 or 3.04 for any increased costs incurred or reductions suffered more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the event giving rise to such claim and of such Lender’s intention to claim compensation therefor (except that, if the circumstance giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).

SECTION 3.07 Replacement of Lenders under Certain Circumstances. If (1) any Lender requests compensation under Section 3.04 or ceases to make Eurodollar Rate Loans or EURIBOR Rate Loans as a result of any condition described in Section 3.02 or Section 3.04, (2) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01 or 3.04, (3) any Lender is a Non-Consenting Lender, (4) any Lender becomes a Defaulting Lender or (5) any other circumstance exists hereunder that gives the Borrower the right to replace a Lender as a party hereto, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent,

(a) require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.07), all of its interests, rights and obligations under this Agreement (or, with respect to clause (3) above, all of its interests, rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, waiver, or amendment, as applicable) and the related Loan Documents to one or more Eligible Assignees that shall assume such obligations (any of which assignee may be another Lender, if a Lender accepts such assignment), provided that:

(i) the Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 10.07(b)(iv);

(ii) such Lender shall have received payment of an amount equal to the applicable outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05 and, in the case of a Repricing Transaction, any “prepayment premium” pursuant to Section 2.18 that would otherwise be owed in connection therewith) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(iii) such Lender being replaced pursuant to this Section 3.07 shall (i) execute and deliver an Assignment and Assumption with respect to all, or a portion, as applicable, of such Lender’s Commitment and outstanding Loans and participations in L/C Obligations and (ii) deliver any Notes evidencing such Loans to the Borrower or Administrative Agent (or a lost or destroyed note indemnity in lieu thereof); provided that the failure of any such Lender to execute an Assignment and Assumption or deliver such Notes shall not render such sale and purchase (and the corresponding assignment) invalid and such assignment shall be recorded in the Register and the Notes shall be deemed to be canceled upon such failure;

(iv) the Eligible Assignee shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification and confidentiality provisions under this Agreement, which shall survive as to such assigning Lender;
(v) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;

(vi) such assignment does not conflict with applicable Laws;

(vii) any Lender that acts as an Issuing Bank may not be replaced hereunder at any time when it has any Letter of Credit outstanding hereunder unless arrangements reasonably satisfactory to such Issuing Bank (including the furnishing of a back-up standby letter of credit in form and substance, and issued by an issuer, reasonably satisfactory to such Issuing Bank or the depositing of Cash Collateral into a Cash Collateral Account in amounts and pursuant to arrangements reasonably satisfactory to such Issuing Bank) have been made with respect to each such outstanding Letter of Credit; and

(viii) the Lender that acts as Administrative Agent cannot be replaced in its capacity as Administrative Agent other than in accordance with Section 9.11, or

(b) terminate the Commitment of such Lender or Issuing Bank, as the case may be, and (A) in the case of a Lender (other than an Issuing Bank), repay all Obligations of the Borrower owing to such Lender relating to the Loans and participations held by such Lender as of such termination date (including in the case of a Repricing Transaction, any “prepayment premium” pursuant to Section 2.18 that would otherwise be owed in connection therewith) and (B) in the case of an Issuing Bank, repay all Obligations of the Borrower owing to such Issuing Bank relating to the Loans and participations held by such Issuing Bank as of such termination date and Cash Collateralize, cancel or backstop, or provide for the deemed reissuance under another facility, on terms satisfactory to such Issuing Bank any Letters of Credit issued by it; provided that in the case of any such termination of the Commitment of a Non-Consenting Lender such termination shall be sufficient (together with all other consenting Lenders) to cause the adoption of the applicable consent, waiver or amendment of the Loan Documents and such termination shall, with respect to clause (3) above, be in respect of all of its interests, rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, waiver and amendment.

In the event that (i) the Borrower or the Administrative Agent has requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of each Lender, all affected Lenders or all the Lenders or all affected Lenders with respect to a certain Class or Classes of the Loans/Commitments and (iii) the Required Lenders or Required Facility Lenders, as applicable, have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a “Non-Consenting Lender.”

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

SECTION 3.08 Survival. All of the Borrower’s obligations under this Article III shall survive termination of the Aggregate Commitments, repayment of all other Obligations hereunder and resignation of the Administrative Agent.

SECTION 4.02 Conditions to Credit Extensions after the Closing Date. The obligation of each Lender to honor any Request for Credit Extension (other than a Committed Loan Notice requesting only a conversion of Loans to the other Type, a continuation of Eurodollar Rate Loans or EURIBOR Rate Loans or a Borrowing pursuant to any Incremental Amendment) after the Closing Date is subject to the following conditions precedent:

(1) The representations and warranties of the Borrower contained in Article V or any other Loan Document shall be true and correct in all material respects on and as of the date of such Credit Extension; provided that to the extent that such representations and warranties specifically refer to an earlier date, they shall be true and correct in all material respects as of such earlier date; provided further that, any representation and warranty that is qualified as to “materiality,” “Material Adverse Effect” or similar language shall be true and correct (after giving effect to any qualification therein) in all respects on such respective dates.

(2) As of the Closing Date, Schedule 5.12 sets forth:

To the knowledge of the Borrower, the operation of the respective businesses of the Borrower or any Subsidiary of the Borrower as currently conducted does not infringe upon, dilute, misappropriate or violate any IP Rights held by any Person except for such infringements, dilutions, misappropriations or violations, individually or in the aggregate, that would not reasonably be expected to have a Material Adverse Effect. No claim or litigation regarding any IP Rights is pending or, to the knowledge of the Borrower, threatened in writing against any Loan Party or Subsidiary, that, either individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect.

Anything to the contrary notwithstanding, nothing in this Agreement will require Holdings, the Borrower or any Subsidiary to disclose, permit the inspection, examination or making copies or abstracts of, or discussion of, any document, information or other matter, or provide information (i) that constitutes non-financial trade secrets or non-financial proprietary information, (ii) in respect of which disclosure is prohibited by Law or binding agreement or (iii) that is subject to attorney-client or
similar privilege or constitutes attorney work product; provided that in the event that the Borrower does not provide information that otherwise would be required to be provided hereunder in reliance on the exclusions in this paragraph relating to violation of any obligation of confidentiality, the Borrower shall use commercially reasonable efforts to provide notice to the Administrative Agent promptly upon obtaining knowledge that such information is being withheld (but solely if providing such notice would not violate such obligation of confidentiality).

SECTION 6.03 Notices. Promptly after a Responsible Officer obtains actual knowledge thereof, notify the Administrative Agent of:

1. the occurrence of any Default; and
2. (a) any dispute, litigation, investigation or proceeding between any Loan Party and any arbitrator or Governmental Authority, (b) the filing or commencement of, or any material development in, any litigation or proceeding affecting any Loan Party or any of its Subsidiaries, including pursuant to any applicable Environmental Laws or in respect of IP Rights, the occurrence of any violation by any Loan Party or any of its Subsidiaries of, or liability under, any Environmental Law or Environmental Permit, or (c) the occurrence of any ERISA Event that, in any such case referred to in clauses (a), (b) or (c) of this Section 6.03(2), has resulted or would reasonably be expected to result in a Material Adverse Effect.

Timely pay, discharge or otherwise satisfy, as the same shall become due and payable, all of its obligations and liabilities in respect of Taxes imposed upon it or upon its income or profits or in respect of its property, except, in each case, to the extent (1) any such Tax is being contested in good faith and by appropriate actions for which appropriate reserves have been established in accordance with GAAP or (2) the failure to pay or discharge the same would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.

SECTION 6.05 Preservation of Existence, etc.

1. Preserve, renew and maintain in full force and effect its legal existence under the Laws of the jurisdiction of its organization; and
2. take all reasonable action to obtain, preserve, renew and keep in full force and effect its rights, licenses, permits, privileges, franchises, and IP Rights material to the conduct of its business,

except in the case of clause (1) or (2) to the extent (other than with respect to the preservation of the existence of the Borrower) that failure to do so would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect or pursuant to any merger, consolidation, liquidation, dissolution or disposition permitted by Article VII.

Subject to Section 6.13(2), each such policy of insurance will, as appropriate, (i) name the Collateral Agent, on behalf of the Secured Parties, as an additional insured thereunder as its interests may appear or (ii) in the case of each casualty insurance policy, contain an additional loss payable clause or endorsement that names the Collateral Agent, on behalf of the Secured Parties, as the additional loss payee thereunder.

SECTION 6.08 Compliance with Laws. Comply in all material respects with the requirements of all Laws and comply with the USA PATRIOT Act, sanctions administered by OFAC and all orders, writs, injunctions and decrees of any Governmental Authority applicable to it or to its business or property, except if the failure to comply therewith would not reasonably be expected individually or in the aggregate to have a Material Adverse Effect.

The Administrative Agent shall give the Borrower the opportunity to participate in any discussions with the Borrower’s independent public accountants. For the avoidance of doubt, this Section 6.10 is subject to the last paragraph of Section 6.02.
SECTION 6.11 Covenant to Guarantee Obligations and Give Security. The expansion of Liens by virtue of accretion or amortization of original issue discount, the payment of dividends in the form of Indebtedness, and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies will not be deemed to be an incurrence of Liens for purposes of this Section 7.01.

SECTION 7.02 Indebtedness.

(a) The Borrower shall not, nor shall the Borrower permit any Restricted Subsidiary to, directly or indirectly:

(i) create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise (collectively, “incur” and collectively, an “incurrence”) with respect to any Indebtedness (including Acquired Indebtedness), or

(ii) issue any shares of Disqualified Stock or permit any Restricted Subsidiary to issue any shares of Disqualified Stock or Preferred Stock;

provided that the Borrower may incur Indebtedness (including Acquired Indebtedness) or issue shares of Disqualified Stock, and any Restricted Subsidiary may incur Indebtedness (including Acquired Indebtedness), issue shares of Disqualified Stock and issue shares of Preferred Stock, in each case, if (any Indebtedness, Disqualified Stock or Preferred Stock incurred or issued pursuant to following clauses (A), (B) and (C), “Permitted Ratio Debt”):

(B) with respect to Indebtedness secured by the Collateral on a basis that is junior in priority to the First Lien Obligations, the Secured Net Leverage Ratio for the Test Period preceding the date on which such Indebtedness is incurred (without netting any cash received from the incurrence of such Indebtedness proposed to be incurred) would be no greater than 5.25 to 1.00; or

(C) with respect to Indebtedness that is not secured by the Collateral, including all Indebtedness of Restricted Subsidiaries that are not Guarantors, or any Disqualified Stock or Preferred Stock, the Total Net Leverage Ratio for the Test Period preceding the date on which such Indebtedness is incurred or such Disqualified Stock or Preferred Stock is issued (without netting any cash received from the incurrence of such Indebtedness proposed to be incurred) would be no greater than 5.50 to 1.00,

in each case, determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), as if the additional Indebtedness had been incurred, or the Disqualified Stock or Preferred Stock had been issued, as the case may be, and the application of proceeds therefrom had occurred at the beginning of such Test Period;

185

(29) the incurrence of Indebtedness arising out of any Sale-Leaseback Transaction incurred in the ordinary course of business or consistent with industry practice;

(30) (a) Credit Agreement Refinancing Indebtedness and (b) Permitted Incremental Equivalent Debt;

(31) the incurrence of Indebtedness, Disqualified Stock or Preferred Stock by Restricted Subsidiaries of the Borrower that are not Guarantors to fund working capital requirements in an aggregate principal amount or liquidation preference that, when aggregated with the principal amount and liquidation preference of all other Indebtedness, Disqualified Stock and Preferred Stock then outstanding and incurred or issued, as applicable, pursuant to this clause (31), together with any Refinancing Indebtedness in respect thereof (excluding any Incremental Amounts), does not exceed (as of the date such Indebtedness, Disqualified Stock or Preferred Stock is issued, incurred or otherwise obtained) the greater of (I) $40.0 million and (II) 5.0% of Consolidated EBITDA of the Borrower and the Restricted Subsidiaries for the most recently ended Test Period (calculated on a pro forma basis); and
(32) all premiums (if any), interest (including post-petition interest), fees, expenses, charges and additional or contingent interest on obligations described in clauses (1) through (31) above.

(c) For purposes of determining compliance with this Section 7.02:

(1) the principal amount of Indebtedness outstanding under any clause of this Section 7.02 will be determined after giving effect to the application of proceeds of any such Indebtedness to refinance any such other Indebtedness;

(2) guarantees of, or obligations in respect of letters of credit relating to, Indebtedness that are otherwise included in the determination of a particular amount of Indebtedness will not be included in the determination of such amount of Indebtedness; provided that the incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was incurred in compliance with this Section 7.02.

The accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount and the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or Preferred Stock and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies, in each case, will not be deemed to be an incurrence of Indebtedness, Disqualified Stock or Preferred Stock for purposes of this Section 7.02. Any Indebtedness incurred, or Disqualified Stock or Preferred Stock issued, to refinance Indebtedness incurred, or Disqualified Stock or Preferred Stock issued, pursuant to clauses (2), (3), (4), (12), (13), (14), (23), (30) and (31) of Section 7.02(b) will be permitted to include additional Indebtedness, Disqualified Stock or Preferred Stock incurred to pay (I) any accrued and unpaid interest on the Indebtedness, any accrued and unpaid dividends on the Preferred Stock, and any accrued and unpaid dividends on the Disqualified Stock being so refinanced, extended, replaced, refunded, renewed or defeased and (II) the amount of any tender premium or penalty or premium required to be paid under the terms of the instrument or documents governing such refinanced Indebtedness, Preferred Stock or Disqualified Stock and any defeasance costs and any fees and expenses (including original issue discount, upfront fees or similar fees) incurred in connection with the issuance of such new Indebtedness, Preferred Stock or Disqualified Stock or the extension, replacement, refunding, refinancing, renewal or defeasance of such refinanced Indebtedness, Preferred Stock or Disqualified Stock (and with respect to Indebtedness under Designated Revolving Commitments, including an amount equal to any unutilized Designated Revolving Commitments being refinanced, extended, replaced, refunded, renewed or defeased to the extent permanently terminated at the time of incurrence of such Refinancing Indebtedness).

For purposes of determining compliance with any Dollar denominated restriction on the incurrence of Indebtedness or issuance of Disqualified Stock or Preferred Stock, the Dollar equivalent principal amount of Indebtedness or liquidation preference of Disqualified Stock or amount of Preferred Stock denominated in a foreign currency will be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness, Disqualified Stock or Preferred Stock was incurred or issued (or, in the case of revolving credit debt, the date such Indebtedness was first committed or first incurred (whichever yields the lower Dollar equivalent)); provided that if such Indebtedness, Disqualified Stock or Preferred Stock is issued to Refinance other Indebtedness, Disqualified Stock or Preferred Stock denominated in a foreign currency, and such refinancing would cause the applicable Dollar denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such Dollar denominated restriction will be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness, Disqualified Stock or Preferred Stock does not exceed (i) the principal amount of such Indebtedness, the liquidation preference of such Disqualified Stock or the amount of such Preferred Stock (as applicable) being refinanced, extended, replaced, refunded, renewed
or defeased plus (ii) any accrued and unpaid interest on the Indebtedness, any accrued and unpaid dividends on the Preferred Stock, and any accrued and unpaid dividends on the Disqualified Stock being so refinanced, extended, replaced, refunded, renewed or defeased, plus (iii) the amount of any tender premium or penalty or premium required to be paid under the terms of the instrument or documents governing such refinanced Indebtedness, Preferred Stock or Disqualified Stock and any defeasance costs and any fees and expenses (including original issue discount, upfront fees or similar fees) incurred in connection with the issuance of such new Indebtedness, Preferred Stock or Disqualified Stock or the extension, replacement, refunding, refinancing, renewal or defeasance of such refinanced Indebtedness, Preferred Stock or Disqualified Stock (and with respect to Indebtedness under Designated Revolving Commitments, including an amount equal to any unutilized Designated Revolving Commitments being refinanced, extended, replaced, refunded, renewed or defeased to the extent permanently terminated at the time of incurrence of such Refinancing Indebtedness).

The principal amount of any Indebtedness incurred or Disqualified Stock or Preferred Stock issued to refinance other Indebtedness, Disqualified Stock or Preferred Stock, if incurred or issued in a different currency from the Indebtedness, Disqualified Stock or Preferred Stock, as applicable, being refinanced, will be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness or Disqualified Stock or Preferred Stock is denominated that is in effect on the date of such refinancing. The principal amount of any non-interest bearing Indebtedness or other discount security constituting Indebtedness at any date will be the principal amount thereof that would be shown on a balance sheet of the Borrower dated such date prepared in accordance with GAAP.

(13) restrictions or conditions contained in any trading, netting, operating, construction, service, supply, purchase, sale or other agreement to which the Borrower or any Restricted Subsidiary is a party entered into in the ordinary course of business or consistent with industry practice; provided that such agreement prohibits the encumbrance of solely the property or assets of the Borrower or such Restricted Subsidiary that are subject to such agreement, the payment rights arising thereunder or the proceeds thereof and does not extend to any other asset or property of the Borrower or such Restricted Subsidiary or the assets or property of another Restricted Subsidiary;

(14) customary provisions restricting subletting or assignment of any lease governing a leasehold interest of the Borrower or any Restricted Subsidiary;

(15) customary provisions restricting assignment of any agreement;

(16) restrictions arising in connection with cash or other deposits permitted under Section 7.01;

(17) any other agreement or instrument governing any Indebtedness, Disqualified Stock, or Preferred Stock permitted to be incurred or issued pursuant to Section 7.02 entered into after the Closing Date that contains encumbrances and restrictions that either (i) are no more restrictive in any material respect, taken as a whole, with respect to the Borrower or any Restricted Subsidiary than (A) the restrictions contained in the Loan Documents and the Second Lien Credit Documents as of the Closing Date or (B) those encumbrances and other restrictions that are in effect on the Closing Date with respect to the Borrower or that Restricted Subsidiary pursuant to agreements in effect on the Closing Date, (ii) are not materially more disadvantageous, taken as a whole, to the Lenders than is customary in comparable financings for similarly situated issuers or (iii) will not materially impair the Borrower’s ability to make payments on the Obligations when due, in each case in the good faith judgment of the Borrower;

(18) (i) under terms of Indebtedness and Liens in respect of Indebtedness permitted to be incurred pursuant to Section 7.02(b)(4) and any permitted refinancing in respect of the foregoing and (ii) agreements entered into in connection with any Sale-Leaseback Transaction entered into in the ordinary course of business or consistent with industry practice;

(20) any encumbrance or restriction with respect to a Restricted Subsidiary that was previously an Unrestricted Subsidiary which encumbrance or restriction exists pursuant to or by reason of an agreement that such Subsidiary is a party to or entered into before the date on which
such Subsidiary became a Restricted Subsidiary; provided that such agreement was not entered into in anticipation of an Unrestricted Subsidiary becoming a Restricted Subsidiary and any such encumbrance or restriction does not extend to any assets or property of the Borrower or any other Restricted Subsidiary other than the assets and property of such Restricted Subsidiary;

(21) any encumbrances or restrictions imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (1) through (20) above; provided that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Borrower, no more restrictive in any material respect with respect to such encumbrance and other restrictions, taken as a whole, than those prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing;

(22) any encumbrance or restriction existing under, by reason of or with respect to Refinancing Indebtedness; provided that the encumbrances and restrictions contained in the agreements governing that Refinancing Indebtedness are, in the good faith judgment of the Borrower, not materially more restrictive, taken as a whole, than those contained in the agreements governing the Indebtedness being refinanced; and

(23) applicable law or any applicable rule, regulation or order in any jurisdiction where Indebtedness, Disqualified Stock or Preferred Stock of Foreign Subsidiaries permitted to be incurred or issued pursuant to Section 7.02 is incurred.

SECTION 7.09 Accounting Changes. The Borrower shall not, nor shall the Borrower permit any Restricted Subsidiary to, make any change in fiscal year; provided, however, that the Borrower may, upon written notice to the Administrative Agent, (i) change its fiscal year to a calendar year ending December 31 and (ii) change its fiscal year to any other fiscal year reasonably acceptable to the Administrative Agent, and in the case of each of (i) and (ii), the Borrower and the Administrative Agent will, and are hereby authorized by the Lenders to, make any adjustments to this Agreement that are necessary to reflect such change in fiscal year.

Article VIII

Events of Default and Remedies

SECTION 8.01 Events of Default. Each of the events referred to in clauses (1) through (11) of this Section 8.01 shall constitute an “Event of Default”:

1. Non-Payment. The Borrower fails to pay (a) when and as required to be paid herein, any amount of principal of any Loan or (b) within five (5) Business Days after the same becomes due, any interest on any Loan or any other amount payable hereunder or with respect to any other Loan Document; or

2. Specific Covenants. The Borrower, any Subsidiary Guarantor or, in the case of Section 7.11, Holdings, fails to perform or observe any term, covenant or agreement contained in Section 6.03(1), 6.05(1) (solely with respect to the Borrower, other than in a transaction permitted under Section 7.03 or 7.04) or Article VII; provided that the Borrower’s failure to comply with the Financial Covenant or a breach of a financial maintenance covenant under any Incremental Revolving Commitments or any revolving facility that constitutes Credit Agreement Refinancing Indebtedness (each, a “Financial Covenant Event of Default”) shall not constitute an Event of Default with respect to any Term Loans or Term Commitments unless and until the Required Facility Lenders for the Revolving Facilities have actually terminated the Revolving Commitments and declared all Obligations with respect to the applicable Revolving Facility to be immediately due and payable pursuant to Section 8.02 as a result of such failure to comply (and such declaration has not been rescinded as of the applicable date) (the occurrence of such termination and declaration by the Required Facility Lenders for the Revolving Facilities, a “Financial Covenant Cross Default”); provided further that any Financial Covenant Event of Default is subject to cure pursuant to Section 8.04; or

3. Other Defaults. The Borrower or any Subsidiary Guarantor fails to perform or observe any other covenant or agreement (not specified in Section 8.01(1) or (2) above) contained in any Loan Document on its part to be performed or observed and such failure continues for thirty (30) days after receipt by the Borrower of written notice thereof from the Administrative Agent; or

4. Representations and Warranties. Any representation, warranty, certification or statement of fact made or deemed made by any Loan Party herein, in any other Loan Document, or in any document required to be delivered in connection herewith or therewith shall be untrue in any material respect when made or deemed made; or

5. Cross-Default. The Borrower or any Restricted Subsidiary (a) fails to make any payment beyond the applicable grace period, if any, whether by scheduled maturity, required prepayment, acceleration, demand, or otherwise, in respect of any Indebtedness (other than Indebtedness hereunder) having an aggregate outstanding principal amount (individually or in the aggregate with all other Indebtedness as to which such a failure shall exist) of not less than the 219
Threshold Amount, or (b) fails to observe or perform any other agreement or condition relating to any such Indebtedness, or any other event occurs (other than, with respect to Indebtedness consisting of Hedging Obligations, termination events or equivalent events pursuant to the terms of such Hedging Obligations and not as a result of any default thereunder by the Borrower or any Restricted Subsidiary), the effect of which default or other event is to cause, or to permit the holder or holders of such Indebtedness (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) to cause, with the giving of notice if required, such Indebtedness to become due or to be repurchased, prepaid, defeased or redeemed (automatically or otherwise), or an offer to repurchase, prepay, defease or redeem all of such Indebtedness to be made, prior to its stated maturity; provided that (A) such failure is unremedied and is not waived by the holders of such Indebtedness prior to any termination of the Commitments or acceleration of the Loans pursuant to Section 8.02 and (B) this clause (5)(b) shall not apply to secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness, if such sale or transfer is permitted hereunder and under the documents providing for such Indebtedness; or

(6) Insolvency Proceedings, etc. The Borrower, any Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, institutes or consents to the institution of any proceeding under any Debtor Relief Law, or makes an assignment for the benefit of creditors; or applies for or consents to the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar officer for it or for all or any material part of its property; or any receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar officer is appointed without the application or consent of such Person and the appointment continues undischarged or unstayed for sixty (60) calendar days; or any proceeding under any Debtor Relief Law relating to any such Person or to all or any material part of its property is instituted without the consent of such Person and continues undismissed or unstayed for sixty (60) calendar days, or an order for relief is entered in any such proceeding; or

(7) Judgments. There is entered against the Borrower, any Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, a final non-appealable judgment and order for the payment of money in an aggregate amount exceeding the Threshold Amount (to the extent not paid or covered by insurance or indemnities as to which the insurer or indemnity has been notified of such judgment or order and the applicable insurance company or indemnity has not denied coverage thereof) and such judgment or order shall not have been satisfied, vacated, discharged or stayed or bonded pending an appeal for a period of sixty (60) consecutive days; or

(8) ERISA. (a) An ERISA Event occurs with respect to a Pension Plan or Multiemployer Plan, (b) the Borrower or any Subsidiary Guarantor or any of their respective ERISA Affiliates fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its Withdrawal Liability under Section 4201 of ERISA under a Multiemployer Plan, or (c) with respect to a Foreign Plan, a termination, withdrawal or noncompliance with applicable Law or plan terms occurs, except, with respect to each of the foregoing clauses of this Section 8.01(8), as would not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect; or
Invalidity of Loan Documents. Any material provision of the Loan Documents, taken as a whole, at any time after its execution and delivery and for any reason (other than (a) as expressly permitted by a Loan Document (including as a result of a transaction permitted under Section 7.03 or 7.04), (b) as a result of acts or omissions by an Agent or any Lender or (c) due to the satisfaction in full of the Termination Conditions) ceases to be in full force and effect; or any Loan Party contests in writing the validity or enforceability of the Loan Documents, taken as a whole (other than as a result of the satisfaction of the Termination Conditions), or any Loan Party denies in writing that it has any or further liability or obligation under the Loan Documents, taken as a whole (other than (i) as expressly permitted by a Loan Document (including as a result of a transaction permitted under Section 7.03 or 7.04) or (ii) as a result of the satisfaction of the Termination Conditions), or purports in writing to revoke or rescind the Loan Documents, taken as a whole, prior to the satisfaction of the Termination Conditions; or

Collateral Documents. Any Collateral Document with respect to a material portion of the Collateral after delivery thereof pursuant to Section 4.01, 6.11, 6.13 or pursuant to the provisions of any Collateral Document for any reason (other than pursuant to the terms hereof or thereof including as a result of a transaction not prohibited under this Agreement) ceases to create, or any Lien purported to be created by any Collateral Document with respect to a material portion of the Collateral shall be asserted in writing by any Loan Party (prior to the satisfaction of the Termination Conditions) not to be, a valid and perfected Lien with the priority required by such Collateral Document (or other security purported to be created on the applicable Collateral) on, and security interest in, any material portion of the Collateral purported to be covered thereby, subject to Liens permitted under Section 7.01, except to the extent that any such loss of perfection or priority results from the failure of the Administrative Agent or the Collateral Agent to maintain possession of Collateral actually delivered to it and pledged under the Collateral Documents, to file Uniform Commercial Code amendments relating to a Loan Party’s change of name or jurisdiction of formation (solely to the extent that the Borrower provides the Collateral Agent written notice thereof in accordance with the Security Agreement, and the Collateral Agent and the Borrower have agreed that the Collateral Agent will be responsible for filing such amendments) or continuation statements and except as to Collateral consisting of real property to the extent that such losses are covered by a lender’s title insurance policy and such insurer has not denied coverage; or

Change of Control. There occurs any Change of Control.

SECTION 8.02 Remedies upon Event of Default. Subject to Section 8.04, if any Event of Default occurs and is continuing, the Administrative Agent may with the consent of the Required Lenders and shall, at the request of the Required Lenders, take any or all of the following actions:

(1) declare the Commitments of each Lender and any obligation of the Issuing Banks to make L/C Credit Extensions to be terminated, whereupon such Commitments and obligation will be terminated;

(2) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable under any Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower;

(3) require that the Borrower Cash Collateralize the then outstanding Letters of Credit (in an amount equal to the then Outstanding Amount thereof); and

(4) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable Law;
provided that (a) upon the occurrence of an actual or deemed entry of an order for relief with respect to the Borrower under Title 11 of the United States Code entitled “Bankruptcy,” as now or hereafter in effect, or any successor thereto (the “Bankruptcy Code”), the Commitments of each Lender and any obligation of the Issuing Banks to issue Letters of Credit, will automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid will automatically become due and payable, and the obligation of the Borrower to Cash Collateralize the Letters of Credit as aforesaid will automatically become effective, in each case without further act of the Administrative Agent or any Lender and (b) notwithstanding anything to the contrary, if the only Events of Default then having occurred and continuing are pursuant to a Financial Covenant Event of Default, then, unless a Financial Covenant Cross Default has occurred and is continuing, the Administrative Agent shall only take the actions set forth in this Section 8.02 at the request (or with the consent) of the Required Facility Lenders under the Revolving Facilities (as opposed to the Required Lenders) and only with respect to the Revolving Commitments, Revolving Loans, Letters of Credit and Obligations under the Revolving Facilities.

SECTION 8.03 Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable as set forth in clause (a) of the proviso to Section 8.02), subject to any Intercreditor Agreement then in effect, any amounts received on account of the Obligations will be applied by the Administrative Agent in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest, but including Attorney Costs payable under Section 10.04 and amounts payable under Article III) payable to the Administrative Agent and the Collateral Agent in their capacities as such;

Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal and interest, but including Attorney Costs payable under Section 10.04 and amounts payable under Article III) payable to the Lenders, ratably among them in proportion to the amounts described in this clause Second payable to them;

Third, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Loans and L/C Borrowings, ratably among the Lenders in proportion to the respective amounts described in this clause Third payable to them;

Fourth, to payment of that portion of the Obligations constituting unpaid principal of the Loans and L/C Borrowings (including to Cash Collateralize that portion of L/C Obligations comprised of the aggregate undrawn amount of Letters of Credit), the Obligations under Secured Hedge Agreements and Cash Management Obligations under Secured Cash Management Agreements, ratably among the Secured Parties in proportion to the respective amounts described in this clause Fourth held by them;

Fifth, to the payment of all other Obligations of the Loan Parties that are due and payable to the Administrative Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Obligations owing to the Administrative Agent and the other Secured Parties on such date; and

Last, the balance, if any, after all of the Obligations have been paid in full, to the Borrower or as otherwise required by Law.
Subject to Section 2.03(3), amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Fourth above will be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount will be applied to the other Obligations, if any, in the order set forth above and, if no Obligations remain outstanding, will be paid to the Borrower.

Notwithstanding the foregoing, amounts received from any Loan Party shall not be applied to any Excluded Swap Obligation of such Loan Party.

SECTION 8.04 Right to Cure.

(1) Notwithstanding anything to the contrary contained in Section 8.01 or Section 8.02, but subject to Sections 8.04(2) and (3), for the purpose of determining whether an Event of Default under the Financial Covenant has occurred, the Borrower may on one or more occasions designate any portion of the Net Proceeds from any Permitted Equity Issuance or of any contribution to the common equity capital of the Borrower (or from any other contribution to capital or sale or issuance of any other Equity Interests on terms reasonably satisfactory to the Administrative Agent) (the "Cure Amount") as an increase to Consolidated EBITDA of the Borrower for the applicable fiscal quarter; provided that

(a) such amounts to be designated are actually received by the Borrower (i) on or after the first Business Day of the applicable fiscal quarter and (ii) on or prior to the tenth (10th) Business Day after the date on which financial statements are required to be delivered with respect to such applicable fiscal quarter (the "Cure Expiration Date"),

(b) such amounts to be designated do not exceed the maximum aggregate amount necessary to cure any Event of Default under the Financial Covenant as of such date and

(c) the Borrower will have provided notice to the Administrative Agent on the date such amounts are designated as a “Cure Amount” (it being understood that to the extent such notice is provided in advance of delivery of a Compliance Certificate for the applicable period, the amount of such Net Proceeds that is designated as the Cure Amount may be lower than specified in such notice to the extent that the amount necessary to cure any Event of Default under the Financial Covenant is less than the full amount of such originally designated amount).

The Cure Amount used to calculate Consolidated EBITDA for one fiscal quarter will be used and included when calculating Consolidated EBITDA for each Test Period that includes such fiscal quarter. The parties hereby acknowledge that this Section 8.04(1) may not be relied on for purposes of calculating any financial ratios other than as applicable to the Financial Covenant (and may not be included for purposes of determining pricing, mandatory prepayments and the availability or amount permitted pursuant to any covenant under Article VII) and may not result in any adjustment to any amounts (including the amount of Indebtedness) or increase in cash with respect to the fiscal quarter with respect to which such Cure Amount was received other than the amount of the Consolidated EBITDA referred to in the immediately preceding sentence, except to the extent such proceeds are actually applied to prepay Indebtedness under the Facilities. Notwithstanding anything to the contrary contained in Section 8.01 and Section 8.02, (A) upon designation of the Cure Amount by the Borrower in an amount necessary to cure any Event of Default under the Financial Covenant, the Financial Covenant will be deemed satisfied and complied with as of the end of the relevant fiscal quarter with the same effect as though there had been no failure to comply with the Financial Covenant and any Event of Default under the Financial Covenant (and any other Default as a result thereof) will be deemed not to have occurred for
purposes of the Loan Documents, (B) from and after the date that the Borrower delivers a written notice to the Administrative Agent that it intends to
exercise its cure right under this Section 8.04 (a “Notice of Intent to Cure”) neither the Administrative Agent nor any Lender may exercise any rights
or remedies under Section 8.02 (or under any other Loan Document) on the basis of any actual or purported Event of Default under the Financial
Covenant (and any other Default as a result thereof) until and unless the Cure Expiration Date has occurred without the Cure Amount having been
designated and (C) no Lender or Issuing Bank shall be required to (but in its sole discretion may) make any Revolving Loan or issue or amend any
Letter of Credit from and after such time as the Administrative Agent has received the Notice of Intent to Cure unless and until the Cure Amount is
actually received.

(2) In each period of four consecutive fiscal quarters, there shall be no more than two (2) fiscal quarters in which the cure right set forth in
Section 8.04(1) is exercised.

(3) There shall be no more than five (5) fiscal quarters in which the cure rights set forth in Section 8.04(1) are exercised during the term of
the Facilities; provided that, so long as the Closing Date Revolving Facility is no longer outstanding, there may be an additional fiscal quarter after the
Original Revolving Facility Maturity Date in which the cure rights set forth in this Section 8.04 are exercised during the term of any Revolving
Commitments.

Article IX

Administrative Agent and Other Agents

SECTION 9.01 Appointment and Authorization of the Administrative Agent.

(1) Each Lender and Issuing Bank hereby irrevocably appoints Morgan Stanley Senior Funding, Inc., to act on its behalf as the
Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to
exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are
reasonably incidental thereto. The provisions of this Article IX (other than Sections 9.07, 9.11, 9.12, 9.15 and 9.16) are solely for the benefit of the
Administrative Agent, the Lenders and each Issuing Bank shall not have rights as a third-party beneficiary of any such provision. The
Administrative Agent hereby represents and warrants that it is either (i) a “U.S. person” and a “financial institution” and that it will comply with its
“obligation to withhold,” each within the meaning of Treasury Regulations Section 1.1441-1(b)(2)(ii) or (ii) a Withholding U.S. Branch.

(2) The Administrative Agent shall also act as the “collateral agent” under the Loan Documents, and each of the Lenders (including in its
capacities as a Lender and a potential Hedge Bank or Cash Management Bank) and the Issuing Banks hereby irrevocably appoints and authorizes the
Administrative Agent to act as the agent of (and to hold any security interest created by the Collateral Documents for and on behalf of or in trust for)
such Lender and Issuing Bank for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to
secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative
Agent, as “collateral agent” (and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.05 for
purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights
and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article IX and Article X
with respect to the Administrative Agent (including Sections 10.04 and 10.05), as though such co-agents, sub-agents and attorneys-in-fact were the
“collateral agent” under the Loan Documents. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the
Administrative Agent to execute any and all documents
(including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto (including any Intercreditor Agreement), as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

SECTION 9.02 Rights as a Lender. Any Lender that is also serving as an Agent (including as Administrative Agent) hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include each Lender (if any) serving as an Agent hereunder in its individual capacity. Any such Person serving as an Agent and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not an Agent hereunder and without any duty to account therefor to the Lenders. The Lenders acknowledge that, pursuant to such activities, any Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them.

SECTION 9.03 Exculpatory Provisions. The Administrative Agent and Collateral Agent shall not have any duties or responsibilities except those expressly set forth in this Agreement and in the other Loan Documents. Without limiting the generality of the foregoing, each Agent (including the Administrative Agent):

(1) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing and without limiting the generality of the foregoing, the use of the term “agent” herein and in the other Loan Documents with reference to any Agent or Arranger is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law and instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties;

(2) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law; and

(3) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by any Person serving as an Agent or any of its Affiliates in any capacity.

Neither the Administrative Agent nor any of its Related Persons shall be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in
good faith shall be necessary, under the circumstances as provided in Sections 10.01 and 8.02) or (ii) in the absence of its own gross negligence or willful misconduct as determined by the final and non-appealable judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Borrower, a Lender, or an Issuing Bank.

No Agent-Related Person shall be responsible for or have any duty to ascertain or inquire into (i) any recital, statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent. The duties of the Administrative Agent shall be mechanical and administrative in nature; the Administrative Agent shall not have by reason of this Agreement or any other Loan Document a fiduciary relationship in respect of any Lender or the holder of any Note; and nothing in this Agreement or in any other Loan Document, expressed or implied, is intended to or shall be so construed as to impose upon the Administrative Agent any obligations in respect of this Agreement or any other Loan Document except as expressly set forth herein or therein.

Notwithstanding any other provision of this Agreement or any provision of any other Loan Document, each Arranger is named as such for recognition purposes only, and in its capacity as such shall have no powers, duties, responsibilities or liabilities with respect to this Agreement or the other Loan Documents or the transactions contemplated hereby and thereby; it being understood and agreed that each Arranger shall be entitled to all indemnification and reimbursement rights in favor of the Arrangers as, and to the extent, provided for under Section 10.05. Without limitation of the foregoing, each Arranger shall not, solely by reason of this Agreement or any other Loan Documents, have any fiduciary relationship in respect of any Lender or any other Person.

SECTION 9.04 Lack of Reliance on the Administrative Agent. Independently and without reliance upon the Administrative Agent, each Lender and the holder of each Note, to the extent it deems appropriate, has made and shall continue to make (i) its own independent investigation of the financial condition and affairs of Holdings, the Borrower and the Restricted Subsidiaries in connection with the making and the continuance of the Loans and the taking or not taking of any action in connection herewith and (ii) its own appraisal of the creditworthiness of Holdings, the Borrower and the Restricted Subsidiaries and, except as expressly provided in this Agreement, the Administrative Agent shall not have any duty or responsibility, either initially or on a continuing basis, to provide any Lender or the holder of any Note with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter. The Administrative Agent shall not be responsible to any Lender or the holder of any Note for any recitals, statements, information, representations or warranties herein or in any document, certificate or other writing delivered in connection herewith or for the execution, effectiveness, genuineness, validity, enforceability, perfection, collectability, priority or sufficiency of this Agreement or any other Loan Document or the financial condition of Holdings, the Borrower or any of the Restricted Subsidiaries or be required to make any inquiry concerning either the performance or observance of any of the terms, provisions or conditions of this Agreement or any other Loan Document, or the financial condition of Holdings, the Borrower or any of the Restricted Subsidiaries or the existence or possible existence of any Default or Event of Default.

226
SECTION 9.05 Certain Rights of the Administrative Agent. If the Administrative Agent requests instructions from the Required Lenders with respect to any act or action (including failure to act) in connection with this Agreement or any other Loan Document, the Administrative Agent shall be entitled to refrain from such act or taking such action unless and until the Administrative Agent shall have received instructions from the Required Lenders; and the Administrative Agent shall not incur liability to any Lender by reason of so refraining. Without limiting the foregoing, neither any Lender nor the holder of any Note shall have any right of action whatsoever against the Administrative Agent as a result of the Administrative Agent acting or refraining from acting hereunder or under any other Loan Document in accordance with the instructions of the Required Lenders.

SECTION 9.06 Reliance by the Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall be fully protected in relying upon, any note, writing, resolution, notice, statement, certificate, telex, teletype or facsimile message, cablegram, radiogram, order or other document or telephone message signed, sent or made by any Person that the Administrative Agent believed to be the proper Person, and, with respect to all legal matters pertaining to this Agreement and any other Loan Document and its duties hereunder and thereunder, upon advice of counsel selected by the Administrative Agent. In determining compliance with any condition hereunder to the making of a Loan or the issuance, extension, renewal or increase of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or Issuing Bank, the Administrative Agent may presume that such condition is satisfactory to such Lender or Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or Issuing Bank prior to the making of such Loan or issuances of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

SECTION 9.07 Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Documents by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Agent-Related Persons. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Agent-Related Persons of the Administrative Agent and any such sub agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. Notwithstanding anything to the contrary in this Section 9.07 or Section 9.15, the Administrative Agent shall not delegate to any Supplemental Administrative Agent responsibility for receiving any payments under any Loan Document for the account of any Lender, which payments shall be received directly by the Administrative Agent, without prior written consent of the Borrower (not to unreasonably withheld or delayed).

SECTION 9.08 Indemnification. Whether or not the transactions contemplated hereby are consummated, to the extent the Administrative Agent or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) is not reimbursed and indemnified by the Borrower, the Lenders will reimburse and indemnify the Administrative Agent or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) in proportion to their respective Pro Rata Shares for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by the Administrative Agent or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) in performing its duties hereunder or under any other Loan Document or in any way relating to or arising out of this Agreement or any other Loan Document; provided that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits,
costs, expenses or disbursements resulting from the Administrative Agent’s or any other Agent-Related Person’s gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.08 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrower, provided that such reimbursement by the Lenders shall not affect the Borrower’s continuing reimbursement obligations with respect thereto, provided further that the failure of any Lender to indemnify or reimburse the Administrative Agent shall not relieve any other Lender of its obligation in respect thereof. The undertaking in this Section 9.08 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation of the Administrative Agent.

SECTION 9.09 The Administrative Agent in Its Individual Capacity. With respect to its obligation to make Loans under this Agreement, the Administrative Agent shall have the rights and powers specified herein for a “Lender” and may exercise the same rights and powers as though it were not performing the duties specified herein; and the term “Lender,” “Required Lenders” or any similar terms shall, unless the context clearly indicates otherwise, include the Administrative Agent in its respective individual capacities. The Administrative Agent and its affiliates may accept deposits from, lend money to, and generally engage in any kind of banking, investment banking, trust or other business with, or provide debt financing, equity capital or other services (including financial advisory services) to any Loan Party or any Affiliate of any Loan Party (or any Person engaged in a similar business with any Loan Party or any Affiliate thereof) as if they were not performing the duties specified herein, and may accept fees and other consideration from any Loan Party or any Affiliate of any Loan Party for services in connection with this Agreement and otherwise without having to account for the same to the Lenders. The Lenders acknowledge that, pursuant to such activities, any Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them.

SECTION 9.10 [Reserved].

SECTION 9.11 Resignation by the Administrative Agent. The Administrative Agent may resign from the performance of all its respective functions and duties hereunder or under the other Loan Documents at any time by giving 30 Business Days prior written notice to the Lenders and the Borrower. If the Administrative Agent becomes subject to a Lender-Related Distress Event, then the Administrative Agent may be removed as the Administrative Agent at the reasonable request of the Required Lenders. If the Administrative Agent becomes subject to an Agent-Related Distress Event, then the Borrower may remove the Administrative Agent from such role upon 15 days’ prior written notice to the Lenders. Such resignation or removal shall take effect upon the appointment of a successor Administrative Agent as provided below.

Notwithstanding anything to the contrary in this Agreement, no successor Administrative Agent shall be appointed unless such successor Administrative Agent represents and warrants that it is (i) a “U.S. person” and a “financial institution” and that it will comply with its “obligation to withhold,” each within the meaning of U.S. Treasury Regulations Section 1.1441-1, or (ii) a Withholding U.S. Branch.
Upon any such notice of resignation by, or notice of removal of, the Administrative Agent, the Required Lenders shall appoint a successor Administrative Agent hereunder or thereunder who shall be a commercial bank or trust company reasonably acceptable to the Borrower, which acceptance shall not be unreasonably withheld or delayed (provided that the Borrower’s approval shall not be required if an Event of Default under Section 8.01(1) or, solely with respect to the Borrower, Section 8.01(6) has occurred and is continuing).

If a successor Administrative Agent shall not have been so appointed within such 30 Business Day period, the Administrative Agent, with the consent of the Borrower (which consent shall not be unreasonably withheld or delayed, provided that the Borrower’s consent shall not be required if an Event of Default under Section 8.01(1) or, solely with respect to the Borrower, Section 8.01(6) has occurred and is continuing), shall then appoint a successor Administrative Agent who shall serve as Administrative Agent hereunder or thereunder until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above.

If no successor Administrative Agent has been appointed pursuant to the foregoing by the 35th Business Day after the date such notice of resignation was given by the Administrative Agent or such notice of removal was given by the Required Lenders or the Borrower, as applicable, the Administrative Agent’s resignation shall nonetheless become effective and the Required Lenders shall thereafter perform all the duties of the Administrative Agent hereunder or under any other Loan Document until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above. The retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders or the Issuing Banks under any of the Loan Documents, the retiring Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and except for any indemnity payments or other amounts then owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender or Issuing Bank directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section 9.11.

The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Administrative Agent’s resignation hereunder and under the other Loan Documents, the provisions of this Article and Sections 10.04 and 10.05 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Agent-Related Persons in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.
Upon a resignation or removal of the Administrative Agent pursuant to this Section 9.11, the Administrative Agent (i) shall continue to be subject to Section 10.09 and (ii) shall remain indemnified to the extent provided in this Agreement and the other Loan Documents and the provisions of this Article IX (and the analogous provisions of the other Loan Documents) shall continue in effect for the benefit of the Administrative Agent for all of its actions and inactions while serving as the Administrative Agent.

SECTION 9.12 Collateral Matters. Each Lender (including in its capacities as a potential Cash Management Bank and a potential Hedge Bank) irrevocably authorizes and directs the Administrative Agent and the Collateral Agent to take the actions to be taken by them as set forth in Sections 7.04 and 10.24.

Each Lender hereby agrees, and each holder of any Note by the acceptance thereof will be deemed to agree, that, except as otherwise set forth herein, any action taken by the Required Lenders or the Required Facility Lenders, as applicable, in accordance with the provisions of this Agreement or the Collateral Documents, and the exercise by the Required Lenders or the Required Facility Lenders, as applicable, of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders. The Collateral Agent is hereby authorized on behalf of all of the Lenders, without the necessity of any notice to or further consent from any Lender, from time to time, to take any action with respect to any Collateral or Collateral Documents which may be necessary to perfect and maintain perfected the security interest in and liens upon the Collateral granted pursuant to the Collateral Documents.

Upon request by the Administrative Agent at any time, the Lenders will confirm in writing the Collateral Agent’s authority to release particular types or items of Collateral pursuant to this Section 9.12. In each case as specified in this Section 9.12, Section 7.04 and Section 10.24, the applicable Agent will (and each Lender irrevocably authorizes the applicable Agent to), at the Borrower’s expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Collateral Documents, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents, this Section 9.12, Section 7.04 and Section 10.24.

The Collateral Agent shall have no obligation whatsoever to the Lenders or to any other Person to assure that the Collateral exists or is owned by any Loan Party or is cared for, protected or insured or that the Liens granted to the Collateral Agent herein or pursuant hereto have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, or to exercise or to continue exercising at all or in any manner or under any duty of care, disclosure or fidelity any of the rights, authorities and powers granted or available to the Collateral Agent in this Section 9.12, Section 7.04, Section 10.24 or in any of the Collateral Documents, it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, the Collateral Agent may act in any manner it may deem appropriate, in its sole discretion, given the Collateral Agent’s own interest in the Collateral as one of the Lenders and that the Collateral Agent shall have no duty or liability whatsoever to the Lenders, except for its gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

SECTION 9.13 [Reserved].

SECTION 9.14 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

230
(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, any Issuing Bank and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, any Issuing Bank and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, any Issuing Bank and the Administrative Agent under Sections 2.09 and 10.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and Issuing Bank to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders and relevant Issuing Banks, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Administrative Agent under Sections 2.09 and 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or Issuing Bank or to authorize the Administrative Agent to vote in respect of the claim of any Lender or Issuing Bank in any such proceeding.

The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar Laws in any other jurisdictions to which a Loan Party is subject, (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable Law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required
Lenders contained in clauses (a) through (i) of the first proviso to Section 10.01(1) of this Agreement), (iii) the Administrative Agent shall be authorized
to assign the relevant Obligations to any such acquisition vehicle pro rata by the Lenders, as a result of which each of the Lenders shall be deemed
to have received a pro rata portion of any Equity Interests and/or debt instruments issued by such an acquisition vehicle on account of the assignment of
the Obligations to be credit bid, all without the need for any Secured Party or acquisition vehicle to take any further action, and (iv) to the extent that
Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better,
because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise),
such Obligations shall automatically be reassigned to the Lenders pro rata and the Equity Interests and/or debt instruments issued by any acquisition
vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any
Secured Party or any acquisition vehicle to take any further action.

SECTION 9.15 Appointment of Supplemental Administrative Agents.

(1) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction
denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in
case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents,
or in case the Administrative Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers
or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith,
the Administrative Agent is hereby authorized to appoint an additional individual or institution selected by the Administrative Agent in its sole
discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrative sub-agent or administrative co-agent (any such
additional individual or institution being referred to herein individually as a “Supplemental Administrative Agent” and collectively as “Supplemental
Administrative Agents”).

(2) In the event that the Administrative Agent appoints a Supplemental Administrative Agent with respect to any Collateral, (i) each and
every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or
conveyed to the Administrative Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Administrative Agent to the
extent, and only to the extent, necessary to enable such Supplemental Administrative Agent to exercise such rights, powers and privileges with respect
to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and
necessary to the exercise or performance thereof by such Supplemental Administrative Agent shall run to and be enforceable by either the
Administrative Agent or such Supplemental Administrative Agent, and (ii) the provisions of this Article IX and of Sections 10.04 and 10.05 that refer to
the Administrative Agent shall inure to the benefit of such Supplemental Administrative Agent and all references therein to the Administrative Agent
shall be deemed to be references to the Administrative Agent or such Supplemental Administrative Agent, as the context may require.

(3) Should any instrument in writing from any Loan Party be reasonably required by any Supplemental Administrative Agent so appointed
by the Administrative Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Borrower
shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments reasonably acceptable to it promptly upon
request by the Administrative Agent. In case any Supplemental Administrative Agent, or a successor thereto, shall die, become incapable of acting,
resign or be removed, all the rights, powers, privileges and duties of such Supplemental Administrative Agent, to the extent permitted by Law, shall vest
in and be exercised by the Administrative Agent until the appointment of a new Supplemental Administrative Agent.
SECTIONS 9.16 Intercreditor Agreements. The Administrative Agent and Collateral Agent are hereby authorized to enter into any Intercreditor Agreement to the extent contemplated by the terms hereof, and the parties hereto acknowledge that such Intercreditor Agreement is binding upon them. Each Secured Party (a) hereby agrees that it will be bound by and will take no actions contrary to the provisions of the Intercreditor Agreements, (b) hereby authorizes and instructs the Administrative Agent and Collateral Agent to enter into the Intercreditor Agreements and to subject the Liens on the Collateral securing the Obligations to the provisions thereof and (c) without any further consent of the Lenders, hereby authorizes and instructs the Administrative Agent and the Collateral Agent to negotiate, execute and deliver on behalf of the Secured Parties any intercreditor agreement or any amendment (or amendment and restatement) to the Collateral Documents or any Intercreditor Agreement contemplated hereunder (including any such amendment (or amendment and restatement) of the First Lien/Second Lien Intercreditor Agreement or other intercreditor agreement to provide for the incurrence of any Indebtedness permitted hereunder that will be secured on a junior lien or pari passu basis to (x) the Obligations and/or (y) any Indebtedness pursuant to the Second Lien Credit Documents). In addition, each Secured Party hereby authorizes the Administrative Agent and the Collateral Agent to enter into (i) any amendments to any Intercreditor Agreements, and (ii) any other intercreditor arrangements, in the case of clauses (i) and (ii) to the extent required to give effect to the establishment of intercreditor rights and privileges as contemplated and required or permitted by this Agreement (including any such amendment (or amendment and restatement) of the First Lien/Second Lien Intercreditor Agreement or other intercreditor agreement to provide for the incurrence of any Indebtedness permitted hereunder that will be secured on a junior lien or pari passu basis to (x) the Obligations and/or (y) any Indebtedness pursuant to the Second Lien Credit Documents). Each Secured Party acknowledges and agrees that any of the Administrative Agent and Collateral Agent (or one or more of their respective Affiliates) may (but are not obligated to) act as the “Debt Representative” or like term for the holders of Credit Agreement Refinancing Indebtedness under the security agreements with respect thereto or any Intercreditor Agreement then in effect. Each Lender waives any conflict of interest, now contemplated or arising hereafter, in connection therewith and agrees not to assert against any Agent or any of its affiliates any claims, causes of action, damages or liabilities of whatever kind or nature relating thereto.

SECTION 9.17 Secured Cash Management Agreements and Secured Hedge Agreements. Except as otherwise expressly set forth herein or in any Guaranty or any Collateral Document, no Cash Management Bank or Hedge Bank that obtains the benefits of Section 8.03, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article IX to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

SECTION 9.18 Withholding Tax. To the extent required by any applicable Laws, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 3.01, each Lender shall indemnify and hold harmless the Administrative Agent against, and shall make payable in respect thereof within ten (10) days after demand therefor, any and all Taxes and any and all related losses,
claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the IRS or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold Tax from amounts paid to or for the account of such Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 9.18. The agreements in this Section 9.18 shall survive the resignation or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

Article X

Miscellaneous

SECTION 10.01 Amendments, etc.

(1) Except as otherwise set forth in this Agreement, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders (other than (x) with respect to any amendment or waiver contemplated in clauses (g), (h) or (i) below (in the case of clause (i), to the extent permitted by Section 2.14), which shall only require the consent of the Required Facility Lenders under the applicable Facility or Facilities, as applicable (and not the Required Lenders) and (y) with respect to any amendment or waiver contemplated in clauses (a), (b) or (c), which shall only require the consent of the Lenders expressly set forth therein and not the Required Lenders) or by the Administrative Agent with the consent of the Required Lenders and the Borrower or the applicable Loan Party, as the case may be, and acknowledged by the Administrative Agent, and the Administrative Agent hereby agrees to acknowledge any such waiver, consent or amendment that otherwise satisfies the requirements of this Section 10.01 as promptly as possible, however, to the extent the final form of such waiver, consent or amendment has been delivered to the Administrative Agent at least one Business Day prior to the proposed effectiveness of the consents by the Lenders party thereto, the Administrative Agent shall acknowledge such waiver, consent or amendment (i) immediately, in the case of any amendment which does not require the consent of any existing Lender under this Agreement or (ii) otherwise, within two hours of the time copies of the Required Lender consents or other applicable Lender consents required by this Section 10.01 have been provided to the Administrative Agent; and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided that no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender without the written consent of such Lender (it being understood that a waiver of any condition precedent set forth in Section 4.01 or 4.02 or the waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender);
(b) postpone any date scheduled for, or reduce the amount of, any payment of principal or interest under Section 2.07 or 2.08 (other than pursuant to Section 2.08(2)) or any payment of fees or premiums hereunder or under any Loan Document with respect to payments to any Lender without the written consent of such Lender, it being understood that none of the following will constitute a postponement of any date scheduled for, or a reduction in the amount of, any payment of principal, interest, fees or premiums: (i) the waiver of (or amendment to the terms of) any mandatory prepayment of the Loans, (ii) the waiver of any Default or Event of Default, and (iii) any change to the definition of “First Lien Net Leverage Ratio,” “Secured Net Leverage Ratio,” “Total Net Leverage Ratio,” “Interest Coverage Ratio” or, in each case, in the component definitions thereof;

(c) reduce the principal of, or the rate of interest specified herein on, any Loan or Unreimbursed Amount, or any fees or other amounts payable hereunder or under any other Loan Document to any Lender without the written consent of such Lender, it being understood that none of the following will constitute a reduction in any rate of interest or any fees: any change to the definition of “First Lien Net Leverage Ratio,” “Secured Net Leverage Ratio,” “Total Net Leverage Ratio,” “Interest Coverage Ratio,” or, in each case, in the component definitions thereof; provided that only the consent of (A) the Required Lenders shall be necessary to amend the definition of “Default Rate” and (B) the Required Facility Lenders under the Closing Date Revolving Facility, the Required Facility Lenders under the Closing Date Revolving Facility, shall be necessary to waive any obligation of the Borrower to pay interest at the Default Rate;

(g) amend, waive or otherwise modify any term or provision (including the waiver of any conditions set forth in Section 4.02 as to any Credit Extension under one or more Revolving Facilities) which directly affects Lenders under one or more Revolving Facilities and does not directly affect Lenders under any other Facilities, in each case, without the written consent of the Required Facility Lenders under such applicable Revolving Facility or Facilities with respect to Revolving Commitments (and in the case of multiple Facilities which are affected, such Required Facility Lenders shall consent together as one Facility); provided, however, that the waivers described in this clause (g) shall not require the consent of the Required Lenders or any other Lenders other than the Required Facility Lenders under the applicable Revolving Facility or Facilities (it being understood that any amendment to the conditions of effectiveness of Incremental Commitments set forth in Section 2.14 shall be subject to clause (i) below);

(h) amend, waive or otherwise modify the Financial Covenant or any definition related thereto (solely in respect of the use of such defined terms in the Financial Covenant) or waive any Default or Event of Default resulting from a failure to perform or observe the Financial Covenant) without the written consent of the Required Facility Lenders under the applicable Revolving Facility or Facilities with respect to Revolving Commitments (such Required Facility Lenders shall consent together as one Facility); provided, however, that the amendments, waivers and other modifications described in this clause (h) shall not require the consent of the Required Lenders or any other Lenders other than the Required Facility Lenders under the applicable Revolving Facility or Facilities;
(i) amend, waive or otherwise modify any term or provision (including the availability and conditions to funding (subject to the requirements of Section 2.14) with respect to Incremental Term Loans and Incremental Revolving Commitments, but excluding the rate of interest applicable thereto which shall be subject to clause (c) above)) which directly affects Lenders of one or more Incremental Term Loans or Incremental Revolving Commitments and does not directly affect Lenders under any other Facility, in each case, without the written consent of the Required Facility Lenders under such applicable Incremental Term Loans or Incremental Revolving Commitments (and in the case of multiple Facilities which are affected, such Required Facility Lenders shall consent together as one Facility); provided, however, that, to the extent permitted under Section 2.14, no amendments or waivers described in this clause (i) shall require the consent of the Required Lenders or any other Lenders and shall only require the consent of the Required Facility Lenders under such applicable Incremental Term Loans or Incremental Revolving Commitments, including to the extent such amendment or waiver includes provisions that benefit the Lenders under any other Facility and are not adverse to such other Lenders;

provided that:

(I) no amendment, waiver or consent shall, unless in writing and signed by each Issuing Bank in addition to the Lenders required above, affect the rights or duties of such Issuing Bank under this Agreement or any Issuing Bank Document relating to any Letter of Credit issued or to be issued by it; provided, however, that this Agreement may be amended to adjust the mechanics related to the issuance of Letters of Credit, including mechanical changes relating to the existence of multiple Issuing Banks, with only the written consent of the Administrative Agent, the applicable Issuing Bank and the Borrower so long as the obligations of the Revolving Lenders, if any, who have not executed such amendment, and if applicable the other Issuing Banks, if any, who have not executed such amendment, are not adversely affected thereby;

(II) [reserved]

(III) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document; and

(IV) Section 10.07(g) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification;

provided further that notwithstanding the foregoing:

(A) no Defaulting Lender shall have any right to approve or disapprove of any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that the Commitment of such Defaulting Lender may not be increased or extended without the consent of such Defaulting Lender (it being understood that any Commitments or Loans held or deemed held by any Defaulting Lender shall be excluded for a vote of the Lenders hereunder requiring any consent of the Lenders),
(B) no Lender consent is required to effect any amendment or supplement to any Intercreditor Agreement (i) that is for the purpose of adding the holders of Permitted Incremental Equivalent Debt, Credit Agreement Refinancing Indebtedness or any other Permitted Indebtedness that is Secured Indebtedness (or a Debt Representative with respect thereto) as parties thereto, as expressly contemplated by the terms of such Intercreditor Agreement, as applicable (it being understood that any such amendment, modification or supplement may make such other changes to the applicable Intercreditor Agreement as, in the good faith determination of the Administrative Agent, are required to effectuate the foregoing and provided that such other changes are not adverse, in any material respect, to the interests of the Lenders) or (ii) that is expressly contemplated by any Intercreditor Agreement in connection with joinders and supplements; provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Collateral Agent hereunder or under any other Loan Document without the prior written consent of the Administrative Agent or the Collateral Agent, as applicable;

(C) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (i) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans, the Revolving Loans and L/C Obligations and the accrued interest and fees in respect thereof and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders;

(D) any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) may be effected by an agreement or agreements in writing entered into by the Borrower and the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto under this Section 10.01 if such Class of Lenders were the only Class of Lenders hereunder at the time;

(E) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Borrower and the Administrative Agent (or the Collateral Agent, as applicable) to cure any ambiguity, omission, defect or inconsistency (including amendments, supplements or waivers to any of the Collateral Documents, guarantees, intercreditor agreements or related documents executed by any Loan Party or any other Subsidiary in connection with this Agreement if such amendment, supplement or waiver is delivered in order to cause such Collateral Documents, guarantees, intercreditor agreements or related documents to be consistent with this Agreement and the other Loan Documents) so long as, in each case, the Lenders shall have received at least five (5) Business Days’ prior written notice thereof and the Administrative Agent shall not have received, within five (5) Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment; provided that the consent of the Lenders or the Required Lenders, as the case may be, shall not be required to make any such changes necessary to be made in connection with any borrowing of Incremental Loans, any borrowing of Other Loans, any Extension or any borrowing of Replacement Loans and otherwise to effect the provisions of Section 2.14, 2.15 or 2.16 or the immediately succeeding paragraph of this Section 10.01, respectively; and
(F) the Borrower and the Administrative Agent may, without the input or consent of the other Lenders, (i) effect changes to any Mortgage as may be necessary or appropriate in the opinion of the Collateral Agent and (ii) effect changes to this Agreement that are necessary and appropriate to effect the offering process set forth in Section 2.05(1)(e).

(2) In addition, notwithstanding anything to the contrary contained in this Section 10.01, this Agreement may be amended with the written consent of the Administrative Agent, the Borrower and the Lenders providing the Replacement Loans (as defined below) to permit the refinancing of all outstanding Term Loans of any Class (“Replaced Loans”) with replacement term loans (“Replacement Loans”) hereunder; provided that:

(a) the aggregate principal amount of such Replacement Loans shall not exceed the aggregate principal amount of such Replaced Loans, plus accrued interest, fees, premiums (if any) and penalties thereon and reasonable fees and expenses incurred in connection with such refinancing of Replaced Loans with such Replacement Loans,

(b) the All-In Yield with respect to such Replacement Loans (or similar interest rate spread applicable to such Replacement Loans) shall not be higher than the All-In Yield for such Replaced Loans (or similar interest rate spread applicable to such Replaced Loans) immediately prior to such refinancing,

(c) the Weighted Average Life to Maturity of such Replacement Loans shall not be shorter than the Weighted Average Life to Maturity of such Replaced Loans at the time of such refinancing, and

(d) all other terms (other than with respect to pricing, interest rate margins, fees, discounts, rate floors and prepayment or redemption terms) applicable to such Replacement Loans shall either, at the option of the Borrower, (i) reflect market terms and conditions (taken as a whole) at the time of incurrence of such Replacement Loans (as determined by the Borrower in good faith) or (ii) if not otherwise consistent with the terms of such Replaced Loans, not be materially more restrictive to the Borrower (as determined by the Borrower in good faith), when taken as a whole, than the terms of such Replaced Loans, except with respect to covenants and other terms applicable to any period after the Latest Maturity Date of the Loans in effect immediately prior to such refinancing.

Each amendment to this Agreement providing for Replacement Loans may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower to effect the provisions of this paragraph, and for the avoidance of doubt, this paragraph shall supersede any other provisions in this Section 10.01 to the contrary.

(3) In addition, notwithstanding anything to the contrary in this Section 10.01,
(a) the Guaranty, the Collateral Documents and related documents executed by Loan Parties in connection with this Agreement and the other Loan Documents may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) to comply with local Law or advice of local counsel, (ii) to cure ambiguities or defects or (iii) to cause the Guaranty, Collateral Documents or other document to be consistent with this Agreement and the other Loan Documents (including by adding additional parties as contemplated herein or therein) and

(b) if the Administrative Agent and the Borrower shall have jointly identified an obvious error, mistake, ambiguity, incorrect cross-reference or any error or omission of a technical or immaterial nature, in each case, in any provision of this Agreement or any other Loan Document (including, for the avoidance of doubt, any exhibit, schedule or other attachment to any Loan Document), then the Administrative Agent (acting in its sole discretion) and the Borrower or any other relevant Loan Party shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Loan Document. Notification of such amendment shall be made by the Administrative Agent to the Lenders promptly upon such amendment becoming effective.

SECTION 10.02 Notices and Other Communications; Facsimile Copies.

Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (2) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(a) if to Holdings, the Borrower or the Administrative Agent, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 10.02; and

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next succeeding Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (2) below shall be effective as provided in such subsection (2).

(2) Electronic Communication. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.
Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender’s receipt of an acknowledgement from the intended recipient (such as by the “return receipt requested” function, as available, return e-mail or other written acknowledgement), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next succeeding Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

The Platform. THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE.” THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD-PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Agent-Related Persons or any Arranger (collectively, the “Agent Parties”) have any liability to Holdings, the Borrower, any Lender, or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower’s or the Administrative Agent’s transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Agent Party; provided, however, that in no event shall any Agent Party have any liability to Holdings, the Borrower, any Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

Change of Address. Each Loan Party and the Administrative Agent may change its address, facsimile or telephone number for notices and other communications hereunder by written notice to the other parties hereto. Each other Lender may change its address, facsimile or telephone number for notices and other communications hereunder by written notice to the Borrower and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, facsimile number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to, at all times, have selected the “Private-Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable Law, including United States Federal and state securities laws, to make reference to Borrower Materials that are not made available through the “Public Side Information” portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities laws.

Reliance by the Administrative Agent. The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The
Borrower shall indemnify the Administrative Agent, each Lender and the Agent-Related Persons of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

SECTION 10.03 No Waiver; Cumulative Remedies. No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 8.02 for the benefit of all the Lenders; provided, however, that the foregoing shall not prohibit (a) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) any Issuing Bank from exercising the rights and remedies that inure to its benefit (solely in its capacity as Issuing Bank, as the case may be) hereunder and under the other Loan Documents, (c) any Lender from exercising setoff rights in accordance with Section 10.10 (subject to the terms of Section 2.13), or (d) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and provided further that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b), (c) and (d) of the preceding proviso and subject to Section 2.13, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

SECTION 10.04 Costs and Expenses. The Borrower agrees (a) if the Closing Date occurs and to the extent not paid or reimbursed on or prior to the Closing Date, to pay or reimburse the Administrative Agent and the Arrangers for all reasonable and documented out-of-pocket costs and expenses of the Administrative Agent and such Arrangers incurred in connection with the preparation, negotiation, syndication, execution, delivery and administration of this Agreement and the other Loan Documents and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, including all Attorney Costs of a single U.S. counsel and, if necessary, a single local counsel in each relevant material jurisdiction, and (b) upon presentation of a summary statement, together with any supporting documentation reasonably requested by the Borrower, to pay or reimburse the Administrative Agent, each Issuing Bank and the other Lenders, taken as a whole, promptly following a written demand therefor for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and including all Attorney Costs of one counsel to the Administrative Agent and the Lenders taken as a whole (and, if necessary, one local counsel in any relevant material jurisdiction and solely in the case of a conflict of interest, one additional counsel in each relevant material jurisdiction to each group of affected
Lenders similarly situated taken as a whole). The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. All amounts due under this Section 10.04 shall be paid within thirty (30) Business Days following receipt by the Borrower of an invoice relating thereto setting forth such expenses in reasonable detail. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent in its sole discretion.

SECTION 10.05 Indemnification by the Borrower. The Borrower shall indemnify and hold harmless the Agents, each Issuing Bank, each other Lender, the Arrangers and their respective Related Persons (collectively, the “Indemnitees”) from and against any and all losses, claims, damages, liabilities or expenses (including Attorney Costs and Environmental Liabilities) to which any such Indemnitee may become subject arising out of, resulting from or in connection with (but limited, in the case of legal fees and expenses, to the reasonable and documented out-of-pocket fees, disbursements and other charges of one counsel to all Indemnitees taken as a whole and, if reasonably necessary, a single local counsel for all Indemnitees taken as a whole in each relevant material jurisdiction, and solely in the case of a conflict of interest, one additional counsel in each relevant material jurisdiction to each group of affected Indemnitees similarly situated taken as a whole) any actual or threatened claim, litigation, investigation or proceeding relating to the Transactions or to the execution, delivery, enforcement, performance and administration of this Agreement, the other Loan Documents, the Loans, the Letters of Credit or the use, or proposed use of the proceeds therefrom (including any refusal by any Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, litigation, investigation or proceeding), and regardless of whether any Indemnitee is a party thereto (all the foregoing, collectively, the “Indemnified Liabilities”); provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or expenses resulted from (x) the gross negligence, bad faith or willful misconduct of such Indemnitee or any of its Related Indemnified Persons as determined by any final, non-appealable judgment of a court of competent jurisdiction, (y) a material breach of any obligations under any Loan Document by such Indemnitee or any of its Related Indemnified Persons as determined by a final, non-appealable judgment of a court of competent jurisdiction or (z) any dispute solely among Indemnitees other than any claims arising out of or in connection with this Agreement (except to the extent such damages are found in a final, non-appealable judgment of a court of competent jurisdiction to have resulted from the willful misconduct, bad faith or gross negligence of such Indemnitee), nor shall any Indemnitee or any Loan Party have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date) (other than, in the case of any Loan Party, in respect of any such damages incurred or paid by an Indemnitee to a third party for which such Indemnitee is otherwise entitled to indemnification pursuant to this Section 10.05). In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors,
stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents is consummated. All amounts due under this Section 10.05 shall be paid within thirty (30) Business Days after written demand therefor. The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. This Section 10.05 shall not apply to Taxes, except any Taxes that represent losses or damages arising from any non-Tax claim. Notwithstanding the foregoing, each Indemnitee shall be obligated to refund and return promptly any and all amounts paid by any Loan Party or any of its Affiliates under this Section 10.05 to such Indemnitee for any such fees, expenses or damages to the extent such Indemnitee is not entitled to payment of such amounts in accordance with the terms hereof.

SECTION 10.06 Marshaling; Payments Set Aside. None of the Administrative Agent or any Lender shall be under any obligation to marshal any assets in favor of the Loan Parties or any other party or against or in payment of any or all of the Obligations. To the extent that any payment by or on behalf of the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Overnight Rate from time to time in effect.

SECTION 10.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and registered assigns permitted hereby, except that neither Holdings nor the Borrower may, except as permitted by Section 7.03, assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder (including to existing Lenders and their Affiliates) except (i) to an assignee in accordance with the provisions of Section 10.07(b) (such an assignee, an “Eligible Assignee”) and (A) in the case of any Eligible Assignee that, immediately prior to or upon giving effect to such assignment, is an Affiliated Lender, in accordance with the provisions of Section 10.07(h), (B) in the case of any Eligible Assignee that is Holdings, the Borrower or any Subsidiary of the Borrower, in accordance with the provisions of Section 10.07(l), or (C) in the case of any Eligible Assignee that is Holdings, the Borrower or any Subsidiary of the Borrower, in accordance with the provisions of Section 10.07(l), or (C) in the case of any Eligible Assignee that, immediately prior to or upon giving effect to such assignment, is a Debt Fund Affiliate, in accordance with the provisions of Section 10.07(k), (ii) by way of participation in accordance with the provisions of Section 10.07(d), (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(f), or (iv) to an SPC in accordance with the provisions of Section 10.07(g) (and any other attempted assignment or transfer by any party hereto shall be null and void) (or in the case of any such attempted assignment or transfer to a Disqualified Institution shall be subject to the provisions set forth in the fourth sentence of the definition of “Lender”). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(d) and, to the extent expressly contemplated hereby, Related Persons of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(i) Minimum Amounts.

(C) the consent of each applicable Issuing Bank at the time of such assignment (such consent not to be unreasonably withheld or delayed) shall be required; provided that no consent of the applicable Issuing Bank shall be required for any assignment not related to Revolving Commitments or Revolving Exposure; and

(D) [Reserved]

(E) with respect to assignments of any Commitments and Loans under the Revolving Facility, the consent of TPG VII Manta Holdings II, LP (such consent not to be unreasonably withheld or delayed) shall be required (so long as TPG VII Manta Holdings II, LP and its affiliates hold, directly or indirectly, at least a majority of the aggregate ordinary voting power represented by the issued and outstanding Equity Interests of the Borrower) unless an Event of Default under Section 8.01(1) or, solely with respect to the Borrower, Section 8.01(6) has occurred and is continuing at the time of such assignment determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if a “Trade Date” is specified in the Assignment and Assumption, as of the Trade Date (it being understood that TPG VII Manta Holdings II, LP shall be an express third party beneficiary of the provisions in this Section 10.07(b)(iii)(E)).

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually), and shall pay to the Administrative Agent a processing and recordation fee of $3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent). Other than in the case of assignments pursuant to Section 10.07(l), the Eligible Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and all applicable tax forms.

(v) No Assignments to Certain Persons. No such assignment shall be made (A) to Holdings, the Borrower or any of the Borrower’s Subsidiaries except as permitted under Sections 2.05(1)(e) and 10.07(l), (B) subject to Sections 10.07(h), (k) and (l) below, to any Affiliate of the Borrower, (C) to a natural person, (D) to any Disqualified Institution or (E) to any Defaulting Lender.

In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or sub participations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to
each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such
Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full
Pro Rata Share of all Loans and participations in Letters of Credit in accordance with its Pro Rata Share. Notwithstanding the foregoing, in the event
that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with
the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until
such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to clause (c) of this Section 10.07 (and, in the case of an
Affiliated Lender or a Person that, after giving effect to such assignment, would become an Affiliated Lender, to the requirements of clause (h) of this
Section 10.07), from and after the effective date specified in each Assignment and Assumption, other than in connection with an assignment pursuant to
Section 10.07(l), (x) the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and
Assumption, have the rights and obligations of a Lender under this Agreement, and (y) the assigning Lender thereunder shall, to the extent of the interest
assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and
Assumption covering all of the assigning Lender’s rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall
continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the
effective date of such assignment), but shall in any event continue to be subject to Section 10.09. Upon request, and the surrender by the assigning
Lender of its Note, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of
rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such
Lender of a participation in such rights and obligations in accordance with Section 10.07(d).

(c) The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent’s
Office a copy of each Assignment and Assumption delivered to it, each Affiliated Lender Assignment and Assumption delivered to it, each notice of
cancellation of any Loans delivered by the Borrower pursuant to subsections (h) or (l) below, and a register for the recordation of the names and
addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, L/C Obligations (specifying
Unreimbursed Amounts), L/C Borrowings and amounts due under Section 2.03, owing to each Lender pursuant to the terms hereof from time to time
(the “Register”). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Agents and the Lenders shall treat each
Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding
notice to the contrary. The Register shall be available for inspection by the Borrower, any Agent and, with respect to its own Loans, any Lender, at any
reasonable time and from time to time upon reasonable prior notice. This Section 10.07(c) and Section 2.11 shall be construed so that all Loans are at all
times maintained in “registered form” within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury regulations
(or any other relevant or successor provisions of the Code or of such Treasury regulations). Notwithstanding the foregoing, in no event shall the
Administrative Agent be obligated to ascertain, monitor or inquire as to whether any Lender is an Affiliated Lender, nor shall the Administrative Agent
be obligated to monitor the aggregate amount of the Term Loans or Incremental Term Loans held by Affiliated Lenders.

(d) Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any
Person (other than a natural person, the Borrower and its Affiliates, a Defaulting Lender or a Disqualified Institution) (each, a “Participant”) in all or a
portion of such Lender’s rights or obligations under this Agreement (including all or a portion of its

246
Commitment or the Loans (including such Lender’s participations in L/C Obligations) owing to it); provided that (i) such Lender’s obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 10.01(1) (other than clauses (g), (h) and (i) thereof) that directly and adversely affects such Participant. Subject to subsection (e) of this Section 10.07, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01 (subject to the requirements of Section 3.01 (including subsections (2), (3) and (4), as applicable) as though it were a Lender; provided that any forms required to be provided under Section 3.01(3) shall be provided solely to the participating Lender), 3.04 and 3.05 (through the applicable Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section 10.07. To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 10.10 as though it were a Lender; provided that such Participant shall agree to be subject to Section 2.13 as though it were a Lender.

(e) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower’s prior written consent. Each Lender that sells a participation shall (acting solely for this purpose as a non-fiduciary agent of the Borrower) maintain a register complying with the requirements of Sections 163(f), 871(h) and 881(c)(2) of the Code and the Treasury regulations issued thereunder on which is entered the name and address of each Participant and the principal amounts (and related interest amounts) of each Participant’s interest in the Loans or other obligations under this Agreement (the “Participant Register”). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender and the Borrower shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary; provided that no Lender shall have the obligation to disclose all or a portion of the Participant Register (including the identity of the Participant or any information relating to a Participant’s interest in the Loans or other obligations under this Agreement) to any Person except to the extent such disclosure is necessary to establish that any such commitments, loans, letters of credit or other obligations are in registered form for U.S. federal income tax purposes or such disclosure is otherwise required under Treasury Regulations Section 5f.103-1(c).

(f) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to any security or assignment to secure obligations to a Federal Reserve Bank or any other central bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Notwithstanding anything to the contrary contained herein, any Lender (a “Granting Lender”) may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an “SPC”) the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part

247
of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof and (iii) such SPC and the applicable Loan or any applicable part thereof shall be appropriately reflected in the Participant Register. Each party hereto hereby agrees that (i) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under Section 3.01, 3.04 or 3.05), (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (iii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the Lender hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrower and the Administrative Agent and with the payment of a processing fee of $3,500 (which processing fee may be waived by the Administrative Agent in its sole discretion), assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(h) Any Lender may at any time, assign all or a portion of its rights and obligations with respect to Term Loans under this Agreement to a Person who is or will become, after such assignment, an Affiliated Lender through (x) Dutch auctions or other offers to purchase or take by assignment open to all Lenders on a pro rata basis in accordance with procedures determined by such Affiliated Lender in its sole discretion or (y) open market purchase on a non-pro rata basis, in each case subject to the following limitations:

(i) Affiliated Lenders will not (A) receive information provided solely to Lenders by the Administrative Agent or any Lender and will not be permitted to attend or participate in conference calls or meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II or (B) make any challenge to the Administrative Agent’s or any other Lender’s attorney-client privilege on the basis of its status as a Lender;

(ii) [reserved];

(iii) each Lender (other than any other Affiliated Lender) that assigns any Loans to an Affiliated Lender pursuant to clause (y) above shall deliver to the Administrative Agent and the Borrower a customary Big Boy Letter;

(iv) the aggregate principal amount of Term Loans of any Class under this Agreement held by Affiliated Lenders at the time of any such purchase or assignment shall not exceed 25% of the aggregate principal amount of Term Loans of such Class outstanding at such time under this Agreement (such percentage, the “Affiliated Lender Cap”); provided that to the extent any assignment to an Affiliated Lender would result in the aggregate principal amount of all Term Loans of any Class held by Affiliated Lenders exceeding the Affiliated Lender Cap, the assignment of such excess amount will be void ab initio;
(v) as a condition to each assignment pursuant to this subsection (h), the Administrative Agent and the Borrower shall have been provided a notice in connection with each assignment to an Affiliated Lender or a Person that upon effectiveness of such assignment would constitute an Affiliated Lender pursuant to which such Affiliated Lender (in its capacity as such) shall waive any right to bring any action in connection with such Loans against the Administrative Agent, in its capacity as such; and

(vi) the assigning Lender and the Affiliated Lender purchasing such Lender’s Term Loans shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit D-2 hereto (an “Affiliated Lender Assignment and Assumption”).

Notwithstanding anything to the contrary contained herein, any Affiliated Lender that has purchased Term Loans pursuant to this subsection (h) may, in its sole discretion, contribute, directly or indirectly, the principal amount of such Term Loans or any portion thereof, plus all accrued and unpaid interest thereon, to the Borrower for the purpose of cancelling and extinguishing such Term Loans. Upon the date of such contribution, assignment or transfer, (x) the aggregate outstanding principal amount of Term Loans shall reflect such cancellation and extinguishing of the Term Loans then held by the Borrower and (y) the Borrower shall promptly provide notice to the Administrative Agent of such contribution of such Term Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Term Loans in the Register.

Each Affiliated Lender agrees to notify the Administrative Agent and the Borrower promptly (and in any event within ten (10) Business Days) if it acquires any Person who is also a Lender, and each Lender agrees to notify the Administrative Agent and the Borrower promptly (and in any event within ten (10) Business Days) if it becomes an Affiliated Lender. The Administrative Agent may conclusively rely upon any notice delivered pursuant to the immediately preceding sentence or pursuant to clause (v) of this subsection (h) and shall not have any liability for any losses suffered by any Person as a result of any purported assignment to or from an Affiliated Lender.

(i) Notwithstanding anything in Section 10.01 or the definition of “Required Lenders,” or “Required Facility Lenders” to the contrary, for purposes of determining whether the Required Lenders and Required Facility Lenders (in respect of a Class of Term Loans) have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, or subject to Section 10.07(j), any plan of reorganization pursuant to the U.S. Bankruptcy Code, (ii) otherwise acted on any matter related to any Loan Document, or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, no Affiliated Lender shall have any right to consent (or not consent), otherwise act or direct or require the Administrative Agent or any Lender to take (or refrain from taking) any such action and, except with respect to any amendment, modification, waiver, consent or other action (x) in Section 10.01 requiring the consent of all Lenders, all Lenders directly and adversely affected or specifically such Lender, (y) that alters an Affiliated Lender’s pro rata share of any payments given to all Lenders, or (z) affects the Affiliated Lender (in its capacity as a Lender) in a manner that is disproportionate to the effect on any Lender in the same Class, the Loans held by an Affiliated Lender shall be disregarded in both the numerator and denominator in the calculation of any Lender vote (and shall be deemed to have been voted in the same percentage as all other applicable Lenders voted if necessary to give legal effect to this paragraph) (but, in any event, in connection with any amendment, modification, waiver, consent or other action, shall be entitled to any consent fee, calculated as if all of such Affiliated Lender’s Loans had voted in favor of any matter for which a consent fee or similar payment is offered).
(j) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, each Affiliated Lender hereby agrees that, and each Affiliated Lender Assignment and Assumption shall provide a confirmation that, if a proceeding under any Debtor Relief Law shall be commenced by or against the Borrower or any other Loan Party at a time when such Lender is an Affiliated Lender, such Affiliated Lender irrevocably authorizes and empowers the Administrative Agent to vote on behalf of such Affiliated Lender with respect to the Term Loans held by such Affiliated Lender in any manner in the Administrative Agent’s sole discretion, unless the Administrative Agent instructs such Affiliated Lender to vote, in which case such Affiliated Lender shall vote with respect to the Term Loans held by it as the Administrative Agent directs; provided that such Affiliated Lender shall be entitled to vote in accordance with its sole discretion (and not in accordance with the direction of the Administrative Agent) in connection with any plan of reorganization to the extent any such plan of reorganization proposes to treat any Obligations held by such Affiliated Lender in a disproportionately adverse manner than the proposed treatment of similar Obligations held by Term Lenders that are not Affiliated Lenders.

(k) Although any Debt Fund Affiliate(s) shall be Eligible Assignees and shall not be subject to the provisions of Section 10.07(h), (i) or (j), any Lender may, at any time, assign all or a portion of its rights and obligations with respect to Term Loans under this Agreement to a Person who is or will become, after such assignment, a Debt Fund Affiliate only through (x) Dutch auctions or other offers to purchase or take by assignment open to all Lenders on a pro rata basis in accordance with procedures of the type described in Section 2.05(1)(e) (for the avoidance of doubt, without requiring any representation as to the possession of material non-public information by such Affiliate) or (y) open market purchase on a non-pro rata basis. Notwithstanding anything in Section 10.01 or the definition of “Required Lenders” to the contrary, for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, (ii) otherwise acted on any matter related to any Loan Document or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, all Term Loans, Revolving Commitments and Revolving Loans held by Debt Fund Affiliates, in the aggregate, may not account for more than 49.9% of the Term Loans, Revolving Commitments and Revolving Loans of Lenders included in determining whether the Required Lenders have consented to any action pursuant to Section 10.01.

(l) Any Lender may, so long as no Event of Default has occurred and is continuing, at any time, assign all or a portion of its rights and obligations with respect to Term Loans under this Agreement to Holdings, the Borrower or any Subsidiary of the Borrower through (x) Dutch auctions or other offers to purchase open to all Lenders on a pro rata basis in accordance with procedures of the type described in Section 2.05(1)(e) or (y) open market purchases on a non-pro rata basis; provided that:

   (i) (x) if the assignee is Holdings or a Subsidiary of the Borrower, upon such assignment, transfer or contribution, the applicable assignee shall automatically be deemed to have contributed or transferred the principal amount of such Term Loans, plus all accrued and unpaid interest thereon, to the Borrower; or (y) if the assignee is the Borrower (including through contribution or transfers set forth in clause (x)), (a) the principal amount of such Term Loans, along with all accrued and unpaid interest thereon, so contributed, assigned or transferred to the Borrower shall be deemed automatically cancelled and extinguished on the date of such contribution, assignment or transfer; (b) the aggregate outstanding principal amount of Term Loans of the remaining Lenders shall reflect such cancellation and extinguishing of the Term Loans then held by the Borrower and (c) the Borrower shall promptly provide notice to the Administrative Agent of such contribution, assignment or transfer of such Term Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Term Loans in the Register;

   (ii) [reserved];
(iii) each Lender (other than an Affiliated Lender) that assigns any Loans to Holdings, the Borrower or any Subsidiary of the Borrower pursuant to clause (y) above shall deliver to the Administrative Agent and the Borrower a customary Big Boy Letter; and

(iv) purchases of Term Loans pursuant to this subsection (l) may not be funded with the proceeds of Revolving Loans.

(m) Notwithstanding anything to the contrary contained herein, without the consent of the Borrower or the Administrative Agent, (1) any Lender may in accordance with applicable Law create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it and (2) any Lender that is a Fund may create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; provided that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 10.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(n) The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Institutions. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment or participation of Loans or Commitments, or disclosure of confidential information, to any Disqualified Institution.

SECTION 10.08 Resignation of Issuing Bank. Notwithstanding anything to the contrary contained herein, any Issuing Bank may, upon thirty (30) Business Days’ notice to the Borrower and the Lenders, resign as an Issuing Bank, so long as on or prior to the expiration of such 30-Business Day period with respect to such resignation, the relevant Issuing Bank shall have identified a successor Issuing Bank reasonably acceptable to the Borrower willing to accept its appointment as successor Issuing Bank. In the event of any such resignation of an Issuing Bank, the Borrower shall be entitled to appoint from among the Lenders willing to accept such appointment a successor Issuing Bank hereunder; provided that no failure by the Borrower to appoint any such successor shall affect the resignation of the relevant Issuing Bank except as expressly provided above. If an Issuing Bank resigns as an Issuing Bank, it shall retain all the rights and obligations of an Issuing Bank hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as an Issuing Bank and all L/C Obligations with respect thereto (including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(3)).

SECTION 10.09 Confidentiality. Each of the Agents, the Arrangers, the Lenders and each Issuing Bank agrees to maintain the confidentiality of the Information in accordance with its customary procedures (as set forth below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates’ respective partners, directors, officers, employees, legal counsel, independent auditors, agents, trustees, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential, with such Affiliate being responsible for such Person’s compliance with this Section 10.09; provided, however, that such Agent, Arranger, Lender or Issuing Bank, as applicable, shall be principally liable to the extent this Section 10.09 is violated by one or more of its Affiliates or any of its or their respective employees, directors or officers), (b) to the extent requested by any
regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners); provided, however, that each Agent, each Arranger, each Lender and each Issuing Bank agrees to notify the Borrower promptly thereof (except in connection with any request as part of a regulatory examination) to the extent it is legally permitted to do so, (c) to the extent required by applicable laws or regulations or by any subpoena or otherwise as required by applicable Law or regulation or as requested by a governmental authority; provided that such Agent, such Arranger, such Lender or such Issuing Bank, as applicable, agrees that it will (x) notify the Borrower as soon as practicable in the event of any such disclosure by such Person (except in connection with any request as part of a regulatory examination) unless such notification is prohibited by law, rule or regulation and (y) seek confidential treatment with respect to any such disclosure, (d) to any other party hereto, (e) subject to an agreement containing provisions at least as restrictive as those of this Section 10.09, to (i) subject to Section 10.07(1)(b)(x)(D), any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or any Eligible Assignee (or its agent) invited to be an Additional Lender or (ii) with the prior consent of the Borrower, any actual or prospective direct or indirect counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower or any of their Subsidiaries or any of their respective obligations; provided that such disclosure shall be made subject to the acknowledgment and acceptance by such prospective Lender, Participant or Eligible Assignee that such Information is being disseminated on a confidential basis (on substantially the terms set forth in this paragraph or as is otherwise reasonably acceptable to the Borrower, the Agents and the Arrangers, including as set forth in any confidential information memorandum or other marketing materials) in accordance with the standard syndication process of the Agents and the Arrangers or market standards for dissemination of such type of information which shall in any event require “click through” or other affirmative action on the part of the recipient to access such confidential information, (f) for purposes of establishing a “due diligence” defense, (g) on a confidential basis to (i) any rating agency in connection with rating the Borrower or its Subsidiaries or the credit facilities provided hereunder, (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers or other market identifiers with respect to the credit facilities provided hereunder, or (iii) service providers to the Agents and the Lenders in connection with the administration, settlement and management of this Agreement and the credit facilities provided hereunder, (h) with the consent of the Borrower or (i) to the extent such Information (x) becomes publicly available other than as a result of a breach by any Person of this Section 10.09 or any other confidentiality provision in favor of any Loan Party, (y) becomes available to any Agent, any Arranger, any Lender, any Issuing Bank or any of their respective Affiliates on a nonconfidential basis from a source other than Holdings, the Borrower or any Subsidiary thereof, and which source is not known by such Agent, such Lender, such Issuing Bank or the applicable Affiliate to be subject to a confidentiality restriction in respect thereof in favor of Holdings, the Borrower or any Affiliate thereof or (z) is independently developed by the Agents, the Lenders, the Issuing Banks, the Arrangers or their respective Affiliates, in each case, so long as not based on information obtained in a manner that would otherwise violate this Section 10.09.

For purposes of this Section 10.09, “Information” means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary or Affiliate thereof or their respective businesses, other than any such information that is available to any Agent, any Lender or any Issuing Bank on a nonconfidential basis prior to disclosure by any Loan Party or any Subsidiary thereof; it being understood that no information received from Holdings, the Borrower or any Subsidiary or Affiliate thereof after the date hereof shall be deemed nonconfidential on account of such information not being clearly identified at the time of delivery as being confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 10.09 shall be considered to have complied with its obligation to do so in accordance with its customary procedures if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.
Each Agent, each Arranger, each Lender and each Issuing Bank acknowledges that (a) the Information may include trade secrets, protected confidential information, or material non-public information concerning the Borrower or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of such information and (c) it will handle such information in accordance with applicable Law, including United States Federal and state securities Laws and to preserve its trade secret or confidential character.

The respective obligations of the Agents, the Arrangers, the Lenders and any Issuing Bank under this Section 10.09 shall survive, to the extent applicable to such Person, (x) the payment in full of the Obligations and the termination of this Agreement, (y) any assignment of its rights and obligations under this Agreement and (z) the resignation or removal of any Agent.

SECTION 10.10 Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each Issuing Bank is hereby authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent, to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or such Issuing Bank to or for the credit or the account of any Loan Party against any and all of the obligations of such Loan Party then due and payable under this Agreement or any other Loan Document to such Lender or such Issuing Bank, irrespective of whether or not such Lender or such Issuing Bank shall have made any demand under this Agreement or any other Loan Document; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.17 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Issuing Banks, and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and each Issuing Bank under this Section 10.10 are in addition to other rights and remedies (including other rights of setoff) that such Lender or such Issuing Bank may have. Each Lender and each Issuing Bank agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application.

SECTION 10.11 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “Maximum Rate”). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

SECTION 10.12 Counterparts; Integration; Effectiveness. This Agreement and each of the other Loan Documents may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01,

To the fullest extent permitted by law, each of the Borrower and Holdings hereby waives and releases any claims that it may have against the Agents, the Arrangers or any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Any such release of Obligations shall be deemed subject to the provision that such Obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made.
(c) Notwithstanding anything to the contrary contained herein or in any other Loan Document, upon request of the Borrower in connection with any Liens permitted by the Loan Documents, the Administrative Agent or Collateral Agent, as applicable, shall (without notice to, or vote or consent of, any Secured Party) take such actions as shall be required to subordinate the Lien on any Collateral to any Lien permitted under Section 7.01 to be senior to the Liens in favor of the Collateral Agent.

SECTION 10.25 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among the parties hereto, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender hereunder shall in no event affect the rights of any Covered Party under a Supported QFC or any QFC Credit Support.

(B) not later than forty-five (45) days or such later time as permitted under applicable securities law after the end of each of the first three fiscal quarters of each Fiscal Year, the unaudited consolidated balance sheet of the Company and its Subsidiaries, and the related statements of operations and cash flows for such quarter and for the period commencing on the first day of the Fiscal Year and ending on the last day of such quarter.

(d) Tax Returns.

(i) The Company shall cause to be prepared and timely filed all federal, state, local and foreign tax returns (including information returns) of the Company and its Subsidiaries which are required to be filed. Upon written request of the TPG Member, the Intel Member or the TB Member, for a purpose reasonably related to such Member’s interest in the Company, the Company shall furnish to such Member a copy of such tax return.

(ii) The Company shall furnish to the Managing Member, the TPG Member, the Intel Member and the TB Member (a) as soon as reasonably practicable after the end of each Fiscal Year, all information concerning the Company and its Subsidiaries reasonably required for the preparation of tax returns of such Members (or any beneficial owner(s) of such Member), including a report (including Schedule K-1) indicating such Member’s share of the Company’s taxable income, gain, credits, losses and deductions for such year, in sufficient detail to enable such Member to prepare its federal, state and other tax returns; provided, that the Managing Member shall (i) cause the Company to deliver to such Member a draft Schedule K-1 within ninety (90) days after the end of each Fiscal Year and (ii) use commercially reasonable efforts to provide estimates of such other information, which estimates the Managing Member in good faith believes to be reasonable, (b) as soon as reasonably practicable after the close of the relevant fiscal period, such information concerning the Company as is required to enable such Member (or any beneficial owner of such Member) to pay estimated taxes and (c) as soon as reasonably practicable after a request by such Member, such other information concerning the Company and its Subsidiaries that is reasonably requested by such Member for compliance with its tax obligations (or the tax obligations of any beneficial owner(s) of such Member) or for tax planning purposes. These rights with respect to the Managing Member, the TPG Member, the Intel Member and the TB Member shall survive such Member becoming a former Member.

(iii) The Company shall provide each Member other than the Managing Member, the TPG Member, the Intel Member and the TB Member, as soon as reasonably practicable after the end of each fiscal year a Schedule K-1, indicating such Member’s share of the Company’s taxable income, gain, credits, losses and deductions for such year, in sufficient detail to enable such Member to prepare its federal, state and other tax return; provided, that the Managing Member shall cause the Company to deliver to such Member a draft Schedule K-1 within ninety (90) days after the end of each Fiscal Year.
(iv) Notwithstanding anything to the contrary in this Agreement, PubCo shall, and shall cause each of its Subsidiaries (including the Company) to, file its tax returns in accordance with the tax treatment described in Section 8.10 of the Subscription Agreement, dated as of September 8, 2016, by and among the Company, Intel Corporation and TPG VII Manta Holdings L.P. and to not take any position inconsistent with such tax treatment in any tax audit or similar proceeding or exam (except upon a contrary Determination, as defined in the Tax Receivable Agreement).

(e) Inconsistent Positions. Unless a Member provides prior written notice to the Company, such Member will not take a position on such Member’s U.S. federal income tax return, in any claim for refund or in any administrative or legal proceedings that is inconsistent with this Agreement or with any information return filed by the Company.

Section 3.04 Books and Records. The Company shall keep full and accurate books of account and other records of the Company at its principal place of business. No Member (other than the Managing Member, the TPG Member and the Intel Member) shall have any right (except as otherwise explicitly accorded to a Member hereunder or under any other applicable agreement) to inspect the books and records of PubCo, the Company or any of its Subsidiaries, and each Member (other than the Managing Member, the TPG Member and the Intel Member) hereby waives its rights under Section 18-305(a) of the Delaware Act to the greatest extent permitted by applicable Law.

ARTICLE IV
COMPANY OWNERSHIP; RESTRICTIONS ON COMPANY UNITS

Section 4.01 Company Ownership.

(a) Except in connection with Redemptions or Exchanges in accordance with Article IX, pursuant to the Restructuring Agreement (and the transactions contemplated thereby), or as otherwise determined by the Managing Member with the approval of the TPG Member and the Intel Member, if at any time PubCo issues a share of Class A Common Stock or any other Equity Security of PubCo entitled to any economic rights (including in the IPO) (an “Economic PubCo Security”), (i) the Company shall issue to PubCo (or a wholly-owned Subsidiary of PubCo that PubCo designates) an equal number (or such other number as determined by the Managing Member in good faith to reflect the respective economic entitlements of the applicable Equity Securities) of Class A Units (if PubCo issues shares of Class A Common Stock) or such other Equity Securities (if PubCo issues Economic PubCo Securities other than a share of Class A Common Stock) corresponding to the Economic PubCo Security, with substantially the same rights to dividends and distributions (including distributions on liquidation) and other economic rights as those of such Economic PubCo Security and (ii) in exchange for the issuances in the foregoing clause (i), the net proceeds or contributed proceeds or other assets received by PubCo with respect to the corresponding issuance of Class A Common Stock or other Economic PubCo Securities, if any, shall be concurrently contributed by PubCo directly or indirectly to the Company, it being understood that, if PubCo or any of its Subsidiaries acquires the equity of any entity treated as a domestic corporation for U.S. federal income tax purposes, PubCo or such Subsidiary, as applicable, will, subject to non-Tax commercial objectives (other than reducing
payment obligations under the Tax Receivable Agreement), use its reasonable best efforts to restructure such acquired entity so that, for U.S. federal income tax purposes, the operating assets and liabilities of such entity are contributed, for U.S. federal income tax purposes, to the Company in a manner that minimizes the amount of equity interests in domestic corporations, for U.S. federal income tax purposes, that the Company owns, directly or indirectly.

(b) Notwithstanding Section 4.01(a), this Article IV shall not apply (i) to the issuance and distribution to holders of shares of PubCo Common Stock of rights to purchase Equity Securities of PubCo under a “poison pill” or similar shareholders rights plan (it being understood that upon a Redemption involving a Share Settlement or an Exchange under Article IX, the shares of Class A Common Stock and/or Class B Common Stock, as the case may be, issued therein will be issued together with a corresponding right) or (ii) to the issuance under any Equity Incentive Plan, the McAfee Employee Stock Purchase Plan or any other employee benefit plan sponsored or maintained by PubCo, of any Equity Securities, warrants, restricted stock units, options or other rights to acquire Equity Securities of PubCo or rights or property that are not themselves capital stock of PubCo but may be converted into or settled in Equity Securities of PubCo, but shall in each of the foregoing cases apply to the issuance of capital stock of PubCo upon the exercise or settlement of such warrants, restricted stock units, options, rights or property.

(c) Notwithstanding anything to the contrary herein, in the event that shares of unvested Class A Common Stock issued to holders of Management Incentive Units in connection with their direct or indirect contribution of equity of MAC to PubCo are canceled, (a) the number of Class A Units owned by PubCo and its wholly-owned Subsidiaries shall not be reduced and (b) the number of Class A Units owned by PubCo and its wholly-owned Subsidiaries shall not be increased to reflect the issuance of additional shares of Class A Common Stock pursuant to the Contribution Agreements.

Section 4.02 Restrictions on Units.

(a) Except as expressly permitted by Section 4.01 or as otherwise determined by the Managing Member with the consent of each of the TPG Member and the Intel Member, the Company may not issue any additional Class A Units or any other Equity Securities to PubCo or any of its Subsidiaries, unless substantially simultaneously therewith PubCo issues, including in connection with a stock dividend, or sells an equal number (or such other number as determined by the Managing Member in good faith to reflect the respective economic entitlements of the applicable Equity Securities) of shares of Class A Common Stock or other Equity Securities of PubCo with substantially the same rights to dividends and distributions (including distributions upon liquidation of PubCo) and other economic rights as the Equity Securities issued by the Company.

(b) Except as otherwise determined by the Managing Member with the consent of each of the TPG Member and the Intel Member, (i) neither PubCo nor any of its Subsidiaries may redeem, repurchase or otherwise acquire any shares of Class A Common Stock unless substantially simultaneously therewith the Company redeems, repurchases or otherwise acquires from PubCo (or such Subsidiary, as applicable) an equal number of Class A Units for the same price per security and (ii) neither PubCo nor any of its Subsidiaries may redeem or repurchase any other Equity Securities of PubCo unless substantially simultaneously therewith, the Company
redeems or repurchases from PubCo (or such Subsidiary, as applicable) an equal number (or such other number as determined by the Managing Member in good faith to reflect the respective economic entitlements of the applicable Equity Securities of the Company of a corresponding class or series with substantially the same rights to dividends and distributions (including distributions upon liquidation) or other economic rights as those of such Equity Securities of PubCo for the same price per security (or such other price as determined by the Managing Member in good faith to reflect the respective economic entitlements of the applicable Equity Securities). Except as otherwise determined by the Managing Member with the consent of each of the TPG Member and the Intel Member or as provided in Section 4.03 below, the Company may not redeem, repurchase or otherwise acquire Class A Units or other Equity Securities of the Company from PubCo or any of its Subsidiaries, unless substantially simultaneously therewith PubCo redeems, repurchases or otherwise acquires an equal number (or such other number as determined by the Managing Member in good faith to reflect the respective economic entitlements of the applicable Equity Securities) of shares of Class A Common Stock or other applicable Equity Securities of PubCo with substantially the same rights to dividends and distributions (including distributions upon liquidation of PubCo) and other economic rights as the Equity Securities issued by the Company for a corresponding price per security (or such other price as determined by the Managing Member in good faith to reflect the respective economic entitlements of the applicable Equity Securities) from holders thereof.

Notwithstanding the immediately preceding sentence, to the extent that any consideration payable by PubCo in connection with the redemption or repurchase of any shares or other Equity Securities of PubCo is or consists (in whole or in part) of shares or such other Equity Securities (including, for the avoidance of doubt, in connection with the net exercise of an option or warrant, the net settlement of a restricted stock unit or net withholding with respect to restricted stock), then redemption or repurchase of the corresponding Equity Securities of the Company shall be effected in an equivalent manner.

(c) Except as otherwise determined by the Managing Member with the approval of the TPG Member and the Intel Member (or pursuant to the Restructuring Agreement), if at any time an Economic PubCo Security is forfeited (e.g., due to the forfeiture of a restricted Economic PubCo Security in connection with a termination of employment or other service or the failure to meet applicable performance conditions), PubCo (or a Subsidiary of PubCo that PubCo designates) shall automatically forfeit an equal number (or such other number as determined by the Managing Member in good faith to reflect the respective economic entitlements of the applicable Economic PubCo Security) of Class A Units (if restricted shares of Class A Common Stock are forfeited) or such other Equity Securities (if other restricted Economic PubCo Securities are forfeited) simultaneously with the forfeiture of the applicable Economic PubCo Security.

(d) Except as otherwise determined by the Managing Member with the consent of each of the TPG Member and the Intel Member, (i) the Company shall not in any manner affect any subdivision (by any stock or Unit split, stock or Unit dividend or distribution, reclassification, reorganization, recapitalization or otherwise) or combination (by reverse stock or Unit split, reclassification, reorganization, recapitalization or otherwise) of the outstanding Equity Securities of the Company unless accompanied by a substantively identical subdivision or combination, as applicable, of the outstanding Equity Securities of PubCo, with corresponding changes made with respect to any other exchangeable or convertible securities, and (ii) PubCo shall not in any manner affect any subdivision (by any stock split, stock dividend or distribution, reclassification, reorganization, recapitalization or otherwise) or combination (by reverse stock
split, reclassification, reorganization, recapitalization or otherwise) of the outstanding Class A Common Stock unless accompanied by a substantively identical subdivision or combination, as applicable, of the outstanding Equity Securities of the Company, with corresponding changes made with respect to any other exchangeable or convertible securities. Notwithstanding any other provision of this Section 4.02, but subject to Section 4.02(e), PubCo shall be permitted to pay a dividend to its shareholders consisting of a number of shares of Class A Common Stock or other Equity Securities equal to the number of Class A Units (or Equity Securities, as applicable) the Company issues to PubCo or any of PubCo's wholly owned Subsidiaries in exchange for a contribution of cash or other property by such Persons to the Company where the Managing Member reasonably determines that such cash or other property is not attributable to proceeds received by PubCo from an issuance of Equity Securities of PubCo (with (i) the number of Class A Units issued by the Company to PubCo or its Subsidiaries equal to the quotient obtained by dividing (x) the amount of cash and the fair market value (as reasonably determined by the Managing Member) of other property contributed by such Persons to the Company by (y) the last closing sale price of a share of Class A Common Stock on the Trading Day immediately preceding the date of the contribution, or such other amount of Class A Units as approved by the TPG Member and the Intel Member, and (ii) the number of other Equity Securities issued by the Company to PubCo or its Subsidiaries calculated by the Managing Member in good faith and approved by the TPG Member and the Intel Member).

(e) Notwithstanding any other provision of this Agreement, except as contemplated by the Restructuring Agreement or with respect to cash balances of any entity PubCo acquires pursuant thereto, which cash PubCo shall use to directly or indirectly acquire Equity Securities of the Company, if PubCo acquires or holds cash in excess of any monetary obligations it reasonably anticipates (including as a result of the receipt of distributions pursuant to Section 5.03(d) for any period in excess of PubCo's (x) actual tax liabilities and (y) current obligations under the Tax Receivable Agreement, for such period), PubCo may not use such excess cash amount to acquire Equity Securities in the Company without the prior written consent of the TPG Member and the Intel Member.

Section 4.03 Call Rights/Mandatory Redemption Rights.

(a) Company Call Option/Mandatory Redemption Rights. Upon the Termination of Service of any Service Provider Member for any reason (including by reason of death, disability, retirement or voluntary resignation) other than a Termination of Service for “Cause” (as defined in the applicable Award Agreement) or a voluntary Termination of Service by the Service Provider Member at a time when the Company or any of its Affiliates could terminate the Service Provider Member for “Cause”), subject to any limitations set forth in an applicable Award Agreement, the Company may, within one hundred eighty days (180) days following the later to occur of (x) such Termination of Service or (y) the date that is six (6) months plus one (1) day following the latest date on which any of the Service Provider Member’s Units vested, repurchase the vested portion thereof (whether or not held by the Service Provider Member or a direct or indirect Transferee of such vested portion) for cash or a note payable (or in any other medium provided for in an applicable Award Agreement) at their Fair Market Value determined on the date that notice of the repurchase is provided to the Service Provider Member or may require the Service Provider Member to redeem such Units in accordance with the applicable provisions of Article IX on the date that a notice of mandatory redemption is provided.
In addition, subject to any limitations set forth in an applicable Award Agreement, in the event that the Service Provider Member commences employment or a service relationship that is competitive with the Company or any of its Affiliates, other than an Affiliate of the Company, that is not in violation of the Restrictive Covenants, the Company may, within one hundred eighty (180) days following the later to occur of (a) the date on which the Company obtained actual knowledge of the commencement of such employment or other service relationship or (b) the date that is six (6) months plus one (1) day following the latest date on which any of the Service Provider Member’s Units vested, repurchase the vested portion thereof (whether or not held by Service Provider Member or a direct or indirect Transferee of such vested portion) for cash at their Fair Market Value determined on the date that notice of the repurchase is provided to the Service Provider Member or may require the Service Provider Member to redeem such Units in accordance with the applicable provisions of Article IX on the date that a notice of mandatory redemption is provided. Such repurchase or mandatory redemption shall be closed promptly after the Company provides written notice of its desire to repurchase the vested portion of the applicable Units or cause such vested portion to be redeemed. Each Service Provider Member agrees, at any time after the granting of a Unit, to execute, and to cause any Permitted Transferee to execute, any documents (including a power of attorney) determined by the Managing Member in good faith to be necessary or appropriate to give effect to the Company’s repurchase right or mandatory redemption right described in this Section 4.03(a).

(b) **Forfeiture.** For avoidance of doubt, subject to any limitations set forth in an applicable Award Agreement, upon a Termination of Service for “Cause” (as defined in the applicable Award Agreement) (or a voluntary termination by the Service Provider Member at a time when the Company or any of its Affiliates could terminate the Service Provider Member for “Cause”) or upon the material violation of an applicable Restrictive Covenant, which breach, to the extent such breach is susceptible to cure, is not cured within thirty (30) days after such Service Provider Member receives written notice from the Company of the same, the Service Provider Member’s Unit(s) (including all portions thereof) (whether or not held by the Service Provider Member or a direct or indirect Transferee of such Unit(s)) shall be immediately forfeited for no consideration. For the avoidance of doubt, upon a Termination of Service or termination of “Employment” of a Service Provider Member, all Unvested portions of any Units granted to or in respect of such Service Provider Member (whether or not held by such Service Provider Member, a direct or indirect Transferee of such Unit(s) or any other Person) shall be forfeited pursuant to the applicable Award Agreement.

(c) **Coordination.** For purposes of this Section 4.03 any reference in an applicable Award Agreement to Section 13 of the Prior Agreement dated prior to the date hereof shall be deemed to refer to this Section 4.03 from and after the Restatement Date.
ARTICLE V
CAPITAL CONTRIBUTIONS; CAPITAL ACCOUNTS;
DISTRIBUTIONS; ALLOCATIONS

Section 5.01 Capital Contributions.
(a) From and after the date hereof, no Member shall have any obligation to the Company, to any other Member or to any creditor of the Company to make any further Capital Contribution, except as expressly provided in this Agreement.
(b) Except as expressly provided herein, no Member, in its capacity as a Member, shall have the right to receive any Property of the Company.

Section 5.02 Capital Accounts.
(a) Maintenance of Capital Accounts. The Company shall maintain a separate Capital Account for each Member on the books of the Company in accordance with the provisions of Treasury Regulations Section 1.704-1(b)(2)(iv) and, to the extent consistent with such provisions, the following provisions:
(i) Each Member listed on the Member Schedule shall be credited with the Initial Capital Account Balance set forth on the Member Schedule. The Member Schedule shall be amended by the Managing Member after the closing of the IPO and from time to time to reflect adjustments to the Members’ Capital Accounts made in accordance with Section 5.02(a)(ii), Section 5.02(a)(iii), Section 5.02(a)(iv), Section 5.02(c) or otherwise.
(ii) To each Member’s Capital Account there shall be credited: (A) such Member’s Capital Contributions, (B) such Member’s distributive share of Net Income and any item in the nature of income or gain that is allocated pursuant to Section 5.04 and (C) the amount of any Company liabilities assumed by such Member or that are secured by any Property distributed to such Member.
(iii) To each Member’s Capital Account there shall be debited: (A) the amount of money and the Carrying Value of any Property distributed to such Member pursuant to any provision of this Agreement, (B) such Member’s distributive share of Net Loss and any items in the nature of expenses or losses that are allocated to such Member pursuant to Section 5.04 and (C) the amount of any liabilities of such Member assumed by the Company or that are secured by any Property contributed by such Member to the Company.
(iv) In determining the amount of any liability for purposes of subparagraphs (ii) and (iii) above there shall be taken into account Section 752(c) of the Code and any other applicable provisions of the Code and the Treasury Regulations.

The foregoing provisions and the other provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with Treasury Regulations Section 1.704-1(b) and shall be interpreted and applied in a manner consistent with such Treasury Regulations. In the event that the Managing Member shall reasonably determine that it is prudent to modify the manner in which the Capital Accounts or any debits or credits thereto are maintained (including debits or credits relating to liabilities that are secured by contributed or distributed Property or that are assumed by the Company or the Members), the Managing Member may make such modification so long as such modification will not have any effect on the amounts distributed to any Person pursuant to Article XII upon the dissolution of the Company. The Managing Member also shall (i) make any adjustments that are necessary or appropriate to maintain equality between Capital Accounts of the Members and the amount of capital reflected on the Company’s balance sheet, as computed for book purposes, in accordance with Treasury Regulations Section 1.704-1(b)(2)(iv)(g), and (ii) make any appropriate modifications in the event unanticipated events might otherwise cause this Agreement not to comply with Treasury Regulations Section 1.704-1(b).
Succession to Capital Accounts. In the event any Person becomes a Substitute Member in accordance with the provisions of this Agreement, such Substitute Member shall succeed to the Capital Account of the former Member (the “Transferor Member”) to the extent such Capital Account relates to the Transferred Units.

Adjustments of Capital Accounts. The Company shall revalue the Capital Accounts of the Members in accordance with Treasury Regulations Section 1.704-1(b)(2)(iv)(f) at the following times: (i) immediately prior to the contribution of more than a de minimis amount of money or other property to the Company by a new or existing Member as consideration for one or more Units; (ii) immediately prior to the distribution by the Company to a Member of more than a de minimis amount of property as consideration for one or more Units; (iii) immediately prior to the liquidation of the Company within the meaning of Treasury Regulations Section 1.704-1(b)(2)(ii)(g); (iv) in connection with the issuance by the Company of more than a de minimis amount of Units as consideration for the provision of services to or for the benefit of the Company (as described in Treasury Regulations Section 1.704-1(b)(2)(iv)(f)(5)(iii)); and (v) upon the contribution of cash to the Company and to McAfee Finance 2, LLC in connection with the IPO; provided, however, that adjustments pursuant to clauses (i), (ii) and (iv) above need not be made if the Managing Member, with the consent of each of the TPG Member and the Intel Member, reasonably determines that such adjustments are not necessary or appropriate to reflect the relative economic interests of the Members and that the absence of such adjustments does not adversely and disproportionately affect any Member.

No Member shall be entitled to withdraw capital or receive distributions except as specifically provided herein. A Member shall have no obligation to the Company, to any other Member or to any creditor of the Company to restore any negative balance in the Capital Account of such Member. Except as expressly provided elsewhere herein, no interest shall be paid on the balance in any Member’s Capital Account.

Whenever it is necessary for purposes of this Agreement to determine a Member’s Capital Account on a per Unit basis, such amount shall be determined by dividing the Capital Account of such Member attributable to the applicable class of Units held of record by such Member by the number of Units of such class held of record by such Member, with appropriate adjustments if necessary to reflect the economic differences between Units.

Section 5.03 Amounts and Priority of Distributions.

(a) Distributions Generally. Except as otherwise provided in Article XII, distributions shall be made to the Members as set forth in this Section 5.03, at such times and in such amounts as the Managing Member, in its sole discretion, shall determine.
(b) Distributions to the Members.

(i) Subject to Section 5.03(d), any applicable agreement to which the Company or any of its Subsidiaries is a party governing the terms of third-party indebtedness for borrowed money, and the retention and establishment of reserves, or payment to the relevant parties of such funds as the Managing Member deems necessary or desirable in its sole discretion with respect to the reasonable needs and obligations of the Company, the net cash flow of the Company may be distributed to the Members at such times as may be determined by the Managing Member from time to time in its sole discretion. Except as specifically set forth herein and subject to Section 5.03(b)(i), Section 5.03(d) and Section 5.03(e), all distributions as of any date shall be distributed ratably among the holders of Class A Units and Management Incentive Units, based on the number of Class A Units or Management Incentive Units, as applicable, owned by such holders; provided, that, subject to Section 5.03(e), for purposes of this Section 5.01(b) and notwithstanding anything to the contrary set forth herein, a holder of a Management Incentive Unit (or portion thereof) shall be eligible to participate in distributions (A) only to the extent that the per Unit amount distributed by the Company (after the date of issuance of such Management Incentive Unit) in respect of each Class A Unit that is not a Management Incentive Unit and that was outstanding on the date of issuance of such Management Incentive Unit, excluding Tax Distributions, exceeds the then-unsatisfied Management Incentive Unit Return Threshold applicable to such Management Incentive Unit and (B) solely from the excess described in the preceding clause (A).

(ii) Notwithstanding anything contained herein to the contrary, (i) all distributions (other than Tax Distributions and the MAC Distribution) otherwise payable in respect of any Unvested Class A Unit or Unvested Management Incentive Unit to any holder thereof will be held back and distributed to such holder of such Unvested Class A Unit or Unvested Management Incentive Unit, as applicable, if and when such Unvested Class A Unit or Unvested Management Incentive Unit vests; provided, that, if any condition to the vesting of such Unvested Class A Unit or Unvested Management Incentive Unit becomes incapable of being satisfied, then any amounts that have not been distributed with respect to such Unvested Class A Unit or Unvested Management Incentive Unit, as applicable, may be distributed to all other Unit Holders in accordance with Section 5.03(b)(i) as if such distribution were a new distribution pursuant to Section 5.03(b)(i); and provided further that any shares of capital stock of MAC received in connection with the MAC Distribution by a holder of Units that, as of immediately prior to the MAC Distribution, were not vested shall be subject to the same vesting conditions as the Units in respect of which they were distributed. Furthermore, in the event that any holder of Class A Units or Management Incentive Units is obligated to return to the Company any distributions made in respect of such Class A Units or Management Incentive Units, including by reason of the violation of any Restrictive Covenant, such returned amounts may be distributed to the other holders of Units in accordance with Section 5.03(b)(i) as if such distribution were a new distribution pursuant to Section 5.03(b)(i). For all purposes under this Agreement (including U.S. federal, state and local income tax purposes) each Member who holds any Unvested Class A Unit or Unvested Management Incentive Unit will be treated as the owner of the unvested portion of the applicable Unvested Class A Unit or Management Incentive Unit and will be entitled to allocations of Net Income and Net Loss (and any items of income, gain, loss, deduction or credit) with respect thereto.

(c) Distributions in Kind. Any distributions in kind shall be made at such times and in such amounts as the Managing Member, in its sole discretion, shall determine based on their fair market value as determined by the Managing Member in the same proportions as if distributed in accordance with Section 5.03(b). If cash and property are to be distributed in kind simultaneously, the Company shall distribute such cash and property in kind in the same proportion to each Member. In connection with the MAC Distribution, the Company shall be treated as having made a distribution equal to the aggregate fair market value (as determined by the Company in its sole discretion) of the shares of MAC distributed in the MAC Distribution.
(d) **Tax Distributions.**

(i) To the extent the Company has available cash for distribution by the Company under the Delaware Act and subject to any applicable agreement to which the Company or any of its Subsidiaries is a party governing the terms of third party indebtedness for borrowed money, and subject to the retention and establishment of reserves, or payment to third parties, of such funds as the Managing Member deems necessary or desirable in its sole discretion with respect to the reasonable needs and obligations of the Company or any of its Subsidiaries, the Managing Member shall cause the Company to make each Fiscal Year, on a quarterly basis by the 10th (or next succeeding Business Day) of each of March, June, September and December (or other dates as may be appropriate in light of tax and estimated tax payment requirements), distributions to each Member that aggregate to such Member’s Tax Distribution Amount for such Fiscal Year. A final accounting for Tax Distributions shall be made for each taxable year after the taxable income or loss of the Company has been determined for such taxable year, and the Company shall promptly thereafter make supplemental Tax Distributions (or future Tax Distributions will be reduced) to reflect any difference between estimates previously used in calculating Tax Distributions and the relevant actual amounts recognized. If, following an audit or examination, there is an adjustment (including in connection with a “push-out” election under Section 6226 of the Code and any analogous election under state or local tax Laws) that would affect the calculation of the Company’s taxable income or taxable loss for a given period or portion thereof (or result in additional tax liabilities to a Member pursuant to Section 6226 of the Code or any analogous election under state or local tax Laws), or in the event that the Company files an amended tax return (or administrative adjustment request) which has such effect, then, subject to the availability of cash and any restrictions set forth in any credit agreements or other debt documents to which the Company is a party, and subject to the retention and establishment of reserves, or payment to third parties, of such funds as the Managing Member deems necessary or desirable in its sole discretion with respect to the reasonable needs and obligations of the Company or any of its Subsidiaries, the Company shall promptly recalculate each Member’s Tax Distribution and Tax Distribution Amount for the applicable period and, subject to Section 9.01(d), make additional Tax Distributions (increased by an additional amount estimated to be sufficient to cover any interest or penalties) to give effect to such adjustment or amended tax return (or administrative adjustment request). Notwithstanding the foregoing, to the extent a Member otherwise would, on any given date, be entitled to receive less than its ratable portion, based on the number of Class A Units or Management Incentive Units, as applicable, owned by such Member, of the aggregate Tax Distributions to be paid pursuant to this Section 5.03(d) on such date to the holders of Class A Units and Management Incentive Units, the Tax Distributions to such Member shall, subject to Section 9.01(d), be increased to ensure that all Tax Distributions made pursuant to this Section 5.03(d) are made ratably among the Members based on the number of Class A Units or Management Incentive Units, as applicable, owned by the Members as of such date. If on the date on which a Tax Distribution is to be made there are not sufficient available funds in the Company (or any of its Subsidiaries that are not foreign corporations for U.S. federal income tax purposes) to distribute the full amount of the relevant Tax Distributions otherwise to be made or any credit agreements or other debt documents to which the Company (or any of its
Subsidiaries) is a party not to permit the Company to receive from its Subsidiaries or distribute to each Member the full amount of the Tax Distributions otherwise to be made to each such Member, distributions pursuant to this Section 5.03(d) shall, subject to Section 5.03(f)(v) and Section 9.01(d), be made ratably among the Members based on the number of Class A Units or Management Incentive Units, as applicable, owned by such Members as of such date to the extent of the available funds.

(ii) For the avoidance of doubt, Tax Distributions shall not be treated as advances of amounts otherwise distributable to any Member pursuant to this Section 5.03 or Section 12.02(b)(i), and accordingly shall not be applied against or reduce the next amounts that would otherwise be payable to such Member pursuant to such provisions or otherwise.

(e) Limitations in Respect of Profits Interests.

(i) It is the intention of the Members that distributions with respect to each Profits Interest be limited to the extent necessary so that each Profits Interest qualifies at the time of grant as a “profits interest” for U.S. federal income tax purposes, and this Agreement shall be interpreted accordingly. In the event that distributions to which a Member would otherwise be entitled are inconsistent with the first sentence of this Section 5.03(e)(i), the Managing Member is authorized to adjust future distributions to the Members in whatever manner it deems appropriate (to the extent consistent with the intended treatment of each Profits Interest as a “profits interest” for U.S. federal income tax purposes) so that, after such adjustments are made, each Member receives, to the maximum extent possible, an amount of distributions equal to the amount of distributions such Member would have received were such sentence not part of this Agreement. Additionally, the Company intends to treat a Member holding a Profits Interest as the owner of such Interest for tax reporting purposes from the date it is granted, and the Company intends to file its IRS Form 1065, and the Company intends to issue appropriate Schedule K-1s, if any, to such Member, allocating to such Member its distributive share of all items of income, gain, loss, deduction and credit associated with such Management Incentive Unit (or portion thereof) as if no time-based vesting restrictions applied. Each holder of Management Incentive Units agrees to take into account such distributive share in computing its U.S. federal income tax liability for the entire period during which it holds any Management Incentive Unit (or portion thereof). The Company and each Member agree not to claim a deduction (as wages, compensation or otherwise) for U.S. federal, state and local income tax purposes the fair market value of any Profits Interest issued to a holder of Management Incentive Units, either at the time of grant of the Unit or at the time the Unit becomes substantially vested. The undertakings contained in this Section 5.03(e)(i) shall be construed in accordance with the treatment of each Profits Interest as a “profits interest” for U.S. federal income tax purposes. Each recipient of a Profits Interest whether issued on or after the date hereof that is subject to vesting agrees to timely and properly file an election under Section 83(b) of the Code with respect to each Profits Interest and provide the Company with a copy of such election. Each holder of Profits Interests acknowledges and agrees that such holder will consult with such holder’s tax advisor to determine the tax consequences of filing an election under Section 83(b) of the Code. Each such holder acknowledges that it is the sole responsibility of such holder, and not the Company, to file a timely election under Section 83(b) of the Code even if such holder requests the Company or its representatives to make such filing on behalf of such holder.

(ii) By executing this Agreement, each Member authorizes the Company, at the election of the Managing Member, to elect to have the “Safe Harbor” described in the proposed Revenue Procedure (“Revenue Procedure”) set forth in the IRS Notice 2005-43 (the “Notice”) apply to any Interest Transferred to a service provider by the Company on or after the effective date of such Revenue Procedure in connection with services provided to the Company or any Subsidiary of the Company. For purposes of making such “Safe Harbor” election, the Managing Member is hereby designated as the “partner who has responsibility for U.S. federal income tax reporting” by the Company and, accordingly, execution of such “Safe Harbor” election by the Managing Member shall constitute execution of a “Safe Harbor Election” in accordance with Section 3.03 of the Notice. The Company and each Member hereby agree to comply with all requirements of the “Safe Harbor” described in the Notice, to the extent such requirements are imposed in the Revenue Procedure, including the requirement that each Member shall prepare and file all U.S. federal income tax returns reporting the income tax effects of each interest in the Company issued by the Company covered by the “Safe Harbor” in a manner consistent with the requirements of the Revenue Procedure.

(iii) Each Member authorizes the Managing Member to amend this Section 5.03(e) to the extent necessary and advisable in the determination of the Managing Member to comply with the requirements of the Revenue Procedure as issued; provided, that such amendment is not adverse to such Member (as compared with the after-tax consequences that would result if the provisions of the Notice applied to all Interests in the Company Transferred to a service provider by the Company in connection with services provided to the Company or any Subsidiary of the Company). A Member’s obligations to comply with the requirements of this Section 5.03(e) shall survive such Member’s ceasing to be a Member of the Company and/or the winding up and dissolution of the Company, and, for purposes of this Section 5.03(e), the Company shall be treated as continuing in existence.

(f) Managing Member Distributions. Notwithstanding the provisions of Section 5.03(b), the Managing Member may authorize that, to the extent expenses or other obligations of the Managing Member and its wholly owned Subsidiaries are related to its role as the Managing Member or the business and affairs of the Managing Member and its wholly-owned Subsidiaries are related to its role as the Managing Member or the business and affairs of the Managing Member and its wholly-owned Subsidiaries that are conducted through the Company or any of the Company’s direct or indirect Subsidiaries, cash (and, for the avoidance of doubt, only cash) distributions may be made to the Managing Member or its wholly-owned Subsidiaries, as applicable (which distributions shall be made without pro rata distributions to the other Members), in amounts required for the Managing Member and its wholly-owned Subsidiaries to pay (v) the Special TRA Payment (and the aggregate amount of any Special TRA Payment that the Managing Member makes shall reduce the next succeeding Tax Distributions to the Managing Member and its wholly-owned Subsidiaries), (w) operating, administrative and other similar costs incurred by the Managing Member and its wholly-owned Subsidiaries, to the extent the proceeds are used or will be used by the Managing Member and its wholly-owned Subsidiaries to pay expenses described in this Section 5.03(f) (in either case only to the extent economically equivalent indebtedness or Equity Securities of the Company were not issued to the Managing Member or its wholly-owned Subsidiaries), and payments pursuant to any legal, tax, accounting and other professional fees and expenses (but, for the avoidance of doubt, excluding any tax liabilities of the Managing Member and its wholly-owned Subsidiaries), (x) any judgments, settlements, penalties, fines or other costs and expenses in respect of any claims against, or any litigation or proceedings involving, the
Managing Member and its wholly-owned Subsidiaries, (y) fees and expenses (including any underwriters’ discounts and commissions) related to any securities offering, investment or acquisition transaction (whether or not successful) authorized by the Managing Member and its wholly-owned Subsidiaries and (z) other fees and expenses in connection with the maintenance of the existence of the Managing Member and its wholly-owned Subsidiaries. For the avoidance of doubt, distributions made under this Section 5.03(f) may not be used to pay or facilitate dividends or distributions on the common stock of PubCo or pursuant to the Tax Receivable Agreement without the consent of each of the TPG Member and the Intel Member and must be used solely for the express purposes set forth under the immediately preceding sentence.

Section 5.04 Allocations.

(a) Net Income and Net Loss. Except as otherwise provided in this Agreement, and after giving effect to the special allocations set forth in Section 5.04(b), Section 5.04(c) and Section 5.04(d), Net Income and Net Loss (and, to the extent necessary, individual items of income, gain, loss, deduction or credit) of the Company shall be allocated among the Members in a manner such that the Capital Account of each Member, immediately after making such allocation, is, as nearly as possible, equal to (i) the distributions that would be made to such Member pursuant to Section 5.03(b) if the Company were dissolved, its affairs wound up and its assets sold for cash equal to their Carrying Value, all Company liabilities were satisfied (limited with respect to each nonrecourse liability to the Carrying Value of the assets securing such liability), and the net assets of the Company were distributed, in accordance with Section 5.03(b), to the Members immediately after making such allocation (assuming, solely for this purpose that all Unvested Units were fully vested in respect of time-based vesting conditions), minus (ii) such Member’s share of Company Minimum Gain and Member Nonrecourse Debt Minimum Gain, computed immediately prior to the hypothetical sale of assets.

(b) Special Allocations. The following special allocations shall be made in the following order:

(i) Minimum Gain Chargeback. Except as otherwise provided in Treasury Regulations Section 1.704-2(f), notwithstanding any other provision of this Article V, if there is a net decrease in Company Minimum Gain during any Fiscal Year, each Member shall be specially allocated items of Company income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to such Member’s share of the net decrease in Company Minimum Gain, determined in accordance with Treasury Regulations Section 1.704-2(g). Allocations pursuant to the immediately preceding sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with Treasury Regulations Section 1.704-2(f)(6) and 1.704-2(j)(2). This Section 5.04(b)(i) is intended to comply with the minimum gain chargeback requirement in Treasury Regulations Section 1.704-2(f) and shall be interpreted consistently therewith.
(ii) **Member Minimum Gain Chargeback.** Except as otherwise provided in Treasury Regulations Section 1.704-2(i)(4), notwithstanding any other provision of this Article V, if there is a net decrease in Member Nonrecourse Debt Minimum Gain attributable to a Member Nonrecourse Debt during any Fiscal Year, each Member who has a share of the Member Nonrecourse Debt Minimum Gain attributable to such Member Nonrecourse Debt, determined in accordance with Treasury Regulations Section 1.704-2(i)(5), shall be specially allocated items of Company income and gain for such Fiscal Year (and, if necessary, subsequent Fiscal Years) in an amount equal to such Member’s share of the net decrease in Member Nonrecourse Debt Minimum Gain attributable to such Member Nonrecourse Debt, determined in accordance with Treasury Regulations Section 1.704-2(i)(4). Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with Treasury Regulations Sections 1.704-2(i)(4) and 1.704-2(j)(2). This Section 5.04(b)(ii) is intended to comply with the minimum gain chargeback requirement in Treasury Regulations Section 1.704-2(j)(4) and shall be interpreted consistently therewith.

(iii) **Qualified Income Offset.** In the event any Member unexpectedly receives any adjustments, allocations, or distributions described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), 1.704-1(b)(2)(ii)(d)(5) or Section 1.704-1(b)(2)(ii)(d)(6), items of Company income and gain shall be specially allocated to such Member in an amount and manner sufficient to eliminate, to the extent required by the Treasury Regulations, the Adjusted Capital Account Deficit of the Member as promptly as possible; provided, that an allocation pursuant to this Section 5.04(b)(iii) shall be made only if and to the extent that the Member would have an Adjusted Capital Account Deficit after all other allocations provided for in this Article V have been tentatively made as if this Section 5.04(b)(iii) were not in the Agreement.

(iv) **Nonrecourse Deductions.** Nonrecourse Deductions for any Fiscal Year shall be specially allocated to the Members in a manner determined by the Managing Member consistent with Treasury Regulations Sections 1.704-2(b) and 1.704-2(c).

(v) **Member Nonrecourse Deductions.** Any Member Nonrecourse Deductions for any Fiscal Year shall be specially allocated to the Member who bears the economic risk of loss with respect to the Member Nonrecourse Debt to which such Member Nonrecourse Deductions are attributable in accordance with Treasury Regulations Sections 1.704-2(i)(1) and 1.704-2(j)(1).

(vi) **Section 754 Adjustments.** (A) To the extent an adjustment to the adjusted tax basis of any Company asset pursuant to Sections 734(b) or 743(b) of the Code is required pursuant to Treasury Regulations Section 1.704-1(b)(2)(iv)(m)(4) to be taken into account in determining Capital Accounts as a result of a distribution other than in liquidation of a Member’s interest in the Company, the amount of such adjustment shall be treated as an item of gain (if the adjustment increases the basis of such asset) or loss (if the adjustment decreases the basis of such asset) from the disposition of the asset and shall be taken into account for purposes of computing Net Income and Net Loss; and (B) to the extent an adjustment to the adjusted tax basis of any Company asset pursuant to Sections 734(b) or 743(b) of the Code is required, pursuant to Treasury Regulations Section 1.704-1(b)(2)(iv)(m)(2) or Section 1.704-1(b)(2)(iv)(m)(4), to be taken into account in determining Capital Accounts as the result of a distribution to a Member in complete liquidation of such Member’s interest in the Company, the amount of such adjustment to Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis) and such gain or loss shall be specially allocated to such Members in accordance with their interests in the Company in the event Treasury Regulations Section 1.704-1(b)(2)(iv)(m)(2) applies, or to the Member to whom such distribution was made in the event Treasury Regulations Section 1.704-1(b)(2)(iv)(m)(4) applies.
(c) Curative Allocations. The allocations set forth in Section 5.04(b)(i) through Section 5.04(b)(vi) and Section 5.04(d) (the “Regulatory Allocations”) are intended to comply with certain requirements of the Treasury Regulations. It is the intent of the Members that, to the extent possible, all Regulatory Allocations shall be offset either with other Regulatory Allocations or with special allocations of other items of Company income, gain, loss, or deduction pursuant to this Section 5.04(c). Therefore, notwithstanding any other provision of this Article V (other than the Regulatory Allocations), the Managing Member shall make such offsetting special allocations of Company income, gain, loss, or deduction in whatever manner it determines appropriate so that, after such offsetting allocations are made, each Member’s Capital Account balance is, to the extent possible, equal to the Capital Account balance such Member would have had if the Regulatory Allocations were not part of the Agreement and all Company items were allocated pursuant to Section 5.04.

(d) Loss Limitation. Net Loss (or individual items of loss or deduction) allocated pursuant to Section 5.04 hereof shall not exceed the maximum amount of Net Loss (or individual items of loss or deduction) that can be allocated without causing any Member to have an Adjusted Capital Account Deficit at the end of any Fiscal Year. In the event some but not all of the Members would have Adjusted Capital Account Deficits as a consequence of an allocation of Net Loss (or individual items of loss or deduction) pursuant to Section 5.04 hereof, the limitation set forth in this Section 5.04(d) shall be applied on a Member by Member basis and Net Loss (or individual items of loss or deduction) not allocable to any Member as a result of such limitation shall be allocated to the other Members in accordance with the positive balances in such Member’s Capital Accounts so as to allocate the maximum permissible Net Loss to each Member under Treasury Regulations Section 1.704-1(b)(2)(ii)(d). Any reallocation of Net Loss pursuant to this Section 5.04(d) shall be subject to chargeback pursuant to the curative allocation provision of Section 5.04(c).

Section 5.05 Other Allocation Rules.

(a) Interim Allocations Due to Percentage Adjustment. If a Percentage Interest of Units is the subject of a Transfer or the Members’ interests in the Company change pursuant to the terms of the Agreement during any Fiscal Year, the amount of Net Income and Net Loss (or items thereof) to be allocated to the Members for such entire Fiscal Year shall be allocated to the portion of such Fiscal Year which precedes the date of such Transfer or change (and if there shall have been a prior Transfer or change in such Fiscal Year, which commences on the date of such prior Transfer or change) and to the portion of such Fiscal Year which occurs on and after the date of such Transfer or change (and if there shall be a subsequent Transfer or change in such Fiscal Year, which precedes the date of such subsequent Transfer or change), and the amounts of the items so allocated to each such portion shall be credited or charged to the Members in accordance with Section 5.04 as in effect during each such portion of the Fiscal Year in question. Such allocation shall be in accordance with Section 706 of the Code and the regulations thereunder and made without regard to the date, amount or receipt of any distributions that may have been made with respect to the Transferred Percentage Interest to the extent consistent with Section 706.
(b) **Tax Allocations: Code Section 704(c).** In accordance with Section 704(c) of the Code and the Treasury Regulations thereunder, income, gain, loss, and deduction with respect to any Property contributed to the capital of the Company, and allocations that are “reverse Section 704(c) allocations” described in Treasury Regulations 1.704-3(a)(6) shall, solely for tax purposes, be allocated among the Members so as to take account of any variation between the adjusted basis of such Property to the Company for U.S. federal income tax purposes and its initial Carrying Value or its Carrying Value determined pursuant to Treasury Regulation 1.704-1(b)(2)(iv)(f) (computed in accordance with the definition of Carrying Value) using the traditional allocation method under Treasury Regulation 1.704-3(b), except as otherwise agreed by each of the Managing Member, the TPG Member and the Intel Member. Any elections or other decisions relating to such allocations shall be made by the Managing Member in any manner that reasonably reflects the purpose and intention of this Agreement. Allocations pursuant to this Section 5.05(b), Section 704(c) of the Code (and the principles thereof), Treasury Regulation 1.704-1(b)(4)(i), and Treasury Regulation 1.704-3(a)(6) are solely for purposes of federal, state, and local taxes and shall not affect, or in any way be taken into account in computing, any Member’s Capital Account or share of Net Income, Net Loss, other items, or distributions (other than by reason of affecting Tax Distributions) pursuant to any provision of this Agreement.

Section 5.06 **Tax Withholding; Withholding Advances.**

(a) **Tax Withholding.**

(i) If requested by the Managing Member, each Member shall, if reasonably able to do so, deliver to the Managing Member: (A) an affidavit in form satisfactory to the Company that the applicable Member (or its regarded owner for U.S. federal income tax purposes, as the case may be) is not subject to withholding under the provisions of any federal, state, local, foreign or other Law; (B) any certificate that the Company may reasonably request with respect to any such Laws; and/or (C) any other form or instrument reasonably requested by the Company relating to any Member’s status under such Law. In the event that a Member (or its regarded owner for U.S. federal income tax purposes, as the case may be) fails or is unable to deliver to the Company an affidavit described in subclause (A) of this clause (i), for the avoidance of doubt, the Company may withhold amounts from such Member in accordance with Section 5.06(b).

(ii) After receipt of a written request of any Member, the Company shall provide such information to such Member and take such other action as may be reasonably necessary to assist such Member in making any necessary filings, applications or elections to obtain any available exemption from, or any available refund of, any withholding imposed by any foreign taxing authority with respect to amounts distributable or items of income allocable to such Member hereunder to the extent not adverse to the Company or any Member. In addition, the Company shall, at the request of TPG or Intel or the reasonable request of any other Member, make or cause to be made (or cause the Company to make) any such filings, applications
or elections; provided, that any such requesting Member shall cooperate with the Company, with respect to any such filing, application or election to the extent reasonably determined by the Company and that any filing fees, taxes or other out-of-pocket expenses reasonably incurred and related thereto shall be paid and borne by such requesting Member or, if there is more than one requesting Member, by such requesting Members in accordance with their Relative Percentage Interests.

(b) Withholding Advances. To the extent PubCo or the Company or any of their Subsidiaries is required by Law to withhold or to make tax payments on behalf of or with respect to any Member (e.g., in connection with allocations of income or with the delivery of consideration in connection with a Redemption or Exchange, backup withholding, Section 1441 of the Code, Section 1445 of the Code, or Section 1446 of the Code or, in each case, similar provisions of state, local or other tax Law with respect to allocations or distributions to Persons who are not U.S. persons for U.S. federal income tax purposes) ("Withholding Advances"), PubCo, the Company, or such Subsidiary, as the case may be, may withhold such amounts and make such tax payments as so required. "Withholding Advances" shall not include any "imputed underpayment" within the meaning of the Code or similar provisions of state or local tax Law or any related liability.

(c) Repayment of Withholding Advances. All Withholding Advances made (or to be made) on behalf of a Member, plus interest thereon at a rate equal to 10% per annum, shall (i) be paid on demand by the Member on whose behalf such Withholding Advances were made (it being understood that no such payment shall increase such Member’s Capital Account except to the extent that the Withholding Advances previously reduced such Member’s Capital Account), or (ii) with the consent of the Managing Member be repaid by reducing the amount of the current or next succeeding distribution or distributions that would otherwise have been made to such Member or, if such distributions are not sufficient for that purpose, by so reducing the proceeds of liquidation otherwise payable to such Member. Whenever repayment of a Withholding Advance by a Member is made as described in clause (ii) of this Section 5.06(c), for all other purposes of this Agreement such Member shall be treated as having received all distributions (whether before or upon any Dissolution Event) unreduced by the amount of such Withholding Advance and interest thereon.

(d) Withholding Advances — Reimbursement of Liabilities. Each Member hereby agrees to reimburse the Company for any liability with respect to Withholding Advances (including interest thereon) required or made on behalf of or with respect to such Member (including penalties imposed with respect thereto). The obligations of a Member with respect to the repayment and reimbursement of Withholding Advances will survive the termination, liquidation, winding up and dissolution of the Company and will survive the partial or complete Transfer or redemption of a Member’s interests in the Company.

Section 5.07 Tax Proceedings. In representing the Company before any taxing authorities and courts in tax matters affecting the Company and the Members in their capacity as such, the Company Representative shall, to the extent practicable and permitted under the circumstances, keep the Members promptly informed of any such administrative and judicial proceedings; provided, that, (x) with respect to any tax year for which the TPG Member is a Member, the TPG Member shall (to the extent permitted by applicable Law) be entitled to
participate with the Company Representative in any tax matters that would reasonably be expected to adversely affect the TPG Member or a TPG Affiliated Fund (or any beneficial owners of the TPG Member or a TPG Affiliated Fund) in any material respect, (y) with respect to any tax year for which the Intel Member is a Member, the Intel Member shall (to the extent permitted by applicable Law) be entitled to participate with the Company Representative in any tax matters that would reasonably be expected to adversely affect the Intel Member (or Intel) in any material respect, and (z) with respect to any tax year for which the TB Member is a Member, the TB Member shall (to the extent permitted by applicable Law) be entitled to participate with the Company Representative in any U.S. federal income tax audits of a partnership tax return of the Company that would reasonably be expected to disproportionately and adversely affect the TB Member or a TB Affiliated Fund (or any beneficial owners of the TB Member or a TB Affiliated Fund) in any material respect. The Company shall not make any tax election or adopt any method of tax allocation in a manner inconsistent with past practice that would materially affect the Company Representative without the TPG Member’s prior written consent, and the Company shall not make any tax election or adopt any method of tax allocation in a manner inconsistent with past practice that would materially affect the Intel Member without the Intel Member’s prior written consent. Nothing in this Section 5.07 shall prevent the Company (or any of its Subsidiaries) from making an election pursuant to Section 754 of the Code (or analogous provisions of state or local Law), and the Company shall make and maintain at all times, and shall cause each of its Subsidiaries that is treated as a partnership for U.S. federal income tax purposes to make and maintain at all times, a valid election pursuant to Section 754 of the Code (and analogous provisions of state or local Law).

ARTICLE VI
CERTAIN TAX MATTERS

Section 6.01 Company Representative.

(a) The Managing Member is authorized and appointed to act as the Company Representative and in any similar capacity under state or local Law; provided, that the Managing Member may appoint and replace the Company Representative. The Company Representative shall designate a “designated individual” in accordance with Treasury Regulations Section 301.6223-1(b)(3)(i). The Company and the Members (including any Member designated as the Company Representative prior to the date hereof) shall cooperate fully with each other and shall use reasonable best efforts to cause the Managing Member (or any Person subsequently designated) to become the Company Representative with respect to any taxable period of the Company with respect to which the statute of limitations has not yet expired, including (as applicable) by filing certifications pursuant to Treasury Regulations Section 301.6231(a)(7)-1(d).

(b) The Company Representative may retain, at the Company’s expense, such outside counsel, accountants and other professional consultants as it may reasonably deem necessary in the course of fulfilling its obligations as the Company Representative. The Company Representative is authorized to take, and shall determine in its sole discretion whether or not the Company will take, such actions and execute and file all statements and forms on behalf of the Company that are approved by the Managing Member and are permitted or required by the applicable provisions of the Partnership Tax Audit Rules; provided that, except with the consent
of the TPG Member and the Intel Member, a “push-out” election under Section 6226 of the Code and any analogous election under state or local tax
Law shall be made with respect to the Company and each of its Subsidiaries, in each case where such election is available. If the Company does not
make a “push-out” election pursuant to the preceding sentence, any “imputed underpayment” shall be treated as an expense of the Company. Each
Member agrees to cooperate with the Company Representative and to use commercially reasonable efforts to do or refrain from doing any or all things
requested by the Company Representative (including paying any and all resulting taxes, additions to tax, penalties and interest in a timely fashion) in
connection with any examination of the Company’s affairs by any federal, state, or local tax authorities, including resulting administrative and judicial
proceedings; provided, however, that, notwithstanding anything to the contrary contained in this Agreement, neither the Company nor the Managing
Member shall require any Member (i) to file any amended tax return (or administrative adjustment request) in connection with or pursuant to the
Partnership Tax Audit Rules or otherwise, except as required by Law, or (ii) to pay any adjustment pursuant to Section 6225(c)(2)(B) of the Code or, in
each case, any analogous provision under state or local tax law without the prior written consent of each of the TPG Member and the Intel Member.

(c) To the extent permitted by Law, the Company Representative shall cause the Company to elect the application of the Partnership Tax
Audit Rules for any pre-2018 taxable year, except if each of the TPG Member and the Intel Member agree otherwise.

Section 6.02 Assets Held Through Corporations. Except with the consent of the TPG Member and the Intel Member, each of the Company and the
Managing Member shall, subject to non-Tax commercial objectives (other than reduction of payment obligations under the Tax Receivable Agreement)
and except to the extent consistent with past practice in respect of assets principally used or held for use in the conduct of a trade or business outside of
the United States, use its reasonable best efforts to minimize, or cause the Company to minimize, as applicable, the portion of the assets of the Company
and each of its Subsidiaries that are held directly or indirectly by or through entities that are treated as corporations for U.S. federal income tax purposes.

Section 6.03 Transfers of Property to Corporations. Neither the Company nor any of its Subsidiaries shall contribute or otherwise Transfer any
assets that constitute Property of such Transferor entity to a domestic or foreign entity treated as a corporation for U.S. federal income tax purposes,
without the consent of each of the TPG Member and Intel Member, except that (a) the Company and its Subsidiaries through which the Company owns
equity in McAfee HoldCo Corp. may contribute cash to McAfee HoldCo Corp. for it to retain a 0.2% equity interest in McAfee Finance 2, LLC and
(ii) the Company and its Subsidiaries may Transfer assets principally used or held for use in the conduct of a trade or business outside the United States
to an entity that is a foreign corporation for U.S. federal income tax purposes for valid commercial objectives (other than for U.S. tax objectives or to
reduce payment obligations under the Tax Receivable Agreement).
Section 6.04 Section 83(b) Elections.

(a) Each Member who acquires Units that are subject to a “substantial risk of forfeiture” within the meaning of Code Section 83 at the time of such acquisition shall consult with such Member’s tax advisor to determine the tax consequences of such acquisition and the advisability of filing an election under Code Section 83(b) with respect to such Units. Each Member who acquires Units that are intended to constitute Profits Interests (including Management Incentive Units) and at the time of such acquisition are subject to a “substantial risk of forfeiture” within the meaning of Code Section 83 shall make a timely election under Code Section 83 with respect to such Units. It is the sole responsibility of a Member, and not the Company, to file the election under Code Section 83(b) even if such Member requests the Company or any of its representatives to assist in making such filing. Each Member who files an election under Code Section 83(b) with respect to Units (including each Member who is required to file such an election under Section 6.04(a)) shall provide a copy of such election and proof of filing of such election to the Company on or before the due date for the filing of such election.

(b) The Company is authorized to follow the proposed Treasury regulations that were issued on May 24, 2005 regarding the issuance of partnership equity for services (including Prop. Treas. Reg. §§1.83-3, 1.83-6, 1.704-1, 1.706-3, 1.721-1 and 1.761-1), as such regulations may be subsequently amended, upon the issuance of a Company interest for services rendered or to be rendered to or for the benefit of the Company or a Subsidiary of the Company, until final Treasury regulations regarding such matters are issued.

ARTICLE VII
MANAGEMENT OF THE COMPANY

Section 7.01 Management by the Managing Member. Except as otherwise specifically set forth in this Agreement, the Managing Member shall be deemed to be a “manager” for purposes of the Delaware Act. Except as expressly provided in this Agreement or the Delaware Act, the day-to-day business and affairs of the Company and its Subsidiaries shall be managed, operated and controlled exclusively by the Managing Member in accordance with the terms of this Agreement, and no other Members shall have management authority or rights over the Company or its Subsidiaries. The Managing Member is, to the extent of its rights and powers set forth in this Agreement, an agent of the Company for the purpose of the Company’s and its Subsidiaries’ business, and the actions of the Managing Member taken in accordance with such rights and powers, shall bind the Company (and no other Members shall have such right). Except as expressly provided in this Agreement, the Managing Member shall have all necessary powers to carry out the purposes, business, and objectives of the Company and its Subsidiaries. The Managing Member may delegate to Members, employees, officers or agents of the Company or any Subsidiary in its discretion (i) the authority to sign agreements and other documents on behalf of the Company or any Subsidiary and (ii) such of the powers as are granted to the Managing Member hereunder as it deems appropriate. The Managing Member shall have the exclusive power and authority, on behalf of the Company to take such actions not inconsistent with this Agreement as the Managing Member deems necessary or appropriate to carry on the business and purposes of the Company and its Subsidiaries.

Section 7.02 Withdrawal of the Managing Member. PubCo may withdraw as the Managing Member and appoint as its successor at any time upon written notice to the Company (i) any wholly-owned Subsidiary of PubCo, (ii) any Person into which PubCo is merged or consolidated or (iii) any Transferee of all or substantially all of the assets of PubCo, which
withdrawal and replacement shall be effective upon the delivery of such notice. No appointment of a Person as Managing Member shall be effective unless PubCo and the new Managing Member provide all other Members with contractual rights, directly enforceable by such other Members against the new Managing Member, to cause the new Managing Member to comply with all the Managing Member’s obligations under this Agreement.

Section 7.03 Decisions by the Members.

(a) Other than the Managing Member and except as set forth in this Agreement, the Members shall take no part in the management of the Company’s business, shall transact no business for the Company and shall have no power to act for or to assume any obligations or responsibility on behalf of, or to bind the Company; provided, however, that the Company may engage any Member or principal, partner, member, shareholder or interest holder thereof as an employee, independent contractor or consultant to the Company, in which event the duties and liabilities of such Person with respect to the Company as an employee, independent contractor or consultant, as applicable, shall be governed by the terms of such engagement with the Company.

(b) Except as expressly provided herein, neither the Members nor any class of Members shall have the power or authority to vote, approve or consent to any matter or action taken by the Company (or by PubCo, as Managing Member).

Section 7.04 Fiduciary Duties. (i) The Managing Member shall, in its capacity as Managing Member, and not in any other capacity, have the same fiduciary duties to the Company and the Members as a member of the board of directors of a Delaware corporation (assuming such corporation had in its certificate of incorporation a provision eliminating the liabilities of directors and officers to the maximum extent permitted by Section 102(b)(7) of the DGCL); and (ii) each Officer shall, in their capacity as such, and not in any other capacity, have the same fiduciary duties to the Company and the Members as an officer of a Delaware corporation (assuming such corporation had in its certificate of incorporation a provision eliminating the liabilities of directors and officers to the maximum extent permitted by Section 102(b)(7) of the DGCL). Notwithstanding the immediately preceding sentence, the doctrine of corporate opportunity and any analogous doctrine shall not apply to any Exempted Person.

Section 7.05 Officers.

(a) Appointment of Officers. The Managing Member may appoint individuals as officers (“Officers”) of the Company, which may include such officers as the Managing Member determines are necessary or appropriate. No Officer need be a Member. An individual may be appointed to more than one office.

(b) Authority of Officers. The Officers shall have the duties, rights, powers and authority as may be prescribed by the Managing Member from time to time.

(c) Removal, Resignation and Filling of Vacancy of Officers. Unless otherwise set forth in the employment agreement of the applicable Officer, the Managing Member may remove any Officer, for any reason or for no reason, at any time. Any Officer may resign at any time by giving written notice to the Secretary or, if there is no Secretary, to the Managing
Member, without prejudice to the rights, if any, of the Company under any contract to which such Officer is a party, and such resignation shall take effect at the date of the receipt of that notice or any later time specified in that notice; provided, that, unless otherwise specified in that notice, the acceptance of the resignation shall not be necessary to make it effective. Any such resignation shall be without prejudice to the rights, if any, of the Company or such Officer under this Agreement. A vacancy in any office because of death, resignation, removal or otherwise shall be filled by the Managing Member.

Section 7.06 PubCo. Except with the consent of the TPG Member and the Intel Member, PubCo shall not and shall not cause any of its Subsidiaries to operate or conduct any business other than through the Company and its Subsidiaries.

ARTICLE VIII
TRANSFERS OF INTERESTS

Section 8.01 Restricted Transfer.

(a) No Member will directly or indirectly Transfer any Unit or Units (including all or any portion of any Management Incentive Unit) or all or any part of the economic or other rights that comprise such Member’s interest in the Company except (i) Transfers to a Permitted Transferee in compliance with this Article VIII, (ii) with the prior written consent of the Managing Member, (iii) a Permitted Pledge Transfer or (iv) solely in the case of a limited partner in an investment fund that indirectly holds Units, indirect Transfers of Units by such limited partner in connection with the Transfer of its interest in the applicable investment fund. Any attempted Transfer not in compliance with the terms of this Article VIII will be null and void and the Company will not in any way give effect to any such Transfer. In addition to the foregoing, no Member will, and each Member will cause its Affiliates not to, circumvent the provisions of this Agreement by Transferring (or permitting the Transfer of) its securities or any entity whose primary purpose is to hold (directly or indirectly) Units unless such Transfer is otherwise in compliance with the terms of this Article VIII.

(b) Any Member who assigns any Units or other interest represented by such Units in the Company (any such Member, an “Assignor”) in accordance with this Article VIII will cease to be a Member of the Company with respect to such Units or other interest represented by such Units and will no longer have any rights or privileges of a Member with respect to such Units or such portion of its interest represented by such Units (but will still be bound by this Agreement in accordance with this Article VIII, subject to Section 8.03), including the power and right to vote (in proportion to the extent of the interest Transferred) on any matter submitted to the Members, and, for voting purposes, such interest will not be counted as outstanding in proportion to the extent of the interest Transferred unless and until the Transferee is admitted as a Member in accordance with Section 8.03.

(c) Subject to the terms of this Article VIII, any Person who acquires in any manner whatsoever any Interest (any such Person, an “Assignee”), irrespective of whether such Person has accepted and adopted in writing the terms and provisions of this Agreement, will be deemed by the acceptance of the benefits of the acquisition thereof to have agreed to be subject to and bound by all of the terms, conditions and obligations (but will be entitled to none of the rights or benefits) of this Agreement that any Transferee of such Interest of such Person was subject to or by which such Transferor was bound.
(d) Notwithstanding any other provision of this Agreement to the contrary, except as otherwise agreed by each of the Managing Member, the Intel Member and the TPG Member, no Member shall Transfer all or any part of its Units or any right or economic interest pertaining thereto if such Transfer, in the reasonable discretion of the Managing Member, would cause the Company to (i) be classified as a “publicly traded partnership” as that term is defined in Section 7704 of the Code and Regulations promulgated thereunder or (ii) fail to qualify for the safe harbor contained in Treasury Regulations Section 1.7704-1(h), it being understood that the Company is not expected to qualify for such safe harbor for the 2020 taxable year. Without limiting any of the foregoing, and notwithstanding any other provision of this Agreement to the contrary, no Member shall Transfer all or any part of its Units or any right or economic interest pertaining thereto during the 2020 taxable year of the Company unless such Transfer either (x) qualifies as a block transfer under Treasury Regulations Section 1.7704-1(e)(2), or (y) is disregarded pursuant to Treasury Regulations Sections 1.7704-1(e)(1)(i) or (ii). Any purported Transfer in contravention of this Section 8.01(d) will be null and void ab initio.

(e) For the avoidance of doubt, in addition to any restrictions on Transfer set forth in this Article VIII that may apply to such Transfer, any Transfer of Units by any Member shall be subject to the restrictions on Transfer applicable thereto pursuant to any Award Agreement or other policy, agreement or arrangement with or of PubCo, the Company or any of their Affiliates applicable to such Member.

Section 8.02 Permitted Transfers. Subject to Section 8.01(d) and Section 8.01(e), from and after the IPO, the following Transfers shall be permitted (any such Transfer, a “Permitted Transfer” and, the applicable Transferee, a “Permitted Transferee”):

(a) Affiliates and Members of the Immediate Family. Subject to Section 8.03, a Member who is an individual will be entitled to Transfer all or any portion of such Member’s Units to one or more Members of the Immediate Family of such Member, or to a trust or other estate planning vehicle for the benefit of such Member or one or more of the Members of the Immediate Family of such Member, so long as the Person controlling such trust or other estate planning vehicle is the Transferring Member; provided, however, that no such Transfer will be effective until the holders of the beneficial interests of such Transferee will have delivered to the Company a written acknowledgement and agreement in form and substance reasonably satisfactory to the Company that they will not Transfer any such beneficial interests or permit such Transferee to issue any such beneficial interests except to the extent such Transfer or issuance (treating such issuance as a Transfer by such holders) would be permitted under this Section 8.02 if the beneficial interests were Units; provided, further, that such Member will retain voting control of such Transferred Units (to the extent such Units have voting rights hereunder), whether by proxy or other arrangement. In no event will all or any portion of a Member’s Units Transferred to a minor or an incompetent except in trust or pursuant to the Uniform Gifts to Minors Act. Subject to compliance with the requirements set forth in this Agreement, (A) each of the TPG Member and its Affiliates, the Intel Member and its Affiliates and the TB Member and its Affiliates, as applicable, will be entitled to Transfer all or any portion of such Member’s Interest to its Affiliates
(including, in the case of the TB Member and the TPG Member, a TB Affiliated Fund and a TPG Affiliated Fund, respectively); and (B) the direct and indirect owners of the TB Member and the TPG Member and their respective Affiliates will be entitled to Transfer to their respective Affiliates all or any portion of their indirect interests in the Company so long as Affiliates of TB or TPG, respectively, continue to control the applicable vehicles through which such owners hold their investment in the Company.

(b) Upon Death. Subject to Section 8.03 and compliance with the requirements set forth in this Agreement, upon the death of any Member who is a natural Person, such Member’s Interest may be Transferred by the will or other instrument taking effect at death of such Member or by applicable Laws of descent and distribution to such Member’s estate, executors, administrators and personal representatives, and then to such Member’s heirs, legatees or distributees, whether or not such recipients are Members of the Immediate Family of such Member.

(c) To the Company. Subject to compliance with the requirements set forth in this Agreement, each Member will be entitled to Transfer all or any portion of such Member’s Units to the Company.

(d) Exchanges. Any Transfer pursuant to the terms of Article IX or Section 4.03; and

(e) Certain Company Transactions. Any Transfer contemplated by Section 10.01 in connection with a PubCo Approved Change of Control or PubCo Approved Recap Transaction.

Section 8.03 Transfer Requirements. Subject to the provisions of Section 8.01, no Assignee (including a Permitted Transferee) will be admitted to the Company as a Member unless the following conditions are satisfied:

(a) In the case of a Transfer to a Permitted Transferee or pursuant to Section 8.01, a duly executed written instrument of Transfer is provided to the Managing Member, specifying the Units being Transferred and setting forth the intention of the Member effecting the Transfer that the Transferee succeed to a portion or all of such Member’s Units as a Member;

(b) If requested by the Managing Member, an opinion of responsible counsel (who may be counsel for the Company) is provided to it, reasonably satisfactory in form and substance to the Managing Member to the effect that:

(i) such Transfer would not violate the Securities Act or any state securities or blue sky Laws applicable to the Company or the Units to be Transferred;

(ii) such Transfer would not cause the Company to be considered a publicly traded partnership under Section 7704(b) of the Code; and

...
(iii) such Transfer would not cause the Company to lose its status as a partnership for U.S. federal income tax purposes, it being understood that the opinions described in clauses (ii) and (iii) above shall only be required to the extent that the Managing Member shall reasonably determine that such Transfer may otherwise raise a material risk that the Company would be considered a publicly traded partnership under Section 7704(b) of the Code or lose its status as a partnership for U.S. federal income tax purposes, as the case may be.

(c) In the case of a Transfer to a Permitted Transferee or pursuant to Section 8.01, the Member effecting the Transfer and the Transferee execute any other instruments that the Managing Member deems reasonably necessary or desirable for admission of the Transferee, including the written acceptance by the Transferee of this Agreement and such Transferee’s agreement to be bound by and comply with the provisions hereof, and the Member effecting the Transfer and the Transferee provide the Managing Member any information necessary to comply with the requirements of Section 743(e) of the Code, if applicable; and

(d) Other than in connection with a Transfer pursuant to Section 8.02 or unless waived by the Managing Member, the Member effecting the Transfer or the Transferee pays to the Company a transfer fee in an amount sufficient to cover the reasonable out-of-pocket expenses incurred by the Company in connection with the admission of the Transferee and provides to the Company any information necessary for the Company to make required basis adjustments and comply with tax reporting requirements.

Section 8.04 Market Standoff. Each Member hereby agrees that it will not, without the prior written consent of the managing underwriter, during the period commencing on the date of the final prospectus relating to the IPO and ending on the date that is one hundred eighty (180) days following the date of the final prospectus (the “Restricted Period”), (i) offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend, or otherwise transfer or dispose of, directly or indirectly, any shares of Class A Common Stock, Class A Units or any securities convertible into or exercisable or exchangeable (directly or indirectly) for Class A Common Stock (whether such shares or any such securities are then owned by the Member or are thereafter acquired) (collectively, the “Lock-Up Securities”) or (ii) enter into any swap or other arrangement or transaction that transfers to another Person, in whole or in part, any of the economic consequences of ownership of the Lock-Up Securities, whether any such transaction described in clause (i) or (ii) above to be settled by delivery of the Lock-Up Securities, in cash or otherwise; provided, that the foregoing clauses (i) and (ii) shall be subject to the terms and conditions, including any carve-outs for permitted transfers, contained in any lock-up agreement executed by the Unit Holders of a majority of the Units in connection with the IPO (each, a “Lock-up Agreement”); provided, further, that the restrictions contained in this Section 8.04 shall not apply to any Member that has entered into a Lock-Up Agreement, and such Member shall be bound by the terms and provisions of such Lock-Up Agreement in lieu hereof.

Section 8.05 Certain Transfer Restrictions.

(a) The TPG Member and its Affiliates and the TB Member and its Affiliates shall not knowingly Transfer, directly or indirectly, all or any portion of its Interest to any of the Persons set forth on Schedule 8.05(a). This Section 8.05(a) shall automatically terminate at such time as the TPG Member and its Affiliates or the TB Member and its Affiliates, as the case may be, hold less than 5% of the outstanding Units of the Company. Notwithstanding any other provision in this Agreement, any amendment to this Agreement having the effect of
amending or modifying this Section 8.05(a) (including for the avoidance of doubt Schedule 8.05(a)) shall require the prior written consent of the Intel Member, the TPG Member and (if such amendment involves adding Person to Schedule 8.05(a) or the TB Member is otherwise adversely effected by such amendment), the TB Member.

(b) Notwithstanding anything to the contrary contained herein, no Member will be entitled to Transfer any Unvested Management Incentive Unit Interest without the written consent of the Managing Member.

Section 8.06 Withdrawal of a Member. If a Member Transfers all of its Units in accordance with the terms of this Agreement and the Assignee of such Interest is admitted as a Member pursuant to Section 8.03, such Assignee will be admitted to the Company as a Member effective on the effective date of the Transfer or such other date as may be specified when the Assignee is admitted and immediately following such admission the Assignor will cease to be a Member of the Company. Upon the Assignor ceasing to be a Member, the Assignor will not be entitled to any distributions from and after the date of such Transfer. Notwithstanding the admission of an Assignee as a Member and except as otherwise expressly approved by the Managing Member, the Assignor will not be released from any obligations to the Company as a Member (or otherwise) existing as of the date of the Transfer or relating to the consummation of such Transfer (which shall be deemed to include any liabilities arising from any failure by the Transferee to withhold or deduct any amounts required to be deducted or withheld under Section 1446 of the Code or any other law (including as a result of the Company or any of its Affiliates being required to deduct and withhold amounts from distributions to Transferee or its successor) and any liabilities for Taxes imposed on the Company or any Subsidiaries thereof for any taxable period (or portion thereof) ending on or before the date of such Transfer, including pursuant to Chapter 63 of the Code (and any analogous provisions of state, local or non-U.S. Law)); provided, however, that if the Assignor is the TPG Member, then the Intel Member must also approve a release from any obligations contemplated by this sentence in order to be effective; provided, further, that if the Assignor is the Intel Member, then the TPG Member must also approve a release from any obligations contemplated by this sentence in order to be effective. If a Service Provider Member forfeits all of his, her or its Units in the manner contemplated by any applicable Award Agreement or Section 4.03, and holds no other Interests, such Service Provider Member will cease to be a Member of the Company as of the time of such forfeiture, and will not be entitled to any distributions from and after such time.

Section 8.07 Registration of Transfers. When any Units are Transferred in accordance with the terms of this Agreement, the Company shall cause such Transfer to be registered on the books of the Company.

Section 8.08 Restricted Units Legend. The Units have not been registered under the Securities Act and, therefore, in addition to the other restrictions on Transfer contained in this Agreement, cannot be sold unless subsequently registered under the Securities Act or an exemption from such registration is then available. To the extent such Units have been certificated, each certificate evidencing Units and each certificate issued in exchange for or upon the Transfer of any Units (if such securities remain Units as defined herein after such Transfer) shall be stamped or otherwise imprinted with a legend in substantially the following form:
ARTICLE IX
REDEMPTION AND EXCHANGE RIGHTS

Section 9.01 Redemption Right of a Member.

(a) From and after the date of the IPO, and subject to (A) in the case of Service Provider Members, the terms of any applicable Award Agreement and any Trading Policy (including any Black-Out Period contained therein) and (B) the waiver or expiration of the Restricted Period or any other contractual lock-up period relating to the shares of PubCo (or any corresponding Units) that may be applicable to such Member, each Member shall be entitled to cause the Company to redeem (a “Redemption”) its Class A Units (excluding any Class A Units that are subject to vesting conditions), in whole or in part (the “Redemption Right”) at any time and from time to time. A Member desiring to exercise its Redemption Right (a “Redeeming Member”) shall exercise such right by giving written notice (including in electronic form) (the “Redemption Notice”) to the Company, with a copy to PubCo. The Redemption Notice shall specify the number of Class A Units (the “Redeemed Units”) that the Redeeming Member intends to have the Company redeem and a date, not less than two (2) Business Days nor more than ten (10) Business Days after delivery of such Redemption Notice (unless and to the extent that the Managing Member in its sole discretion agrees in writing to waive such time periods), on which exercise of the Redemption Right shall be completed (the “Redemption Date”); provided, that the Redemption Notice may specify that the Redemption is to be contingent (including as to the timing) upon the consummation of a purchase by another Person (whether in a tender or exchange offer, an underwritten offering or otherwise) of the Share Settlement into which the Redeemed Units are exchangeable, or contingent (including as to timing) upon the closing of an announced merger, consolidation or other transaction or event in which the Share Settlement would be exchanged or converted or become exchangeable for or convertible into cash or other securities or property; provided, further that the Redeeming Member may withdraw or amend a Redemption
Notice, in whole or in part, prior to the effectiveness of the Redemption by mutual agreement signed in writing (including in electronic form) by each of the Company and PubCo, specifying (1) the number of withdrawn Units, (2) if any, the number of Units as to which the Redemption Notice remains in effect and (3) if the Redeeming Member so determines, a new Redemption Date or any other new or revised information permitted in the Redemption Notice. Following receipt of the Redemption Notice, and in any event at least two (2) Business Days prior to the Redemption Date, PubCo shall deliver to the Redeeming Member a notice, specifying whether it elects to settle the Redemption with a Share Settlement or a Cash Settlement (an “Election Notice”). In the event an Election Notice is not delivered to the Redeeming Member at least two (2) Business Days prior to the Redemption Date, the Company will be deemed to have elected a Share Settlement.

(b) If the Election Notice specifies a Cash Settlement, then, unless the Redeeming Member has withdrawn the applicable Redemption, on the Redemption Date (to be effective immediately prior to the close of business on the Redemption Date):

(i) PubCo shall pay the Cash Settlement directly to the Redeeming Member in exchange for the Redeemed Units;

(ii) the Redeeming Member shall Transfer and surrender, free and clear of all liens and encumbrances (x) the Redeemed Units to PubCo, and (y) an equal number of shares of Class B Common Stock to PubCo (to the extent the Redeeming Member owns shares of Class B Common Stock);

(iii) the Company shall register PubCo as the owner of the Redeemed Units, and if the Redeemed Units are certificated, issue to the Redeeming Member a certificate for a number of Class A Units equal to the difference (if any) between the number of Class A Units evidenced by the certificate surrendered by the Redeeming Member pursuant to clause (i) of this Section 9.01(b) and the Redeemed Units; and

(iv) PubCo shall cancel and retire for no consideration such shares of Class B Common Stock, if any.

In the event that (x) the Shares of Class A Common Stock are not publicly traded at the time of a Redemption and the Class A Unit Redemption Price is determined by the Managing Member and (y) the Redeeming Member reasonably objects to such Class A Unit Redemption Price, the Election Notice shall deemed to have specified a Share Settlement and Section 9.01(c) shall apply.

(c) If the Election Notice specifies a Share Settlement, then, unless the Redeeming Member has withdrawn the applicable Redemption, on the Redemption Date PubCo (or a wholly-owned Subsidiary thereof) shall Transfer the Share Settlement directly to the Redeeming Member in exchange for the Redeemed Units (a “Direct Redemption”) unless the Company has elected to effect the Redemption as a Contribution Redemption as provided below. In connection with a Direct Redemption, on the Redemption Date, (1) PubCo shall Transfer to such Redeeming Member the Share Settlement; (2) the Redeeming Member shall Transfer and surrender, free and clear of all liens and encumbrances (x) the Redeemed Units to PubCo and (y) an equal number of shares of Class B Common Stock to PubCo (to the extent the Redeeming Member owns shares of Class B Common Stock); (3) PubCo shall cancel and retire for no
consideration such shares of Class B Common Stock, if any; and (4) the Company shall register PubCo as the owner of the Redeemed Units and, if the Redeemed Units are certificated, shall issue to the Redeeming Member a certificate for a number of Class A Units equal to the difference (if any) between the number of Class A Units evidenced by the certificate surrendered by the Redeeming Member pursuant to clause (1) of this Section 9.01(c) and the Redeemed Units. In lieu of the steps described in the preceding sentence, the Company may cause the relevant parties to structure a Direct Redemption to involve the contribution (a “Contribution Redemption”) by PubCo of a number of shares of Class A Common Stock of PubCo equal to what would otherwise be the Share Settlement to the Company in exchange for an equal number of Class A Units of the Company with the Company distributing such PubCo equity interests to the Redeeming Member in redemption of such Member’s interest in the Company (or applicable portion thereof) free and clear of all liens and encumbrances in a transaction that is treated as a “disguised sale of partnership interests” for U.S. federal income tax purposes, and in connection therewith PubCo shall cancel and retire for no consideration a number of shares of Class B Common Stock of the Redeeming Member equal to the number of equity interests in the Company redeemed by the Company. In furtherance of the foregoing, each of the Company and the Redeeming Member shall take all actions reasonably requested by PubCo to effect the transactions contemplated by this Section 9.01(c), including executing and delivering any document reasonably requested by PubCo in connection therewith. Where a TPG Member, Intel Member or TB Member (or an Affiliate of any of the foregoing) is the Redeeming Member, such Person may cause PubCo to effect a Redemption as a purchase for U.S. federal income tax purposes by a wholly-owned Subsidiary of PubCo that is a domestic corporation for U.S. federal income tax purposes.

(d) The number of shares of Class A Common Stock applicable to any Share Settlement or Cash Settlement shall not be adjusted on account of any distributions previously made after the date hereof with respect to the Redeemed Units, dividends previously paid with respect to Class A Common Stock or cash or cash equivalents held by PubCo; provided, however, that if a Redeeming Member causes the Company to redeem Redeemed Units and the Redemption Date occurs subsequent to the Record Date for any distribution with respect to the Redeemed Units but prior to payment of such distribution, the Redeeming Member shall be entitled to receive such distribution with respect to the Redeemed Units on the date that it is made notwithstanding that the Redeeming Member Transferred and surrendered the Redeemed Units to the Company prior to such date; provided, further, however, that a Redeeming Member shall not be entitled to receive any Tax Distributions after it ceases to own any Units in the Company.

(e) In the case of a Share Settlement, in the event a reclassification or other similar transaction occurs following delivery of a Redemption Notice, but prior to the Redemption Date, as a result of which shares of Class A Common Stock are converted into another security, then a Redeeming Member shall be entitled to receive the amount of such other security that the Redeeming Member would have received if such Redemption Right had been exercised and the Redemption Date had occurred immediately prior to the Record Date of such reclassification or other similar transaction.

Section 9.02 Exchange of Management Incentive Units. From and after the date of the IPO, and subject to (A) in the case of Service Provider Members, the terms of any applicable Award Agreement and any Trading Policy (including any Black-Out Period contained therein) and (B) the waiver or expiration of the Restricted Period or any other contractual lock-up period
relating to the shares of PubCo (or any corresponding Units) that may be applicable to such Member, each Member (other than the Managing Member) shall be entitled to cause the Company to exchange (an “Exchange”) its vested Management Incentive Units, in whole or in part (the “Exchange Right”) at any time and from time to time for a number of New Class A Units determined with respect to such vested Management Incentive Units and in accordance with the terms set forth below; provided, that such Exchange shall not be permitted if such Management Incentive Units do not have a Fair Market Value that is greater than $0 at the time of such Exchange. A Member desiring to exercise its Exchange Right (an “Exchanging Member”) shall exercise such right by giving written notice (including, if permitted by the Company, in electronic form) (the “Exchange Notice”) to the Company and PubCo. The Exchange Notice shall specify the number and identity (including the relevant then-unsatisfied Management Incentive Unit Return Threshold) of Management Incentive Units (the “Exchanged Management Incentive Units”) that the Exchanging Member intends to have the Company exchange and a date, not less than two (2) Business Days nor more than ten (10) Business Days after delivery of such Exchange Notice (unless and to the extent that the Managing Member in its sole discretion agrees in writing to waive such time periods), on which exercise of the Exchange Right shall be completed (the “Exchange Date”); provided, that the Company and the Exchanging Member may change the number of Exchanged Management Incentive Units and/or the Exchange Date specified in such Exchange Notice to another number and/or date by mutual agreement signed in writing (including, if permitted by the Company, in electronic form) by each of the Company and PubCo. On the Exchange Date (to be effective immediately prior to the close of business on the Exchange Date): (a) the Exchanging Member shall Transfer and surrender, free and clear of all liens and encumbrances, the Exchanged Management Incentive Units to the Company and (b) the Company shall (i) cancel the Exchanged Management Incentive Units, (ii) issue to the Exchanging Member the New Class A Units applicable to the Exchanged Management Incentive Units and (iii) if the Exchanged Management Incentive Units are certificated, issue to the Exchanging Member a certificate for a number of Management Incentive Units equal to the difference (if any) between the number of Management Incentive Units evidenced by the certificate surrendered by the Exchanging Member pursuant to clause (a) of this Section 9.02 and the Exchanged Management Incentive Units. Upon issuance of the New Class A Units, such New Class A Units shall immediately be subject to all of the provisions herein applicable to Class A Units, including the Redemption provisions contained in this Article IX, and notwithstanding anything herein to the contrary, immediately upon consummation of any Exchange, the Exchanging Member shall be required to initiate its Redemption Right with respect to the New Class A Units received in such Exchange, and therefore the provisions of the foregoing Section 9.01 shall be deemed to apply as though the applicable Member had sent a Redemption Notice thereunder on the date that it sent the Exchange Notice under this Section 9.02, such that the Redemption occurs on the same day as, and immediately following, the Exchange.

Section 9.03 Reservation of Shares of Class A Common Stock; Listing; Certificate of PubCo, etc.

(a) At all times PubCo shall reserve and keep available out of its authorized but unissued Class A Common Stock, solely for the purpose of issuance upon a Share Settlement in a Redemption such number of shares of Class A Common Stock as shall be issuable upon any such Redemption, including any Redemption of New Class A Units that are issuable in
connection with any Exchange; provided, that nothing contained herein shall be construed to preclude PubCo from satisfying its obligations in respect of any such Redemption by delivery of purchased Class A Common Stock (which may or may not be held in the treasury of PubCo). PubCo shall use its commercially reasonable efforts to list the Class A Common Stock required to be delivered upon any such Redemption prior to such delivery upon each national securities exchange upon which the outstanding shares of Class A Common Stock are listed at the time of such Redemption (it being understood that any such shares may be subject to Transfer restrictions under applicable securities Laws). PubCo covenants that all Class A Common Stock issued upon a Redemption in which a Share Settlement is made will, upon issuance, be validly issued, fully paid and non-assessable. The provisions of this Article IX shall be interpreted and applied in a manner consistent with any corresponding provisions of PubCo’s certificate of incorporation (if any).

(b) PubCo agrees that it has taken all or will take such steps as may be required to cause to qualify for exemption under Rule 16b-3(d) or (e), as applicable, under the Exchange Act, and to be exempt for purposes of Section 16(b) under the Exchange Act, any acquisitions from, or dispositions to, PubCo of equity securities of PubCo (including derivative securities with respect thereto) and any securities that may be deemed to be equity securities or derivative securities of PubCo for such purposes that result from the transactions contemplated by this Agreement, by each officer or director of PubCo. The authorizing resolutions shall be approved by either PubCo’s board of directors or a committee composed solely of two or more Non-Employee Directors (as defined in Rule 16b-3) of PubCo. By including this covenant, it is the intention of the board that all such transactions be exempt.

Section 9.04 Effect of Exercise of Redemption or Exchange. This Agreement shall continue notwithstanding the consummation of a Redemption or Exchange and all other rights set forth herein shall be exercised by the remaining Members and the Redeeming Member or the Exchanging Member (to the extent of such Redeeming Member’s or Exchanging Member’s remaining interest in the Company). No Redemption shall relieve such Redeeming Member of any prior breach of this Agreement.

Section 9.05 Tax Treatment. Unless otherwise required by applicable Law, the parties hereto acknowledge and agree that any Redemption and any Exchange shall be treated as a direct exchange of shares of Class A Common Stock (or cash) for Units between PubCo (or one of its wholly-owned Subsidiaries, pursuant to Section 9.01(c)) and the Redeeming Member for U.S. federal and applicable state and local income tax purposes.

Section 9.06 Other Redemption and Exchange Matters.

(a) Each Redemption shall be deemed to be effective immediately prior to the close of business on the Redemption Date, and, in the case of a Share Settlement, the Redeeming Member (or other Person(s) whose name or names in which the Share Settlement is to be issued) shall be deemed to be a holder of the Equity Securities issued in such Share Settlement, from and after that time, until such Equity Securities have been disposed of. As promptly as practicable on or after the Redemption Date, PubCo shall deliver or cause to be delivered to the Redeeming Member (or other Person(s) whose name or names in which the Share Settlement is to be issued as directed by the Redeeming Member) the number of the Share Settlement deliverable.
upon such Redemption, registered in the name of such Redeeming Member (or other Person(s) whose name or names in which the Share Settlement is to be issued as directed by the Redeeming Member). To the extent the Share Settlement is settled through the facilities of The Depository Trust Company, PubCo will, subject to Section 9.06(c), upon the written instruction of a Redeeming Member, deliver or cause to be delivered the shares of the Share Settlement deliverable to such Redeeming Member (or other Person(s) whose name or names in which the Share Settlement is to be issued as directed by the Redeeming Member), through the facilities of The Depository Trust Company, to the account of the participant of The Depository Trust Company designated by such Redeeming Member.

(b) Subject to Section 9.06(c), the shares of the Share Settlement issued upon a Redemption shall bear a legend in substantially the following form:

THE TRANSFER OF THESE SECURITIES HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR UNDER THE SECURITIES LAWS OF ANY OTHER JURISDICTION, AND MAY NOT BE SOLD OR TRANSFERRED OTHER THAN IN ACCORDANCE WITH THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT OF 1933, AS AMENDED (OR OTHER APPLICABLE LAW), OR AN EXEMPTION THEREFROM.

(c) If any shares issued upon a Redemption involving a Share Settlement are (i) effectively registered under the Securities Act, (ii) in the opinion of other counsel reasonably acceptable to PubCo, no longer required to bear the legend set forth in Section 9.06(b) to assure compliance by PubCo with the Securities Act or (iii) Transferable under paragraph (b)(1) of Rule 144, upon the written request of the Redeeming Member thereof, PubCo or its agent shall promptly provide such Redeeming Member or its respective Transferees, without any expense to such Persons (other than applicable transfer taxes and similar governmental charges, if any) with new certificates (or evidence of book-entry share) for the applicable securities not bearing the provisions of the legend with respect to which the restriction has terminated. In connection therewith, such Redeeming Member shall provide PubCo with such information in its possession as PubCo may reasonably request in connection with the removal of any such legend.

(d) PubCo shall bear all of its own expenses in connection with the consummation of any Redemption, whether or not any such Redemption is ultimately consummated, including any transfer taxes, stamp taxes or duties, or other similar taxes in connection with, or arising by reason of, any Redemption; provided, however, that if any of the Share Settlement is to be delivered in a name other than that of the Redeeming Member that requested the Redemption (or The Depository Trust Company or its nominee for the account of a participant of The Depository Trust Company that will hold the shares for the account of such Redeeming Member), then such Redeeming Member and/or the Person in whose name such shares are to be delivered shall pay to PubCo the amount of any transfer taxes, stamp taxes or duties, or other similar taxes in connection with, or arising by reason of, such Redemption or shall establish to the reasonable satisfaction of PubCo that such tax has been paid or is not payable. Except as otherwise may separately be agreed by the Company, the Redeeming Member shall bear all of its own expenses in connection with the consummation of any Redemption (including, for the avoidance of doubt, expenses incurred by such Redeeming Member in connection with any Redemption that are invoiced to the Company).
(e) Notwithstanding anything to the contrary contained herein, any Exchange by a Service Provider Member shall be conditioned upon such Service Provider Member’s execution and delivery of a general release of claims against the Company in a form provided by the Company.

CERTAIN OTHER MATTERS

Section 10.01 PubCo Change of Control; PubCo Approved Recap Transaction.

(a) In connection with a PubCo Approved Change of Control, the Managing Member shall have the right, in its sole discretion, to require each Member to effect an Exchange of all of such Member’s vested Management Incentive Units (if any) pursuant to Section 9.02 and, thereafter, a Redemption of all or a portion of such Member’s and all other Members’ Units (including, but not limited to, any New Class A Units received by such Member pursuant to such Exchange and any other Class A Units otherwise held by such Members) together with a number of shares of Class B Common Stock corresponding to such Class A Units (to the extent such Members own shares of Class B Common Stock), pursuant to which such Units and such shares of Class B Common Stock will be exchanged for shares of Class A Common Stock (or economically equivalent cash or securities of a successor entity), mutatis mutandis, in accordance with the Redemption provisions of Article IX (applied for this purpose as if PubCo had delivered an Election Notice that specified a Share Settlement with respect to such exchanges) and otherwise in accordance with this Section 10.01. Any such exchange pursuant to this Section 10.01(a) shall be effective immediately prior to the consummation of the PubCo Approved Change of Control (and, for the avoidance of doubt, shall not be effective if such PubCo Approved Change of Control is not consummated) (the date of such exchange, the “Change of Control Exchange Date”). From and after the Change of Control Exchange Date, (i) the Units and any shares of Class B Common Stock subject to such exchange shall be deemed to be Transferred to PubCo on the Change of Control Exchange Date and (ii) each such Member shall cease to have any rights with respect to the Units and any shares of Class B Common Stock subject to such exchange (other than the right to receive shares of Class A Common Stock (or economically equivalent cash or equity securities in a successor entity) pursuant to such exchange). PubCo shall provide written notice of an expected PubCo Approved Change of Control to all Members within the earlier of (x) five (5) Business Days following the execution of an agreement with respect to such PubCo Approved Change of Control and (y) ten (10) Business Days before the proposed date upon which the contemplated PubCo Approved Change of Control is to be effected, including in such notice such information as may reasonably describe the PubCo Approved Change of Control transaction, subject to Law, including the date of execution of such agreement or such proposed effective date, as applicable, the amount and types of consideration to be paid for shares of Class A Common Stock in the PubCo Approved Change of Control, any election with respect to types of consideration that a holder of shares of Class A Common Stock, as applicable, shall be entitled to make in connection with such PubCo Approved Change of Control (which election shall be available to each Member on the same terms as holders of shares of Class A Common Stock). Following delivery of such notice and on or prior to the Change of Control Exchange Date, the Members shall take all actions reasonably requested by PubCo to effect such exchange, including taking any action and delivering any document required pursuant to this Section 10.01 to effect such exchange.
(b) In the event that a tender offer, share exchange offer, take-over bid, recapitalization or similar transaction with respect to all or any portion of shares of PubCo’s issued and outstanding Class A Common Stock is proposed by PubCo or PubCo’s stockholders and approved by the PubCo board of directors, or is otherwise consented to or approved by the PubCo board of directors (a “PubCo Approved Recap Transaction”), PubCo shall provide written notice of the PubCo Approved Recap Transaction to all Members within the earlier of (i) five (5) Business Days following the execution of an agreement (if applicable) with respect to, or the commencement of (if applicable), such PubCo Approved Recap Transaction and (ii) ten (10) Business Days before the proposed date upon which the PubCo Approved Recap Transaction is to be effected, including in such notice such information as may reasonably describe the PubCo Approved Recap Transaction, subject to Law, including the date of execution of such agreement (if applicable) or of such commencement (if applicable), the material terms of such PubCo Approved Recap Transaction, including the amount and types of consideration to be received by holders of shares of Class A Common Stock in the PubCo Approved Recap Transaction, any election with respect to types of consideration that a holder of shares of Class A Common Stock shall be entitled to make in connection with such PubCo Approved Recap Transaction, and the number of Units (and the corresponding shares of Class B Common Stock) held by such Member that is applicable to such PubCo Approved Recap Transaction. The Members shall be permitted to participate in such transaction by delivering a written notice of participation that is effective immediately prior to the consummation of such transaction (and that is contingent upon consummation of such transaction), and shall include such information necessary for consummation of such transaction as requested by PubCo. In the case of any PubCo Approved Recap Transaction that was initially proposed by PubCo, PubCo shall use reasonable best efforts to enable and permit the Members (other than the Managing Member) to participate in such transaction to the same extent or on an economically equivalent basis as the holders of shares of Class A Common Stock, and to enable such Members to participate in such transaction without being required to exchange Units or shares of Class B Common Stock in connection therewith.

ARTICLE XI
LIMITATION ON LIABILITY, EXCULPATION AND INDEMNIFICATION

Section 11.01 Limitation on Liability.

(a) Except as otherwise provided by the Delaware Act, the debts, expenses, obligations and liabilities of the Company, whether arising in contract, tort or otherwise, will be solely the debts, expenses, obligations and liabilities of the Company, and no Member or Indemnified Person will be obligated personally for any such debt, expense, obligation or liability of the Company solely by reason of being a Member or Indemnified Person. All Persons dealing with the Company will have recourse solely to the assets of the Company for the payment of the debts, expenses, obligations or liabilities of the Company. In no event will any Member be required to make up any deficit balance in such Member’s Capital Account upon the liquidation of such Member’s interest in the Company or otherwise.
(b) Except as expressly set forth in this Agreement or as otherwise expressly required by Law, a Member, in such capacity, shall have no liability for obligations or liabilities of the Company in excess of (a) the amount of Capital Contributions made or required to be made by such Member, (b) such Member’s share of any assets and undistributed profits of the Company and (c) to the extent required by Law or this Agreement, the amount of any amounts wrongfully distributed to such Member. Except as expressly set forth in this Agreement or as otherwise required by Law, upon an insolvency of the Company, no Member shall be obligated by this Agreement to return any distribution to the Company or pay the amount of any distribution for the account of the Company or to any creditor of the Company; provided, however, that if any court of competent jurisdiction holds that, notwithstanding this Agreement, any Member is obligated to return or pay any part of any distribution, such obligation shall bind such Member alone and not any other Member (including the Managing Member); and provided, further, that if any Member is required to return all or any portion of any distribution under circumstances that are not unique to such Member but that would have been applicable to all Member if such Member had been named in the lawsuit against the Member in question (such as where a distribution was made to all Members and rendered the Company insolvent, but only one Member was sued for the return of such distribution), the Member that was required to return or repay the distribution (or any portion thereof) shall be entitled to reimbursement from the other Members that were not required to return the distributions made to them based on each such Member’s share of the distribution in question. The provisions of the immediately preceding sentence are solely for the benefit of the Members and shall not be construed as benefiting any third party. The amount of any distribution returned to the Company by a Member or paid by a Member for the account of the Company or to a creditor of the Company shall be added to the account or accounts from which it was subtracted when it was distributed to such Member.

Section 11.02 Exculpation and Indemnification.

(a) Indemnification Rights.

(i) General. The Company shall indemnify, defend and hold harmless the TPG Member, the Intel Member, the TB Member, the Managing Member, all former members of the board of managers of the Company, the Company Representative (in such Company Representative’s capacity as such), to the extent applicable, each such Person’s officers, directors, partners, members, shareholders, and employees, and the officers of PubCo, the Company and their respective Subsidiaries who are designated as such in a written resolution (all such persons being referred to herein as “Indemnified Persons”), who is or was a party, witness or other participant, or is threatened or proposed to be made a party, witness or other participant, in any actual, threatened, pending or complete action, suit, proceeding, demand or investigation, whether civil, criminal, administrative, investigative, or an alternative dispute resolution proceeding by reason of the fact that such Indemnified Person is or was a Member, the Managing Member, the Company Representative (in such Company Representative’s capacity as such), an officer of the Company or an officer, manager, partner, member, shareholder or employee of such Indemnified Person, or by reason of the fact that such Indemnified Person is or was serving at the request of the Company as a manager, member of any board of managers, tax matters member, company representative, director, officer or partner of another corporation, limited liability company, partnership, trust, plan or other organization or enterprise, from and against all expenses (including attorneys’ and experts’ fees and expenses), judgments, fines and amounts paid in
(ii) Indemnification Priority.

(A) The Company hereby acknowledges that the rights to indemnification, advancement of expenses and/or insurance provided pursuant to this Section 11.02 may also be provided to certain Indemnified Persons by one or more of their respective Affiliates (other than the Company and its Subsidiaries) or their insurers (collectively, and including, in the case of the TPG Member and the TB Member, the TPG Member, the TB Member, TPG and TB each of their respective partners, shareholders, members, Affiliates, associated investment funds, directors, officers, fiduciaries, managers, controlling Persons, employees and agents and each of the partners, shareholders, members, Affiliates, associated investment funds, directors, officers, fiduciaries, managers, controlling Persons, employees and agents of each of the foregoing, the “Affiliate Indemnitors”). The Company hereby agrees that, as between the Company, on the one hand, and the Affiliate Indemnitors, on the other hand, (i) the Company is the full indemnitor of first resort and the Affiliate Indemnitors are the full indemnitors of second resort with respect to all such indemnifiable claims against such Indemnified Persons, whether arising under this Agreement or otherwise (i.e., the obligations of the Company to such Indemnified Persons are primary and any obligation of the Affiliate Indemnitors to advance expenses or to provide indemnification for the same expenses or liabilities incurred by such Indemnified Persons are secondary), (ii) upon receipt by the Company of an undertaking by or on behalf of such Indemnified Persons to repay such amount if it shall be determined that the Covered Person is not entitled to be indemnified as authorized by this Section 11.02 or otherwise, the Company shall be required to advance the full amount of expenses incurred by such Indemnified Persons and shall be liable for the full amount of all expenses, judgments, penalties, fines and amounts paid in settlement to the extent legally permitted and as required by the terms of this Agreement (or any other agreement between the Company and such Indemnified Persons), without regard to any rights such Indemnified Persons may have against the Affiliate Indemnitors and (iii) the Company irrevocably waives, relinquishes and releases the Affiliate Indemnitors from any and all claims against the Affiliate Indemnitors for contribution, subrogation or any other recovery of any kind in respect thereof. The Company agrees to indemnify the Affiliate Indemnitors directly for any amounts that the Affiliate Indemnitors pay as indemnification or advancement on behalf of any such Indemnified Person and for which such Indemnified Person may be entitled to indemnification from the Company in connection with serving
as a director or officer (or equivalent titles) of the Company or its Subsidiaries. The Company further agrees that no advancement or payment by the Affiliate Indemnitors on behalf of any such Indemnified Person with respect to any claim for which such Indemnified Person has sought indemnification from the Company shall affect the foregoing and the Affiliate Indemnitors shall be subrogated to the extent of such advancement or payment to all of the rights of recovery of such Indemnified Person against the Company, and the Company shall cooperate with the Affiliate Indemnitors in pursuing such rights.

(B) Except as provided in Section 11.02(a)(ii)(A) above, in the event of any payment by the Company of indemnifiable expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred by such Indemnified Person in connection with such action, suit, proceeding, demand or investigation pursuant to Section 11.02(a), the Company shall be subrogated to the extent of such payment to all of the rights of contribution or recovery of the Indemnified Persons against other Persons (other than the Affiliate Indemnitors), and the Indemnified Person shall take, at the request of the Company, all reasonable action necessary to secure such rights, including the execution of such documents as are necessary to enable the Company to bring suit to enforce such rights.

(iii) Third-Party Indemnification. The Company may make, execute, record and file on its own behalf and on behalf of each Member all instruments and other documents (including one or more deeds poll in favor of the persons to whom the benefit of the exculpation and indemnification provisions of this Agreement are intended (the “Covered Persons”) and/or one or more separate indemnification agreements between the Managing Member, the Company, each Member (as applicable) and individual Covered Persons) that the Managing Member deems necessary or appropriate in order to extend the benefit of the exculpation and indemnification provisions of this Agreement to the Covered Persons; provided, that such other instruments and documents authorized hereunder shall be on the same terms as provided for in this Agreement except as otherwise may be required by applicable Law.

(b) Exculpation. No Indemnified Person will be liable, for damages or otherwise, to the Company or to any Member for any loss that arises out of any act performed or omitted to be performed by it, him or her, in its, his or her capacity as such, to the maximum extent a Delaware corporation would be permitted to exculpate such Indemnified Person if the Company was a Delaware corporation and such individual was a member of such corporation’s board of directors; provided that notwithstanding anything to the contrary contained in this Section 11.02, a Covered Person shall be liable for any such loss, liability, damage or claim arising out of acts or omissions by such Covered Person that constitute “Cause” (as defined in a written agreement applicable to any such Indemnified Person who is an employee of PubCo, the Company or any of their respective Subsidiaries) or that involve intentional misconduct or a knowing violation of Law. In performing his, her or its duties, each Indemnified Person shall be entitled to rely in good faith on the provisions of this Agreement and on information, opinions, reports or statements (including financial statements and information, opinions, reports or statements as to the value or amount of the assets, liabilities, profits or losses of the Company or any facts pertinent to the existence and amount of assets from which distributions to Members might properly be paid) of the following other persons or groups: the Managing Member, officers or employees of PubCo, the Company
and their respective Subsidiaries; any attorney, independent accountant, appraiser or other expert or professional employed or engaged by or on behalf of the Company or such Managing Member or officer; or any other person who has been selected with reasonable care by or on behalf of the Company or such Managing Member or officer; in each case as to matters which such relying person reasonably believes to be within such other person’s competence. For the avoidance of doubt, this Section 11.02(b) shall not exculpate, indemnify, or otherwise protect a Member from a breach of this Agreement by such Member or any other agreement between such Member and the Company, any Affiliates of the Company, or any other Member.

(c) Persons Entitled to Indemnity. Any Person who is within the definition of “Indemnified Person” at the time of any action or inaction in connection with the activities of the Company shall be entitled to the benefits of this Section 11.02 as an “Indemnified Person” with respect thereto, regardless of whether such person continues to be within the definition of “Indemnified Person” at the time of such Indemnified Person’s claim for indemnification or exculpation hereunder. The right to indemnification and the advancement of expenses conferred in this Section 11.02 shall not be exclusive of any other right which any Person may have or hereafter acquire under any statute, agreement, by Law, decision of the Managing Member or otherwise. If this Section 11.02 or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Company shall nevertheless indemnify and hold harmless each Indemnified Person pursuant to this Section 11.02 to the fullest extent permitted by any applicable portion of this Section 11.02 that shall not have been invalidated and to the fullest extent permitted by applicable Law.

(d) Procedure Agreements. The Company may enter into an agreement with any Indemnified Person setting forth procedures consistent with applicable Law for implementing the indemnities provided in this Section 11.02.

(e) Reliance, etc. Notwithstanding any other provision of this Agreement, an Indemnified Person or Exempted Person acting under this Agreement shall not be liable to the Company or to any other Indemnified Person for its, his or her good faith reliance on the provisions of this Agreement. Whenever in this Agreement any Member (in each case, other than the Managing Member or any Person who is also an officer or employee of the Company or any of its Subsidiaries) is permitted or required to make a decision (i) in its, his or her discretion or under a grant of similar authority, he, she or it shall be entitled to consider only such interests and factors as such Indemnified Person desires, including its, his or her own and its, his or her Affiliates’ interests, and shall, to the fullest extent permitted by applicable Law, have no duty or obligation to give any consideration to any interest of or factors affecting the Company, any Member or any other Person, or (ii) in its, his or her good faith or under another express standard, he, she or it shall act under such express standard and shall not be subject to any other or different standards; provided, further, that, for the avoidance of doubt, the Managing Member shall not take any actions in contravention of its duties set forth in Article VII.
ARTICLE XII

If it is determined by a court of competent jurisdiction that the Company has dissolved prior to the occurrence of a Dissolution Event, the Members hereby agree to continue the business of the Company without a Liquidation.

(d) The death, retirement, resignation, expulsion, bankruptcy, insolvency or dissolution of a Member or the occurrence of any other event that terminates the continued membership of a Member of the Company shall not in and of itself cause dissolution of the Company.

Section 12.02 Winding Up of the Company.
(a) The Managing Member shall promptly notify the other Members of any Dissolution Event. Upon dissolution, the Company’s business shall be liquidated in an orderly manner. The Managing Member shall appoint a liquidating trustee to wind up the affairs of the Company pursuant to this Agreement. (c) **Distribution of Property.** In the event it becomes necessary in connection with the Liquidation to make a distribution of Property in-kind, subject to the priority set forth in Section 12.02(b), the liquidating trustee shall have the right to compel each Member, treating each such Member in a substantially similar manner, to accept a distribution of any Property in-kind (with such Property, as a percentage of the total liquidating distributions to such Member), corresponding as nearly as possible to the distributions such Member would receive under Section 12.02(b) with such distribution being based upon the amount of cash that would be distributed to such Members if such Property were sold for an amount of cash equal to the fair market value of such Property, as determined by the liquidating trustee in good faith.

Section 12.03 **Termination.** The Company shall terminate when all of the assets of the Company, after payment of or reasonable provision for the payment of all debts and liabilities of the Company, shall have been distributed to the Members in the manner provided for in this Article XII, and the Certificate shall have been cancelled in the manner required by the Delaware Act.

Section 12.04 **Survival.**

The determination of the portion of existing Tax basis in the Reference Assets that is attributable to Units owned by such a Corporate Subsidiary (and payments made hereunder with respect to such Tax basis) shall be determined in good faith by the Corporation in consultation with its tax return preparer (which tax return preparer shall be a nationally recognized third party accounting firm); provided that in no event will the portions of existing Tax basis in the Reference Assets that are allocable to the Corporation at such time. 2. the U.S. federal income tax rates that will be in effect for each such Taxable Year will be those specified for each such Taxable Year by the Code and other law as in effect on the Early Termination Date, except to the extent any change to such tax rates for such Taxable Year have already been enacted into law;

ARTICLE II
DETERMINATION OF REALIZED TAX BENEFIT

Section 2.1 Attribute Schedule. Following the IPO Date, within ninety (90) calendar days after the filing of Form 1120 (or any successor form) of the Corporate Group for any Taxable Year, the Corporation shall deliver (a) to the TPG Nominee and the Intel Nominee a schedule (the “Attribute Schedule”) that shows, in reasonable detail, (i) the Pre-IPO Covered Tax Assets that are available for use by the Corporate Group and the LLCs with respect to each TRA Party with respect to such Taxable Year and the portion of the Pre-IPO Covered Tax Assets that are available for use by the Corporate Group and the LLCs with respect to each TRA Party with respect to future Taxable Years; and (ii) the Exchange Covered Tax Assets that are available for use by the Corporate Group and the LLCs with respect to each Exchange TRA Party that has effected an Exchange (including the Basis Adjustments with respect to the Reference Assets resulting from Exchanges effected in such Taxable Year and the periods over which such Basis Adjustments are amortizable or depreciable), and the portion of the Exchange Covered Tax Assets that are available for use by the Corporate Group and the LLCs with respect to each Exchange TRA Party that has effected an Exchange in future Taxable Years and (b) to the Thoma TRA Parties and the GIC TRA Parties, that portion of the applicable Attribute Schedule relating to the Thoma TRA Parties or the GIC TRA Parties, as the case may be, along with reasonable detail regarding the preparation of the applicable portion of such Attribute Schedule. The Attribute Schedule shall also list any limitations on the ability of the Corporate Group and the LLCs to utilize any Pre-IPO Covered Tax Assets or Exchange Covered Tax Assets under applicable laws (including as a result of the operation of Section 382 of the Code or Section 383 of the Code).

Section 2.2 Tax Benefit Schedule. 

(a) Tax Benefit Schedule. Following the IPO Date, within ninety (90) calendar days after the filing of the Form 1120 (or any successor form) of the Corporate Group for any Taxable Year, the Corporation shall provide (i) to each of the TPG Nominee and the Intel Nominee a schedule showing, in reasonable detail, the calculation of the Tax Benefit Payment in respect of each TRA Party for such Taxable Year and the calculation of the Realized Tax Benefit and Realized Tax Detriment and the components thereof for such Taxable Year (a “Tax Benefit Schedule”) and (ii) to the Thoma TRA Parties and the GIC TRA Parties, that portion of the applicable Tax Benefit Schedule relating to the Thoma TRA Parties or the GIC TRA Parties, as the case may be, along with reasonable detail regarding the preparation of the applicable portion of such Tax Benefit Schedule. Each Tax Benefit Schedule will become final as provided in Section 2.3(a) and may be amended as provided in Section 2.3(b) (subject to the procedures set forth in Section 2.3(b)).

(b) Applicable Principles. For purposes of calculating the Realized Tax Benefit or Realized Tax Detriment for any period, carryovers or carrybacks of any Tax item attributable to the Pre-IPO Covered Tax Assets and the Exchange Tax Assets shall be considered to be subject to the rules of the Code and the Treasury Regulations, as applicable, or other applicable law.
governing the use, limitation and expiration of carryovers or carrybacks of the relevant type. If a carryover or carryback of any Tax item includes a portion that is attributable to a Pre-IPO Covered Tax Asset or an Exchange Covered Tax Asset and another portion that is not, such respective portions shall be considered to be used in accordance with the “with and without” methodology.

Section 2.3 Procedures, Amendments.

(a) Procedure. Every time the Corporation delivers to the TPG Nominee and the Intel Nominee a Schedule under this Agreement, including any Amended Schedule delivered pursuant to Section 2.3(b), and any Early Termination Schedule or amended Early Termination Schedule, the Corporation shall also (x) deliver to the TPG Nominee and the Intel Nominee schedules, valuation reports, if any, and work papers, as determined by the Corporation or reasonably requested by either of the TPG Nominee or the Intel Nominee, providing reasonable detail regarding the preparation of the Schedule, and (y) allow the TPG Nominee and the Intel Nominee reasonable access at no cost to the appropriate representatives of the Corporation, as determined by the Corporation or requested by either the TPG Nominee or the Intel Nominee, in connection with the review of such Schedule. Without limiting the application of the preceding sentence, each time the Corporation delivers to the TPG Nominee and the Intel Nominee a Tax Benefit Schedule, in addition to the Tax Benefit Schedule duly completed, the Corporation shall deliver to the TPG Nominee and the Intel Nominee a reasonably detailed calculation of the applicable Hypothetical Tax Liability, the reasonably detailed calculation of the applicable Actual Tax Liability, as well as any other work papers as determined by the Corporation or requested by either the TPG Nominee or the Intel Nominee, provided that the Corporation shall not be required to provide any information that it reasonably believes is unnecessary for purposes of determining the items in the applicable Schedule or amendment thereto. Subject to Section 2.3(b), an applicable Schedule or amendment thereto shall become final and binding on all parties thirty (30) calendar days after the first date on which the TPG Nominee and the Intel Nominee have received the applicable Schedule or amendment thereto unless (i) either the TPG Nominee or the Intel Nominee provides the Corporation before such date with notice of a material objection to such Schedule (“Objection Notice”) made in good faith or (ii) each of the TPG Nominee and the Intel Nominee provides a written waiver of such right of any Objection Notice before such date (in which case such Schedule or amendment thereto becomes binding on the date both waivers have been received by the Corporation). If the Corporation and the TPG Nominee and Intel Nominee, for any reason, are unable to successfully resolve the issues raised in an Objection Notice within thirty (30) calendar days after receipt by the Corporation of an Objection Notice, then the Corporation and the TPG Nominee and the Intel Nominee shall employ the reconciliation procedures described in Section 7.9 of this Agreement (the “Reconciliation Procedures”).

(b) Amended Schedule. The applicable Attribute Schedule or Tax Benefit Schedule for any Taxable Year may be amended from time to time by the Corporation (i) in connection with a Determination affecting such Schedule, (ii) to correct inaccuracies in the Schedule identified after the date the Schedule was provided to the TPG Nominee and the Intel Nominee, (iii) to comply with the Expert’s determination under the Reconciliation Procedures, (iv) to reflect a change in the Realized Tax Benefit or Realized Tax Detriment for such Taxable Year attributable to a carryback or carryforward of a loss or other tax item to such Taxable Year, or (v) to reflect a change in the Realized Tax Benefit or Realized Tax Detriment for such Taxable Year attributable
to an amended Tax Return filed for such Taxable Year (any such Schedule, an “Amended Schedule”). The Corporation shall provide (i) to the TPG Nominee and the Intel Nominee, an Amended Schedule, and (ii) to the Thoma TRA Parties or the GIC TRA Party, that portion of the applicable Amended Schedule relating to the Thoma TRA Parties and the GIC TRA Party, as the case may be, along with reasonable detail regarding the preparation of the applicable portion of such Amended Schedule, within sixty (60) calendar days of the occurrence of an event referenced in clauses (i) through (v) of the first sentence of this Section 2.3(b).

ARTICLE III
TAX BENEFIT PAYMENTS

Section 3.1 Timing and Amount of Tax Benefit Payments.

(a) Within five (5) Business Days after a Tax Benefit Schedule delivered to the TPG Nominee and the Intel Nominee becomes final in accordance with Section 2.3(a), the Corporation shall pay or cause to be paid to each TRA Party for such Taxable Year an amount equal to the excess, if any, of (i) the Tax Benefit Payment in respect of such TRA Party for such Taxable Year determined pursuant to Section 3.1(b) over (ii) the aggregate amount of Advance Payments previously made to such TRA Party in respect of such Taxable Year; provided that, if the Corporation makes Advance Payments, it shall make Advance Payments to all parties eligible to receive payments under this Agreement with respect to a particular Taxable Year in proportion to their respective amount of anticipated payments under this Agreement in respect of such Taxable Year. Each such Tax Benefit Payment or such Advance Payment shall be made by wire transfer of immediately available funds to the bank account previously designed by such TRA Party to the Corporation or as otherwise agreed by the Corporation and such TRA Party. The Corporation shall use its commercially reasonable efforts to respond to any reasonable inquiry of a TRA Party in regard to the calculation of the amount payable to such TRA Party pursuant to any Schedule delivered under this Agreement, including the calculation of the Tax Benefit Payment in respect of such TRA Party for such Taxable Year.

(b) A “Tax Benefit Payment” in respect of a TRA Party means an amount, not less than zero, equal to the sum of the portion of the Net Tax Benefit that is Attributable to such TRA Party and the Interest Amount with respect thereto. A Net Tax Benefit is “Attributable” to a Reorganization TRA Party to the extent that it is derived from a Blocker Pre-IPO Covered Tax Asset with respect to the Blocker Entity (or Units owned by such Blocker Entity (other than through a Corporate Subsidiary for purposes of this sentence)) designated on Exhibit B as allocable to such Reorganization TRA Party (in the case of a Blocker Entity with respect to which there is more than one Reorganization TRA Party, with the Net Tax Benefit and Interest Amount with respect thereto apportioned among such Reorganization TRA Parties in a manner consistent with the percentages set forth on Exhibit B). A Net Tax Benefit is “Attributable” to an Exchange TRA Party to the extent that it is derived from an Exchange Covered Tax Asset with respect to Units that were Exchanged by such TRA Party. In addition, a Net Tax Benefit derived from a Subsidiary Pre-IPO Covered Tax Asset will be attributable to a Reorganization TRA Party or Exchange TRA Party, as applicable, by apportioning such relevant amount among such TRA Parties in accordance with the percentages set forth on Exhibit B, as contemplated by the definition of Subsidiary Pre-IPO Covered Tax Assets; provided that, in the case of any forfeiture by a TRA Party of unvested shares of Class A Common Stock (the “Forfeited Shares”), the percentages set forth on Exhibit B shall be adjusted in the manner determined by the Intel Nominee and the TPG Nominee so that the percentage attributable to such TRA Party in respect of the Forfeited Shares immediately before
such forfeiture (the “Forfeited Percentage”) is adjusted to zero (0) as of immediately following such forfeiture and the percentages attributable to all other TRA Parties listed on Exhibit B are, immediately following such forfeiture, in the aggregate, increased by the Forfeited Percentage in proportion to the percentages set forth on Exhibit B with respect to such other TRA Parties. The “Net Tax Benefit” for a Taxable Year shall be an amount equal to the excess, if any, of 85% of the Cumulative Net Realized Tax Benefit as of the end of such Taxable Year over the sum of the total amount of payments previously made under Section 3.1(a) (excluding payments attributable to Interest Amounts) and the Advance Payments previously made under Section 3.1(b) of this Agreement (excluding any portion of Advance Payments in respect of anticipated Interest Amounts); provided, for the avoidance of doubt, that a TRA Party shall not be required to return any portion of any previously made Tax Benefit Payment or Advance Payment it receives under this Agreement. The “Interest Amount” in respect of the TRA Party shall equal the interest on the amount of the unpaid Net Tax Benefit Attributable to such TRA Party for a Taxable Year, which interest shall accrue on any unpaid Net Tax Benefit from and after the due date (without extensions) for filing the Form 1120 (or any successor form) for the Corporate Group for such Taxable Year, calculated at the Agreed Rate, until the date such unpaid amounts are paid. For the avoidance of doubt, for Tax purposes, the Interest Amount shall not be treated as interest but instead shall be treated as additional consideration in the Reorganization or Exchange, as applicable, unless otherwise required by law. “Advance Payments” in respect of a TRA Party for a Taxable Year means the payments made by the Corporation to such TRA Party as an advance of such TRA Party’s anticipated Tax Benefit Payment for such Taxable Year. The Corporation shall be entitled at its option to make Advance Payments. Notwithstanding anything to the contrary in this Agreement, after any lump-sum payment under Article IV of this Agreement in respect of present or future Pre-IPO Covered Tax Assets or Exchange Covered Tax Assets, such Pre-IPO Covered Tax Assets or Exchange Covered Tax Assets shall no longer be considered Pre-IPO Covered Tax Assets or Exchange Covered Tax Assets, as applicable, for purposes of determining Tax Benefit Payments or the Net Tax Benefit.

Section 3.2 No Duplicative Payments. It is intended that the provisions of this Agreement will not result in duplicative payment of any amount (including interest) required under this Agreement. The provisions of this Agreement shall be construed consistent with such intent.

Section 3.3 Pro Rata Payments.

(a) Notwithstanding anything in Section 3.1 to the contrary, to the extent that the aggregate amount of the tax benefit to the Corporate Group and LLCs from the reduction in Tax Liability as a result of the Pre-IPO Covered Tax Assets and the Exchange Covered Tax Assets is limited in a particular Taxable Year because the Corporate Group and LLCs do not have sufficient taxable income to fully utilize available deductions and other attributes, the aggregate Net Tax Benefit for such Taxable Year shall be deemed Attributable to each TRA Party for purposes of Section 3.1(b) in proportion to the portion of such Net Tax Benefit that would be Attributable to such TRA Party under Section 3.1(b) if the Corporate Group had sufficient taxable income so that there were no such limitation; provided, that, for the avoidance of doubt, for purposes of allocating among the TRA Parties the aggregate Net Tax Benefit with respect to any Taxable Year, the
operation of this Section 3.3(a) with respect to any prior Taxable Years shall be taken into account so as to eliminate as quickly as possible, proportionately, the difference with respect to each TRA Party between (i) the aggregate Net Tax Benefit that would be Attributable to such TRA Party under Section 3.1(b) with respect to each such Taxable Year (on a cumulative basis) if the Corporate Group had sufficient taxable income so that there were no limitation under this clause (a) and (ii) the actual aggregate Net Tax Benefit deemed Attributable to such TRA Party under Section 3.1(b) with respect to each such Taxable Year (on a cumulative basis) by operation of this clause (a). Consistent with the foregoing, the Attribute Schedule for a given Taxable Year shall reflect the operation of this Section 3.3(a) in respect of previous Taxable Years, with the Pre-IPO Covered Tax Assets and Exchange Covered Tax Assets described in such Attribute Schedule that are attributable to a TRA Party being adjusted to reflect payments received in respect of such Pre-IPO Covered Tax Assets and Exchange Covered Tax Assets (the intention of the parties being to avoid duplicative payments and maintain records sufficient to allow the Corporation to allocate Tax Benefit Payments consistent with the terms of this Section 3.3(a)).

(b) After taking into account Section 3.3(a), if for any reason the Corporation does not fully satisfy its payment obligations to make Tax Benefit Payments due under this Agreement in respect of a particular Taxable Year (for example, as a result of having insufficient cash to make the Tax Benefit Payments due hereunder), then the Corporation and the TRA Parties agree that (i) the Corporation shall make payments due hereunder to the TRA Parties in respect of a Taxable Year in the same proportion as such payments would have been made if the relevant payment had been made in full by the Corporation, and (ii) no Tax Benefit Payment shall be made in respect of any Taxable Year until all Tax Benefit Payments in respect of prior Taxable Years have been paid.

(c) To the extent the Corporation makes a payment to a TRA Party in respect of a particular Taxable Year under Section 3.1(a) of this Agreement (taking into account Section 3.3(a) and (b)) in an amount in excess of the amount of such payment that should have been made to the TRA Party in respect of such Taxable Year, then (i) the TRA Party shall not receive further payments under Section 3.1(a) until the TRA Party has forgone an amount of payments equal to such excess and (ii) the Corporation shall pay the amount of the TRA Party’s forgone payments to other TRA Parties (to the extent applicable) in a manner such that each of the other TRA Parties, to the extent possible, shall have received aggregate payments under Section 3.1(a) and (b) in the amount it would have received if there had been no excess payment to the TRA Party.

ARTICLE IV
TERMINATION

Section 4.1 Early Termination of Agreement; Breach of Agreement.

(a) With the prior written approval of the Board (or any Person(s) to whom the Board has delegated such authority), the Corporation may terminate this Agreement with respect to all amounts payable to the TRA Parties at any time by paying to each TRA Party the Early Termination Payment in respect of the TRA Party; provided, however, that (i) this Agreement shall only terminate pursuant to this Section 4.1(a) upon the receipt in full of the Early Termination Payment by the TRA Parties; (ii) the Corporation shall deliver an Early Termination Notice only if it is able to make all required Early Termination Payments under this Agreement; and (iii) the Corporation may withdraw any notice to execute its termination rights under this Section 4.1(a) prior to the time at which any Early Termination Payment has been paid.
(b) In the event that the Corporation breaches any of its material obligations under this Agreement, whether as a result of a failure to make any payment when due, a failure to honor any other material obligation required hereunder or by operation of law as a result of the rejection of this Agreement in a case commenced under the Bankruptcy Code or otherwise, and the Corporation fails to cure such breach within 20 Business Days of a TRA Party informing the Corporation of such breach, then, at the election of the Intel Nominee or the TPG Nominee, subject to the following proviso, all obligations hereunder shall be accelerated and such obligations shall be calculated as if an Early Termination Notice had been delivered on the date of such breach; provided, that (i) the TPG Nominee and the Intel Nominee shall be entitled jointly to make such election on behalf of, and such election shall be binding only on, all TRA Parties other than the Intel TRA Parties and TPG TRA Parties, (ii) the Intel Nominee shall be entitled to make such election on behalf of, and such election shall be binding on, the Intel TRA Parties, (iii) the TPG Nominee shall be entitled to make such election on behalf of, and such election shall be binding on, the TPG TRA Parties, and (iv) at least five (5) Business Days prior to making any such election, the Intel Nominee or the TPG Nominee (as the case may be) shall provide written notice to the other in order to permit the other, if it wishes, to make its election simultaneously. Procedures similar to the procedures of Section 4.2 shall apply, mutatis mutandis, with respect to the determination of the amounts payable by the Corporation pursuant to this Section 4.1(b). Notwithstanding the foregoing, in the event that the Corporation breaches any of its material obligations under this Agreement, the TPG Nominee and the Intel Nominee shall be entitled to elect jointly on behalf of all TRA Parties (other than the Intel TRA Parties and TPG TRA Parties), the Intel Nominee shall be entitled to elect on behalf of the Intel TRA Parties, and the TPG Nominee shall be entitled to elect on behalf of the TPG TRA Parties, in each case, to receive the amounts referred to in this Section 4.1(b) or to seek specific performance of the terms of this Agreement. Notwithstanding anything in this Agreement to the contrary, if the Corporation fails to make any Tax Benefit Payment when due, to the extent that the Corporation has insufficient funds to make such payment despite using reasonable best efforts to obtain funds to make such payment (including by causing the LLC or any other Subsidiaries of the LLC to distribute or lend funds to facilitate such payment, and by accessing any revolving credit facilities or other sources of available credit to fund any such amounts), such failure shall not be a breach of this Agreement until the earlier of (i) the Corporation having sufficient cash to pay such balance and (ii) the one-year anniversary of the receipt of the notice for such payment; provided, that (x) the interest provisions of Section 5.2 shall apply to such late payment, and (y) if the Corporation does not have sufficient cash to make such payment as a result of limitations imposed by existing credit agreements to which the LLC or any of its Subsidiaries is a party, which limitations are effective as of the date of this Agreement, Section 5.2 shall apply, but the Default Rate shall be replaced by the Agreed Rate.

(c) In connection with a Change of Control, all obligations under this Agreement with respect to the applicable TRA Parties shall be accelerated and such obligations shall be calculated as if an Early Termination Notice had been delivered on the closing date of the Change of Control or such other date agreed to by the Intel Nominee, TPG Nominee and the Corporation. Procedures similar to the procedures of Section 4.2 shall apply, mutatis mutandis, with respect to the determination of the amounts payable by the Corporation.
Section 4.2 Early Termination Notice. If the Corporation chooses to exercise its right of early termination under Section 4.1(a) above, the Corporation shall deliver to each of the TPG Nominee and the Intel Nominee notice of such intention to exercise such right (“Early Termination Notice”). In addition, if the Corporation chooses to exercise its right of early termination under Section 4.1(a) above, or the obligations under this Agreement are accelerated under Section 4.1(b) or Section 4.1(c) above, the Corporation shall deliver to (i) the TPG Nominee and the Intel Nominee a schedule (the “Early Termination Schedule”) showing in reasonable detail the calculation of the Early Termination Payment due to each TRA Party and (ii) the Thoma TRA Party and the GIC TRA Party the portion of the Early Termination Schedule showing in reasonable detail the calculation of the Early Termination Payment due to the Thoma TRA Parties or the GIC TRA Parties, as the case may be. Such Early Termination Schedule shall become final and binding on all parties consistent with the procedures described in Section 2.3(a). The date on which the Early Termination Schedule becomes final shall be the “Early Termination Effective Date.”

Section 4.3 Payment upon Early Termination.  

(a) Within three (3) calendar days after an Early Termination Effective Date, the Corporation shall pay to the TRA Parties an amount equal to the Early Termination Payment in respect of such TRA Party; provided, however, that any amount payable pursuant to this Agreement as a result of a Change of Control shall be paid concurrently with the consummation of such Change of Control. Such payment shall be made by wire transfer of immediately available funds to a bank account or accounts designated by the TRA Party or as otherwise agreed by the Corporation and such TRA Party.

(b) “Early Termination Payment” in respect of a TRA Party shall equal (i) the present value, discounted at the Early Termination Rate, as of the date of the Early Termination Notice, of all Tax Benefit Payments in respect of such TRA Party that would be required to be paid by the Corporation beginning from the date of the Early Termination Notice and applying the Valuation Assumptions, plus (ii) any Tax Benefit Payment due and payable with respect to such TRA Party that is unpaid as of the date of the Early Termination Notice, plus (iii) (without duplication) interest accruing on the amounts described in clauses (i) through (ii) (which shall include interest accruing on the amount described in clause (i) from the date of the Early Termination Notice).

(c) Upon the payment of the Early Termination Payment by the Corporation to a TRA Party, the Corporation shall not have any further payment obligations under this Agreement in respect of such TRA Party.

ARTICLE V SUBORDINATION AND LATE PAYMENTS

Section 5.1 Subordination. Notwithstanding any other provision of this Agreement to the contrary, any Tax Benefit Payment or Early Termination Payment required to be made by the Corporation under this Agreement shall rank subordinate and junior in right of payment to any principal, interest, or other amounts due and payable in respect of any obligations owed in respect
of secured or unsecured indebtedness for borrowed money of the Corporation and its Subsidiaries ("Senior Obligations") and shall rank pari passu in right of payment with all current or future unsecured obligations of the Corporation that are not Senior Obligations. To the extent that any payment under this Agreement is not permitted to be made at the time payment is due as a result of this Section 5.1 and the terms of the agreements governing Senior Obligations, such payment obligation nevertheless shall accrue for the benefit of the applicable TRA Parties and the Corporation shall make such payments at the first opportunity that such payments are permitted to be made in accordance with the terms of the Senior Obligations (it being understood that interest shall accrue on the amount of such unpaid obligation in accordance with the terms hereof). Payments under any tax receivable agreement (or similar agreement) entered into by the Corporation, the LLC, or their Subsidiaries after the date hereof shall be subordinate to all payments owed pursuant to this Agreement, and no such payments shall be made for so long as the Corporation has any unpaid obligation pursuant this Agreement.

Section 5.2 Late Payments by the Corporation. The amount of all or any portion of any Tax Benefit Payment, Early Termination Payment or other payment under this Agreement not made to the TRA Parties when due under the terms of this Agreement shall be payable together with any interest thereon, computed at the Default Rate and commencing from the date on which such Tax Benefit Payment, Early Termination Payment or other payment was due and payable.

ARTICLE VI
TAX MATTERS; CONSISTENCY; COOPERATION

Section 6.1 Participation in the Corporation’s and the LLC’s Tax Matters. Except as otherwise provided herein and the LLC Agreement, the Corporation shall have full responsibility for, and sole discretion over, all tax matters concerning the Corporation and the LLCs and its Subsidiaries, including without limitation the preparation, filing or amending of any Tax Return and defending, contesting or settling any issue pertaining to taxes; provided, however, that the Corporation shall notify each of the TPG Nominee, the TB Nominee and the Intel Nominee of, and keep them reasonably informed with respect to, and act in good faith in connection with its conduct of, the portion of any audit of the Corporation, the Corporate Group, the LLCs or any of their Subsidiaries the outcome of which is reasonably expected to affect the rights or obligations of the TRA Parties under this Agreement, and shall provide to each of the TPG Nominee, the TB Nominee and the Intel Nominee reasonable opportunity to provide information and other input to the Corporation, Corporate Group, the LLCs and their Subsidiaries concerning the conduct of any such portion of such audit, which information and other input the Corporation, Corporate Group, the LLC and their Subsidiaries, as applicable, shall consider in good faith.

Section 6.2 Consistency. The Corporation, the LLCs and the TRA Parties agree to report and cause to be reported for all purposes, including federal, state and local Tax purposes and financial reporting purposes, all Tax-related items (including, without limitation, the Basis Adjustments and each Tax Benefit Payment) in a manner consistent with that specified in any Schedule finalized consistent with the terms of this Agreement, unless otherwise required by a contrary Determination by an applicable Taxing Authority.
Section 6.3 **Cooperation.** Each of the Corporation, the LLCs and the TRA Parties shall (a) furnish to the other parties in a timely manner such information, documents and other materials as the other party may reasonably request for purposes of making any determination or computation necessary or appropriate under this Agreement, preparing any Tax Return or defending any audit, examination or controversy with any Taxing Authority, (b) make itself reasonably available to the other parties and their respective representatives to provide explanations of documents and material and such other information as the other party or its representatives may reasonably request in connection with any of the matters described in clause (a) above, and (c) reasonably cooperate in connection with any such matter, and the Corporation shall reimburse each TRA Party for any reasonable third-party costs and expenses incurred pursuant to this Section at the request of the Corporation or the LLC.

Any Party may change its address or e-mail address by giving each of the other Parties written notice thereof in the manner set forth above.

Section 7.2  Counterparts. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement. Delivery of an executed signature page to this Agreement by facsimile transmission shall be as effective as delivery of a manually signed counterpart of this Agreement.

Section 7.3  Entire Agreement; No Third Party Beneficiaries. This Agreement constitutes the entire agreement and supersedes all prior agreements and understandings, both written and oral, among the Parties with respect to the subject matter hereof. This Agreement shall be binding upon and inure solely to the benefit of each Party hereto and their respective successors and permitted assigns, and nothing in this Agreement, express or implied, is intended to or shall confer upon any other Person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

Section 7.4  Governing Law. This Agreement shall be governed by, and construed in accordance with, the law of the State of Delaware, without regard to the conflicts of laws principles thereof that would mandate the application of the laws of another jurisdiction.

Section 7.5  Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any law or public policy, all other terms and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, such term or provision is hereby deemed modified to give effect to the original written intent of the parties to the greatest extent consistent with being valid and enforceable under applicable law. No party hereto shall assert, and each party shall cause its Affiliates or related parties not to assert, that this Agreement or any part hereof is invalid, illegal or unenforceable.
Section 7.6 Assignments; Amendments; Successors; No Waiver.

(a) Assignment. No TRA Party may assign, sell, pledge, or otherwise alienate or transfer any of its interest in the Agreement, including the right to receive Tax Benefit Payments under this Agreement, to any Person, except with the prior written consent of the Board, provided that the TPG TRA Parties, the Intel Nominee, the TB TRA Parties and the GIC Investor (in each case, as defined in the Stockholders Agreement), may assign, sell, pledge or otherwise alienate or transfer all or any portion of their interests in this Agreement, including the right to receive Tax Benefit Payments under this Agreement or designate a Person as a TPG Nominee or Intel Nominee, to any Person. In the case of any such assignment, sale, pledge or other alienation of any such right by any TRA Party to any Person under the terms of this Section 7.6(a), such Person shall execute and deliver a Joinder agreeing to succeed to the applicable portion of such TRA Party’s interest in this Agreement and to become a Party for all purposes of this Agreement, except as otherwise provided in such Joinder. For the avoidance of doubt, if a TRA Party transfers Units in accordance with the terms of the LLC Agreement but does not assign to the transferee of such Units its rights under this Agreement with respect to such transferred Units, such TRA Party shall continue to be entitled to receive the Tax Benefit Payments arising in respect of a subsequent Exchange of such Units (and any such transferred Units shall be separately identified, so as to facilitate the determination of Tax Benefit Payments hereunder). None of the McAfee Parties may assign any of its rights or obligations under this Agreement to any Person (other than any direct or indirect successor (whether by purchase, merger, consolidation or otherwise) to all or substantially all of the business or assets of the Corporation) without the prior written consent of each of the TPG Nominee and the Intel Nominee (and any purported assignment without such consent shall be null and void).

(b) Amendments. No provision of this Agreement may be amended unless such amendment is approved in writing by each of the Board (or any Person(s) to whom the Board has delegated such authority), the TPG Nominee and the Intel Nominee; provided, that any amendment that materially and adversely affects one or more TRA parties on a materially disproportionate basis relative to other similarly situated TRA parties shall require the consent of a majority (measured by Tax Benefit Payments receivable) of such similarly situated TRA parties so materially disproportionately affected.

(c) Successors. Except as provided in Section 7.6(a), all of the terms and provisions of this Agreement shall be binding upon, and shall inure to the benefit of and be enforceable by, the Parties hereto and their respective successors, permitted assigns, heirs, executors, administrators and legal representatives. The Corporation shall require and cause any direct or indirect successor (whether by purchase, merger, consolidation or otherwise) to all or substantially all of the business or assets of the Corporation, by written agreement, expressly to assume and agree to perform this Agreement in the same manner and to the same extent that the Corporation would be required to perform if no such succession had taken place.

(d) Waiver. No failure by any party to insist upon the strict performance of any covenant, duty, agreement, or condition of this Agreement, or to exercise any right or remedy consequent upon a breach thereof, shall constitute a waiver of any such breach or any other covenant, duty, agreement, or condition.
Section 7.7 **Titles and Subtitles.** The titles of the sections and subsections of this Agreement are for convenience of reference only and are not to be considered in construing this Agreement.

Section 7.8 **Resolution of Disputes.**

(a) Any and all disputes which cannot be settled amicably after good faith negotiations, including any ancillary claims of any party, arising out of, relating to or in connection with the validity, negotiation, execution, interpretation, performance or non-performance of this Agreement (including the validity, scope and enforceability of this arbitration provision) shall be finally settled by arbitration conducted by a single arbitrator in New York, New York in accordance with the then-existing Rules of Arbitration of the International Chamber of Commerce. If the parties to the dispute fail to agree on the selection of an arbitrator within ten (10) calendar days of the receipt of the request for arbitration, the International Chamber of Commerce shall make the appointment. The arbitrator shall be a lawyer and shall conduct the proceedings in the English language. Performance under this Agreement shall continue if reasonably possible during any arbitration proceedings.

(b) Notwithstanding the provisions of paragraph (a) of this Section 7.8, the Corporation, the TPG Nominee or the Intel Nominee may bring an action or special proceeding in any court of competent jurisdiction for the purpose of compelling another party to arbitrate, seeking temporary or preliminary relief in aid of an arbitration hereunder, and/or enforcing an arbitration award and, for the purposes of this paragraph (b), each TRA Party (i) expressly consents to the application of paragraph (c) of this Section 7.8 to any such action or proceeding, (ii) agrees that proof shall not be required that monetary damages for breach of the provisions of this Agreement would be difficult to calculate and that remedies at law would be inadequate, and (iii) irrevocably appoints the Corporation as each TRA Party’s agent for service of process in connection with any such action or proceeding and agrees that service of process upon such agent, who shall promptly advise such TRA Party of any such service of process, shall be deemed in every respect effective service of process upon such TRA Party in any such action or proceeding.

(c) (i) EACH TRA PARTY HEREBY IRREVOCABLY SUBMITS TO THE JURISDICTION OF COURTS LOCATED IN NEW YORK, NEW YORK FOR THE PURPOSE OF ANY JUDICIAL PROCEEDING BROUGHT IN ACCORDANCE WITH THE PROVISIONS OF PARAGRAPH (B) OF THIS SECTION 7.8, OR ANY JUDICIAL PROCEEDING ANCILLARY TO AN ARBITRATION OR CONTEMPLATED ARBITRATION ARISING OUT OF OR RELATING TO OR CONCERNING THIS AGREEMENT. Such ancillary judicial proceedings include any suit, action or proceeding to compel arbitration, to obtain temporary or preliminary judicial relief in aid of arbitration, or to confirm an arbitration award. The parties acknowledge that the forum designated by this paragraph (c) has a reasonable relation to this Agreement, and to the parties’ relationship with one another.

(ii) The parties hereby waive, to the fullest extent permitted by applicable law, any objection which they now or hereafter may have to personal jurisdiction or to the laying of venue of any such ancillary suit, action or proceeding brought in any court referred to in paragraph (c) (i) of this Section 7.8 and such parties agree not to plead or claim the same.
Section 7.9  **Reconciliation.** In the event that the Corporation, the Intel Nominee and the TPG Nominee are unable to resolve a disagreement with respect to a Schedule (a “Reconciliation Dispute”), the Reconciliation Dispute shall be submitted for determination to a nationally recognized expert (the “Expert”) in the particular area of disagreement mutually acceptable to such parties. The Expert shall be a partner or principal in a nationally recognized accounting firm. If the Corporation, the Intel Nominee, and the TPG Nominee are unable to agree on an Expert within fifteen (15) calendar days of receipt by the respondent(s) of written notice of a Reconciliation Dispute, the selection of an Expert shall be treated as a Dispute subject to Section 7.8 and an arbitration panel shall pick an Expert. The Expert shall resolve any matter relating to a Schedule or an amendment thereto as soon as reasonably practicable and in any event within thirty (30) calendar days after the matter has been submitted to the Expert for resolution. Notwithstanding the preceding sentence, if the matter is not resolved before any payment that is the subject of a disagreement would be due (in the absence of such disagreement) or any Tax Return reflecting the subject of a disagreement is due, the undisputed amount shall be paid on the date prescribed by this Agreement and such Tax Return may be filed as prepared by the Corporation, subject to adjustment or amendment upon resolution. The costs and expenses relating to the engagement of such Expert or amending any Tax Return shall be borne by the Corporation except as provided in the next sentence. The Corporation, the Intel Nominee and the TPG Nominee shall bear their own costs and expenses of such proceeding, unless (i) the Expert entirely adopts the position of the Intel Nominee and/or the TPG Nominee, in which case the Corporation shall reimburse the Intel Nominee and/or TPG Nominee (as applicable) for any reasonable and documented out-of-pocket costs and expenses in such proceeding, or (ii) the Expert entirely adopts the Corporation’s position, in which case Tax Benefit Payments to the TRA Parties that would have received increased Tax Benefit Payments if the position of the Intel Nominee and/or the TPG Nominee had been adopted shall be reduced proportionately in the aggregate by any reasonable and documented out-of-pocket costs and expenses in such proceeding. The Expert shall finally determine any Reconciliation Dispute and the determinations of the Expert pursuant to this Section 7.9 shall be binding on the Corporation and the TRA Parties and may be entered and enforced in any court having competent jurisdiction.

Section 7.10  **Waiver of Jury Trial.** EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER OR RELATE TO THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY ACTION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE BREACH OR VALIDITY OF THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (i) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF ACTION, SEEK TO ENFORCE THE FOREGOING WAIVER, (ii) EACH SUCH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (iii) EACH SUCH PARTY MAKES THIS WAIVER VOLUNTARILY, AND (iv) EACH SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 7.10.
Section 7.11 Withholding. The Corporation and its affiliates and representatives shall be entitled to deduct and withhold from any payment that is payable to any TRA Party pursuant to this Agreement such amounts as are required to be deducted or withheld with respect to the making of such payment in accordance with the Code or any provision of U.S. state, local or foreign tax law (including for this purpose any withholding required by the Corporation or its affiliates that may be required in connection with the Reorganization, a Redemption or a Direct Exchange or other Exchange). To the extent that amounts are so deducted or withheld and paid over to the appropriate Taxing Authority, such amounts shall be treated for all purposes of this Agreement as having been paid by the Corporation to the relevant TRA Party. The Corporation shall provide evidence of such payment to each TRA Party in respect of which such deduction or withholding is required, to the extent that such evidence is available. Each TRA Party shall promptly provide the Corporation with any applicable tax forms and certifications reasonably requested by the Corporation in connection with determining whether any such deductions and withholdings are required under the Code or any provision of U.S. state, local or foreign tax law, including under Sections 1441, 1442, 1445 or 1446 of the Code. The Corporation will consider in good faith any applicable certificates, forms or documentation provided by a TRA Party that in such TRA Party’s reasonable determination reduce or eliminate any such withholding. Provided that the GIC TRA Party remains eligible for benefits under Section 892 of the Code and the Treasury Regulations promulgated thereunder and provides an effective and properly executed Internal Revenue Service Form W-8EXP claiming exemption from U.S. federal income tax under Section 892 of the Code, the Corporation and its affiliates and representatives shall not withhold U.S. federal tax on any amounts payable to the GIC TRA Party hereunder unless such withholding is otherwise required by applicable law.

Section 7.12 Coordination Among TPG TRA Parties and Thoma TRA Parties. Notwithstanding anything herein to the contrary, to the extent that the Thoma TRA Parties are otherwise entitled to receive information relating solely to the Thoma TRA Parties (including pursuant to Section 2.1, Section 2.2, Section 2.3, and Section 4.2), the Thoma TRA Parties shall also be entitled to receive, and the Corporation and the TPG TRA Parties shall deliver to the Thoma TRA Parties, the corresponding applicable information relating to the TPG TRA Parties. The TPG TRA Parties shall consider in good faith any comments provided by the Thoma TRA Parties with respect to any information received by the Thoma TRA Parties hereunder. In the event of any adjustment, amendment or other revision to an Attribute Schedule, a Tax Benefit Schedule, Amended Schedule or the Early Termination Schedule in favor of the TPG TRA Parties, the methodologies and determinations giving rise to such adjustment, amendment or other revision shall apply mutatis mutandis to the Thoma TRA Parties to the extent applicable.

Section 7.13 Affiliated Group; Transfers of Corporate Assets.

(a) The parties acknowledge that each of the Corporation and each Blocker Entity is a member of the Corporate Group and that the provisions of this Agreement shall be applied with respect to the Corporate Group (and any other affiliated or consolidated Tax group of which the Corporation becomes a part), and that Tax Benefit Payments, Early Termination Payments, and other applicable items hereunder shall be computed with reference to the consolidated taxable income of the group as a whole. No later than five (5) days after the IPO Date, except with the consent of the Intel Nominee and the TPG Nominee, the Corporation will cause the Corporate Subsidiaries to join the affiliated group of which the Corporation is the parent and thus join the Corporate Group by contributing 100% of the equity of Manta Holdings, LLC, which shall at all times from the IPO Date through the time of such contribution own 100% of the equity of the Corporate Subsidiaries, to a newly formed corporation in a transaction described in Revenue Ruling 84-111, Situation 3. Except with the consent of the TPG Nominee and the Intel Nominee, and subject to the terms of the preceding sentence, (i) the Corporation shall hold its Units directly or indirectly through a member of the Corporate Group at all times, and (ii) the LLC shall at no time hold, directly or indirectly, in the aggregate more than 0.2% of the outstanding equity of Finance LLC (or any successor thereof) through one or more entities treated as corporations for U.S. federal income tax purposes that are not members of the Corporate Group.
(b) If the Corporation, its successors in interest, any member of a group described in Section 7.13(a), any LLC, or any entity treated as a partnership or disregarded entity for U.S. federal income tax purposes in which any of the foregoing holds a direct or indirect interest, transfers (or is deemed to transfer) one or more assets to a corporation (or a Person classified as a corporation for U.S. income tax purposes) with which the Corporation does not file a consolidated Tax Return for U.S. federal income Tax purposes (or if any entity that holds Reference Assets transfers any Reference Asset to a corporation (or a Person classified as a corporation for U.S. federal income tax purposes) with which the Corporation does not file a consolidated Tax Return for U.S. federal income Tax purposes), such entity, for purposes of calculating the amount of any Tax Benefit Payment or Early Termination Payment due hereunder, shall be treated as having disposed of such asset (or Reference Asset) in a fully taxable transaction on the date of such transfer. The consideration deemed to be received by such entity shall be equal to the fair market value of the transferred asset, which for these purposes shall be deemed to include (i) the amount of debt to which such asset is subject, in the case of a transfer of an encumbered asset, or (ii) the amount of debt allocated to such asset, in the case of a transfer of a partnership interest. For purposes of this Section 7.13, a transfer of a partnership interest or an interest in a disregarded entity shall be treated as a transfer of the transferring partner’s share of each of the assets and liabilities of that partnership or disregarded entity. If any member of a group described in Section 7.13(a) that directly or indirectly owns any equity interests in the LLCs deconsolidates for federal income tax purposes from that group (or the Corporation deconsolidates for federal income tax purposes from that group), then, except as otherwise agreed by each of the TPG Nominee and the Intel Nominee, such deconsolidated members of the group shall be treated prior to deconsolidation as having disposed of their assets directly or indirectly held (including their directly or indirectly held equity of the LLCs) in a fully taxable transaction for consideration calculated in a manner consistent with the provisions of the preceding sentences. Except for transfers covered by the preceding sentences of Section 7.13(b) of this Agreement or that constitute a Change in Control, if any Blocker Entity, any Corporate Subsidiary or the Corporation directly or indirectly transfers (as determined for U.S. federal income tax purposes) Units or equity interests of a member of the Corporate Group (including any transfer which results in a liquidation of one or more of the LLCs for U.S. federal income tax purposes) where such transfer would impact the amounts payable pursuant to this Agreement, the calculation of payments pursuant to this Agreement shall be made as if such transfer did not occur, except as may be otherwise agreed to by the TPG Nominee and the Intel Nominee.

Section 7.14 Confidentiality. Each TRA Party and its assignees acknowledges and agrees that the information of the Corporation and its Affiliates provided pursuant to this Agreement is confidential and, except in the course of performing any duties as necessary for the Corporation and its Affiliates, as required by law or legal process or to enforce the terms of this Agreement, such Person shall keep and retain in the strictest confidence and not disclose to any Person any confidential matters of the Corporation and its Affiliates and successors acquired pursuant to this Agreement. This Section 7.14 shall not apply to (i) any information that has been made publicly available by the Corporation, becomes public knowledge (except as a result of an act of any TRA Party in violation of this Agreement) or is generally known to the business community, (ii) the disclosure of information to the extent necessary for a TRA Party to prosecute or defend claims arising under or relating to this Agreement, (iii) the disclosure of information to the extent necessary for a TRA Party to prepare and file its Tax Returns, to respond to any inquiries regarding the same from any Taxing Authority or to prosecute or defend any action, proceeding or audit by any Taxing Authority with respect to such Tax Returns, (iv) the disclosure on a
confidential basis to limited partners and prospective investors in private equity funds affiliated with the TPG TRA Parties or the Thoma TRA Party of financial and other information of the type typically disclosed to such partners or prospective investors and (v) the disclosure to any potential assignee or transferee of information in connection with an assignment, sale, pledge, alienation or transfer of any interest in this Agreement pursuant to Section 7.6(a) so long as such potential assignee or transferee agrees to be subject to the provisions of this Section 7.14. Notwithstanding anything to the contrary herein, any TRA Party and each of its assignees (and each employee, representative or other agent of such TRA Party or its assignees, as applicable) may disclose at their discretion to any and all Persons, without limitation of any kind, the tax treatment and tax structure of, and tax strategies relating to, the Corporate Group, the LLCs, and their direct and indirect Subsidiaries, such TRA Party and any of their transactions (including without limitation the Reorganization, the IPO, the Exchanges to which such TRA Party is party and this Agreement), and all materials of any kind (including tax opinions or other tax analyses) that are provided to such TRA Party relating to such tax treatment, tax structure or tax strategies. If a TRA Party or an assignee commits a breach, or threatens to commit a breach, of any of the provisions of this Section 7.14, the Corporation shall have the right and remedy to have the provisions of this Section 7.14 specifically enforced by injunctive relief or otherwise by any court of competent jurisdiction without the need to post any bond or other security, it being acknowledged and agreed that any such breach or threatened breach shall cause irreparable injury to the Corporation or any of its Subsidiaries and that money damages alone shall not provide an adequate remedy to such Persons. Such rights and remedies shall be in addition to, and not in lieu of, any other rights and remedies available at law or in equity.

Section 7.15 Change in Law. Notwithstanding anything herein to the contrary, if, as a result of or, in connection with an actual or proposed change in Tax law, an Exchange TRA Party reasonably believes that the existence of this Agreement could have material adverse tax consequences to such Exchange TRA Party or any direct or indirect owner of such Exchange TRA Party, then at the written election of such Exchange TRA Party in its sole discretion (in an instrument signed by such Exchange TRA Party and delivered to the Corporation) and to the extent specified therein by such Exchange TRA Party, this Agreement shall cease to have further effect and shall not apply to an Exchange with respect to such Exchange TRA Party occurring after a date specified by such Exchange TRA Party.

Section 7.16 Interest Rate Limitation. Notwithstanding anything to the contrary contained herein, the interest paid or agreed to be paid hereunder with respect to amounts due to any TRA Party hereunder shall not exceed the maximum rate of non-usurious interest permitted by applicable law (the "Maximum Rate"). If any TRA Party shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the Tax Benefit Payment, Advance Payment or Early Termination Payment, as applicable (but in each case exclusive of any component thereof comprising interest) or, if it exceeds such unpaid non-interest amount, refunded to the Corporation. In determining whether the interest contracted for, charged, or received by any TRA Party exceeds the Maximum Rate, such TRA Party may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the payment obligations owed by the Corporation to such TRA Party.
hereunder. Notwithstanding the foregoing, it is the intention of the Parties to conform strictly to any applicable usury laws. If at any time the Corporation determines that LIBOR will no longer generally be used for determining interest rates for leveraged syndicated loans in the United States from and after a specific date, the Corporation and the TPG Nominee and the Intel Nominee shall endeavor to establish an alternative rate of interest to LIBOR that gives due consideration to the then prevailing market convention for determining a rate of interest for leveraged syndicated loans in the United States at such time and references to LIBOR herein shall thereafter be deemed to refer to such agreed rate; provided, that at no time shall such agreed rate be less than 0%.

Section 7.17 Independent Nature of Rights and Obligations.

(a) The rights and obligations of the each TRA Party hereunder are several and not joint with the rights and obligations of any other Person. A TRA Party shall not be responsible in any way for the performance of the obligations of any other Person hereunder, nor shall a TRA Party have the right to enforce the rights or obligations of any other Person hereunder (other than the Corporation). Nothing contained herein or in any other agreement or document delivered at any closing, and no action taken by any TRA Party pursuant hereto or thereto, shall be deemed to constitute the TRA Parties acting as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the TRA Parties are in any way acting in concert or as a group with respect to such rights or obligations or the transactions contemplated hereby, and the Corporation acknowledges that the TRA Parties are not acting in concert or as a group and will not assert any such claim with respect to such rights or obligations or the transactions contemplated hereby.

(b) Except as otherwise explicitly provided in this Agreement, (i) the actions of the Intel Nominee pursuant to and in accordance with this Agreement shall be binding only with respect to the Intel TRA Parties and not with respect to the TPG Nominee or any other TRA Parties, (ii) the actions of the TPG Nominee pursuant to and in accordance with this Agreement shall be binding on all TPG TRA Parties and not with respect to the Intel Nominee or any other TRA Parties, and (iii) the actions of the Intel Nominee and TPG Nominee acting jointly shall be binding on all TRA Parties. To the fullest extent permitted by law, none of the TPG Nominee, the TPG TRA Parties, the Intel Nominee, the Intel TRA Parties or any other TRA Parties shall owe any duties (fiduciary or otherwise) to any other TRA Party or any other Person in determining to take or refrain from taking any action or decision under or in connection with this Agreement, including in connection with the actions and decisions contemplated by subclause (f) of the definition of “Change of Control”, Section 2.3, Section 7.6(b), Section 7.8 and Section 7.9. For purposes of this Agreement, including in connection with the actions and decisions contemplated by subclause (f) of the definition of “Change of Control”, Section 2.3, Section 7.6(b), Section 7.8 and Section 7.9, the TRA Parties acknowledge that, in taking or omitting to take any action or decision hereunder, the TPG Nominee, each TPG TRA Party, the Intel Nominee, each Intel TRA Party and each other TRA Party shall be permitted to take into consideration solely its own interests and shall have no duty or obligation to give any consideration to any interest of or factors affecting any other TRA Party or any other Person.

Section 7.18 Tax Characterization and Elections. The parties intend that (A) each Exchange shall give rise to Basis Adjustments, (B) payments pursuant to this Agreement with respect to an Exchange (except with respect to amounts that constitute Imputed Interest) shall be

ARTICLE III
REGISTRATION RIGHTS

The Company will perform and comply, and cause each of its subsidiaries to perform and comply, with each of the following provisions as are applicable to it. Each Holder will perform and comply with each of the following provisions as are applicable to such Holder.

Section 3.1 Demand Registration.

Section 3.1.1 Request for Demand Registration.

(a) Following the Effective Date, each of the Intel Investor, the TPG Investor and the TB Investor shall have the right to make a written request from time to time (a “Demand Registration Request”) to the Company for Registration of all or part of the Registrable Securities held by such Holder. Any such Registration pursuant to a Demand Registration Request shall hereinafter be referred to as a “Demand Registration.” Each such demand shall be required to be in respect of at least $100 million in anticipated aggregate net proceeds from all shares sold pursuant to such registration (including after giving effect to net proceeds expected to be received by any Holder that participates in such offering after delivering written notice pursuant to Section 3.1.3 or otherwise) unless a lesser amount is then held by the participating Holders, in which case such demand may only be made in respect of all Registrable Securities held by such Holders; provided, that a Demand Registration shall not be counted for purposes of the limitation set forth in Section 3.1.2 or Section 3.2.5(c) unless and until the Demand Registration has become effective and the Demanding Holders are able to register and sell at least 75% of the Registrable Securities requested to be included in such registration.

(b) Each Demand Registration Request shall specify (x) the aggregate amount of Registrable Securities to be registered and (y) the intended method or methods of disposition thereof.

(c) Upon receipt of a Demand Registration Request, the Company shall as promptly as practicable file a Registration Statement (a “Demand Registration Statement”) relating to such Demand Registration, and use its commercially reasonable efforts to cause such Demand Registration Statement to be promptly declared effective under the Securities Act.

Section 3.1.2 Limitation on Demand Registrations. The Company shall not be obligated to take any action to effect any Demand Registration (i) if a Demand Registration was declared effective or an Underwritten Shelf Takedown was consummated within the preceding 90 days (unless otherwise consented to by the Board of Directors of the Company) or (ii) in connection with a Demand Registration Request made by the TB Investor if a Demand Registration was declared effective or an Underwritten Shelf Takedown was consummated at the request of the TB Investor within the preceding twelve (12) months.

Section 3.1.3 Demand Notice. Promptly upon receipt of a Demand Registration Request pursuant to Section 3.1.1 (but in no event more than one Business Day thereafter), the Company shall deliver a written notice (a “Demand Notice”) of any such Demand Registration Request to all other Holders and the Demand Notice shall offer each such Holder the opportunity to include in the Demand Registration that number of Registrable Securities as each such Holder may request in writing. Subject to Section 3.1.7, the Company shall include in the Demand Registration all such Registrable Securities with respect to which the Company has received written requests for inclusion therein within five Business Days after the date that the Demand Notice was delivered.

Section 3.1.4 Demand Withdrawal. A Demanding Holder and any other Holder that has requested its Registrable Securities be included in a Demand Registration pursuant to Section 3.1.3 may withdraw all or any portion of its Registrable Securities included in a Demand Registration from such Demand Registration at any time prior to the effectiveness of the applicable Demand Registration and will not be obligated to participate in any Underwritten
Public Offering prior to executing the underwriting agreement relating thereto. Upon receipt of a notice to such effect from a Demanding Holder (or if there is more than one Demanding Holder, from all such Demanding Holders) with respect to all of the Registrable Securities included by such Demanding Holder(s) in such Demand Registration, the Company shall cease all efforts to secure effectiveness of the applicable Demand Registration Statement; provided that, for the avoidance of doubt, in the event of a request for a Demand Registration by more than one Demanding Holder, the Company shall continue all efforts to secure effectiveness of the applicable Demand Registration Statement with respect to the Registrable Securities requested to be included by each of the Holders that has not withdrawn its Registrable Securities. Notwithstanding any withdrawal by a Demanding Holder of Registrable Securities from a Demand Registration pursuant to this Section 3.1.4, the Demand Registration with respect to which the withdrawal was made shall be counted for purposes of the limit on Demand Registration Requests set forth in Section 3.1.2 unless (a) the Demanding Holders reimburse the Company for all expenses incurred in connection with the Demand Registration with respect to which the withdrawal was made, (b) the withdrawal is made as a result of an event that has had a material adverse effect on the business, assets, condition (financial or otherwise) or results of operations of the Company or (c) the withdrawal is made in response to a Demand Suspension pursuant to Section 3.1.6.

Section 3.1.5 Effective Registration. The Company shall use commercially reasonable efforts to cause the Demand Registration Statement to become effective and remain effective for not less than 180 days plus the duration of any suspension period (or such shorter period as will terminate when all Registrable Securities covered by such Demand Registration Statement have been sold or withdrawn), or, if such Demand Registration Statement relates to an Underwritten Public Offering, such longer period as in the opinion of counsel for the underwriter or underwriters a Prospectus is required by law to be delivered in connection with sales of Registrable Securities by an underwriter or dealer.

Section 3.1.6 Delay in Filing; Suspension of Registration. If the filing, initial effectiveness or continued use of a Demand Registration Statement at any time would require the Company to make an Adverse Disclosure, the Company may, upon giving prompt written notice of such action to the Holders, delay the filing or initial effectiveness of, or suspend use of, the Demand Registration Statement (a “Demand Suspension”); provided, however, that the Company shall not be permitted to exercise a Demand Suspension (i) more than once during any 12-month period or (ii) for a period exceeding 60 days. In the case of a Demand Suspension, the Holders agree to suspend use of the applicable Prospectus in connection with any sale or purchase, or offer to sell or purchase, Registrable Securities, upon receipt of the notice referred to above. The Company shall immediately notify the Holders in writing upon (a) the Company’s decision to file or seek effectiveness of such Demand Registration Statement following such Demand Suspension and (b) the effectiveness of such Demand Registration Statement. Notwithstanding the provisions of this Section 3.1.6, the Company may not postpone the filing or effectiveness of, or suspend use of, a Demand Registration Statement past the date upon which the applicable Adverse Disclosure is disclosed to the public or ceases to be material. During a Demand Suspension, the Company shall be prohibited from filing a registration statement for its own account or for the account of any other Holder or holder of its securities and, upon termination of any Demand Suspension, the Company shall promptly amend or supplement the Prospectus, if necessary, so it does not contain any untrue statement or omission.
and furnish to the Holders such numbers of copies of the Prospectus as so amended or supplemented as the Holders may reasonably request. The Company shall, if necessary, supplement or amend the Demand Registration Statement, if required by the registration form used by the Company for the Demand Registration or by the instructions applicable to such registration form or by the Securities Act or the rules or regulations promulgated thereunder or as may reasonably be requested by any of the Intel Investor, the TPG Investor or the TB Investor that is participating in such Demand Registration.

Section 3.1.7 Priority of Securities Registered Pursuant to Demand Registrations. If the managing underwriter or underwriters of a proposed Underwritten Public Offering of the Registrable Securities included in a Demand Registration advise the Company in writing that, in its or their opinion, the number of securities requested to be included in such Demand Registration exceeds the number that can be sold in such offering without being likely to have an adverse effect on the price, timing or distribution of the securities offered or the market for the securities offered, then the securities to be included in such Registration shall be in the case of any Demand Registration (x) first, allocated to each Holder that has requested to participate in such Demand Registration an amount equal to the lesser of (i) the number of such Registrable Securities requested to be registered or sold by such Holder, and (ii) a number of such shares equal to such Holder’s Pro Rata Portion, provided that with respect to GIC, if (A) the number of Registrable Securities requested to be registered by GIC exceeds GIC’s Pro Rata Portion and (B) the number of Registrable Securities requested to be registered by the TPG Investor is less than the TPG Investor’s Pro Rata Portion, then with the consent of the TPG Investor (not to be unreasonably withheld), GIC shall be allocated an additional number of securities equal to the lesser of the excess described in the preceding clause (A) and the excess described in the preceding clause (B), and (y) second, and only if all the securities referred to in clause (x) have been included, the number of other securities that, in the opinion of such managing underwriter or underwriters can be sold without having such adverse effect (with such number to be allocated pro rata among the remaining requesting Holders that have requested to participate in such Demand Registration in a like manner).

Section 3.2 Shelf Registration.

Section 3.2.1 Request for Shelf Registration.

(a) Upon the written request of any of the Intel Investor, the TPG Investor or the TB Investor from time to time following the date on which the Company becomes eligible to use Form S-3 or any similar short-form registration statement (a “Shelf Registration Request”), the Company shall promptly file with the SEC a shelf Registration Statement pursuant to Rule 415 under the Securities Act (“Shelf Registration Statement”) relating to the offer and sale of Registrable Securities by any Holders thereof from time to time in accordance with the methods of distribution elected by such Holders and the Company shall use its commercially reasonable to cause such Shelf Registration Statement to promptly become effective under the Securities Act. Any such Registration pursuant to a Shelf Registration Request shall hereinafter be referred to as a “Shelf Registration.”
(b) If on the date of the Shelf Registration Request the Company is a WKSI, then the Shelf Registration Request may request Registration of an unspecified amount of Registrable Securities to be sold by unspecified Holders. If on the date of the Shelf Registration Request the Company is not a WKSI, then the Shelf Registration Request shall specify the aggregate amount of Registrable Securities to be registered. The Company shall provide to the Intel Investor, the TPG Investor and the TB Investor the information necessary to determine the Company's status as a WKSI upon request.

Section 3.2.2 Shelf Registration Notice. Promptly upon receipt of a Shelf Registration Request (but in no event more than one Business Day thereafter), the Company shall deliver a written notice (a “Shelf Registration Notice”) of any such request to all other Holders, which notice shall specify, if applicable, the amount of Registrable Securities to be registered, and the Shelf Registration Notice shall offer each such Holder the opportunity to include in the Shelf Registration that number of Registrable Securities as each such Holder may request in writing. Subject to Section 3.2.6, the Company shall include in such Shelf Registration all such Registrable Securities with respect to which the Company has received written requests for inclusion therein within five Business Days (or within one Business Day in the case of a Block Trade Offering) after the date that the Shelf Registration Notice has been delivered to such Holder.

Section 3.2.3 Continued Effectiveness. The Company shall use its commercially reasonable efforts to keep such Shelf Registration Statement continuously effective under the Securities Act in order to permit the Prospectus forming part of the Shelf Registration Statement to be usable by Holders until the earlier of: (i) the date as of which all Registrable Securities have been sold pursuant to the Shelf Registration Statement or another Registration Statement filed under the Securities Act (but in no event prior to the applicable period referred to in Section 4(a)(3) of the Securities Act and Rule 174 thereunder); and (ii) the date as of which no Holder holds Registrable Securities (such period of effectiveness, the “Shelf Period”).

Section 3.2.4 Suspension of Registration. If the continued use of such Shelf Registration Statement at any time would require the Company to make an Adverse Disclosure, the Company may, upon giving prompt written notice of such action to the Holders, suspend use of the Shelf Registration Statement (a “Shelf Suspension”); provided, however, that the Company shall not be permitted to exercise a Shelf Suspension (i) more than one time during any 12-month period, or (ii) for a period exceeding 60 days. In the case of a Shelf Suspension, the Holders agree to suspend use of the applicable Prospectus in connection with any sale or purchase of, or offer to sell or purchase, Registrable Securities, upon receipt of the notice referred to above. The Company shall immediately notify the Holders in writing upon the termination of any Shelf Suspension, and upon such termination, promptly amend or supplement the Prospectus, if necessary, so it does not contain any untrue statement or omission and furnish to the Holders such numbers of copies of the Prospectus as so amended or supplemented as the Holders may reasonably request. The Company shall, if necessary, supplement or amend the Shelf Registration Statement, if required by the registration form used by the Company for the Shelf Registration Statement or by the instructions applicable to such registration form or by the Securities Act or the rules or regulations promulgated thereunder or as may reasonably be requested by the Holders of a majority of Registrable Securities that are included in such Shelf Registration Statement.
Section 3.2.5 Shelf Takedown.

(a) At any time during which the Company has an effective Shelf Registration Statement with respect to Registrable Securities held by the Intel Investor, the TPG Investor or the TB Investor, by notice to the Company specifying the intended method or methods of disposition thereof, such Holder may make a written request (a “Shelf Takedown Request”) to the Company to effect a Public Offering, including an Underwritten Shelf Takedown, of all or a portion of such Holder’s Registrable Securities that are covered by such Shelf Registration Statement, and as soon as practicable the Company shall amend or supplement the Shelf Registration Statement for such purpose; provided that any Underwritten Shelf Takedown Request shall be required to be in respect of at least $100 million in anticipated net proceeds in the aggregate (including after giving effect to net proceeds expected to be received by any Holder that participates in such offering after delivering a written notice pursuant to Section 3.2.5(b)), unless a lesser amount is then held by the Holders requesting to participate in such offering, in which case such request may only be made in respect of all Registrable Securities held by such Holders.

(b) Promptly upon receipt of a Shelf Takedown Request (but in no event more than one Business Day thereafter) for any Underwritten Shelf Takedown, the Company shall deliver a notice (a “Shelf Takedown Notice”) to each other Holder with Registrable Securities covered by the applicable Registration Statement, or to all other Holders if such Registration Statement is undesignated (each a “Potential Takedown Participant”). The Shelf Takedown Notice shall offer each such Potential Takedown Participant the opportunity to include in any Underwritten Shelf Takedown such number of Registrable Securities as each such Potential Takedown Participant may request in writing. Subject to Section 3.2.6, the Company shall include in the Underwritten Shelf Takedown all such Registrable Securities with respect to which the Company has received written requests for inclusion therein within two Business Days after the date that the Shelf Takedown Notice has been delivered to such Holder (or within one Business Day after the date that the Shelf Takedown Notice has been delivered to such Holder if such notice relates to a Block Trade Offering). Any Potential Takedown Participant’s request to participate in an Underwritten Shelf Takedown shall be binding on the Potential Takedown Participant; provided that each such Potential Takedown Participant that elects to participate may condition its participation on such Underwritten Shelf Takedown being completed within ten (10) Business Days of its acceptance at a price per share (after giving effect to any underwriters’ discounts or commissions) to such Potential Takedown Participant of not less than 90% (or such lesser percentage specified by such Potential Takedown Participant in writing) of the closing price for the shares on their principal trading market on the Business Day immediately prior to such Potential Takedown Participant’s election to participate (the “Participation Conditions”). Notwithstanding the delivery of any Shelf Takedown Notice, but subject to the Participation Conditions in any Block Trade Offering, all determinations as to whether to complete any Underwritten Shelf Takedown and as to the timing, manner, price, size and other terms of any Underwritten Shelf Takedown contemplated by this Section 3.2.5 shall be determined by the Intel Investor, the TPG Investor and the TB Investor, so long as each such Holder is participating in such Underwritten Shelf Takedown.
Section 3.2.6 Priority of Securities Sold Pursuant to Shelf Takedowns. If the managing underwriter or underwriters of a proposed Underwritten Shelf Takedown pursuant to Section 3.2.5 advise the Company in writing that, in its or their opinion, the number of securities requested to be included in the proposed Underwritten Shelf Takedown exceeds the number that can be sold in such Underwritten Shelf Takedown without being likely to have an adverse effect on the price, timing or distribution of the securities offered or the market for the securities offered, the number of Registrable Securities to be included in such offering shall be (x) first, allocated to each Holder that has requested to participate in such Underwritten Shelf Takedown an amount equal to the lesser of (i) the number of such Registrable Securities requested to be registered or sold by such Holder, and (ii) a number of such shares equal to such Holder’s Pro Rata Portion, provided that with respect to GIC, if (A) the number of Registrable Securities requested to be registered by GIC exceeds GIC’s Pro Rata Portion and (B) the number of Registrable Securities requested to be registered by the TPG Investor is less than the TPG Investor’s Pro Rata Portion, then with the consent of the TPG Investor (not to be unreasonably withheld), GIC shall be allocated an additional number of securities equal to the lesser of the excess described in the preceding clause (A) and the excess described in the preceding clause (B), and (y) second, and only if all the securities referred to in clause (x) have been included, the number of other securities that, in the opinion of such managing underwriter or underwriters can be sold without having such adverse effect (with such number to be allocated pro rata among the remaining requesting Holders that have requested to participate in such Underwritten Shelf Takedown in a like manner).

Section 3.3 Piggyback Registration.

Section 3.3.1 Participation. If the Company at any time proposes to file a Registration Statement under the Securities Act or to conduct a Public Offering with respect to any offering of its equity securities for its own account or for the account of any other Persons (other than an Excluded Registration or a Registration pursuant to Sections 3.1 or 3.2), then, as soon as practicable (but in no event less than five Business Days prior to the proposed date of filing of such Registration Statement or, in the case of any such Public Offering under a Shelf Registration Statement, the anticipated pricing or trade date), the Company shall give written notice (a “Piggyback Notice”) of such proposed filing or Public Offering to all Holders, and such Piggyback Notice shall offer the Holders the opportunity to register under such Registration Statement, or to sell in such Public Offering, such number of Registrable Securities as each such Holder may request in writing (a “Piggyback Registration”). Subject to Section 3.3.2, the Company shall include in such Registration Statement or in such Public Offering as applicable, all such Registrable Securities that are requested to be included therein within five Business Days after the receipt by such Holder of any such notice; provided, however, that if at any time after giving written notice of its intention to register or sell any securities and prior to the
effective date of the Registration Statement filed in connection with such Registration, or the pricing or trade date of a Public Offering under a Shelf Registration Statement, the Company shall determine for any reason not to register or sell or to delay Registration or the sale of such securities, the Company shall promptly give written notice of such determination to each Holder and, thereupon, (i) in the case of a determination not to register or sell, the Company shall be relieved of its obligation to register or sell any Registrable Securities in connection with such Registration or Public Offering (but not from its obligation to pay the Registration Expenses in connection therewith), without prejudice, however, to the rights of any Holders entitled to request that such Registration or sale be effected as a Demand Registration under Section 3.1 or an Underwritten Shelf Takedown under Section 3.2, as the case may be, and (ii) in the case of a determination to delay Registration or sale, in the absence of a request for a Demand Registration or an Underwritten Shelf Takedown, as the case may be, the Company shall be permitted to delay registering or selling any Registrable Securities, for the same period as the delay in registering or selling such other securities. If the offering pursuant to such Registration Statement or Public Offering is to be an Underwritten Public Offering, then each Holder making a request for a Piggyback Registration pursuant to this Section 3.3.1 shall, and the Company shall, make such arrangements with the managing underwriter or underwriters so that each such Holder may, participate in such underwritten offering. If the offering pursuant to such Registration Statement or Public Offering is to be on any other basis, then each Holder making a request for a Piggyback Registration pursuant to this Section 3.3.1 shall be permitted to, and the Company shall, make such arrangements so that each such Holder may participate in such offering on such basis. Any Holder shall have the right to withdraw all or part of its request for inclusion of its Registrable Securities in a Piggyback Registration by giving written notice to the Company of its request to withdraw; provided that such request must be made in writing prior to the execution of the related underwriting agreement or the effectiveness of the Registration Statement, as applicable.

Section 3.3.2 Priority of Piggyback Registration. If the managing underwriter or underwriters of any proposed offering of Registrable Securities included in a Piggyback Registration informs the Company and the participating Holders in writing that, in its or their opinion, the number of securities that such Holders and any other Persons intend to include in such offering exceeds the number that can be sold in such offering without being likely to have a significant adverse effect on the price, timing or distribution of the securities offered or the market for the securities offered, then the securities to be included in such Registration shall be (i) first, 100% of the securities that the Company proposes to sell and (ii) second, and only if all the securities referred to in clause (i) have been included, the number of Registrable Securities that, in the opinion of such managing underwriter or underwriters, can be sold without having such adverse effect, with such number to be allocated among the Holders that have requested to participate in such Registration based on an amount equal to the lesser of (A) the number of such Registrable Securities requested to be sold by such Holder, and (B) a number of such shares equal to such Holder’s Pro Rata Portion, provided that with respect to GIC, if (x) the number of Registrable Securities requested to be registered by GIC exceeds GIC’s Pro Rata Portion and (y) the number of Registrable Securities requested to be registered by the TPG Investor is less than the TPG Investor’s Pro Rata Portion, then with the consent of the TPG Investor (not to be unreasonably withheld), GIC shall be allocated an additional number of securities equal to the less of the excess described in the preceding clause (x) and the excess described in the preceding clause (y), and (iii) third, and only if all of the Registrable Securities referred to in clause (ii) have been included in such Registration, any other securities eligible for inclusion in such Registration.
Section 3.3.3 No Effect on Other Registrations. No Registration of Registrable Securities effected pursuant to a request under this Section 3.3 shall be deemed to have been effected pursuant to Sections 3.1 and 3.2 or shall relieve the Company of its obligations under Sections 3.1 and 3.2.

Section 3.4 Lock-Up Agreements. In connection with each Registration or sale of Registrable Securities pursuant to Section 3.1, 3.2 or 3.3 conducted as an Underwritten Public Offering, if requested by the underwriters for such Underwritten Public Offering and provided that a similar request is made in accordance with Section 3.6.1, each Holder shall enter into a lock-up agreement with such customary terms (which shall be the same terms for all Holders) as are negotiated among the Company, the underwriters and the Principal Investors (or the TB Investor in connection with any such Registration or Underwritten Public Offering demanded by the TB Investor in which neither the Intel Investor nor the TPG Investor participate), provided that in no event will GIC or its Affiliates be required to enter into a lock-up agreement on terms less favorable than the terms agreed to by the TPG Investor pursuant to its lock-up agreement. The Company, the Principal Investors and the TB Investor, as applicable, agree to use commercially reasonable efforts to include in any such agreement a lock-up period beginning no earlier than seven days before, and ending no later than 90 days after, the date of the final prospectus in connection with such Registration or Underwritten Public Offering.

Section 3.5 Registration Procedures.

Section 3.5.1 Requirements. In connection with the Company’s obligations under Sections 3.1, 3.2 and 3.3, the Company shall use its commercially reasonable efforts to effect such Registration and to permit the sale of such Registrable Securities in accordance with the intended method or methods of distribution thereof as expeditiously as reasonably practicable, and in connection therewith the Company shall:

(c) notify the participating Holders and the managing underwriter or underwriters, if any, and (if requested) confirm such notice in writing and provide copies of the relevant documents, as soon as reasonably practicable after notice thereof is received by the Company (v) when the applicable Registration Statement or any amendment thereto has been filed or becomes effective, and when the applicable Prospectus or any amendment or supplement thereto has been filed, (w) of any written comments by the SEC, or any request by the SEC or other federal or state governmental authority for amendments or supplements to such Registration Statement or such Prospectus, or for additional information (whether before or after the effective date of the Registration Statement) or any other correspondence with the SEC relating to, or which may affect, the Registration, (x) of the issuance by the SEC of any stop order suspending the effectiveness of such Registration Statement or any order by the SEC or any other regulatory authority preventing or suspending the use of any preliminary or final Prospectus or the initiation or threatening of any proceedings for such purposes, (y) if, at any time, the representations and warranties of the Company in any applicable underwriting agreement cease to be true and correct in all material respects and (z) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Registrable Securities for offering or sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose;

(e) to the extent the Company is eligible under the relevant provisions of Rule 430B under the Securities Act, if the Company files any Shelf Registration Statement, the Company shall include in such Shelf Registration Statement such disclosures as may be required by Rule 430B under the Securities Act (referring to the unnamed selling security holders in a generic manner by identifying the initial offering of the securities to the Holders) in order to ensure that the Holders may be added to such Shelf Registration Statement at a later time through the filing of a Prospectus supplement rather than a post-effective amendment;

(f) use its commercially reasonable efforts to prevent, or obtain the withdrawal of, any stop order or other order or notice preventing or suspending the use of any preliminary or final Prospectus;

(g) promptly incorporate in a Prospectus supplement, Issuer Free Writing Prospectus or post-effective amendment such information as the managing underwriter or underwriters and the Holders of a majority of Registrable Securities being sold agree should be included therein relating to the plan of distribution with respect to such Registrable Securities; and make all required filings of such Prospectus supplement, Issuer Free Writing Prospectus or post-effective amendment as soon as reasonably practicable after being notified of the matters to be incorporated in such Prospectus supplement, Issuer Free Writing Prospectus or post-effective amendment;

Section 3.5.3 Discontinuing Registration. Each Holder agrees that, as promptly as possible after receipt of any notice from the Company of the happening of any event of the kind described in Section 3.5.1(d), such Holder will forthwith discontinue disposition of Registrable Securities pursuant to such Registration Statement until such Holder’s receipt of the copies of the supplemented or amended Prospectus contemplated by Section 3.5.1(d), or until such Holder is advised in writing by the Company that the use of the Prospectus may be resumed, and has received copies of any additional or supplemental filings that are incorporated by reference in the Prospectus, or any amendments or supplements thereto, and if so directed by the Company, such Holder shall deliver to the Company (at the Company’s expense) all copies, other than permanent file copies then in such Holder’s possession, of the Prospectus covering such Registrable Securities current at the time of receipt of such notice. Section 3.7 **No Inconsistent Agreements; Additional Rights.** Neither the Company nor any of its subsidiaries shall hereafter enter into, and neither the Company nor any of its subsidiaries is currently a party to, any agreement with respect to its securities that is inconsistent with the rights granted to the Holders by this Agreement. Without Requisite Investor Approval, neither the Company nor any of its subsidiaries shall enter into any agreement granting registration or similar rights to any Person that are prior in right, pari passu or inconsistent with the rights under this Agreement, and the Company hereby represents and warrants that, as of the date hereof, no registration or similar rights have been granted to any other Person other than pursuant to this Agreement.

Section 3.8 **Registration Expenses.** All expenses incident to the Company’s performance of or compliance with this Agreement shall be paid by the Company, including (i) all registration and filing fees, and any other fees and expenses associated with filings required to be made with the SEC or FINRA, (ii) all fees and expenses in connection with compliance with any securities or “Blue Sky” laws (including reasonable fees and disbursements of counsel for the underwriters in connection with blue sky qualifications of the Registrable Securities), (iii) all printing, duplicating, word processing, messenger, telephone, facsimile and delivery expenses of the Company (including expenses of printing certificates for the Registrable Securities in a form eligible for deposit with The Depository Trust Company and of printing Prospectuses), (iv) all fees and disbursements of counsel for the Company and of all independent certified public accountants or independent auditors of the Company and any subsidiaries of the Company (including the expenses of any special audit and comfort letters required by or incident to such performance), (v) Securities Act liability insurance or similar insurance if the Company so desires, (vi) all fees and expenses incurred in connection with the listing of the Registrable Securities on any securities exchange or quotation of the Registrable Securities on any inter-dealer quotation system, (vii) all applicable rating agency fees with respect to the Registrable Securities, (viii) all reasonable fees and disbursements, not to exceed $20,000 per Holder per Registration or Shelf Takedown Request, of counsel for the Intel Investor, the TPG Investor, the TB Investor and GIC, including all reasonable fees for an opinion from counsel to each such participating Holder and any required local counsel opinions, provided that the aggregate amount payable by the Company over the term of this Agreement pursuant to this clause (viii) shall not exceed $1,000,000, (ix) all fees and expenses of any special experts or other Persons retained by the Company in connection with any Registration or sale, (x) all of the Company’s internal expenses (including all salaries and expenses of its officers and employees performing legal or accounting duties) and (xi) all expenses of the Company related to the “road-show” for any Underwritten Public Offering. All such expenses are referred to herein as “Registration Expenses.” The Company shall not be required to pay any fees and disbursements to underwriters not customarily paid by the issuers of securities in an offering similar to the applicable offering, including underwriting discounts and commissions and transfer taxes, if any, attributable to the sale of Registrable Securities, which shall be paid by the participating Holders in proportion to the number of Registrable Securities offered and sold by or on behalf of each such Holder.
Section 3.9 Indemnification.

Section 3.9.1 Indemnification by the Company. The Company shall indemnify and hold harmless, to the full extent permitted by law, each Holder, each shareholder, member, limited or general partner of such Holder, each shareholder, member, limited or general partner of each such shareholder, member, limited or general partner, each of their respective Affiliates, officers, directors, shareholders, employees, advisors, and agents and each Person who controls (within the meaning of the Securities Act or the Exchange Act) such Persons and each of their respective Representatives from and against any and all losses, penalties, judgments, suits, costs, claims, damages, liabilities and expenses, joint or several (including reasonable costs of investigation and legal expenses) (each, a “Loss” and collectively “Losses”) arising out of or based upon (i) any untrue or alleged untrue statement of a material fact contained in any Registration Statement under which such Registrable Securities are registered or sold under the Securities Act (including any final, preliminary or summary Prospectus contained therein or any amendment thereof or supplement thereto or any documents incorporated by reference therein) or any other disclosure document produced by or on behalf of the Company or any of its subsidiaries including any report or other document filed under the Exchange Act, (ii) any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading or (iii) any violation or alleged violation by the Company or any of its subsidiaries of any federal, state, foreign or common law rule or regulation applicable to the Company or any of its subsidiaries and relating to action or inaction in connection with any such registration, disclosure document or other document or report; provided, that no selling Holder shall be entitled to indemnification pursuant to this Section 3.9.1 in respect of any untrue statement or omission contained in any information relating to such seller Holder furnished in writing by such selling Holder to the Company specifically for inclusion in a Registration Statement and used by the Company in conformity therewith (such information “Selling Stockholder Information”). This indemnity shall be in addition to any liability the Company may otherwise have. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of such Holder or any indemnified party and shall survive the Transfer of such securities by such Holder and regardless of any indemnity agreed to in the underwriting agreement that is less favorable to the Holders.

Section 3.9.2 Indemnification by the Selling Holders. Each selling Holder agrees (severally and not jointly) to indemnify and hold harmless, to the fullest extent permitted by law, the Company, its directors and officers and each Person who controls the Company (within the meaning of the Securities Act or the Exchange Act) from and against any Losses resulting from (i) any untrue statement of a material fact in any Registration Statement under which such Registrable Securities were registered or sold under the Securities Act (including any final, preliminary or summary Prospectus contained therein or any amendment thereof or supplement thereto or any documents incorporated by reference therein) or (ii) any omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or omission is contained in such selling Holder’s Selling Stockholder Information. In no event shall the liability of any selling Holder hereunder be greater in amount than the dollar amount of the proceeds from the sale of its Registrable Securities in the offering giving rise to such indemnification obligation, net of underwriting discounts and commissions but before expenses, less any amounts paid by such Holder pursuant to Section 3.9.4 and any amounts paid by such Holder as a result of liabilities incurred under the underwriting agreement, if any, related to such sale.
Conduct of Indemnification Proceedings. Any Person entitled to indemnification hereunder shall (i) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that any delay or failure to so notify the indemnifying party shall relieve the indemnifying party of its obligations hereunder only to the extent, if at all, that it forfeits substantive rights by reason of such delay or failure) and (ii) permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party; provided, however, that any Person entitled to indemnification hereunder shall have the right to select and employ separate counsel and to participate in the defense of such claim, but the fees and expenses of such counsel shall be at the expense of such Person unless (i) the indemnifying party has agreed in writing to pay such fees or expenses, (ii) the indemnifying party shall have failed to assume the defense of such claim within a reasonable time after receipt of notice of such claim from the Person entitled to indemnification hereunder and employ counsel reasonably satisfactory to such Person, (iii) the indemnified party has reasonably concluded (based upon advice of its counsel) that there may be legal defenses available to it or other indemnified parties that are different from or in addition to those available to the indemnifying party or (iv) in the reasonable judgment of any such Person (based upon advice of its counsel) a conflict of interest may exist between such Person and the indemnifying party with respect to such claims (in which case, if the Person notifies the indemnifying party in writing that such Person elects to employ separate counsel at the expense of the indemnifying party, the indemnifying party shall not have the right to assume the defense of such claim on behalf of such Person). If the indemnifying party assumes the defense, the indemnifying party shall not have the right to settle such action without the prior written consent of the indemnified party. If such defense is not assumed by the indemnifying party, the indemnifying party will not be subject to any liability for any settlement made without its prior written consent, but such consent may not be unreasonably withheld or delayed. Notwithstanding the foregoing, if at any time an indemnified party shall have requested that an indemnifying party reimburse the indemnified party for reasonable fees and expenses of counsel as contemplated by this paragraph, the indemnifying party shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into in good faith more than 60 days after receipt by the indemnifying party of such request and more than 30 days after receipt of the proposed terms of such settlement and (ii) the indemnifying party shall not have reimbursed the indemnified party in accordance with such request prior to the date of such settlement. It is understood that the indemnifying party or parties shall not, except as specifically set forth in this Section 3.9.3, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the reasonable fees, disbursements or other charges of more than one separate firm (in addition to any local counsel) at any one time unless (x) the employment of more than one counsel has been authorized in writing by the indemnifying party or parties, (y) an indemnified party has reasonably concluded (based on the advice of counsel) that there may be legal defenses available to it that are different from or in addition to those available to the other indemnified parties or (z) a conflict or potential conflict exists or may exist (based upon advice of counsel to an indemnified party) between such indemnified party and the other indemnified parties, in each of which cases the indemnifying party shall be obligated to pay the reasonable fees and expenses of such additional counsel or counsels.
Section 3.9.4 Contribution. If for any reason the indemnification provided for in Section 3.9.1 and Section 3.9.2 is unavailable to an indemnified party (other than as a result of exceptions contained in Section 3.9.1 and Section 3.9.2) or insufficient in respect of any Losses referred to therein, then the indemnifying party shall contribute to the amount paid or payable by the indemnified party as a result of such Loss in such proportion as is appropriate to reflect the relative fault of the indemnifying party on the one hand and the indemnified party or parties on the other hand in connection with the acts, statements or omissions that resulted in such Losses, as well as any other relevant equitable considerations. In connection with any Registration Statement filed with the SEC by the Company, the relative fault of the indemnifying party on the one hand and the indemnified party on the other hand shall be determined by reference to, among other things, whether any untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the indemnifying party or by the indemnified party and the parties’ relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The parties hereto agree that it would not be just or equitable if contribution pursuant to this Section 3.9.4 were determined by pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to in this Section 3.9.4. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The amount paid or payable by an indemnified party as a result of the Losses referred to in Sections 3.9.1 and 3.9.2 shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. If indemnification is available under this Section 3.9, the indemnifying parties shall indemnify each indemnified party to the fullest extent provided in Sections 3.9.1 and 3.9.2 hereof without regard to the provisions of this Section 3.9.4. The remedies provided for in this Section 3.9 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any indemnified party at law or in equity. Notwithstanding the provisions of this Section 3.9.4, in connection with any Registration Statement filed by the Company, a selling Holder shall not be required to contribute any amount in excess of the dollar amount of the proceeds from the sale of its Registrable Securities in the offering giving rise to such indemnification obligation, net of underwriting discounts and commissions but before expenses, less any amounts paid by such Holder pursuant to Section 3.9.2 and any amounts paid by such Holder as a result of liabilities incurred under the underwriting agreement, if any, related to such sale.

Section 3.9.5 Indemnification Priority. The Company hereby acknowledges and agrees that any of the Persons entitled to indemnification pursuant to Section 3.9.1 (each, a “Company Indemnitee” and collectively, the “Company Indemnitees”) may have certain rights to indemnification, advancement of expenses and/or insurance provided by other sources. The Company hereby acknowledges and agrees (i) that it is the indemnitor of first resort (i.e., its obligations to a Company Indemnitee are primary and any obligation of such other sources to advance expenses or to provide indemnification for the same expenses or liabilities incurred by such Company Indemnitee are secondary) and (ii) that it shall be required to advance the full amount of expenses incurred by a Company Indemnitee and shall be liable for the full amount of
all expenses, judgments, penalties, fines and amounts paid in settlement to the extent legally permitted and as required by the terms of this Agreement without regard to any rights a Company Indemnitee may have against such other sources. The Company further agrees that no advancement or payment by such other sources on behalf of a Company Indemnitee with respect to any claim for which such Company Indemnitee has sought indemnification, advancement of expenses or insurance from the Company shall affect the foregoing, and that such other sources shall have a right of contribution and/or be subrogated to the extent of such advancement or payment to all of the rights of recovery of such Company Indemnitee against the Company.

Section 3.10 Rules 144 and 144A and Regulation S. The Company shall file the reports required to be filed by it under the Securities Act and the Exchange Act and the rules and regulations adopted by the SEC thereunder (or, if the Company is not required to file such reports, it will, upon the request of any Holder, make publicly available such necessary information for so long as necessary to permit sales that would otherwise be permitted by this Agreement pursuant to Rule 144, Rule 144A or Regulation S under the Securities Act, as such rules may be amended from time to time or any similar rule or regulation hereafter adopted by the SEC), and it will take such further action as any Holder may reasonably request, all to the extent required from time to time to enable such Holder to sell Registrable Securities without Registration under the Securities Act in transactions that would otherwise be permitted by this Agreement and within the limitation of the exemptions provided by (i) Rule 144, Rule 144A or Regulation S under the Securities Act, as such rules may be amended from time to time, or (ii) any similar rule or regulation hereafter adopted by the SEC. Upon the request of any Holder, the Company will deliver to such Holder a written statement as to whether it has complied with such requirements and, if not, the specifics thereof.

Section 3.11 Existing Registration Statements. Notwithstanding anything herein to the contrary and subject to applicable law and regulation, the Company may satisfy any obligation hereunder to file a Registration Statement or to have a Registration Statement become effective by a specified date by designating, by notice to the Holders, a Registration Statement that previously has been filed with the SEC or become effective, as the case may be, as the relevant Registration Statement for purposes of satisfying such obligation, and all references to any such obligation shall be construed accordingly; provided that such previously filed Registration Statement may be, and is, amended or, subject to applicable securities laws, supplemented to add the number of Registrable Securities, and, to the extent necessary, to identify as selling stockholders those Holders demanding the filing of a Registration Statement pursuant to the terms of this Agreement. To the extent this Agreement refers to the filing or effectiveness of other Registration Statements, by or at a specified time and the Company has, in lieu of then filing such Registration Statements or having such Registration Statements become effective, designated a previously filed or effective Registration Statement as the relevant Registration Statement for such purposes, in accordance with the preceding sentence, such references shall be construed to refer to such designated Registration Statement, as amended or supplemented in the manner contemplated by the immediately preceding sentence.

Subject to the foregoing, notice to the holder of record of any Registrable Securities shall be deemed to be notice to the holder of such securities for all purposes hereof.

Unless otherwise specified herein, such notices or other communications shall be deemed effective (i) on the date received, if personally delivered, (ii) on the date received if delivered by facsimile or e-mail on a Business Day, or if not delivered on a Business Day, on the first Business Day thereafter and (iii) one Business Day after being sent by overnight courier. Each of the parties hereto shall be entitled to specify a different address by giving notice as aforesaid to each of the other parties hereto.

Section 4.3 Termination and Effect of Termination. This Agreement shall terminate upon the date on which no Holder holds any Registrable Securities, except for the provisions of Sections 3.9 and 3.10, which shall survive any such termination. No termination under this Agreement shall relieve any Person of liability for breach or Registration Expenses incurred prior to termination. In the event this Agreement is terminated, each Person entitled to indemnification or contribution rights pursuant to Section 3.9 hereof shall retain such indemnification or contribution rights with respect to any matter that (i) may be a liability subject to indemnification or contribution thereunder and (ii) occurred prior to such termination.

Section 4.4 Permitted Transferees. The rights of a Holder hereunder may be assigned (but only with all related obligations as set forth below) in connection with a Transfer of Registrable Securities to a Permitted Transferee of that Holder. Without prejudice to any other or similar conditions imposed hereunder with respect to any such Transfer, no assignment permitted under the terms of this Section 4.4 will be effective unless the Permitted Transferee to which the assignment is being made, if not a Holder, has delivered to the Company a written acknowledgment and joinder agreement in form and substance reasonably satisfactory to the Company that the Permitted Transferee will be bound by, and will be a party to, this Agreement (such written joinder agreement to include such Permitted Transferee’s contact information for the delivery of notice).
Section 4.5 Remedies. The parties to this Agreement shall have all remedies available at law, in equity or otherwise in the event of any breach or violation of this Agreement or any default hereunder. The parties acknowledge and agree that in the event of any breach of this Agreement, in addition to any other remedies that may be available, each of the parties hereto shall be entitled to specific performance of the obligations of the other parties hereto and, in addition, to such other equitable remedies (including preliminary or temporary relief) as may be appropriate in the circumstances. No delay of or omission in the exercise of any right, power or remedy accruing to any party as a result of any breach or default by any other party under this Agreement shall impair any such right, power or remedy, nor shall it be construed as a waiver of or acquiescence in any such breach or default, or of any similar breach or default occurring later; nor shall any such delay, omission nor waiver of any single breach or default be deemed a waiver of any other breach or default occurring before or after that waiver.

Section 4.6 Amendments. This Agreement may not be orally amended, modified, extended or terminated, nor shall any oral waiver of any of its terms be effective. This Agreement may be amended, modified, extended or terminated, and the provisions hereof may be waived, only by an agreement in writing signed by the Company and each of the Principal Investors that then holds Registrable Securities; provided, however, that any amendment, modification, extension or termination that (a) has a disproportionate and materially adverse effect on any Holder shall require the prior written consent of such Holder and (b) creates a material new obligation of a Holder or further restricts in any material respect the ability of a Holder to Transfer its Shares shall require the prior written consent of such Holder, other than any amendment or modification reasonably required to address a change in applicable law. In addition, each party hereto may waive any right hereunder by an instrument in writing signed by such party.

Section 4.7 Governing Law. This Agreement and all claims arising out of or based upon this Agreement or relating to the subject matter hereof shall be governed by and construed in accordance with the domestic substantive laws of the State of Delaware without giving effect to any choice or conflict of laws provision or rule that would cause the application of the domestic substantive laws of any other jurisdiction.

Section 4.8 Consent to Jurisdiction. Each party to this Agreement, by its execution hereof, (i) hereby irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in the State of Delaware for the purpose of any action, claim, cause of action or suit (in contract, tort or otherwise), inquiry, proceeding or investigation arising out of or based upon this Agreement or relating to the subject matter hereof, (ii) hereby waives to the extent not prohibited by applicable law, and agrees not to assert, and agrees not to allow any of its subsidiaries to assert, by way of motion, as a defense or otherwise, in any such action, any claim that it is not subject personally to the jurisdiction of the above-named courts, that its property is exempt or immune from attachment or execution, that any such proceeding brought in one of the above-named courts is improper, or that this Agreement or the subject matter hereof or thereof may not be enforced in or by such court and (iii) hereby agrees not to commence or maintain any action, claim, cause of action or suit (in contract, tort or otherwise), inquiry, proceeding or investigation
arising out of or based upon this Agreement or relating to the subject matter hereof or thereof other than before one of the above-named courts nor to make any motion or take any other action seeking or intending to cause the transfer or removal of any such action, claim, cause of action or suit (in contract, tort or otherwise), inquiry, proceeding or investigation to any court other than one of the above-named courts whether on the grounds of inconvenient forum or otherwise. Notwithstanding the foregoing, to the extent that any party hereto is or becomes a party in any litigation in connection with which it may assert indemnification rights set forth in this Agreement, the court in which such litigation is being heard shall be deemed to be included in clause (i) above. Notwithstanding the foregoing, any party to this Agreement may commence and maintain an action to enforce a judgment of any of the above-named courts in any court of competent jurisdiction. Each party hereto hereby consents to service of process in any such proceeding in any manner permitted by Delaware law, and agrees that service of process by registered or certified mail, return receipt requested, at its address specified pursuant to Section 4.2 hereof is reasonably calculated to give actual notice.

Section 4.9 WAIVER OF JURY TRIAL. TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW WHICH CANNOT BE WAIVED, EACH PARTY HERETO HEREBY WAIVES AND COVENANTS THAT IT WILL NOT ASSERT (WHETHER AS PLAINTIFF, DEFENDANT OR OTHERWISE) ANY RIGHT TO TRIAL BY JURY IN ANY FORUM IN RESPECT OF ANY ISSUE OR ACTION, CLAIM, CAUSE OF ACTION OR SUIT (IN CONTRACT, TORT OR OTHERWISE), INQUIRY, PROCEEDING OR INVESTIGATION ARISING OUT OF OR BASED UPON THIS AGREEMENT OR THE SUBJECT MATTER HEREOF OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE TRANSACTIONS CONTEMPLATED HEREBY, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING AND WHETHER IN CONTRACT, TORT OR OTHERWISE. EACH PARTY HERETO ACKNOWLEDGES THAT IT HAS BEEN INFORMED BY THE OTHER PARTIES HERETO THAT THIS SECTION 4.9 CONSTITUTES A MATERIAL INDUCEMENT UPON WHICH IT IS RELYING AND WILL RELY IN ENTERING INTO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY. ANY PARTY HERETO MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 4.9 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF EACH SUCH PARTY TO THE WAIVER OF ITS RIGHT TO TRIAL BY JURY.

Section 4.10 Merger; Binding Effect, Etc. This Agreement (along with the Stockholders Agreement, the LLC Agreement and the Coordination Agreement) constitutes the entire agreement of the parties with respect to its subject matter, supersedes all prior or contemporaneous oral or written agreements or discussions with respect to such subject matter, and shall be binding upon and inure to the benefit of the parties hereto and thereto and their respective heirs, representatives, successors and permitted assigns. Except as otherwise expressly provided herein, no Holder or other party hereto may assign any of its respective rights or delegate any of its respective obligations under this Agreement without the prior written consent of the other parties hereto, and any attempted assignment or delegation in violation of the foregoing shall be null and void.
Section 4.11 **Counterparts; Electronic Signatures.** This Agreement may be executed in any number of separate counterparts each of which when so executed shall be deemed to be an original and all of which together shall constitute one and the same agreement. Counterpart signature pages to this Agreement may be delivered by facsimile or electronic delivery (i.e., by e-mail of a PDF signature page) and each such counterpart signature page will constitute an original for all purposes. The Company and each Holder hereto hereby agree that this Agreement may be executed by way of electronic signatures and that the electronic signature has the same binding effect as a physical signature. For the avoidance of doubt, the Company and each Holder further agree that this Agreement, or any part hereof, shall not be denied legal effect, validity or enforceability solely on the ground that it is in the form of an electronic record.

Section 4.12 **Severability.** In the event that any provision hereof would, under applicable law, be invalid, illegal or unenforceable in any respect, such provision shall be construed by modifying or limiting it so as to be valid, legal and enforceable to the maximum extent compatible with, and possible under, applicable law. The provisions hereof are severable, and in the event any provision hereof should be held invalid or unenforceable in any respect, it shall not invalidate, render unenforceable or otherwise affect any other provision hereof.

Section 4.13 **No Recourse.** Notwithstanding anything that may be expressed or implied in this Agreement, the Company and each Holder covenant, agree and acknowledge that no recourse under this Agreement or any documents or instruments delivered in connection with this Agreement shall be had against any current or future director, officer, employee, stockholder, general or limited partner or member of any Holder or of any Affiliate or assignee thereof, as such, whether by the enforcement of any assessment or by any legal or equitable proceeding, or by virtue of any statute, regulation or other applicable law, it being expressly agreed and acknowledged that no personal liability whatsoever shall attach to, be imposed on or otherwise be incurred by any current or future officer, agent or employee of any Holder or any current or future member of any Holder or any current or future director, officer, employee, stockholder, partner or member of any Holder or of any Affiliate or assignee thereof, as such, for any obligation of any Holder under this Agreement or any documents or instruments delivered in connection with this Agreement for any claim based on, in respect of or by reason of such obligations or their creation.

If the Chief Executive Officer resigns or is terminated for any reason, the Chief Executive Officer shall resign from the Board, and the Company and the Stockholders shall take all Necessary Action within their control to remove the Chief Executive Officer from the Board and fill such vacancy with the next Chief Executive Officer in office. Nothing in this Section 4.5 shall restrict any Stockholder’s ability to monetize its equity investment in the Company in compliance with applicable securities laws.
Section 4.6. Termination. If not otherwise stipulated, this Agreement shall terminate automatically (without any action by any party hereto) as to each Stockholder as of the latest of (i) the time that such Stockholder no longer has the right to nominate any directors to the Board pursuant to Article III hereof, (ii) the date that is the second anniversary of the Closing and (iii) the time that the Company Shares held by such Stockholder constitute less than 2% of all Company Shares; provided, that each Stockholder will remain bound by the restrictions on Transfer of Class B Common Stock as set forth in Section 4.16 herein until the time that such Stockholder no longer owns any shares of Class B Common Stock; provided further that unless earlier terminated pursuant to the foregoing, all rights and obligations of the TB Investor or GIC under this Agreement shall terminate upon the termination of the TB Investor’s or GIC’s obligations, respectively, under Article III of the Coordination Agreement. Further, notwithstanding anything to the contrary herein, for so long as TPG has the right to designate one (1) or more directors for election to the Board as described in Section 3.1(b), at the written request of the TPG Investor or the Company, GIC shall provide written notice, within five (5) Business Days of such request, of the number of shares of Common Stock that it owns as of the date of such request; provided that such notice shall not be required to describe shares of Common Stock acquired as described in the second sentence of Section 4.15 hereof.

Section 4.7. Severability. In the event that any provision hereof would, under applicable law, be invalid, illegal or unenforceable in any respect, such provision shall be construed by modifying or limiting it so as to be valid, legal and enforceable to the maximum extent compatible with, and possible under, applicable law. The provisions hereof are severable, and in the event any provision hereof should be held invalid or unenforceable in any respect, it shall not invalidate, render unenforceable or otherwise affect any other provision hereof.

Section 4.8. Entire Agreement; Amendment.

(a) This Agreement, along with the Registration Rights Agreement, the Operating Agreement and the Coordination Agreement (collectively, the “Transaction Documents”), sets forth the entire understanding and agreement among the parties with respect to the transactions contemplated herein and supersedes and replaces any prior understanding, agreement or statement of intent, in each case written or oral, of any kind and every nature with respect hereto and thereto. This Agreement or any provision hereof may only be amended, modified or waived, in whole or in part, at any time by an instrument in writing signed by each of Intel, TPG and TB, in each case, for so long as it is a party to this Agreement; provided that (i) any such amendment, modification or waiver that (A) has a disproportionate and materially adverse effect on any Stockholder or (B) creates a material new obligation of a Stockholder or further restricts in any material respect the ability of a Stockholder to Transfer its Company Shares or LLC Units, shall require the prior written consent of such Stockholder and (ii) any amendment which extends the standstill period in Section 4.5 shall require the prior written consent of each Stockholder to whom such extended period would apply.

(b) No waiver of any breach of any of the terms of this Agreement shall be effective unless such waiver is expressly made in writing and executed and delivered by the party against whom such waiver is claimed. The waiver by any party hereto of a breach of any provision of this Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach. Except as otherwise expressly provided herein, no failure on the part of any party to exercise, and no delay in exercising, any right, power or remedy hereunder, or otherwise available in respect hereof at law or in equity, shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such party preclude any other or further exercise thereof or the exercise of any other right, power or remedy.
Section 4.9. **Counterparts; Electronic Signatures.** This Agreement may be executed in any number of separate counterparts each of which when so executed shall be deemed to be an original and all of which together shall constitute one and the same agreement. Counterpart signature pages to this Agreement may be delivered by facsimile or electronic delivery (i.e., by email of a PDF signature page) and each such counterpart signature page will constitute an original for all purposes. The parties hereto hereby agree that this Agreement may be executed by way of electronic signatures and that the electronic signature has the same binding effect as a physical signature. For the avoidance of doubt, the parties hereto further agree that this Agreement, or any part thereof, shall not be denied legal effect, validity or enforceability solely on the ground that it is in the form of an electronic record.

Section 4.10. **Notices.** Any notices, requests, demands and other communications required or permitted in this Agreement shall be effective if in writing and (i) delivered personally, (ii) sent by facsimile or e-mail or (iii) sent by overnight courier, in each case, addressed as follows:

Section 4.11. Governing Law. This Agreement and all claims arising out of or based upon this Agreement or relating to the subject matter hereof shall be governed by and construed in accordance with the domestic substantive laws of the State of Delaware without giving effect to any choice or conflict of laws provision or rule that would cause the application of the domestic substantive laws of any other jurisdiction.

Section 4.12. Consent to Jurisdiction. Each party to this Agreement, by its execution hereof, (i) hereby irrevocably submits to the exclusive jurisdiction of the Delaware Court of Chancery (or, solely if the Delaware Court of Chancery declines jurisdiction, the Complex Commercial Litigation Division of the Delaware Superior Court, New Castle County, or solely if such court declines jurisdiction, the United States District Court for the District of Delaware) for the purpose of any action, claim, cause of action or suit (in contract, tort or otherwise), inquiry, proceeding or investigation arising out of or based upon this Agreement or relating to the subject matter hereof, (ii) hereby waives to the extent not prohibited by applicable law, and agrees not to assert, and agrees not to allow any of its subsidiaries to assert, by way of motion, as a defense or otherwise, in any such action, any claim that it is not subject personally to the jurisdiction of the above-named courts, that its property is exempt or immune from attachment or execution, that any such proceeding brought in one of the above-named courts is improper, or that this Agreement or the subject matter hereof may not be enforced in or by such court and (iii) hereby agrees not to commence or maintain any action, claim, cause of action or suit (in contract, tort or otherwise), inquiry, proceeding or investigation arising out of or based upon this Agreement or relating to the subject matter hereof or thereof other than before one of the above-named courts nor to make any motion or take any other action seeking or intending to cause the transfer or removal of any such action, claim, cause of action or suit (in contract, tort or
otherwise), inquiry, proceeding or investigation to any court other than one of the above-named courts whether on the grounds of inconvenient forum or otherwise. Notwithstanding the foregoing, to the extent that any party hereto is or becomes a party in any litigation in connection with which it may assert indemnification rights set forth in this Agreement, the court in which such litigation is being heard shall be deemed to be included in clause (i) above. Notwithstanding the foregoing, any party to this Agreement may commence and maintain an action to enforce a judgment of any of the above-named courts in any court of competent jurisdiction. Each party hereto hereby consents to service of process in any such proceeding in any manner permitted by Delaware law, and agrees that service of process by registered or certified mail, return receipt requested, at its address specified pursuant to Section 4.10 hereof is reasonably calculated to give actual notice.

Section 4.13. Waiver of Jury Trial. TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW THAT CANNOT BE WAIVED, EACH PARTY HERETO HEREBY WAIVES, AND COVENANTS THAT IT WILL NOT ASSERT (WHETHER AS PLAINTIFF, DEFENDANT OR OTHERWISE), ANY RIGHT TO TRIAL BY JURY IN ANY FORUM IN RESPECT OF ANY ISSUE OR ACTION, CLAIM, CAUSE OF ACTION OR SUIT (IN CONTRACT, TORT OR OTHERWISE), INQUIRY, PROCEEDING OR INVESTIGATION ARISING OUT OF OR BASED UPON THIS AGREEMENT OR THE SUBJECT MATTER HEREOF OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF ANY STOCKHOLDER IN CONNECTION WITH ANY OF THE ABOVE, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING AND WHETHER IN CONTRACT, TORT OR OTHERWISE. EACH PARTY HERETO ACKNOWLEDGES THAT IT HAS BEEN INFORMED BY THE OTHER PARTIES HERETO THAT THIS SECTION 4.13 CONSTITUTES A MATERIAL INDUCEMENT UPON WHICH IT IS RELYING AND WILL RELY IN ENTERING INTO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY. ANY PARTY HERETO MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 4.13 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF EACH SUCH PARTY TO THE WAIVER OF ITS RIGHT TO TRIAL BY JURY.

Section 4.14. Remedies. The parties to this Agreement shall have all remedies available at law, in equity or otherwise in the event of any breach or violation of this Agreement or any default hereunder. The parties acknowledge and agree that in the event of any breach of this Agreement, in addition to any other remedies that may be available, each of the parties hereto shall be entitled to specific performance of the obligations of the other parties hereto and, in addition, to such other equitable remedies (including preliminary or temporary relief) as may be appropriate in the circumstances. No delay of or omission in the exercise of any right, power or remedy accruing to any party as a result of any breach or default by any other party under this Agreement shall impair any such right, power or remedy, nor shall it be construed as a waiver of or acquiescence in any such breach or default, or of any similar breach or default occurring later; nor shall any such delay, omission nor waiver of any single breach or default be deemed a waiver of any other breach or default occurring before or after that waiver.
Section 4.15. Subsequent Acquisition of Shares. Any equity securities of the Company acquired subsequent to the date hereof by a Stockholder shall be subject to the terms and conditions of this Agreement. Notwithstanding anything to the contrary, this Agreement shall not limit: (a) the ordinary course activities of any of GIC’s affiliates, including, without limitation, brokerage, investment, financial, merger or other advisory, financing, asset management, trading, market making, arbitrage, and investment activities conducted in the ordinary course of business provided that such activities are conducted in compliance with standard practices and procedures (including those known as “Ethical Walls”) that prevent the flow of information between (i) such affiliate’s personnel who engage in the foregoing activities and (ii) GIC’s and its affiliates’ personnel who have access to Company information pursuant to the Transaction Documents and/or (b) investments or actions done by a third party fund or investment vehicle for which GIC or any of its affiliates is a passive limited partner.

Section 4.16. Restrictions on Transfer or Issuance of Class B Common Stock.

(a) No shares of Class B Common Stock may be Transferred or issued unless a corresponding number of LLC Units are Transferred or issued therewith (including any transfers or issuances of shares of Class B Common Stock held in treasury or otherwise by the Company or any of its subsidiaries) in accordance with the provisions of the Operating Agreement and that the Company will not register any Transfers of shares of Class B Common Stock that do not satisfy this Section 4.16(a).

(b) Any purported transfer of shares of Class B Common Stock in violation of the restrictions described in Section 4.16(a) (the “Restrictions”) shall be null and void. If, notwithstanding the foregoing prohibition, a person shall, voluntarily or involuntarily, purportedly become or attempt to become, the purported owner (“Purported Owner”) of shares of Class B Common Stock in violation of the Restrictions, then the Purported Owner shall not obtain any rights in and to such shares of Class B Common Stock (the “Restricted Shares”), and the purported transfer of the Restricted Shares to the Purported Owner shall not be recognized by the Company’s transfer agent (the “Transfer Agent”).

(c) Upon a determination by the Board that a person has attempted or may attempt to transfer or to acquire Restricted Shares in violation of Section 4.16(a), the Board may take such action as it deems advisable to refuse to give effect to such transfer or acquisition on the books and records of the Company, including without limitation to cause the Transfer Agent to record the Purported Owner’s transferor as the record owner of the Restricted Shares, and to institute proceedings to enjoin or rescind any such transfer or acquisition.

(d) The Board may, to the extent permitted by law, from time to time establish, modify, amend or rescind, by Company Bylaws or otherwise, regulations and procedures not inconsistent with the provisions of this Section 4.16 for determining whether any acquisition of shares of Class B Common Stock would violate the Restrictions and for the orderly application, administration and implementation of the provisions of this Section 4.16. Any such procedures and regulations shall be kept on file with the Secretary of the Company and with its Transfer Agent and shall be made available for inspection by any prospective transferee and, upon written request, shall be provided to any holder of shares of Class B Common Stock.

(e) The Board shall have all powers necessary to implement the Restrictions, including without limitation the power to prohibit the transfer of any shares of Class B Common Stock in violation thereof.
Section 4.17. **No Recourse.** Notwithstanding anything that may be expressed or implied in this Agreement, the Company and each Stockholder covenant, agree and acknowledge that no recourse under this Agreement or any documents or instruments delivered in connection with this Agreement shall be had against any current or future director, officer, employee, stockholder, general or limited partner or member of any Stockholder or of any Affiliate or assignee thereof, as such, whether by the enforcement of any assessment or by any legal or equitable proceeding, or by virtue of any statute, regulation or other applicable law, it being expressly agreed and acknowledged that no personal liability whatsoever shall attach to, be imposed on or otherwise be incurred by any current or future officer, agent or employee of any Stockholder or any current or future member of any Stockholder or any current or future director, officer, employee, stockholder, partner or member of any Stockholder or of any Affiliate or assignee thereof, as such, for any obligation of any Stockholder under this Agreement or any documents or instruments delivered in connection with this Agreement for any claim based on, in respect of or by reason of such obligations or their creation.

Section 4.18. **Effectiveness.** This Agreement shall become effective upon the Closing.

INDEMNIFICATION AGREEMENT

This Indemnification Agreement (this “Agreement”) is made and entered into as of [•], 2020, by and among McAfee Corp., a Delaware corporation (the “Company”), and [NAME OF DIRECTOR/OFFICER] (“Indemnitee”).

WHEREAS, in light of the litigation costs and risks to directors and officers resulting from their service to companies, and the desire of the Company to attract and retain qualified individuals to serve as directors and officers, it is reasonable, prudent and necessary for the Company to indemnify and advance expenses on behalf of the Company’s directors and/or officers to the fullest extent permitted by Delaware corporate law so that they will serve or continue to serve the Company free from undue concern regarding such risks;

WHEREAS, the Company has requested that Indemnitee serve or continue to serve as a director and/or officer of the Company and may have requested or may in the future request that Indemnitee serve one or more McAfee Entities (as hereinafter defined) as a director or an officer or in other capacities;

WHEREAS, one of the conditions that Indemnitee requires in order to serve as a director and/or officer of the Company is that Indemnitee be so indemnified; and

WHEREAS, Indemnitee may have certain rights to indemnification, advancement of expenses and/or insurance provided by one or more of the Affiliate Indemnitors (as hereinafter defined) (or their affiliates) and/or any insurer providing insurance coverage under any policy purchased or maintained by such Affiliate Indemnitors (or their affiliates), which Indemnitee, the Company and the Affiliate Indemnitors (or their affiliates) intend to be secondary to the primary obligation of the Company to indemnify Indemnitee as provided herein, with the Company’s acknowledgement of and agreement to the foregoing being a material condition to Indemnitee’s willingness to serve as a director and/or officer the Company.

NOW, THEREFORE, in consideration of the premises and the covenants contained herein, the Company and Indemnitee do hereby covenant and agree as follows:

1. Services by Indemnitee. Indemnitee agrees to serve as a director and/or officer of the Company. Indemnitee may at any time and for any reason resign from such position (subject to any contractual obligation the Indemnitee may have under any other agreement).

2. Indemnification - General. On the terms and subject to the conditions of this Agreement, the Company shall, to the fullest extent permitted by law, indemnify Indemnitee with respect to, and hold Indemnitee harmless from and against, all losses, damages, liabilities, judgments, fines, penalties, costs, amounts paid in settlement, Expenses (as hereinafter defined) and other amounts that Indemnitee reasonably incurs and that result from, arise in connection with or are by reason of Indemnitee’s Corporate Status (as hereinafter defined) and shall advance Expenses to Indemnitee. The obligations of the Company shall continue after such time as Indemnitee ceases to serve as a director and/or officer of the Company or in any other Corporate Status and include, without limitation, claims for monetary damages against Indemnitee in respect of any actual or alleged liability or other loss of Indemnitee, to the fullest extent permitted under Delaware corporate law (including, if applicable, Section 145 of the Delaware General Corporation Law) as in existence on the date hereof and as amended from time to time.

- 1 -
3. **Proceedings Other Than Proceedings by or in the Right of the Company.** If in connection with or by reason of Indemnitee’s Corporate Status, Indemnitee was, is, or is threatened to be made, a party to or a participant in any Proceeding (as hereinafter defined) other than a Proceeding by or in the right of the Company to procure a judgment in its favor, the Company shall, to the fullest extent permitted by law, indemnify Indemnitee with respect to, and hold Indemnitee harmless from and against, all Expenses, losses, damages, liabilities, judgments, penalties, fines and amounts paid in settlement (including all interest, assessments and other charges paid or payable in connection with or in respect of such liabilities, judgments, penalties, fines and amounts paid in settlement) reasonably incurred by Indemnitee or on behalf of Indemnitee in connection with such Proceeding or any claim, issue or matter therein.

4. **Proceedings by or in the Right of the Company.** If in connection with or by reason of Indemnitee’s Corporate Status, Indemnitee was, is, or is threatened to be made, a party to or a participant in any Proceeding by or in the right of the Company to procure a judgment in the Company’s favor, the Company shall, to the fullest extent permitted by law, indemnify Indemnitee with respect to, and hold Indemnitee harmless from and against, all Expenses reasonably incurred by Indemnitee or on behalf of Indemnitee in connection with such Proceeding or any claim, issue or matter therein.

5. **Mandatory Indemnification in Case of Successful Defense.** Notwithstanding any other provision of this Agreement, to the extent that Indemnitee is, by reason of Indemnitee’s Corporate Status, a party to (or a participant in) and is successful, on the merits or otherwise, in defense of any Proceeding or any claim, issue or matter therein (including, without limitation, any Proceeding brought by or in the right of the Company), the Company shall, to the fullest extent permitted by law, indemnify Indemnitee with respect to, and hold Indemnitee harmless from and against, all Expenses reasonably incurred by Indemnitee or on behalf of Indemnitee in connection therewith. If Indemnitee is not wholly successful in defense of such Proceeding but is successful, on the merits or otherwise, as to one or more but less than all claims, issues or matters in such Proceeding, the Company shall, to the fullest extent permitted by law, indemnify Indemnitee against all Expenses reasonably incurred by Indemnitee or on behalf of Indemnitee in connection with each successfully resolved claim, issue or matter. For purposes of this Section 5 and without limitation, the termination of any claim, issue or matter in such a Proceeding by dismissal, with or without prejudice, on substantive or procedural grounds, or settlement of any such claim prior to a final judgment by a court of competent jurisdiction with respect to such Proceeding, shall be deemed to be a successful result as to such claim, issue or matter; provided, however, that any settlement of any claim, issue or matter in such a Proceeding shall not be deemed to be a successful result as to such claim, issue or matter if such settlement is effected by Indemnitee without the Company’s prior written consent, which consent shall not be unreasonably withheld, delayed or conditioned.
6. Partial Indemnification. If Indemnitee is entitled under any provision of this Agreement or otherwise to indemnification by the Company for some or a portion of the Expenses, liabilities, judgments, penalties, fines and amounts paid in settlement (including all interest, assessments and other charges paid or payable in connection with or in respect of such liabilities, judgments, penalties, fines and amounts paid in settlement) incurred by Indemnitee or on behalf of Indemnitee in connection with a Proceeding or any claim, issue or matter therein, in whole or in part, the Company shall, to the fullest extent permitted by law, indemnify Indemnitee to the fullest extent to which Indemnitee is entitled to such indemnification.

7. Indemnification for Additional Expenses Incurred to Secure Recovery or as Witness.

(a) The Company shall, to the fullest extent permitted by law, indemnify Indemnitee with respect to, and hold Indemnitee harmless from and against, any and all Expenses and, if requested by Indemnitee, shall advance on an as-incurred basis (as provided in Section 8 of this Agreement) such Expenses to Indemnitee, which are incurred by Indemnitee in connection with any action or proceeding or part thereof brought by Indemnitee for (i) indemnification or advance payment of Expenses by the Company under this Agreement, any other agreement, the Certificate of Incorporation or By-laws of the Company as now or hereafter in effect, or pursuant to indemnification agreements in effect as of the date hereof; or (ii) recovery under any director and officer liability insurance policies maintained by any McAfee Entity.

(b) To the extent that Indemnitee is, by reason of Indemnitee’s Corporate Status, a witness (or is forced or asked to respond to discovery requests) in any Proceeding to which Indemnitee is not a party, the Company shall, to the fullest extent permitted by law, indemnify Indemnitee with respect to, and hold Indemnitee harmless from and against, and the Company will advance on an as-incurred basis (as provided in Section 8 of this Agreement), all Expenses reasonably incurred by Indemnitee or on behalf of Indemnitee in connection therewith.

8. Advancement of Expenses. The Company shall, to the fullest extent permitted by law, pay on a current and as-incurred basis all Expenses incurred by Indemnitee in connection with any Proceeding in any way connected with, resulting from or relating to Indemnitee’s Corporate Status. Such Expenses shall be paid in advance of the final disposition of such Proceeding, without regard to whether Indemnitee will ultimately be entitled to be indemnified for such Expenses and without regard to whether an Adverse Determination (as hereinafter defined) has been or may be made. Upon submission of a request for advancement of Expenses pursuant to Section 9(c) of this Agreement, Indemnitee shall be entitled to advancement of Expenses as provided in this Section 8, and such advancement of Expenses shall continue until such time (if any) as there is a final non-appealable judicial determination that Indemnitee is not entitled to indemnification. Indemnitee shall repay such amounts advanced if and to the extent that it shall ultimately be determined in a decision by a court of competent jurisdiction from which no appeal can be taken that Indemnitee is not entitled to be indemnified by the Company for such Expenses. Such repayment obligation shall be unsecured and shall not bear interest. The Company shall not impose on Indemnitee additional conditions to advancement or require from Indemnitee additional undertakings regarding repayment. Indemnitee shall, in all events, be entitled to advancement of Expenses, without regard to Indemnitee’s ultimate entitlement to indemnification, until the final determination of the Proceeding.
9. **Indemnification Procedures.**

(a) **Notice of Proceeding.** Indemnitee agrees to notify the Company promptly upon being served with any summons, citation, subpoena, complaint, indictment, information or other document relating to any Proceeding or matter which may be subject to indemnification or advancement of Expenses hereunder. Any failure by Indemnitee to notify the Company will not relieve the Company of its advancement or indemnification obligations under this Agreement unless, and only to the extent that, the Company can establish that such omission to notify resulted in actual and material prejudice to it, which prejudice cannot be reversed or otherwise eliminated without any material negative effect on the Company, and the omission to notify the Company will, in any event, not relieve the Company from any liability which it may have to indemnify Indemnitee otherwise than under this Agreement. If, at the time of receipt of any such notice, the Company has a director and officer liability insurance policy in effect, the Company will promptly notify the relevant insurer in accordance with the procedures and requirements of such policy.

(b) **Defense; Settlement.** Indemnitee shall have the sole right and obligation to control the defense or conduct of any claim or Proceeding with respect to Indemnitee. The Company shall not, without the prior written consent of Indemnitee, which may be provided or withheld in Indemnitee’s sole discretion, effect any settlement of any Proceeding against Indemnitee or which, in the opinion of Independent Counsel, could have been brought against Indemnitee or which potentially or actually imposes any cost, liability, expense or burden on Indemnitee unless (i) such settlement solely involves the payment of money or performance of any obligation by persons other than Indemnitee or any Affiliate Indemnitor affiliated with Indemnitee and includes an unconditional, full release of Indemnitee and Affiliate Indemnitors by all relevant parties from all liability on any matters that are the subject of such Proceeding and an acknowledgment that Indemnitee denies all wrongdoing in connection with such matters and (ii) the Company has fully indemnified the Indemnitee with respect to, and held Indemnitee harmless from and against, all Expenses and other amounts incurred by Indemnitee or on behalf of Indemnitee in connection with such Proceeding. The Company shall not be obligated to indemnify Indemnitee against amounts paid in settlement of a Proceeding against Indemnitee if such settlement is effected by Indemnitee without the Company’s prior written consent, which consent shall not be unreasonably withheld, delayed or conditioned, unless such settlement solely involves the payment of money or performance of any obligation by persons other than the Company and includes an unconditional release of the Company by any party to such Proceeding other than the Indemnitee from all liability on any matters that are the subject of such Proceeding and an acknowledgment that the Company denies all wrongdoing in connection with such matters; provided, however, that if a Change in Control has occurred, the Company shall be liable for indemnification of Indemnitee for amounts paid in settlement if the Independent Counsel (selected pursuant to Section 9(e) of this Agreement) has approved the settlement.
(c) Request for Advancement; Request for Indemnification.

(i) To obtain advancement of Expenses under this Agreement, Indemnitee shall submit to the Company a written request therefor, together with such invoices or other supporting information as may be reasonably requested by the Company and reasonably available to Indemnitee, and, only to the extent required by applicable law which cannot be waived, an unsecured written undertaking to repay amounts advanced in the event of a decision by a court of competent jurisdiction from which no appeal can be taken that Indemnitee is not entitled to be indemnified by the Company for such Expenses. The Company shall make advance payment of Expenses to Indemnitee no later than five (5) business days after receipt of the written request for advancement (and each subsequent request for advancement) by Indemnitee. If, at the time of receipt of any such written request for advancement of Expenses, the Company has a director and officer insurance policy in effect, the Company will promptly notify the relevant insurer in accordance with the procedures and requirements of such policy. The Company shall thereafter keep such insurer informed of the status of the Proceeding or other claim (with assistance from the Indemnitee as reasonably required) and take such other actions, as appropriate to secure coverage of Indemnitee for such claim.

(ii) To obtain indemnification under this Agreement, at any time before or after submission of a request for advancement pursuant to Section 9(c)(i) of this Agreement, Indemnitee may submit a written request for indemnification hereunder. The time at which Indemnitee submits a written request for indemnification shall be determined by the Indemnitee in the Indemnitee’s sole discretion. Once Indemnitee submits such a written request for indemnification (and only at such time that Indemnitee submits such a written request for indemnification), a Determination (as hereinafter defined) shall thereafter be made, as provided in and only to the extent required by Section 9(d) of this Agreement. In no event shall a Determination be made, or required to be made, as a condition to or otherwise in connection with any advancement of Expenses pursuant to Section 8 and Section 9(c)(i) of this Agreement. If, at the time of receipt of any such request for indemnification, the Company has a director and officer insurance policy in effect, the Company will promptly notify the relevant insurer in accordance with the procedures and requirements of such policies.

(d) Determination. The Company agrees that Indemnitee shall be indemnified to the fullest extent permitted by law and that no Determination shall be required in connection with such indemnification unless specifically required by applicable law which cannot be waived. In no event shall a Determination be required in connection with indemnification for Expenses pursuant to Section 7 of this Agreement or incurred in connection with any Proceeding or portion thereof with respect to which Indemnitee has been successful on the merits or otherwise. Any decision that a Determination is required by law in connection with any other indemnification of Indemnitee, and any such Determination, shall be made within twenty (20) days after receipt of Indemnitee’s written request for indemnification pursuant to Section 9(c)(i) and such Determination shall be made either (i) by the Disinterested Directors (as hereinafter defined), even though less than a quorum, so long as Indemnitee does not request that such Determination be made by Independent Counsel (as...
hereinafter defined), or (ii) if so requested by Indemnitee, in Indemnitee’s sole discretion, by Independent Counsel in a written opinion to
the Company and Indemnitee. If a Determination is made that Indemnitee is entitled to indemnification, payment to Indemnitee shall be
made within five (5) business days after such Determination. Indemnitee shall reasonably cooperate with the person, persons or entity
making such determination with respect to Indemnitee’s entitlement to indemnification, including providing to such person, persons or
entity upon reasonable advance request any documentation or information which is not privileged or otherwise protected from disclosure
and which is reasonably available to Indemnitee and reasonably necessary to such Determination. Any Expenses incurred by Indemnitee in
so cooperating with the Disinterested Directors or Independent Counsel, as the case may be, making such determination shall be advanced
and borne by the Company (irrespective of the Determination as to Indemnitee’s entitlement to indemnification). If the person, persons or
entity empowered or selected under this Section 9(d) to determine whether Indemnitee is entitled to indemnification shall not have made a
determination within twenty (20) days after receipt by the Company of the request therefor, the requisite determination of entitlement to
indemnification shall, to the fullest extent not prohibited by law, be deemed to have been made and Indemnitee shall be entitled to such
indemnification, absent (i) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make
Indemnitee’s statement not materially misleading, in connection with the request for indemnification, or (ii) a prohibition of such
indemnification under applicable law; provided, however, that such twenty (20) day period may be extended for a reasonable time, not to
exceed an additional twenty (20) days, if the person, persons or entity making the determination with respect to entitlement to
indemnification in good faith requires such additional time for the obtaining or evaluating of documentation and/or information relating
thereto; and provided, further, that the foregoing provisions of this Section 9(d) shall not apply if the determination of entitlement to
indemnification is to be made by Independent Counsel pursuant to Section 9(e).
(e) Independent Counsel. In the event Indemnitee requests that the Determination be made by Independent Counsel pursuant to
Section 9(d) of this Agreement, the Independent Counsel shall be selected as provided in this Section 9(e). The Independent Counsel
shall be selected by Indemnitee (unless Indemnitee shall request that such selection be made by the Board of Directors, in which event the
Board of Directors shall make such selection on behalf of the Company, subject to the remaining provisions of this Section 9(e)), and
Indemnitee or the Company, as the case may be, shall give written notice to the other, advising the Company or Indemnitee of the identity
of the Independent Counsel so selected. The Company or Indemnitee, as the case may be, may, within five (5) days after such written
notice of selection shall have been received, deliver to Indemnitee or the Company, as the case may be, a written objection to such
selection; provided, however, that such objection may be asserted only on the ground that the Independent Counsel so selected does not
meet the requirements of “Independent Counsel” as defined in Section 15 of this
Agreement, and the objection shall set forth with particularity the factual basis of such assertion. Absent a proper and timely objection, the person so selected shall act as Independent Counsel. If a written objection is so made and substantiated, the Independent Counsel so selected may not serve as Independent Counsel unless and until such objection is withdrawn or a court of competent jurisdiction has determined that such objection is without merit. If, within ten (10) days after submission by Indemnitee of a written request for indemnification pursuant to Section 9(c)(ii) of this Agreement and after a request for the appointment of Independent Counsel has been made, no Independent Counsel shall have been selected and not objected to, either the Company or Indemnitee may petition a court of competent jurisdiction for resolution of any objection which shall have been made by the Company or Indemnitee to the other’s selection of Independent Counsel and/or for the appointment as Independent Counsel of a person selected by the court or by such other person as the court shall designate, and the person with respect to whom all objections are so resolved or the person so appointed shall act as Independent Counsel under Section 9(d) of this Agreement. Upon the due commencement of any judicial proceeding or arbitration pursuant to Section 9(f) of this Agreement, Independent Counsel shall be discharged and relieved of any further responsibility in such capacity (subject to the applicable standards of professional conduct then prevailing). Any expenses incurred by or in connection with the appointment of Independent Counsel shall be borne by the Company (irrespective of the Determination of Indemnitee’s entitlement to indemnification) and not by Indemnitee.

(f) Consequences of Determination; Remedies of Indemnitee. The Company shall be bound by and shall have no right to challenge a Favorable Determination. If an Adverse Determination is made, or if for any other reason the Company does not make timely indemnification payments or advances of Expenses, Indemnitee shall have the right to commence a Proceeding before a court of competent jurisdiction to challenge such Adverse Determination and/or to require the Company to make such payments or advances (and the Company shall have the right to defend its position in such Proceeding and to appeal any adverse judgment in such Proceeding). Indemnitee shall be entitled to be indemnified for all Expenses incurred in connection with such a Proceeding and to have such Expenses advanced by the Company in accordance with Section 8 of this Agreement. If Indemnitee fails to challenge an Adverse Determination within twenty (20) business days, or if Indemnitee challenges an Adverse Determination and such Adverse Determination has been upheld by a final judgment of a court of competent jurisdiction from which no appeal can be taken, then, to the extent and only to the extent required by such Adverse Determination or final judgment, the Company shall not be obligated to indemnify Indemnitee under this Agreement.

(g) Presumptions; Burden and Standard of Proof. The parties intend and agree that, to the extent permitted by law, in connection with any Determination with respect to Indemnitee’s entitlement to indemnification hereunder by any person, including a court:
(i) it will be presumed that Indemnitee is entitled to indemnification under this Agreement (notwithstanding any Adverse Determination), and the Company or any other person or entity challenging such right will have the burden of proof to overcome that presumption in connection with the making by any person, persons or entity of any determination contrary to that presumption;

(ii) the termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that Indemnitee did not act in good faith and in a manner which Indemnitee reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to any criminal action or proceeding, had reasonable cause to believe that Indemnitee’s conduct was unlawful;

(iii) Indemnitee will be deemed to have acted in good faith if Indemnitee’s action is based on the records or books of account of the Company, including financial statements, or on information supplied to Indemnitee by the officers, employees, or committees of the board of directors of the Company, or on the advice of legal counsel or other advisors (including financial advisors and accountants) for the Company or on information or records given in reports made to the Company by an independent certified public accountant or by an appraiser or other expert or advisor selected by the Company; and

(iv) the knowledge and/or actions, or failure to act, of any director, officer, agent or employee of the Company or relevant enterprises will not be imputed to Indemnitee in a manner that limits or otherwise adversely affects Indemnitee’s rights hereunder.

The provisions of this Section 9(g) shall not be deemed to be exclusive or to limit in any way the other circumstances in which Indemnitee may be deemed to have met the applicable standard of conduct set forth in this Agreement.

10. Remedies of Indemnitee.

(a) In the event that (i) a determination is made pursuant to Section 9(d) of this Agreement that Indemnitee is not entitled to indemnification under this Agreement, (ii) advancement of Expenses is not timely made pursuant to Section 8 and Section 9(c)(i) of this Agreement, (iii) no determination of entitlement to indemnification shall have been made pursuant to Section 9(d) of this Agreement within twenty (20) days after receipt by the Company of the request for indemnification, (iv) payment of indemnification is not made pursuant to Section 5, 6 or 7 of this Agreement within five (5) business days after receipt by the Company of a written request therefor, (v) payment of indemnification pursuant to Section 3 or 4 of this Agreement is not made within five (5) business days after a determination has been made that Indemnitee is entitled to indemnification, or (vi) the Company or any other person takes or threatens to take any action to declare this Agreement void or unenforceable, or institutes any litigation or other action or Proceeding designed to deny, or to recover from, the Indemnitee the benefits provided or intended to be provided to the Indemnitee hereunder, Indemnitee shall be entitled to an adjudication by a court of his
entitlement to such indemnification or advancement of Expenses. Alternatively, Indemnitee, at his option, may seek an award in arbitration to be conducted by a single arbitrator pursuant to the Commercial Arbitration Rules of the American Arbitration Association in New York (or JAMS in New York, if requested by the Indemnitee). The Company shall not oppose Indemnitee’s right to seek any such adjudication or award in arbitration.

(b) In the event that a determination shall have been made pursuant to Section 9(d) of this Agreement that Indemnitee is not entitled to indemnification, any judicial proceeding or arbitration commenced pursuant to this Section 10 shall be conducted in all respects as a de novo trial, or arbitration, on the merits, in which (i) Indemnitee shall not be prejudiced by reason of that adverse determination, and (ii) the Company shall bear the burden of establishing that Indemnitee is not entitled to indemnification.

(c) If a determination shall have been made pursuant to Section 9(d) of this Agreement that Indemnitee is entitled to indemnification, the Company shall be bound by such determination in any judicial proceeding or arbitration commenced pursuant to this Section 10, absent (i) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee’s statement not materially misleading, in connection with the request for indemnification, or (ii) a prohibition of such indemnification under Delaware corporate law.

(d) The Company shall, to the fullest extent not prohibited by law, be precluded from asserting in any judicial proceeding or arbitration commenced pursuant to this Section 10 that the procedures and presumptions of this Agreement are not valid, binding and enforceable and shall stipulate in any such court or before any such arbitrator that the Company is bound by all the provisions of this Agreement.

11. Insurance; Subrogation; Other Rights of Recovery, etc.

(a) The Company shall use its reasonable best efforts to purchase and maintain a policy or policies of insurance with reputable insurance companies with A.M. Best ratings of “A” or better, providing Indemnitee with coverage for any liability asserted against, and incurred by, Indemnitee or on Indemnitee’s behalf by reason of Indemnitee’s Corporate Status, or arising out of Indemnitee’s status as such, whether or not the Company would have the power to indemnify Indemnitee against such liability. Such insurance policies shall have coverage terms and policy limits at least as favorable to Indemnitee as the insurance coverage provided to any other director and/or officer of the Company. If the Company has such insurance in effect at the time it receives from Indemnitee any notice of the commencement of an action, suit, proceeding or other claim, the Company shall give prompt notice of the commencement of such action, suit, proceeding or other claim to the insurers and take such other actions in accordance with the procedures set forth in the policy as required or appropriate to secure coverage of
Indemnitee for such action, suit, proceeding or other claim. The Company shall thereafter take all necessary or desirable action to cause such insurers to pay, on behalf of Indemnitee, all amounts payable as a result of such action, suit, proceeding or other claim in accordance with the terms of such policy. The Company shall continue to provide such insurance coverage to Indemnitee for a period of at least seven (7) years after Indemnitee ceases to serve as a director or in any other Corporate Status.

(b) In the event of any payment by the Company under this Agreement, the Company shall be subrogated to the extent of such payment to all of the rights of recovery of Indemnitee against any other McAfee Entity, and Indemnitee hereby agrees, as a condition to obtaining any advancement or indemnification from the Company, to assign the Company all of Indemnitee’s rights to obtain from such other McAfee Entity such amounts to the extent that they have been paid by the Company to or for the benefit of Indemnitee as advancement or indemnification under this Agreement and are adequate to indemnify Indemnitee with respect to the costs, Expenses or other items to the full extent that Indemnitee is entitled to indemnification or other payment hereunder; and Indemnitee will (upon request by the Company) execute all papers required and use reasonable best efforts to take all action reasonably necessary to secure such rights, including execution of such documents as are necessary to enable the Company to bring suit or enforce such rights.

(c) The Company hereby acknowledges that the rights to indemnification, advancement of expenses and/or insurance provided pursuant to this Agreement may also be provided to certain Indemnitees by one or more of their respective affiliates (other than the McAfee Entities) or their insurers (collectively, and including, in the case of the Manta Holdings, L.P., Manta Holdings, L.P., TPG Global, LLC, each of their respective partners, shareholders, members, affiliates, associated investment funds, directors, officers, fiduciaries, managers, controlling persons, employees and agents and each of the partners, shareholders, members, affiliates, associated investment funds, directors, officers, fiduciaries, managers, controlling persons, employees and agents of each of the foregoing, the “Affiliate Indemnitors”). The Company hereby agrees that, as between the Company, on the one hand, and the Affiliate Indemnitors, on the other hand, (i) the Company is the full indemnitor of first resort and the Affiliate Indemnitors are the full indemnitors of second resort with respect to all such indemnifiable claims against such Indemnitees, whether arising under this Agreement or otherwise (i.e., the obligations of the Company to such Indemnitees are primary and any obligation of the Affiliate Indemnitors to advance expenses or to provide indemnification for the same expenses or liabilities incurred by such Indemnitees are secondary), (ii) upon receipt by the Company of an undertaking by or on behalf of such Indemnitees to repay such amount if it shall be determined that the Indemnitee is not entitled to be indemnified as authorized by this Agreement or otherwise, the Company shall be required to advance the full amount of expenses incurred by such Indemnitees and shall be liable for the full amount of all expenses, judgments, penalties, fines and amounts paid in settlement to the extent legally
permitted and as required by the terms of this Agreement (or any other agreement between the Company and such Indemnitees), without regard to any rights such Indemnitees may have against the Affiliate Indemnitors and (iii) the Company irrevocably waives, relinquishes and releases the Affiliate Indemnitors from any and all claims against the Affiliate Indemnitors for contribution, subrogation or any other recovery of any kind in respect thereof. The Company agrees to indemnify the Affiliate Indemnitors directly for any amounts that the Affiliate Indemnitors pay as indemnification or advancement on behalf of any such Indemnitee and for which such Indemnitee may be entitled to indemnification from the Company in connection with serving as a director and/or officer of the Company. The Company further agrees that no advancement or payment by the Affiliate Indemnitors on behalf of any such Indemnitee with respect to any claim for which such Indemnitee has sought indemnification from the Company shall affect the foregoing and the Affiliate Indemnitors shall be subrogated to the extent of such advancement or payment to all of the rights of recovery of such Indemnitee against the Company, and the Company shall cooperate with the Affiliate Indemnitors in pursuing such rights.

(d) Except as provided in Sections 11(c), the Company shall not be liable to pay or advance to Indemnitee any amounts otherwise indemnifiable under this Agreement or under any other indemnification agreement if, and to the extent that, Indemnitee has otherwise actually received such payment under any insurance policy, contract, agreement or otherwise.

(e) The Company’s obligation to indemnify or advance Expenses hereunder to Indemnitee in respect of or relating to Indemnitee’s service at the request of the Company as a director, officer, employee, fiduciary, trustee, representative, partner or agent of any other McAfee Entity shall be reduced by any amount Indemnitee has actually received as payment of indemnification or advancement of Expenses from such other McAfee Entity, except to the extent that such indemnification payments and advance payment of Expenses when taken together with any such amount actually received from other McAfee Entities or under director and officer insurance policies maintained by one or more McAfee Entities are inadequate to fully pay all costs, Expenses or other items to the full extent that Indemnitee is otherwise entitled to indemnification or other payment hereunder.

(f) Except as provided in Sections 11(c), 11(d) and 11(e) of this Agreement, the rights to indemnification and advancement of Expenses as provided by this Agreement shall not be deemed exclusive of any other rights to which Indemnitee may at any time, whenever conferred or arising, be entitled under applicable Delaware corporate law, under the McAfee Entities’ organizational documents, or under any other agreement, vote of stockholders or resolution of directors of any McAfee Entity, or otherwise. Indemnitee’s rights under this Agreement are present contractual rights that fully vest upon Indemnitee’s first service as a director and/or officer of the Company. The Parties hereby agree that Sections 11(c), 11(d) and 11(e) of this Agreement shall be deemed exclusive and shall be deemed to modify, amend and clarify any right to indemnification or advancement provided to Indemnitee under any other contract, agreement or document with any McAfee Entity.
No amendment, alteration or repeal of this Agreement or of any provision hereof shall limit or restrict any right of Indemnitee under this Agreement in respect of any action taken or omitted by such Indemnitee in Indemnitee’s Corporate Status prior to such amendment, alteration or repeal. To the extent that a change in the General Corporation Law of the State of Delaware (or other applicable law), whether by statute or judicial decision, permits greater indemnification or advancement of Expenses than would be afforded currently under the McAfee Entities’ organizational documents and this Agreement, it is the intent of the parties hereto that Indemnitee enjoy by this Agreement the greater benefits so afforded by such change. No change in applicable law shall have the effect of reducing the benefits available to Indemnitee hereunder based on Delaware law as in effect on the date hereof or as such benefits may improve as a result of amendments to Delaware law that become effective after the date hereof. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other right or remedy.

12. Employment Rights; Successors; Third Party Beneficiaries.

(a) This Agreement shall not be deemed an employment contract between the Company and Indemnitee. This Agreement shall continue in force as provided above after Indemnitee has ceased to serve as a director and/or officer of the Company or any other Corporate Status.

(b) This Agreement shall be binding upon the Company and its successors and assigns and shall inure to the benefit of Indemnitee and Indemnitee’s heirs, executors and administrators. If the Company or any of its successors or assigns shall (i) consolidate with or merge into any other corporation or entity and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfer all or substantially all of its properties and assets to any individual, corporation or other entity, then, and in each such case, proper provisions shall be made so that the successors and assigns of the Company shall assume all of the obligations set forth in this Agreement.

(c) The Affiliate Indemnitors are express third party beneficiaries of this Agreement, are entitled to rely upon this Agreement, and may specifically enforce the Company’s obligations hereunder (including but not limited to the obligations specified in Section 11 of this Agreement) as though a party hereunder.

13. Severability. If any provision or provisions of this Agreement shall be held to be invalid, illegal or unenforceable for any reason whatsoever: (i) the validity, legality and enforceability of the remaining provisions of this Agreement (including without limitation, each portion of any Section of this Agreement containing any such provision held to be invalid, illegal or unenforceable, that is not itself invalid, illegal or unenforceable) shall not in any way be
affected or impaired thereby; (ii) such provision or provisions shall be deemed reformed to the extent necessary to conform to applicable law and to give
the maximum effect to the intent of the parties hereto; and (iii) to the fullest extent possible, the provisions of this Agreement (including, without
limitation, each portion of any Section of this Agreement containing any such provision held to be invalid, illegal or unenforceable, that is not itself
invalid, illegal or unenforceable) shall be construed so as to give effect to the intent manifested thereby.

14. Exception to Right of Indemnification or Advancement of Expenses. Notwithstanding any other provision of this Agreement and except as
provided in Section 7(a) of this Agreement or as may otherwise be agreed by the Company, Indemnitee shall not be entitled to indemnification or
advancement of Expenses under this Agreement with respect to any Proceeding brought by Indemnitee (other than (i) a Proceeding by Indemnitee (i) by
way of defense or counterclaim or other similar portion of a Proceeding, (ii) to enforce any other rights of Indemnitee to indemnification, advancement
or contribution from the Company under this Agreement, or under any other contract, by-laws or charter or under statute or other law, including any
rights under Section 145 of the Delaware General Corporation Law, or (iii) after a Change in Control), unless the bringing of such Proceeding or making
of such claim shall have been approved by the Board of Directors or similar governing body of the Company.

stockholders of the Company approve a merger or consolidation of the Company with any other corporation, other than a
merger or consolidation that would result in the Voting Securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into Voting Securities of the surviving entity) at least 80% of the total voting power represented by the Voting Securities of the Company or such surviving entity outstanding immediately after such merger or consolidation, or the stockholders of the Company approve a plan of complete liquidation of the Company or an agreement for the sale or disposition by the Company (in one transaction or a series of transactions) of all or substantially all of the Company’s assets.

(f) “Determination” means a determination that either (x) there is a reasonable basis for the conclusion that indemnification of Indemnitee is proper in the circumstances because Indemnitee met a/the particular standard(s) of conduct (a “Favorable Determination”) or (y) there is no reasonable basis for the conclusion that indemnification of Indemnitee is proper in the circumstances because Indemnitee met a/the particular standard(s) of conduct (an “Adverse Determination”). An Adverse Determination shall include the decision that a Determination was required in connection with indemnification and the decision as to the applicable standard of conduct.

Expenses, however, shall not include amounts of judgments or fines against Indemnitee.

(i) “McAfee Entity” means the Company, any of its respective subsidiaries and any other corporation, partnership, limited liability company, joint venture, trust, employee benefit plan or other enterprise with respect to which Indemnitee serves as a director, officer, employee, partner, representative, fiduciary, trustee or agent, or in any similar capacity, at the request of the Company.

Notwithstanding the foregoing, the term “Independent Counsel” shall not include any person who, under the applicable standards of professional conduct then prevailing, would have a conflict of interest in representing either the Company or Indemnitee in an action to determine Indemnitee’s rights under this Agreement. 18. **Modification and Waiver.** No supplement, modification or amendment of this Agreement shall be binding unless executed in a writing identified as such by all of the parties hereto. 19. **Notice Mechanics.** All notices, requests, demands or other communications hereunder shall be in writing and shall be deemed to have been duly given if (i) delivered by hand and receipted for by the party to whom said notice or other communication shall have been directed, or (ii) mailed by certified or registered mail with postage prepaid, on the third business day after the date on which it is so mailed:

20. Contribution. To the fullest extent permissible under Delaware corporate law, if the indemnification provided for in this Agreement is unavailable to Indemnitee for any reason whatsoever, the Company, in lieu of indemnifying Indemnitee, shall contribute to the amount incurred by Indemnitee, whether for judgments, fines, penalties, excise taxes, amounts paid or to be paid in settlement and/or for reasonably incurred Expenses, in connection with any claim relating to an indemnifiable event under this Agreement, in such proportion as is deemed fair and reasonable in light of all of the circumstances of such Proceeding in order to reflect (i) the relative benefits received by the Company and Indemnitee as a result of the event(s) and/or transaction(s) giving cause to such Proceeding; and/or (ii) the relative fault of the Company (and its other directors, officers, employees and agents) and Indemnitee in connection with such event(s) and/or transaction(s).

21. Governing Law; Submission to Jurisdiction; Appointment of Agent for Service of Process. The Company and Indemnitee hereby irrevocably and unconditionally (i) agree that any action or proceeding arising out of or in connection with this Agreement shall be brought only in the Court of Chancery of the State of Delaware (the “Delaware Court”), and not in any other state or federal court in the United States of America or any court in any other country, (ii) consent to submit to the exclusive jurisdiction of the Delaware Court for purposes of any action or proceeding arising out of or in connection with this Agreement, (iii) waive any objection to the laying of venue of any such action or proceeding in the Delaware Court, and (iv) waive, and agree not to plead or to make, any claim that any such action or proceeding brought in the Delaware Court has been brought in an improper or otherwise inconvenient forum.

Section 9. **Effect of Amendment.**

(a) In accordance with Sections 2.14 and 2.16 of the Amended Credit Agreement, and subject to the satisfaction of the conditions set forth in Section 4 hereof, on and as of the Fourth Amendment Extension Effective Date, each 2020 Extending Revolving Lender and each 2020 Incremental Revolving Lender hereby agrees that such 2020 Extending Revolving Lender and such 2020 Incremental Revolving Lender, as applicable, (i) shall have, as contemplated by this Amendment and the Amended Credit Agreement, (x) in the case of each 2020 Extending Revolving Lender, a 2020 Extended Revolving Commitment under the Amended Credit Agreement in an amount equal to the amount set forth opposite such 2020 Extending Revolving Lender’s name under the heading “2020 Extended Revolving Commitments” on Schedule 2.01 to the Amended Credit Agreement and (y) in the case of each 2020 Incremental Revolving Lender, a 2020 Incremental Revolving Commitment under the Amended Credit Agreement in an amount equal to the amount set forth opposite such 2020 Incremental Revolving Lender’s name under the heading “2020 Incremental Revolving Commitments” on Schedule 2.01 to the Amended Credit Agreement (for the avoidance of doubt, in each case, as may be adjusted pursuant to the Effective Date Assignments; it being understood that in any event, the sum of the “2020 Extended Revolving Commitments” and “2020 Incremental Revolving Commitments” shall equal the amount set forth under the heading “Total Revolving Commitments” on Schedule 2.01 to the Amended Credit Agreement and the other Loan Documents. The Borrower and the Administrative Agent hereby agree that from and after the Fourth Amendment Extension Effective Date, each 2020 Extending Revolving Lender and each 2020 Incremental Revolving Lender shall be deemed to be, and shall become, a “2020 Extending Revolving Lender” or a “2020 Incremental Revolving Lender”, as applicable, an “Additional Lender”, a “Revolving Lender”, a “Lender” and a “Secured Party” for all purposes of, and subject to all the obligations of a “2020 Incremental Revolving Lender”, an “Additional Lender”, a “Revolving Lender”, a “Lender” and a “Secured Party” under, the Amended Credit Agreement and the other Loan Documents. The Borrower and the Administrative Agent hereby agree that from and after the Fourth Amendment Extension Effective Date, each 2020 Extending Revolving Lender and each 2020 Incremental Revolving Lender shall be deemed to be, and shall become, a “2020 Extending Revolving Lender” and a “2020 Incremental Revolving Lender”, as applicable, an “Additional Lender”, a “Revolving Lender”, a “Lender” and a “Secured Party” for all purposes of, and with all the rights and remedies of a “2020 Extending Revolving Lender” or a “2020 Incremental Revolving Lender”, as applicable, an “Additional Lender”, a “Revolving Lender”, a “Lender” and a “Secured Party” under, the Amended Credit Agreement and the other Loan Documents.

(b) The Borrower hereby designates that the 2020 Incremental Revolving Commitments shall be incurred in reliance on clause (c)(D)(x) of Section 2.14(4) in the Credit Agreement.
(c) In accordance with Section 2.14 of the Credit Agreement, and subject to the satisfaction of the conditions set forth in Section 4 hereof, on and as of the Fourth Amendment Extension Effective Date, each 2020 Incremental Revolving Lender party hereto hereby agrees that such 2020 Incremental Revolving Lender shall make Revolving Loans to the Borrower pursuant to Section 2.01(2) of the Amended Credit Agreement from time to time on or after the Fourth Amendment Extension Effective Date during the period from the Fourth Amendment Extension Effective Date until the Maturity Date of the 2020 Extended Revolving Facility, in an aggregate principal amount not to exceed at any time outstanding the amount of its 2020 Extended Revolving Commitment under the Amended Credit Agreement.

(d) The 2020 Incremental Revolving Commitments shall constitute a Revolving Commitment Increase of the 2020 Extended Revolving Commitments and shall be of the same Class as the 2020 Extended Revolving Commitments. The terms, provisions and documentation of the 2020 Incremental Revolving Commitments shall be identical (including interest rate margins and interest rate floors) to the 2020 Extended Revolving Commitments as existing on the Fourth Amendment Extension Effective Date (after giving effect to Section 1 of this Amendment) and are in compliance with Sections 2.14(5)(b) of the Credit Agreement. Other than with respect to the Maturity Date, the terms, provisions and documentation of the 2020 Extended Revolving Commitments shall be identical (including interest rate margins and interest rate floors) to the Existing Revolving Commitments as existing on the Fourth Amendment Extension Effective Date (prior to giving effect to this Amendment). The 2020 Extended Revolving Loans shall be a new Class of Revolving Loans.

(e) On the Fourth Amendment Extension Effective Date, after giving effect to Section 1 of this Amendment, each of the 2020 Extending Revolving Lenders shall assign to each of the 2020 Incremental Revolving Lenders, and each of the 2020 Incremental Revolving Lenders shall purchase from each of the 2020 Extending Revolving Lenders, at the principal amount thereof, such interests in the 2020 Extended Revolving Loans outstanding on the Fourth Amendment Extension Effective Date as shall be necessary in order that, after giving effect to all such assignments and purchases, the 2020 Extended Revolving Loans will be held by 2020 Extending Revolving Lenders and 2020 Incremental Revolving Lenders ratably in accordance with their Revolving Commitments after giving effect to the addition of such 2020 Incremental Revolving Commitments to the 2020 Extended Revolving Commitments.

(f) The provisions relating to participations under the Credit Agreement in Sections 2.16(5) and 2.14(7) in outstanding Letters of Credit and reallocation or assignment of any outstanding Revolving Loans (including on the Maturity Date of the Closing Date Revolving Facility) are incorporated by reference herein.

(g) All Letters of Credit outstanding under the Credit Agreement on the Fourth Amendment Extension Effective Date shall remain outstanding under the Amended Credit Agreement. Each Revolving Lender’s risk participation in each such Letter of Credit (and for the avoidance of doubt, Swing Line Loans) shall be determined in accordance with such Revolving Lender’s pro rata share, as if such Letter of Credit had been issued on the Fourth Amendment Extension Effective Date immediately after giving effect to Section 1 of this Amendment.
Except as expressly set forth herein, (i) this Amendment shall not by implication or otherwise limit, impair, constitute a waiver of or otherwise affect the rights and remedies of the Lenders, the Administrative Agent or any other Agent, in each case under the Credit Agreement or any other Loan Document, and (ii) shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other Loan Document. Each and every term, condition, obligation, covenant and agreement contained in the Credit Agreement as amended hereby, or any other Loan Document as amended hereby, is hereby ratified and re-affirmed in all respects and shall continue in full force and effect. This Amendment shall constitute a Loan Document for purposes of the Credit Agreement and from and after the Amendment No. 4 Extension Effective Date, all references to the Credit Agreement in any Loan Document and all references in the Credit Agreement to “this Agreement”, “hereunder”, “hereof” or words of like import referring to the Credit Agreement, shall, unless expressly provided otherwise, refer to the Credit Agreement as amended by this Amendment. Each of the Loan Parties hereby consents to this Amendment and confirms that all obligations of such Loan Party under the Loan Documents to which such Loan Party is a party shall continue to apply to the Credit Agreement as amended hereby. The parties hereto acknowledge and agree that the amendment of the Credit Agreement pursuant to this Amendment and all other Loan Documents amended and/or executed and delivered in connection herewith shall not constitute a novation of the Credit Agreement and the other Loan Documents as in effect prior to the Amendment No. 4 Extension Effective Date.

Section 10. **Reaffirmation.** Each of the Loan Parties hereby consents to the amendment of the Credit Agreement described in Section 1 of this Amendment and hereby confirms its respective guarantees, pledges, grants of security interests, subordinations and other obligations, as applicable, under and subject to the terms of each of the Loan Documents to which it is party, and confirms, agrees and acknowledges that, notwithstanding the consummation of this Amendment, such guarantees, pledges, grants of security interests, subordinations and other obligations, and the terms of each of the Loan Documents to which it is a party, except as expressly modified by this Amendment, are not affected or impaired in any manner whatsoever and shall continue to be in full force and effect and shall also guarantee and secure all obligations as amended and reaffirmed pursuant to the Credit Agreement and this Amendment. Each of the Loan Parties confirms, acknowledges and agrees that the Lenders, the 2020 Extending Revolving Lenders providing the 2020 Extended Revolving Loans and the 2020 Incremental Revolving Lenders providing the 2020 Incremental Revolving Loans are “Lenders” and “Secured Parties” for all purposes under the Loan Documents. For the avoidance of doubt, each Loan Party hereby restates the provisions of Article II of the Security Agreement and agrees that all references in the Security Agreement to the “Secured Obligations” shall include the 2020 Extended Revolving Loans and the 2020 Incremental Revolving Loans.

Section 11. **WAIVER OF RIGHT OF TRIAL BY JURY.** EACH PARTY TO THIS AMENDMENT HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AMENDMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.
(WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AMENDMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 11.

Transactions (and any increase or decrease in Consolidated EBITDA and the component financial definitions used therein attributable to any Specified Transaction) had occurred on the first day of the applicable Test Period (or, in the case of Total Assets, on the last day of the applicable Test Period). If since the beginning of any applicable Test Period any Person that subsequently became a Restricted Subsidiary or was merged, amalgamated or consolidated with or into the Borrower or any Restricted Subsidiary since the beginning of such Test Period shall have made any Specified Transaction that would have required adjustment pursuant to this Section 1.07, then such financial ratio or test (or Consolidated EBITDA or Total Assets) shall be calculated to give pro forma effect thereto in accordance with this Section 1.07; provided that with respect to any pro forma calculations to be made in connection with any acquisition or investment in respect of which financial statements for the relevant target are not available for the same Test Period for which internal financial statements of the Borrower are available, the Borrower shall determine such pro forma calculations on the basis of the available financial statements (even if for differing periods) or such other basis as determined on a commercially reasonable basis by the Borrower.

(3) Whenever pro forma effect is to be given to a Specified Transaction, the pro forma calculations shall be made in good faith by a Financial Officer of the Borrower and may include, for the avoidance of doubt, the amount of “run-rate” cost savings, operating expense reductions and synergies projected by the Borrower in good faith to result from or relating to any Specified Transaction (including the Original Transactions and, for the avoidance of doubt, acquisitions occurring prior to the Closing Date) which is being given pro forma effect that have been realized or are expected to be realized and for which the actions necessary to realize such cost savings, operating expense reductions and synergies are taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken (in the good faith determination of the Borrower) (calculated on a pro forma basis as though such cost savings, operating expense reductions and synergies had been realized on the first day of such period and as if such cost savings, operating expense reductions and synergies were realized during the entirety of such period and “run-rate” means the full recurring benefit for a period that is associated with any action taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken (including any savings expected to result from the elimination of a public target’s compliance costs with public company requirements), whether prior to or following the Closing Date, net of the amount of actual benefits realized during such period from such actions, and any such adjustments shall be included in the initial pro forma calculations of such financial ratios or tests and during any subsequent Test Period in which the effects thereof are expected to be realized) relating to such Specified Transaction; provided that (a) such amounts are reasonably identifiable and factually supportable in the good faith judgment of the Borrower, (b) such actions are taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken no later than eighteen (18) months after the date of such Specified Transaction (or actions undertaken or implemented prior to the consummation of such Specified Transaction) and (c) no amounts shall be added to the extent duplicative of any amounts that are otherwise added back in computing Consolidated EBITDA (or any other components thereof), whether through a pro forma adjustment or otherwise, with respect to such period; provided, that the aggregate amount of any such “run rate” adjustments added back pursuant to this Section 1.07 and clause (l) of the definition of “Consolidated EBITDA” shall not exceed in the aggregate 25% of Consolidated EBITDA for such period (as calculated before giving effect to any such “run rate” adjustments).

(4) In the event that (a) the Borrower or any Restricted Subsidiary incurs (including by assumption or guarantees), issues or repays (including by redemption, repurchase, repayment, retirement, discharge, defeasance or extinguishment) any Indebtedness (other than Indebtedness incurred or repaid under any revolving credit facility or line of credit unless such Indebtedness has been permanently repaid and not replaced and, for the avoidance of doubt, in the event an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) is incurred or issued, any Lien is incurred or other transaction is undertaken in reliance on a ratio Basket based on the Interest Coverage Ratio, First Lien Net
Leverage Ratio, Secured Net Leverage Ratio and the Total Net Leverage Ratio, such ratio(s) shall be calculated without regard to the incurrence of any Indebtedness under any revolving facility in connection therewith, (b) the Borrower or any Restricted Subsidiary issues, repurchases or redeems Disqualified Stock, (c) any Restricted Subsidiary issues, repurchases or redeems Preferred Stock or (d) the Borrower or any Restricted Subsidiary establishes or eliminates any Designated Revolving Commitments, in each case included in the calculations of any financial ratio or test, (i) during the applicable Test Period or (ii) subsequent to the end of the applicable Test Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then such financial ratio or test shall be calculated giving pro forma effect to such incurrence, issuance, repayment or redemption of Indebtedness, issuance, repurchase or redemption of Disqualified Stock or Preferred Stock, or establishment or elimination of any Designated Revolving Commitments, in each case to the extent required, as if the same had occurred on the last day of the applicable Test Period (except in the case of the Interest Coverage Ratio (or similar ratio), in which case such incurrence, issuance, repayment or redemption of Indebtedness, issuance, repurchase or redemption of Disqualified Stock or Preferred Stock, or establishment or elimination of any Designated Revolving Commitments, in each case will be given effect, as if the same had occurred on the first day of the applicable Test Period) and, in the case of Indebtedness for all purposes as if such Indebtedness in the full amount of any undrawn Designated Revolving Commitments had been incurred thereunder throughout such period.

(5) If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date of the event for which the calculation of the Interest Coverage Ratio is made had been the applicable rate for the entire period (taking into account any interest hedging arrangements applicable to such Indebtedness). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a Financial Officer of the Borrower to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate shall be determined to have been based upon the rate actually chosen, or if none, then based upon such optional rate chosen as the Borrower or applicable Restricted Subsidiary may designate.

(6) Notwithstanding anything to the contrary in this Section 1.07 or in any classification under GAAP of any Person, business, assets or operations in respect of which a definitive agreement for the disposition thereof has been entered into, at the election of the Borrower, no pro forma effect shall be given to any discontinued operations (and the Consolidated EBITDA attributable to any such Person, business, assets or operations shall not be excluded for any purposes hereunder) until such disposition shall have been consummated.

(7) Any determination of Total Assets shall be made by reference to the last day of the Test Period most recently ended for which internal financial statements of the Borrower are available (as determined in good faith by the Borrower) on or prior to the relevant date of determination.

(8) Notwithstanding anything to the contrary contained herein, in the event any item of Indebtedness (including any Class of Indebtedness incurred under this Agreement (including pursuant to Section 2.14)), Disqualified Stock or Preferred Stock, Permitted Lien, Restricted Payment, Permitted Investment or other transaction or action (or any of the foregoing in a single transaction or a series of substantially concurrent related transactions) meets the criteria of one or more than one of the categories of Baskets under this Agreement (including within any defined terms), including any financial ratio based Baskets (including the Interest Coverage Ratio, First Lien Net Leverage Ratio, Secured Net Leverage Ratio and the Total Net Leverage Ratio), (i) unless otherwise expressly provided in this Agreement, the Borrower may, in its sole discretion, divide and classify and later re-divide and reclassify on or more occasions (based on circumstances existing on the date of any such re-division and reclassification) any such item of
Indebtedness (including any Class of Indebtedness incurred under this Agreement (including pursuant to Section 2.14)), Disqualified Stock or Preferred Stock, Lien, Restricted Payment, Permitted Investment or other transaction or action, in whole or in part, among one or more than one categories of Baskets under this Agreement, and (ii) availability and utilization of any category of financial ratio based Baskets (i.e., incurrence-based Baskets) with respect to any covenant (and including clause (D) of the Available Incremental Amount for purposes hereof) shall first be calculated without giving effect to the amount or portion of any item of Indebtedness, Disqualified Stock or Preferred Stock, Lien, Restricted Lien, Restricted Payment, Permitted Investment or other transaction or action to be utilized under any other category of Baskets under such covenant (or the Available Incremental Amount, as applicable) at such time of determination (including at the time of any initial division and classification and any later re-divisions and reclassifications) and thereafter, availability and utilization of any category of Baskets that are not financial ratio based (including all Baskets based on fixed Dollar amounts or a percentage of Consolidated EBITDA or total assets under such covenant (including, as applicable, under clause (A)(1) of the Available Incremental Amount)) shall be calculated; **provided** that all Indebtedness (x) incurred hereunder on the Closing Date and (y) represented by the Indebtedness pursuant to the Second Lien Credit Documents and related Guarantees on the Closing Date will, at all times, be treated as incurred on the Closing Date under Section 7.02(b)(1) and (2), respectively, and may not be reclassified. Each item of Indebtedness, Disqualified Stock or Preferred Stock, Lien, Permitted Lien, Restricted Payment, Permitted Investment or other transaction or action will be deemed to have been incurred, issued, made or taken first, to the extent available, pursuant to any available categories of financial ratio based Baskets (including the Interest Coverage Ratio, First Lien Net Leverage Ratio, Secured Net Leverage Ratio and the Total Net Leverage Ratio) as set forth above prior to any other category of Baskets. If any item of Indebtedness (including any Class of Indebtedness incurred under this Agreement (including pursuant to Section 2.14)), Disqualified Stock or Preferred Stock, Lien, Permitted Lien, Restricted Payment, Permitted Investment or other transaction or action (or any portion of the foregoing) previously divided and classified (or re-divided and reclassified) as set forth above under any category of non-financial ratio based Baskets could subsequently be re-divided and reclassified under a category of financial ratio based Baskets (including the Interest Coverage Ratio, Senior Secured Net Leverage Ratio or Total Net Leverage Ratio (including clause (D) of the Available Incremental Amount)), such re-division and reclassification shall be deemed to occur automatically and item of Indebtedness, Disqualified Stock or Preferred Stock, Lien, Permitted Lien, Restricted Payment, Permitted Investment or other transaction or action (or any portion of the foregoing) shall cease to be deemed made or outstanding for purposes of any category of Baskets that are not financial ratio based.

(9) If any item of Indebtedness, Disqualified Stock or Preferred Stock, Permitted Lien, Restricted Payment, Permitted Investment or other transaction or action (any of the foregoing in a single transaction or a series of substantially concurrent related transactions) is incurred, issued, taken or consummated in reliance on categories of Baskets measured by reference to a percentage of Consolidated EBITDA, and any Indebtedness, Disqualified Stock or Preferred Stock, Lien, Permitted Lien, Restricted Payment, Permitted Investment or other transaction or action (including in connection with refinancing thereof) would subsequently exceed the applicable percentage of Consolidated EBITDA if calculated based on the Consolidated EBITDA on a later date (including the date of any refinancing), such percentage of Consolidated EBITDA will not be deemed to be exceeded (and in the case of refinancing any Indebtedness, Disqualified Stock or Preferred Stock, to the extent the principal amount or the liquidation preference of such newly incurred or issued Indebtedness, Disqualified Stock or Preferred Stock does not exceed the maximum principal amount, liquidation preference or amount of Refinancing Indebtedness in respect of the Indebtedness, Disqualified Stock or Preferred Stock being refinanced, extended, replaced, refunded, renewed or defeased).
(10) Notwithstanding anything in this Agreement or any Loan Document to the contrary, when (a) calculating the availability under any Basket or ratio in this Agreement (including the Available Incremental Amount) or compliance with any provision of in this Agreement in connection with any Limited Condition Transaction and any actions or transactions related thereto (including acquisitions, Investments, the incurrence or issuance of Indebtedness, repayments and Restricted Payments), in each case, at the option of the Borrower (the Borrower’s election to exercise such option, an “LCT Election”), the date of determination for availability under any such Basket or ratio and whether any such action or transaction is permitted (or any requirement or condition thereof is complied with or satisfied (including as to the absence of any (or any type of) continuing Default or Event of Default and satisfaction of any representations and warranties)) in this Agreement shall be deemed to be the date (the “LCT Test Date”) the definitive agreements for such Limited Condition Transaction are entered into (or, if applicable, the date of delivery of an irrevocable notice, declaration of a Restricted Payment or similar event), and if, after giving pro forma effect to the Limited Condition Transaction and any actions or transactions related thereto (including acquisitions, Investments, the incurrence or issuance of Indebtedness (including pursuant to Section 2.14), Disqualified Stock or Preferred Stock and the use of proceeds thereof, the incurrence of Liens, repayments and Restricted Payments) and any related pro forma adjustments, the Borrower or any of its Restricted Subsidiaries would have been permitted to take such actions or consummate such transactions on the relevant LCT Test Date in compliance with such ratio, test or basket (and any related requirements and conditions), such ratio, test or basket (and any related requirements and conditions) shall be deemed to have been complied with (or satisfied) for all purposes (in the case of Indebtedness, for example, whether such Indebtedness is committed, issued or incurred at the LCT Test Date or at any time thereafter); provided, that (a) if financial statements for one or more subsequent fiscal quarters shall have become available, the Borrower may elect, in its sole discretion, to re-determine all such ratios, tests or baskets on the basis of such financial statements, in which case, such date of redetermination shall thereafter be deemed to be the applicable LCT Test Date for purposes of such ratios, tests or baskets, and (b) except as contemplated in the foregoing clause (a), compliance with such ratios, tests or baskets (and any related requirements and conditions) shall not be determined or tested at any time after the applicable LCT Test Date for such Limited Condition Transaction and any actions or transactions related thereto (including acquisitions, Investments, the incurrence or issuance of Indebtedness, Disqualified Stock or Preferred Stock and the use of proceeds thereof, the incurrence of Liens, repayments and Restricted Payments).

For the avoidance of doubt, if the Borrower has made an LCT Election, (1) if any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would at any time after the LCT Test Date have been exceeded or otherwise failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in EBITDA or total assets of the Borrower or the Person subject to such Limited Condition Transaction, such baskets, tests or ratios will not be deemed to have been exceeded or failed to have been complied with as a result of such fluctuations; (2) if any related requirements and conditions (including as to the absence of any (or any type of) continuing Default or Event of Default and satisfaction of any representations and warranties) for which compliance or satisfaction was determined or tested as of the LCT Test Date would at any time after the LCT Test Date not have been complied with or satisfied (including due to the occurrence or continuation of any Default or Event of Default or failure to satisfy any representations and warranties), such requirements and conditions will not be deemed to have been failed to be complied with or satisfied (and such Default or Event of Default shall be deemed not to have occurred or be continuing and such representations and warranties shall be deemed to have been satisfied); and (3) in calculating the availability under any ratio, test or basket in connection with any action or transaction unrelated to such Limited Condition Transaction following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement or date for redemption, purchase or repayment specified in an irrevocable notice or declaration for such Limited Condition Transaction is terminated, expires or passes, as applicable, without consummation of such Limited Condition Transaction, any such ratio, test or basket shall be determined or tested giving pro forma effect to such Limited Condition Transaction.
SECTION 1.08 Available Amount Transaction. If more than one action occurs on any given date the permissibility of the taking of which is determined hereunder by reference to the amount specified in clause (3) of Section 7.05(a) immediately prior to the taking of such action, the permissibility of the taking of each such action shall be determined independently and in no event may any two or more such actions be treated as occurring simultaneously, i.e., each transaction must be permitted under clause (3) of Section 7.05(a) as so calculated.

SECTION 1.09 Guaranties of Hedging Obligations. Notwithstanding anything else to the contrary in any Loan Document, no non-Qualified ECP Guarantor shall be required to guarantee or provide security for Excluded Swap Obligations, and any reference in any Loan Document with respect to such non-Qualified ECP Guarantor guaranteeing or providing security for the Obligations shall be deemed to be all Obligations other than the Excluded Swap Obligations.

SECTION 1.10 Currency Generally.

(1) The Borrower shall determine in good faith the Dollar equivalent amount of any utilization or other measurement denominated in a currency other than Dollars for purposes of compliance with any Basket. For purposes of determining compliance with any Basket under Article VII or VIII with respect to any amount expressed in a currency other than Dollars, no Default shall be deemed to have occurred solely as a result of changes in rates of currency exchange occurring after the time such Basket utilization occurs or other Basket measurement is made (so long as such Basket utilization or other measurement, at the time incurred, made or acquired, was permitted hereunder). Except with respect to any ratio calculated under any Basket, any subsequent change in rates of currency exchange with respect to any prior utilization or other measurement of a Basket previously made in reliance on such Basket (as the same may have been reallocated in accordance with this Agreement) shall be disregarded for purposes of determining any unutilized portion under such Basket.

(2) For purposes of determining the First Lien Net Leverage Ratio, Secured Net Leverage Ratio and the Total Net Leverage Ratio, the amount of Indebtedness and cash and Cash Equivalents shall reflect the currency translation effects, determined in accordance with GAAP, of Hedging Obligations permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Dollar equivalent of such Indebtedness.

(3) Notwithstanding anything herein to the contrary, at the election of the Borrower (subject to the consents required under the definition of “Acceptable Non-USD Currency”), any Class of Revolving Loans or Revolving Commitments incurred or established under this Agreement may be denominated in (and any existing Class of Revolving Loans or Revolving Commitments may be modified to add the ability to borrow in) any Acceptable Non-USD Currency. If any Class of Revolving Loans or Revolving Commitments denominated in an Acceptable Non-USD Currency is incurred or established (or any existing Class of Revolving Loans or Revolving Commitments is modified to add the ability to borrow in any Acceptable Non-USD Currency), then the Borrower and the Administrative Agent may, without the consent of any other Loan Party, Agent, Lender, Issuing Bank or other party, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to give effect to such denomination in an Acceptable Non-USD Currency.

(4) Notwithstanding anything to the contrary herein, for purposes of determining the relative outstanding principal amounts of any Loans denominated in any currency other than Dollars (including any Euro Term Loans) in connection with (i) determining whether the Required Lenders or Required Facility Lenders shall have consented to any amendment, waiver, modification or supplement hereunder or (ii) the application of any mandatory prepayments of Loans hereunder, such determination shall be based on the Dollar-equivalent principal amounts of such Loans based on the Spot Rate as of the applicable date of determination.
SECTION 1.11 Letters of Credit. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the Dollar Amount of the stated amount of such Letter of Credit in effect at such time after giving effect to any automatic reductions to such stated amount pursuant to the terms of the applicable Letter of Credit after the occurrence of any applicable condition (including the expiration of any applicable period); provided, however, that with respect to any Letter of Credit that, by its terms or the terms of any Issuing Bank Document related thereto, provides for one or more automatic increases in the stated amount thereof, the amount of such Letter of Credit shall be deemed to be the Dollar Amount of the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at such time.

If the Borrower requests a Borrowing of, conversion to, or continuation of Eurodollar Rate Loans or EURIBOR Rate Loans in any such Committed Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one (1) month.

(2) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each Lender of the amount of its Pro Rata Share or other applicable share provided for under this Agreement of the applicable Class of Loans, and if no timely notice of a conversion or continuation is provided by the Borrower, the Administrative Agent shall notify each Lender of the details of any automatic continuation of Eurodollar Rate Loans or EURIBOR Rate Loans or continuation of Loans described in Section 2.02(1). In the case of each Borrowing, each Appropriate Lender shall make the amount of its Loan available to the Administrative Agent (or, with respect to Borrowings of Incremental Loans, to such Incremental Lender as the Administrative Agent may reasonably agree for such purpose) in Same Day Funds at the Administrative Agent’s Office, or to such other account as the Administrative Agent may specify, not later than, in the case of Borrowing on the Closing Date, 10:00 a.m., New York time, and otherwise 3:00 p.m., New York time, on the Business Day specified in the applicable Committed Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 4 for any Borrowing, the Administrative Agent (or, with respect to Incremental Loans, such Incremental Lender as the Administrative Agent may reasonably agree) shall make all funds so received available to the Borrower in like funds as received by the Administrative Agent (or, with respect to Incremental Loans, such applicable Incremental Lender) either by (a) crediting the account(s) of the Borrower on the books of the Administrative Agent with the amount of such funds or (b) wire transfer of such funds, in each case in accordance with instructions provided by the Borrower to (and reasonably acceptable to) the Administrative Agent (and in the case of clause (b), such Incremental Lender, if applicable); provided that if on the date the Committed Loan Notice with respect to a Borrowing under a Revolving Facility is given by the Borrower, there are L/C Borrowings outstanding, then the proceeds of such Borrowing shall be applied, first, to the payment in full of any such L/C Borrowing and second, to the Borrower as provided above.

(3) Except as otherwise provided herein, a Eurodollar Rate Loan or EURIBOR Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurodollar Rate Loan or EURIBOR Rate Loan, as applicable, unless the Borrower pays the amount due, if any, under Section 3.05 in connection therewith. Upon the occurrence and during the continuation of an Event of Default, the Administrative Agent at the direction of the Required Facility Lenders under the applicable Facility may require by notice to the Borrower that no Loans under such Facility may be converted to or continued as Eurodollar Rate Loans.

(4) The Administrative Agent shall promptly notify the Borrower and the Lenders of the interest rate applicable to any Interest Period for Eurodollar Rate Loans or EURIBOR Rate Loan, as applicable, unless the Borrower pays the amount due, if any, under Section 3.05 in connection therewith. Upon the occurrence and during the continuation of an Event of Default, the Administrative Agent at the direction of the Required Facility Lenders under the applicable Facility may require by notice to the Borrower that no Loans under such Facility may be converted to or continued as Eurodollar Rate Loans.

(5) After giving effect to all Term Borrowings, all Revolving Borrowings, all conversions of Term Loans or Revolving Loans from one Type to the other, and all continuations of Term Loans or Revolving Loans as the same Type, there shall not be more than ten (10) Interest Periods in effect unless otherwise agreed between the Borrower and the Administrative Agent; provided that after the establishment of any new Class of Loans pursuant to an Incremental Amendment, a Refinancing Amendment, an Extension Amendment or an amendment in respect of Replacement Loans, the number of Interest Periods otherwise permitted by this Section 2.02(5) shall increase by three (3) Interest Periods for each applicable Class so established.
(6) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing.

(7) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing, or, in the case of any Borrowing of Base Rate Loans, prior to 1:30 p.m., New York time, on the date of such Borrowing, that such Lender will not make available to the Administrative Agent such Lender’s Pro Rata Share or other applicable share provided for under this Agreement of such Borrowing, the Administrative Agent may assume that such Lender has made such Pro Rata Share and such other applicable share available to the Administrative Agent on the date of such Borrowing in accordance with paragraph (2) above, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available, then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, each of such Lender and the Borrower severally agrees to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (a) in the case of the Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (b) in the case of such Lender, the Overnight Rate plus any administrative, processing or similar fees customarily charged by the Administrative Agent. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this Section 2.02(7) shall be conclusive in the absence of manifest error. If the Borrower and such Lender shall both pay all or any portion of the principal amount in respect of such Borrowing or interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such Borrowing or interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender’s Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

SECTION 2.03 Letters of Credit.

(1) The Letter of Credit Commitments.

(a) Subject to the terms and conditions set forth herein, (i) each Issuing Bank agrees, in reliance upon the agreements of the other Revolving Lenders set forth in this Section 2.03, (A) from time to time on any Business Day during the period from the Closing Date until the L/C Expiration Date, to issue Letters of Credit denominated in an Available LC Currency for the account of the Borrower, Holdings or a Restricted Subsidiary (provided that any such Letter of Credit may be for the benefit of Holdings or any Subsidiary of the Borrower) and to amend or renew Letters of Credit previously issued by it, in accordance with Section 2.03(2), and (B) to honor drawings under the Letters of Credit and (ii) the Revolving Lenders severally agree to participate in Letters of Credit issued pursuant to this Section 2.03. provided that no Issuing Bank shall be obligated to make any L/C Credit Extension with respect to any Letter of Credit, and no Lender shall be obligated to participate in any Letter of Credit if as of the date of such L/C Credit Extension, (x) the Revolving Exposure of any Revolving Lender would exceed such Lender’s Revolving Commitment, (y) the Outstanding Amount of the L/C Obligations would exceed the L/C Sublimit or (z) the Outstanding Amount of the L/C Obligations issued by such Issuing Bank would exceed its L/C Commitment. Within the foregoing limits, and subject to the terms and conditions hereof, the Borrower’s ability to obtain Letters of Credit shall be fully revolving, and accordingly the Borrower may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed.

115
(b) An Issuing Bank shall be under no obligation to issue any Letter of Credit if:

(i) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing such Letter of Credit, or any Law applicable to such Issuing Bank or any directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit, or direct that such Issuing Bank refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such Issuing Bank with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Closing Date (for which such Issuing Bank is not otherwise compensated hereunder);

(ii) subject to Section 2.03(2)(c), the expiry date of such requested Letter of Credit would occur more than twelve months after the date of issuance or last renewal, unless (A) each Appropriate Lender has approved of such expiration date or (B) the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the applicable Issuing Bank;

(iii) the expiry date of such requested Letter of Credit would occur after the L/C Expiration Date, unless (A) each Appropriate Lender has approved of such expiration date or (B) the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the applicable Issuing Bank;

(iv) the issuance of such Letter of Credit would violate any policies of such Issuing Bank applicable to letters of credit generally; provided that (i) Morgan Stanley Senior Funding, Inc. and its Affiliates shall only be required to issue standby letters of credit and shall not be required to issue (x) any bank guarantees or (y) any letter of credit denominated in any Available LC Currency other than Dollars without its prior consent and (ii) Bank of America, N.A. and JPMorgan Chase Bank, N.A. and their respective Affiliates shall not be required to issue any bank guarantees; or

(v) any Revolving Lender is at that time a Defaulting Lender, unless such Issuing Bank has entered into arrangements, including the delivery of Cash Collateral, satisfactory to such Issuing Bank (in its sole discretion) with the Borrower or such Lender to eliminate such Issuing Bank’s actual or potential Fronting Exposure (after giving effect to Section 2.17(1)(d)) with respect to the Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other L/C Obligations as to which such Issuing Bank has actual or potential Fronting Exposure, as it may elect in its sole discretion.
(c) An Issuing Bank shall be under no obligation to amend any Letter of Credit if (i) such Issuing Bank would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof or (ii) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(2) Procedures for Issuance and Amendment of Letters of Credit; Auto-Extension Letters of Credit.

(a) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Borrower delivered to an Issuing Bank (with a copy to the Administrative Agent) in the form of a L/C Application, appropriately completed and signed by a Responsible Officer of the Borrower. Such L/C Application must be received by the relevant Issuing Bank and the Administrative Agent not later than 1:00 p.m., New York time, at least two (2) Business Days prior to the proposed issuance date or date of amendment, as the case may be, or, in each case, such later date and time as the relevant Issuing Bank may agree in a particular instance in its sole discretion. In the case of a request for an initial issuance of a Letter of Credit, such L/C Application shall specify in form and detail reasonably satisfactory to the relevant Issuing Bank:

(i) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day);
(ii) the amount thereof;
(iii) the expiry date thereof;
(iv) the name and address of the beneficiary thereof;
(v) the documents to be presented by such beneficiary in case of any drawing thereunder;
(vi) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder;
(vii) the Available LC Currency in which the requested Letter of Credit is to be issued will be denominated; and
(viii) such other matters as the relevant Issuing Bank may reasonably request.

In the case of a request for an amendment of any outstanding Letter of Credit, such L/C Application shall specify in form and detail reasonably satisfactory to the relevant Issuing Bank:

(A) the Letter of Credit to be amended;
(B) the proposed date of amendment thereof (which shall be a Business Day);
(C) the nature of the proposed amendment; and
(D) such other matters as the relevant Issuing Bank may reasonably request.

(b) Promptly after receipt of any L/C Application, the relevant Issuing Bank will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such L/C Application from the Borrower and, if not, such Issuing Bank will provide the Administrative Agent with a copy thereof. Upon receipt by the relevant Issuing Bank of confirmation from
the Administrative Agent that the requested issuance or amendment is permitted in accordance with the terms hereof, then, subject to the terms and conditions hereof, such Issuing Bank shall, on the requested date, issue a Letter of Credit for the account of the Borrower (or, if applicable, for the benefit of Holdings or Subsidiary of the Borrower) or enter into the applicable amendment, as the case may be. Immediately upon the issuance of each Letter of Credit, each Revolving Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the relevant Issuing Bank a risk participation in such Letter of Credit in an amount equal to the product of such Lender’s Applicable Percentage of the amount of such Letter of Credit.

(c) If the Borrower so requests in any applicable L/C Application, the relevant Issuing Bank shall agree to issue a Letter of Credit that has automatic extension provisions (each, an “Auto-Extension Letter of Credit”); provided that any such Auto-Extension Letter of Credit must permit the relevant Issuing Bank to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the “Non-Extension Notice Date”) in each such twelve-month period to be agreed upon by the relevant Issuing Bank and the Borrower at the time such Letter of Credit is issued. Unless otherwise agreed in such Letter of Credit, the Borrower shall not be required to make a specific request to the relevant Issuing Bank for any such extension. Once an Auto-Extension Letter of Credit has been issued, the applicable Lenders shall be deemed to have authorized (but may not require) the relevant Issuing Bank to permit the extension of such Letter of Credit at any time to an expiry date not later than the applicable L/C Expiration Date, unless the Outstanding Amount of L/C Obligations in respect of such requested Letter of Credit has been Cash Collateralized or back-stopped by a letter of credit reasonably satisfactory to the applicable Issuing Bank; provided that the relevant Issuing Bank shall not permit any such extension if (i) the relevant Issuing Bank has determined that it would have no obligation at such time to issue such Letter of Credit in its extended form under the terms hereof (by reason of the provisions of Section 2.03(1)(b) or otherwise) or (ii) it has received notice (which may be by telephone or in writing) on or before the day that is seven (7) Business Days before the Non-Extension Notice Date from the Administrative Agent, any Revolving Lender or the Borrower that one or more of the applicable conditions specified in Section 4.02 will not be satisfied on the applicable date of the Credit Extension.

(d) Promptly after issuance of any Letter of Credit or any amendment to a Letter of Credit, the relevant Issuing Bank will also deliver to the Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment.

(3) Drawings and Reimbursements; Funding of Participations.

(a) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the relevant Issuing Bank shall promptly notify the Borrower and the Administrative Agent thereof (including the date on which such payment is to be made). Not later than 12:00 p.m. on the first Business Day immediately following any payment by an Issuing Bank under a Letter of Credit with notice to the Borrower (each such date, an “Honor Date”), the Borrower shall reimburse, or cause to be reimbursed, such Issuing Bank, in each case, through the Administrative Agent in an amount equal to the amount of such drawing (it being understood that in the case of a Letter of Credit denominated in an Available Currency other than Dollars, the amount of such Letter of Credit shall be determined by taking the Dollar Amount of such Letter of Credit); provided that, if such reimbursement is not made on the date of drawing, the Borrower shall pay interest to the relevant Issuing Bank on such amount at the rate applicable to Base Rate Loans (without duplication of interest payable on L/C Borrowings). The relevant Issuing Bank shall notify the Borrower of the amount of the drawing promptly following the determination thereof. If the Borrower fails to so reimburse, or cause to be reimbursed, such Issuing Bank by such time, the Administrative Agent shall promptly notify each Appropriate Lender of the Honor Date, the amount of the unreimbursed drawing (the “Unreimbursed Amount”), and the amount of
such Appropriate Lender’s Applicable Percentage thereof. In such event, in the case of an Unreimbursed Amount under a Letter of Credit, the Borrower
shall be deemed to have requested a Revolving Borrowing of Base Rate Loans to be disbursed on the Honor Date in an amount equal to the
Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.02 for the principal amount of Base Rate Loans but subject
to the requirements for the amount of the unutilized portion of the Revolving Commitments under the applicable Revolving Facility of the Appropriate
Lenders and the conditions set forth in Section 4.02 (other than the delivery of a Committed Loan Notice). Any notice given by an Issuing Bank or the
Administrative Agent pursuant to this Section 2.03(3)(a) may be given by telephone if immediately confirmed in writing; provided that the lack of such
an immediate confirmation shall not affect the conclusiveness or binding effect of such notice.

(b) Each Appropriate Lender (including any Lender acting as an Issuing Bank) shall upon any notice pursuant to Section 2.03(3)(a) make
funds available to the Administrative Agent for the account of the relevant Issuing Bank in Dollars (it being understood that in the case of a Letter of
Credit denominated in an Available LC Currency other than Dollars, the amount of such Letter of Credit shall be determined by taking the Dollar
Amount of such Letter of Credit) at the Administrative Agent’s Office for payments in an amount equal to its Applicable Percentage of the
Unreimbursed Amount not later than 1:00 p.m. on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the
provisions of Section 2.03(3)(c), each Appropriate Lender that so makes funds available shall be deemed to have made a Revolving Loan that is a Base
Rate Loan to the Borrower in such amount and, for the avoidance of doubt, the making of such Base Rate Loans in an aggregate amount equal to such
Unreimbursed Amount shall satisfy the Borrower’s reimbursement obligations with respect thereof. The Administrative Agent shall remit the funds so
received to the relevant Issuing Bank.

(c) With respect to any Unreimbursed Amount that is not fully refinanced by a Revolving Borrowing of Base Rate Loans because the
conditions set forth in Section 4.02 cannot be satisfied or for any other reason, the Borrower shall be deemed to have incurred from the relevant Issuing
Bank an L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on
demand (together with interest) and shall bear interest at the Default Rate. In such event, each Appropriate Lender’s payment to the Administrative
Agent for the account of the relevant Issuing Bank pursuant to Section 2.03(3)(b) shall be deemed payment in respect of its participation in such L/C
Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.03.

(d) Until each Appropriate Lender funds its Revolving Loan or L/C Advance pursuant to this Section 2.03(3) to reimburse the relevant
Issuing Bank for any amount drawn under any Letter of Credit, interest in respect of such Lender’s Applicable Percentage of such amount shall be solely
for the account of the relevant Issuing Bank.

(e) Each Revolving Lender’s obligation to make Revolving Loans or L/C Advances to reimburse an Issuing Bank for amounts drawn
under Letters of Credit, as contemplated by this Section 2.03(3), shall be absolute and unconditional and shall not be affected by any circumstance,
including

(i) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the relevant Issuing Bank, the
Borrower or any other Person for any reason whatsoever;

(ii) the occurrence or continuance of a Default; or

119
provided that each Revolving Lender’s obligation to make Revolving Loans pursuant to this Section 2.03(3) is subject to the conditions set forth in Section 4.02 (other than delivery by the Borrower of a Committed Loan Notice). No such making of an L/C Advance shall relieve or otherwise impair the obligation of the Borrower to reimburse the relevant Issuing Bank for the amount of any payment made by such Issuing Bank under any Letter of Credit, together with interest as provided herein.

(f) If any Revolving Lender fails to make available to the Administrative Agent for the account of the relevant Issuing Bank any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.03(3) by the time specified in Section 2.03(3)(b), such Issuing Bank shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such Issuing Bank at a rate per annum equal to the Overnight Rate from time to time in effect. A certificate of the relevant Issuing Bank submitted to any Revolving Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.03(3)(f) shall be conclusive absent manifest error.

(4) Repayment of Participations.

(a) If, at any time after an Issuing Bank has made a payment under any Letter of Credit and has received from any Revolving Lender such Lender’s L/C Advance in respect of such payment in accordance with Section 2.03(3), the Administrative Agent receives for the account of such Issuing Bank any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its Applicable Percentage thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender’s L/C Advance was outstanding) in the amount received by the Administrative Agent.

(b) If any payment received by the Administrative Agent for the account of an Issuing Bank pursuant to Section 2.03(3)(a) or Section 2.03(3)(b) is required to be returned under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by such Issuing Bank in its discretion), each Appropriate Lender shall pay to the Administrative Agent for the account of such Issuing Bank its Applicable Percentage thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the Overnight Rate from time to time in effect. The Obligations of the Revolving Lenders under this Section 2.03(4)(b) shall survive the payment in full of the Obligations and the termination of this Agreement.

(5) Obligations Absolute. The obligation of the Borrower to reimburse the relevant Issuing Bank for each drawing under each Letter of Credit issued by it and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(a) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other agreement or instrument relating thereto;

(b) the existence of any claim, counterclaim, setoff, defense or other right that any Loan Party may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the relevant Issuing Bank or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;
(c) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(d) any payment by the relevant Issuing Bank under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the relevant Issuing Bank under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(e) any exchange, release or non-perfection of any Collateral, or any release or amendment or waiver of or consent to departure from the Guaranty or any other guarantee, for all or any of the Obligations of any Loan Party in respect of such Letter of Credit; or

(f) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Loan Party;

provided that the foregoing shall not excuse any Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are waived by the Borrower to the extent permitted by applicable Law) suffered by the Borrower that are caused by acts or omissions by such Issuing Bank constituting gross negligence, bad faith or willful misconduct on the part of such Issuing Bank as determined in a final and non-appealable judgment by a court of competent jurisdiction.

(6) Role of Issuing Banks. Each Issuing Bank shall be entitled to rely upon, and shall be fully protected in relying upon, any note, writing, resolution, notice, statement, certificate or facsimile message, order or other document or telephone message signed, sent or made by any Person that such Issuing Bank reasonably believed to be genuine and correct and to have been signed, sent or made by the proper Person, and, with respect to all legal matters pertaining to this Agreement and any other Loan Document and its duties hereunder and thereunder, upon advice of counsel selected by such Issuing Bank (which may include, at the Issuing Bank’s option, counsel of the Administrative Agent or the Borrower). Each Lender and the Borrower agrees that, in paying any drawing under a Letter of Credit, the relevant Issuing Bank shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the Issuing Banks, any Related Person of such Issuing Banks, nor any of the respective correspondents, participants or assignees of any Issuing Bank shall be liable to any Lender for

(a) any action taken or omitted in connection herewith at the request or with the approval of the Lenders, the Required Lenders or the Required Facility Lenders in respect of the Revolving Commitments, as applicable;
(b) any action taken or omitted in the absence of gross negligence, bad faith or willful misconduct as determined in a final and non-appealable judgment by a court of competent jurisdiction; or

(c) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or L/C Application.

The Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided that this assumption is not intended to, and shall not, preclude the Borrower from pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the Issuing Banks, any Related Persons of such Issuing Banks, nor any of the respective correspondents, participants or assignees of any Issuing Bank, shall be liable or responsible for any of the matters described in clauses (a) through (f) of Section 2.03(5); provided that anything in such clauses to the contrary notwithstanding, the Borrower may have a claim against an Issuing Bank, and such Issuing Bank may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential, damages suffered by the Borrower which the Borrower proves were caused by such Issuing Bank’s willful misconduct, bad faith or gross negligence or such Issuing Bank’s willful or grossly negligent, or bad faith, failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit in each case as determined in a final and non-appealable judgment by a court of competent jurisdiction. In furtherance and not in limitation of the foregoing, each Issuing Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and no Issuing Bank shall be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

Each Revolving Lender shall, ratably in accordance with its Applicable Percentage, indemnify each Issuing Bank, its Related Persons and their respective directors, officers, agents and employees (to the extent not reimbursed by the Borrower) against any cost, expense (including reasonable counsel fees and disbursements), claim, demand, action, loss or liability (except such as result from such indemnitees’ willful misconduct, bad faith or gross negligence or such Issuing Bank’s willful or grossly negligent, or bad faith, failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit in each case as determined in a final and non-appealable judgment by a court of competent jurisdiction) that such indemnitees may suffer or incur in connection with this Section 2.03 or any action taken or omitted to be taken by such indemnitees hereunder.

(7) Cash Collateral. Subject to Section 2.17(1)(d), if,

(a) as of any L/C Expiration Date, any applicable Letter of Credit may for any reason remain outstanding and partially or wholly undrawn,

(b) any Event of Default occurs and is continuing and the Administrative Agent, upon the direction of the Required Facility Lenders in respect of the Revolving Facility, requires the Borrower to Cash Collateralize the L/C Obligations pursuant to Section 8.02 or

(c) an Event of Default set forth under Section 8.01(6) occurs and is continuing,
the Borrower will Cash Collateralize, or cause to be Cash Collateralized, the then Outstanding Amount of all relevant L/C Obligations (in an amount equal to such Outstanding Amount determined as of the date of such Event of Default or the applicable L/C Expiration Date, as the case may be), and shall do so not later than 2:00 p.m. on (i) in the case of the immediately preceding clauses (a) or (b), (x) the Business Day that the Borrower receives notice thereof, if such notice is received on such day prior to 12:00 p.m. or (y) if clause (x) above does not apply, the Business Day immediately following the day that the Borrower receives such notice and (ii) in the case of the immediately preceding clause (c), the Business Day on which an Event of Default set forth under Section 8.01(6) occurs or, if such day is not a Business Day, the Business Day immediately succeeding such day. At any time that there shall exist a Defaulting Lender, immediately upon the request of the Administrative Agent or the applicable Issuing Bank, the Borrower will Cash Collateralize all Fronting Exposure (after giving effect to Section 2.17(1)(d) and any Cash Collateral provided by the Defaulting Lender). The Borrower hereby grants to the Administrative Agent, for the benefit of the Issuing Banks and the Revolving Lenders, a security interest in all such Cash Collateral. Cash Collateral shall be maintained in blocked accounts at the Administrative Agent and may be invested in readily available Cash Equivalents selected by the Administrative Agent in its sole discretion. If at any time the Administrative Agent determines that any funds held as Cash Collateral are expressly subject to any right or claim of any Person other than the Loan Parties or the Administrative Agent (in its capacity as the depository bank and on behalf of the Secured Parties) or that the total amount of such funds is less than the aggregate Outstanding Amount of all relevant L/C Obligations, the Borrower will, forthwith upon demand by the Administrative Agent, pay, or cause to be paid, to the Administrative Agent, as additional funds to be deposited and held in the deposit accounts at the Administrative Agent as aforesaid, an amount equal to the excess of (A) such aggregate Outstanding Amount over (B) the total amount of funds, if any, then held as Cash Collateral that the Administrative Agent reasonably determines to be free and clear of any such right and claim. Upon the drawing of any Letter of Credit for which funds are on deposit as Cash Collateral, such funds shall be applied, to the extent permitted under applicable Law, to reimburse the relevant Issuing Bank. To the extent the amount of any Cash Collateral exceeds the then Outstanding Amount of such relevant L/C Obligations and so long as no Event of Default has occurred and is continuing, the excess shall promptly be refunded to the Borrower. To the extent any Event of Default giving rise to the requirement to Cash Collateralize any Letter of Credit pursuant to this Section 2.03(7) is cured or otherwise waived, then so long as no other Event of Default has occurred and is continuing, the amount of any Cash Collateral pledged to Cash Collateralize such Letter of Credit shall promptly be refunded to the Borrower.

(8) Existing Letters of Credit. The parties hereto agree that the Existing Letters of Credit shall be deemed Letters of Credit for all purposes under this Agreement, without any further action by the Borrower.

(9) Letter of Credit Fees. Such fronting fees shall be computed on a quarterly basis in arrears on the basis of a 360-day year and actual days elapsed. Such fronting fees shall be due and payable on the last Business Day of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the L/C Expiration Date and thereafter on demand. In addition, the Borrower shall pay, or cause to be paid, directly to each Issuing Bank for its own account with respect to each Letter of Credit issued by such Issuing Bank the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of such Issuing Bank relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable within ten (10) Business Days of demand and are nonrefundable.

The Administrative Agent shall notify the Revolving Lenders of any such additional Issuing Bank.

(13) **Provisions Related to Extended Revolving Commitments.** If the L/C Expiration Date in respect of any Class of Revolving Commitments occurs prior to the expiry date of any Letter of Credit, then (a) if consented to by the Issuing Bank which issued such Letter of Credit, if one or more other Classes of Revolving Commitments in respect of which the L/C Expiration Date shall not have so occurred are then in effect, such Letters of Credit for which consent has been obtained shall automatically be deemed to have been issued (including for purposes of the obligations of the Revolving Lenders to purchase participations therein and to make Revolving Loans and payments in respect thereof pursuant to Sections 2.03(3) and (4)) under (and ratably participated in by Revolving Lenders pursuant to) the Revolving Commitments in respect of such non-terminating Classes up to an aggregate amount not to exceed the aggregate principal amount of the unutilized Revolving Commitments thereunder at such time (it being understood that no partial face amount of any Letter of Credit may be so reallocated) and (b) to the extent not reallocated pursuant to immediately preceding clause (a) and unless provisions reasonably satisfactory to the applicable Issuing Bank for the treatment of such Letter of Credit as a letter of credit under a successor credit facility have been agreed upon, the Borrower shall, on or prior to the applicable Maturity Date, cause all such Letters of Credit to be replaced and returned to the applicable Issuing Bank undrawn and marked “cancelled” or to the extent that the Borrower is unable to so replace and return any Letter(s) of Credit, such Letter(s) of Credit shall be backstopped by a “back to back” letter of credit reasonably satisfactory to the applicable Issuing Bank or the Borrower shall Cash Collateralize any such Letter of Credit in accordance with Section 2.03(7).

(a) The Borrower may, upon notice to the Administrative Agent by the Borrower, at any time or from time to time voluntarily prepay any Class or Classes of Term Loans and any Class or Classes of Revolving Loans in whole or in part without premium (except as set forth in Section 2.18) or penalty; provided that

(i) such notice must be received by the Administrative Agent not later than (A) 1:00 p.m., New York time, three (3) Business Days prior to any date of prepayment of Eurodollar Rate Loans or EURIBOR Rate Loans and (B) 12:00 p.m., New York time, on the date of prepayment of Base Rate Loans;

(iii) any prepayment of Base Rate Loans shall be in a principal amount of $500,000 or a whole multiple of $100,000 in excess thereof or, if less, the entire principal amount thereof then outstanding.

Each such notice shall specify the date and amount of such prepayment and the Class(es) and Type(s) of Loans to be prepaid. The Administrative Agent will promptly notify each Appropriate Lender of its receipt of each such notice, and of the amount of such Lender’s Pro Rata Share of such prepayment. If such notice is given by the Borrower, the Borrower shall make such prepayment and the
payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Eurodollar Rate Loan or EURIBOR Rate Loan shall be accompanied by all accrued interest thereon, together with any additional amounts required pursuant to Section 3.05. In the case of each prepayment of the Loans pursuant to this Section 2.05(1), the Borrower may in its sole discretion select the Borrowing or Borrowings (and the order of maturity of principal payments) to be repaid, and such payment shall be paid to the Appropriate Lenders in accordance with their respective Pro Rata Shares.

(b) [Reserved]

c) Notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind (or delay the date of prepayment identified in) any notice of prepayment under Section 2.05(1)(a) by written notice to the Administrative Agent not later than 12:00 p.m., New York time, on such prepayment date if such prepayment would have resulted from a refinancing of all or a portion of the applicable Facility or other conditional event, which refinancing or other conditional event shall not be consummated or shall otherwise be delayed.

d) Voluntary prepayments of any Class of Term Loans permitted hereunder shall be applied to the remaining scheduled installments of principal thereof in a manner determined at the discretion of the Borrower and specified in the notice of prepayment (and absent such direction, in direct order of maturity). Each prepayment in respect of any Term Loans pursuant to this Section 2.05 may be applied to any Class of Term Loans as directed by the Borrower. For the avoidance of doubt, the Borrower may (i) prepay Term Loans of an Existing Term Loan Class pursuant to this Section 2.05 without any requirement to prepay Extended Term Loans that were converted or exchanged from such Existing Term Loan Class and (ii) prepay Extended Term Loans pursuant to this Section 2.05 without any requirement to prepay Term Loans of an Existing Term Loan Class that were converted or exchanged for such Extended Term Loans. In the event that the Borrower does not specify the order in which to apply prepayments to reduce scheduled installments of principal or as between Classes of Term Loans, the Borrower shall be deemed to have elected that such proceeds be applied to reduce the scheduled installments of principal in direct order of maturity on a pro rata basis among Term Loan Classes.

e) Notwithstanding anything in any Loan Document to the contrary, so long as (x) no Event of Default has occurred and is continuing and (y) no proceeds of Revolving Loans are used for this purpose, any Borrower Party may (i) purchase outstanding Term Loans on a non-pro rata basis through open market purchases or (ii) prepay the outstanding Term Loans (which Term Loans shall, for the avoidance of doubt, be automatically and permanently canceled immediately upon such purchase or prepayment), which in the case of clause (ii) only shall be prepaid without premium or penalty on the following basis:

The Auction Agent will promptly provide each Appropriate Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount Prepayment Response to be completed and returned by each such Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time, on the third Business Day after the date of delivery of such notice to such Lenders (the “Specified Discount Prepayment Response Date”).

(2) Each Term Lender receiving such offer shall notify the Auction Agent (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its applicable then outstanding Term Loans at the Specified Discount and, if so (such accepting Lender, a “Discount Prepayment Accepting Lender”), the amount and the Classes of such Lender’s Term Loans to be prepaid at such offered discount. Each acceptance of a Discounted Term Loan Prepayment by a Discount Prepayment Accepting Lender shall be irrevocable. Any Term Lender whose Specified Discount Prepayment Response is not received by the Auction Agent by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept the applicable Borrower Offer of Specified Discount Prepayment.

(3) If there is at least one Discount Prepayment Accepting Lender, the relevant Borrower Party will make a prepayment of outstanding Term Loans pursuant to this paragraph (B) to each Discount Prepayment Accepting Lender in accordance with the respective outstanding amount and Classes of Term Loans specified in such Lender’s Specified Discount Prepayment Response given pursuant to subsection (2) above; provided that if the aggregate principal amount of Term Loans accepted for prepayment by all Discount Prepayment Accepting Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made pro rata among the Discount Prepayment Accepting Lenders in accordance with the respective principal amounts accepted to be prepaid by each such Discount Prepayment Accepting Lender and the Auction Agent (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its reasonable discretion) will calculate such proration (the “Specified Discount Proration”). The Auction Agent shall promptly, and in any case within three (3) Business Days following the Specified Discount Prepayment Response Date, notify (I) the relevant Borrower Party of the respective Term Lenders’ responses to such offer, the Discounted Prepayment Effective Date and the aggregate principal amount of the Discounted Term Loan Prepayment and the Classes to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, and the aggregate principal amount and the Classes of Term Loans to be prepaid at the Specified Discount on such date and (III) each Discount Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the principal amount, Class and Type of Term Loans of such Lender to be prepaid at the Specified Discount on such date. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the applicable Borrower Party and such Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the applicable Borrower Party shall be due and payable by such Borrower Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).
(C) (1) Any Borrower Party may from time to time solicit Discount Range Prepayment Offers by providing the Auction Agent with five (5) Business Days’ notice (or such shorter period as agreed by the Auction Agent) in the form of a Discount Range Prepayment Notice; provided that (I) any such solicitation shall be extended, at the sole discretion of such Borrower Party, to (x) each Term Lender or (y) each Term Lender with respect to any Class of Term Loans on an individual Class basis, (II) any such notice shall specify the maximum aggregate principal amount of the relevant Term Loans (the “Discount Range Prepayment Amount”), the Class or Classes of Term Loans subject to such offer and the maximum and minimum percentage discounts to par (the “Discount Range”) of the principal amount of such Term Loans with respect to each relevant Class of Term Loans willing to be prepaid by such Borrower Party (it being understood that different Discount Ranges or Discount Range Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(1)(e)(C)), (III) the Discount Range Prepayment Amount shall be in an aggregate amount not less than $5.0 million and whole increments of $1.0 million in excess thereof and (IV) unless rescinded, each such solicitation by the applicable Borrower Party shall remain outstanding through the Discount Range Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time, on the third Business Day after the date of delivery of such notice to such Lenders (the “Discount Range Prepayment Response Date”). Each Term Lender’s Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the “Submitted Discount”) at which such Lender is willing to allow prepayment of any or all of its then outstanding Term Loans of the applicable Class or Classes and the maximum aggregate principal amount and Classes of such Lender’s Term Loans (the “Submitted Amount”) such Term Lender is willing to have prepaid at the Submitted Discount. Any Term Lender whose Discount Range Prepayment Offer is not received by the Auction Agent by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Term Loan Prepayment of any of its Term Loans at any discount to their par value within the Discount Range.

(2) The Auction Agent shall review all Discount Range Prepayment Offers received on or before the applicable Discount Range Prepayment Response Date and shall determine (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the Applicable Discount and Term Loans to be prepaid at such Applicable Discount in accordance with this subsection (C). The relevant Borrower Party agrees to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by the Auction Agent by the Discount Range Prepayment Response Date, in the order from the Submitted Discount that is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par within the Discount Range being referred to as the “Applicable Discount”) which yields a Discounted Term Loan Prepayment in an aggregate principal amount equal to the lower of (I) the Discount Range Prepayment Amount and (II) the sum of all Submitted Amounts. Each Term Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Submitted Amount (subject to any required proration pursuant to the following subsection (3)) at the Applicable Discount (each such Term Lender, a “Participating Lender”).

128
(3) If there is at least one Participating Lender, the relevant Borrower Party will prepay the respective outstanding Term Loans of each Participating Lender in the aggregate principal amount and of the Classes specified in such Lender’s Discount Range Prepayment Offer at the Applicable Discount; provided that if the Submitted Amount by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount, prepayment of the principal amount of the relevant Term Loans for those Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the “Identified Participating Lenders”) shall be made pro rata among the Identified Participating Lenders in accordance with the Submitted Amount of each such Identified Participating Lender and the Auction Agent (in consultation with such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “Discount Range Proration”). The Auction Agent shall promptly, and in any case within five (5) Business Days following the Discount Range Prepayment Response Date, notify (I) the relevant Borrower Party of the respective Term Lenders’ responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, the aggregate principal amount of the Discounted Term Loan Prepayment and the Classes to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, the Applicable Discount and the aggregate principal amount and Classes of Term Loans to be prepaid at the Applicable Discount on such date, (III) each Participating Lender of the aggregate principal amount and Classes of such Term Lender to be prepaid at the Applicable Discount on such date and (IV) if applicable, each Identified Participating Lender of the Discount Range Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the relevant Borrower Party and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the applicable Borrower Party shall be due and payable by such Borrower Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(D) (1) Any Borrower Party may from time to time solicit Solicited Discounted Prepayment Offers by providing the Auction Agent with five (5) Business Days’ notice in the form of a Solicited Discounted Prepayment Notice (or such later notice specified therein); provided that (I) any such solicitation shall be extended, at the sole discretion of such Borrower Party, to (x) each Term Lender or (y) each Lender with respect to any Class of Term Loans on an individual Class basis, (II) any such notice shall specify the maximum aggregate amount of the Term Loans (the “Solicited Discounted Prepayment Amount”) and the Class or Classes of Term Loans the applicable Borrower Party is willing to prepay at a discount (it being understood that different Solicited Discounted Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such event, each such offer will be treated as a separate offer pursuant to the terms of this Section 2.05(1)(e)(D)), (III) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than $5.0 million and whole increments of $1.0 million in excess thereof and (IV) unless rescinded, each such solicitation by the applicable Borrower Party shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Auction Agent will promptly provide each Appropriate Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York time, on the third Business Day after the date of delivery of such notice to such Term Lenders (the “Solicited Discounted Prepayment Effective Date”).
Discounted Prepayment Response Date”). Each Term Lender’s Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date and (z) specify both a discount to par (the “Offered Discount”) at which such Term Lender is willing to allow prepayment of its then outstanding Term Loan and the maximum aggregate principal amount and Classes of such Term Loans (the “Offered Amount”) such Term Lender is willing to have prepaid at the Offered Discount. Any Term Lender whose Solicited Discounted Prepayment Offer is not received by the Auction Agent by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Term Loans at any discount.

(2) The Auction Agent shall promptly provide the relevant Borrower Party with a copy of all Solicited Discounted Prepayment Offers received on or before the Solicited Discounted Prepayment Response Date. Such Borrower Party shall review all such Solicited Discounted Prepayment Offers and select the smallest of the Offered Discounts specified by the relevant responding Term Lenders in the Solicited Discounted Prepayment Offers that is acceptable to the applicable Borrower Party (the “Acceptable Discount”), if any. If the applicable Borrower Party elects to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by such Borrower Party from the Auction Agent of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this subsection (2) (the “Acceptance Date”), the applicable Borrower Party shall submit an Acceptance and Prepayment Notice to the Auction Agent setting forth the Acceptable Discount. If the Auction Agent shall fail to receive an Acceptance and Prepayment Notice from the applicable Borrower Party by the Acceptance Date, such Borrower Party shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(3) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by the Auction Agent by the Solicited Discounted Prepayment Response Date, within three (3) Business Days after receipt of an Acceptance and Prepayment Notice (the “Discounted Prepayment Determination Date”), the Auction Agent will determine (with the consent of such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the aggregate principal amount and the Classes of Term Loans (the “Acceptable Prepayment Amount”) to be prepaid by the relevant Borrower Party at the Acceptable Discount in accordance with this Section 2.05(1)(e)(D). If the applicable Borrower Party elects to accept any Acceptable Discount, then such Borrower Party agrees to accept all Solicited Discounted Prepayment Offers received by the Auction Agent by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Term Lender that has submitted a Solicited Discounted Prepayment Offer with an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Offered Amount (subject to any required pro-rata reduction pursuant to the following sentence) at the Acceptable Discount, a “Qualifying Lender”). The applicable Borrower Party will prepay outstanding Term Loans pursuant to this subsection (D) to each Qualifying Lender in the aggregate principal amount and of the Classes specified in such Lender’s Solicited Discounted Prepayment Offer at the Acceptable Discount; provided that if the aggregate Offered Amount by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the principal amount of the Term Loans for those Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the “Identified Qualifying Lenders”) shall be made pro rata among the Identified Qualifying Lenders in accordance with the Offered Amount of each such Identified Qualifying Lender and the Auction Agent (in consultation
with such Borrower Party and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “Solicited Discount Proration”). On or prior to the Discounted Prepayment Determination Date, the Auction Agent shall promptly notify (I) the relevant Borrower Party of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Term Loan Prepayment and the Classes to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Term Loans and the Classes to be prepaid to be prepaid at the Applicable Discount on such date, (III) each Qualifying Lender of the aggregate principal amount and the Classes of such Term Lender to be prepaid at the Acceptable Discount on such date, and (IV) if applicable, each Identified Qualifying Lender of the Solicited Discount Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to such Borrower Party and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to such Borrower Party shall be due and payable by such Borrower Party on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(E) In connection with any Discounted Term Loan Prepayment, the Borrower Parties and the Term Lenders acknowledge and agree that the Auction Agent may require, as a condition to the applicable Discounted Term Loan Prepayment, the payment of customary fees and expenses from a Borrower Party to such Auction Agent for its own account in connection therewith.

(F) If any Term Loan is prepaid in accordance with subsections (B) through (D) above, a Borrower Party shall prepay such Term Loans on the Discounted Prepayment Effective Date. The relevant Borrower Party shall make such prepayment to the Administrative Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, at the Administrative Agent’s Office in immediately available funds not later than 12:00 p.m., New York time, on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the relevant Class(es) of Term Loans and Lenders as specified by the applicable Borrower Party in the applicable offer. The Term Loans so prepaid shall be accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Term Loans pursuant to this Section 2.05(1)(e) shall be paid to the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, and shall be applied to the relevant Term Loans of such Lenders in accordance with their respective applicable share as calculated by the Auction Agent in accordance with this Section 2.05(1)(e) and, if the Administrative Agent is not the Auction Agent, the Administrative Agent shall be fully protected in relying on such calculations of the Auction Agent. The aggregate principal amount of the Classes and installments of the relevant Term Loans outstanding shall be deemed reduced by the full par value of the aggregate principal amount of the Classes of Term Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Term Loan Prepayment.

(G) To the extent not expressly provided for herein, each Discounted Term Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Section 2.05(1)(e), established by the Auction Agent acting in its reasonable discretion and as reasonably agreed by the applicable Borrower Party.
(H) Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 2.05(1)(e), each notice or other communication required to be delivered or otherwise provided to the Auction Agent (or its delegate) shall be deemed to have been given upon Auction Agent’s (or its delegate’s) actual receipt during normal business hours of such notice or communication; provided that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next succeeding Business Day.

(I) Each of the Borrower Parties and the Term Lenders acknowledge and agree that the Auction Agent may perform any and all of its duties under this Section 2.05(1)(e) by itself or through any Affiliate of the Auction Agent and expressly consents to any such delegation of duties by the Auction Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to each Affiliate of the Auction Agent and its respective activities in connection with any Discounted Term Loan Prepayment provided for in this Section 2.05(1)(e) as well as activities of the Auction Agent.

(J) Each Borrower Party shall have the right, by written notice to the Auction Agent, to revoke in full (but not in part) its offer to make a Discounted Term Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date, Discount Range Prepayment Response Date or Solicited Discounted Prepayment Response Date (and if such offer is revoked pursuant to the preceding clauses, any failure by such Borrower Party to make any prepayment to a Lender, as applicable, pursuant to this Section 2.05(1)(e) shall not constitute a Default or Event of Default under Section 8.01 or otherwise).

(2) Mandatory.

(a) Within five (5) Business Days after financial statements have been delivered pursuant to Section 6.01(1) and the related Compliance Certificate has been delivered pursuant to Section 6.02(1), commencing with the delivery of financial statements for the fiscal year ended on or about December 29, 2018, the Borrower shall, subject to clauses (g) and (h) of this Section 2.05(2), prepay, or cause to be prepaid, an aggregate principal amount of Term Loans (the “ECF Payment Amount”) equal to 50% (such percentage as it may be reduced as described below, the “ECF Percentage”) of Excess Cash Flow, if any, for the fiscal year covered by such financial statements minus the sum of all voluntary prepayments, repurchase or redemptions of

(i) Term Loans made pursuant to Sections 2.05(1)(a) and 2.05(1)(e) (in an amount, in the case of prepayments pursuant to Section 2.05(1) (e), equal to the discounted amount actually paid in respect of the principal amount of such Term Loans and only to the extent that such Loans have been cancelled); provided that this clause (i) shall not apply to any prepayment of Closing Date Term Loans with the proceeds of, or by the conversion into, Term B Loans,

(ii) Credit Agreement Refinancing Indebtedness, Permitted Incremental Equivalent Debt, and any other Indebtedness in the form of notes or term loans, in each case to the extent secured by the Collateral in whole or in part on a pari passu basis with the First Lien Obligations under this Agreement (but without regard to the control of remedies),

(iii) Revolving Loans and loans under any other revolving facility that is secured, in whole or in part, on a pari passu basis by the Collateral with the First Lien Obligations under this Agreement (but without regard to the control of remedies) (in each case of this clause (iii) (and with respect to any revolving facility under clause (ii) above), to the extent accompanied by a permanent reduction in the corresponding Revolving Commitments or other revolving commitments), and
in the case of each of the immediately preceding clauses (i), (ii), (iii) and (iv), made during such fiscal year (without duplication of any prepayments in such fiscal year that reduced the amount of Excess Cash Flow required to be repaid pursuant to this Section 2.05(2)(a) for any prior fiscal year) or after the fiscal year-end but prior to the date a prepayment pursuant to this Section 2.05(2)(a) is required to be made in respect of such fiscal year and in each case to the extent such prepayments are not funded with the proceeds of Funded Debt (other than any Indebtedness under a Revolving Facility or any other revolving credit facilities); provided that (w) a prepayment of Term Loans pursuant to this 2.05(2)(a) in respect of any fiscal year shall only be required in the amount (if any) by which the ECF Payment Amount for such fiscal year exceeds $35.0 million, (x) the ECF Percentage shall be 25% if the First Lien Net Leverage Ratio as of the end of the fiscal year covered by such financial statements was less than or equal to 3.25 to 1.00 and greater than 2.50 to 1.00 (calculated after giving effect to such prepayment at a rate of 50%) and (y) the ECF Percentage shall be 0% if the First Lien Net Leverage Ratio as of the end of the fiscal year covered by such financial statements was less than or equal to 2.50 to 1.00 (calculated after giving effect to such prepayment at a rate of 25%); provided further that:

(A) if at the time that any such prepayment would be required, the Borrower (or any Restricted Subsidiary) is required to Discharge Other Applicable Indebtedness with Other Applicable ECF pursuant to the terms of the documentation governing such Indebtedness, then the Borrower (or any Restricted Subsidiary) may apply such portion of Excess Cash Flow otherwise required to repay the Term Loans pursuant to this Section 2.05(2)(a) on a pro rata basis (determined on the basis of the aggregate outstanding principal amount of the Term Loans and Other Applicable Indebtedness requiring such Discharge at such time) to the prepayment of the Term Loans and to the repurchase or prepayment of Other Applicable Indebtedness, and the amount of prepayment of the Term Loans that would have otherwise been required pursuant to this Section 2.05(2)(a) shall be reduced accordingly (provided that the portion of such Excess Cash Flow allocated to the Other Applicable Indebtedness shall not exceed the amount of such Other Applicable ECF required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof and the remaining amount, if any, of such portion of Excess Cash Flow shall be allocated to the Term Loans to the extent required in accordance with the terms of this Section 2.05(2)(a)); and

(B) to the extent the lenders or holders of Other Applicable Indebtedness decline to have such Indebtedness repurchased or prepaid with such portion of Excess Cash Flow, the declined amount shall promptly (and in any event within ten (10) Business Days after the date of such rejection) be applied to prepay the Term Loans to the extent required in accordance with the terms of this Section 2.05(2)(a).

(b) (i) If (x) the Borrower or any Restricted Subsidiary makes an Asset Sale or (y) any Casualty Event occurs, which results in the realization or receipt by the Borrower or such Restricted Subsidiary of Net Proceeds, the Borrower shall prepay, or cause to be prepaid, on or prior to the date which is ten (10) Business Days after the date of the realization or receipt by the Borrower or such Restricted Subsidiary of such Net Proceeds, subject to clause (ii) of this Section 2.05(2)(b) and clauses
Section 2.05(2)(b)(i) with respect to such portion of such Net Proceeds that the Borrower shall have, on or prior to such date, given written notice to the Administrative Agent of its intent to reinvest (or entered into a binding commitment or a binding letter of intent to reinvest) in accordance with Section 2.05(2)(b)(ii); provided further that (x) the Net Proceeds Percentage shall be 50% if the First Lien Net Leverage Ratio for the Test Period most recently ended prior to the date of such required prepayment is less than or equal to 3.25 to 1.00 and greater than 2.50 to 1.00 and (y) the Net Proceeds Percentage shall be 0% if the First Lien Net Leverage Ratio for the Test Period most recently ended prior to the date of such required prepayment is less than or equal to 2.50 to 1.00; provided further that

(A) if at the time that any such prepayment would be required, the Borrower (or any Restricted Subsidiary) is required to Discharge any Other Applicable Indebtedness with Other Applicable Net Proceeds pursuant to the terms of the documentation governing such Indebtedness, then the Borrower (or any Restricted Subsidiary) may apply such Net Proceeds otherwise required to repay the Term Loans pursuant to this Section 2.05(2)(b)(i) on a pro rata basis (determined on the basis of the aggregate outstanding principal amount of the Term Loans and Other Applicable Indebtedness requiring such Discharge at such time), to the prepayment of the Term Loans and to the repurchase or prepayment of Other Applicable Indebtedness, and the amount of prepayment of the Term Loans that would have otherwise been required pursuant to this Section 2.05(2)(b)(i) shall be reduced accordingly (provided that the portion of such Net Proceeds allocated to the Other Applicable Indebtedness shall not exceed the amount of such Other Applicable Net Proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof and the remaining amount, if any, of such portion of Net Proceeds shall be allocated to the Term Loans to the extent required in accordance with the terms of this Section 2.05(2)(b)(i));

(B) to the extent the holders of Other Applicable Indebtedness decline to have such Indebtedness repurchased or prepaid with such portion of such Net Proceeds, the declined amount shall promptly (and in any event within ten (10) Business Days after the date of such rejection) be applied to prepay the Term Loans to the extent required in accordance with the terms of this Section 2.05(2)(b)(i).

(ii) With respect to any Net Proceeds realized or received with respect to any Asset Sale or any Casualty Event, the Borrower or any Restricted Subsidiary, at its option, may reinvest all or any portion of such Net Proceeds in assets useful for their business within (x) eighteen (18) months following receipt of such Net Proceeds or (y) if the Borrower or any Restricted Subsidiary enters into a legally binding commitment or a legally binding letter of intent to reinvest such Net Proceeds within eighteen (18) months following receipt thereof, within the later of (A) eighteen (18) months following receipt thereof and (B) one hundred eighty (180) days of the date of such legally binding commitment or legally binding letter of intent; provided that the Borrower may elect to deem expenditures that otherwise would be permissible reinvestments that occur prior to receipt of such Net Proceeds to have been reinvested in accordance with the provisions of this Section 2.05(2)(b)(ii) (it being understood that such deemed expenditures shall have been made no earlier than the earliest of notice to the Administrative Agent, execution of a definitive agreement for such Asset Sale and consummation of such Asset Sale or Casualty Event); provided further that if any Net Proceeds are no longer intended to be or cannot be so reinvested at any time after such reinvestment election, and subject to clauses (g) and (h) of this Section 2.05(2), an amount equal to any such Net Proceeds shall be applied within five (5) Business Days after the Borrower reasonably determines that such Net Proceeds are no longer intended to be or cannot be so reinvested to the prepayment of the Term Loans as set forth in this Section 2.05.
(d) If the Borrower or any Restricted Subsidiary incurs or issues any Indebtedness (i) not expressly permitted to be incurred or issued pursuant to Section 7.02 or (ii) that constitutes Other Loans or Credit Agreement Refinancing Indebtedness, in each case, incurred or issued to refinance any Class (or Classes) of Term Loans resulting in Net Proceeds (as opposed to such Credit Agreement Refinancing Indebtedness or Other Loans arising out of an exchange of existing Term Loans for such Credit Agreement Refinancing Indebtedness or Other Loans), the Borrower shall prepay, or cause to be prepaid, an aggregate principal amount of Term Loans of any Class or Classes (in each case, as directed by the Borrower) equal to 100% of all Net Proceeds received therefrom on or prior to the date which is five (5) Business Days after the receipt by the Borrower or such Restricted Subsidiary of such Net Proceeds.

(e) (i) Except as otherwise set forth in any Refinancing Amendment, Extension Amendment or Incremental Amendment, each prepayment of Term Loans required by Sections 2.05(2)(a), (b) and (d)(i) shall be allocated to any Class of Term Loans outstanding as directed by the Borrower (provided that, notwithstanding the foregoing, any prepayments pursuant to Section 2.05(2)(a), (b) and (d)(i) of the Term B USD Loans and Term B Euro Loans shall be applied on a pro rata basis (as determined in accordance with Section 1.10(4)) (for the avoidance of doubt, which prepayments shall be made in Dollars in the case of the Term B USD Loans and Euros in the case of the Term B Euro Loans), shall be applied pro rata to Term Lenders within such Class of Term Loans, based upon the outstanding principal amounts owing to each such Term Lender under such Class of Term Loans and shall be applied to reduce such remaining scheduled installments of principal within such Class of Term Loans in direct order of maturity; provided that

(x) such prepayments may not be directed to a later maturing Class of Term Loans without at least a pro rata repayment of any earlier maturing Classes of Term Loans (except that any Class of Incremental Term Loans, Other Term Loans, Extended Term Loans or Replacement Loans may specify that one or more other Classes of later maturing Term Loans may be prepaid prior to such Class of earlier maturing Term Loans), and

(y) in the event that there are two or more outstanding Classes of Term Loans with the same Maturity Date, such prepayments may not be directed to any such Class of Term Loans without at least a pro rata repayment of any Classes of Term Loans maturing on the same date (except that any Class of Incremental Term Loans, Other Term Loans, Extended Term Loans or Replacement Loans may specify that one or more other Classes of Term Loans with the same Maturity Date may be prepaid prior to such Class of Term Loans maturing on the same date), and

(ii) each prepayment of Term Loans required by Section 2.05(2)(d)(ii) shall be allocated to any Class or Classes of Term Loans being refinanced as directed by the Borrower and shall be applied pro rata to Term Lenders within each such Class, based upon the outstanding principal amounts owing to each such Term Lender under each such Class of Term Loans.

(f) If for any reason the aggregate Outstanding Amount of Revolving Loans and L/C Obligations at any time exceeds the aggregate Revolving Commitments then in effect, the Borrower shall promptly prepay Revolving Loans or Cash Collateralize the L/C Obligations in an aggregate amount equal to such excess; provided that the Borrower shall not be required to Cash Collateralize the L/C Obligations pursuant to this Section 2.05(2) (f) unless after the prepayment in full of the Revolving Loans such aggregate Outstanding Amount of L/C Obligations exceeds the aggregate Revolving Commitments then in effect.

(g) The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Term Loans required to be made pursuant to clauses (a) through (d) of this Section 2.05(2) at least three (3) Business Days prior to the date of such prepayment (provided that, in the case of clause (b) or (d) of this Section 2.05(2), the Borrower may rescind (or delay the date of prepayment identified in) such notice if such prepayment would have resulted from a refinancing of all or any portion of the applicable Facility or other conditional event, which refinancing or other conditional event shall not be consummated or shall otherwise be delayed). Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the aggregate amount of such prepayment to be made by the Borrower. The Administrative Agent will promptly notify each Appropriate Lender of the contents of the Borrower’s prepayment notice and of such Appropriate Lender’s Pro Rata Share of the prepayment. Each Term Lender may reject all or a portion of its Pro Rata Share of any mandatory prepayment (such declined amounts, the “Declined Proceeds”) of Term Loans required to be made pursuant to clauses (a), (b) and (d) of this Section 2.05(2) by providing written notice (each, a “Rejection Notice”) to the Administrative Agent and the Borrower no later than 5:00 p.m., New York time, one (1) Business Day after the date of such Lender’s receipt of notice from the Administrative Agent regarding such prepayment. Each Rejection Notice from a given Lender shall specify the principal amount of the mandatory repayment of Term Loans to be rejected by such Lender. If a Term Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Term Loans. Subject to the terms of the Second Lien Credit Agreement, any Declined Proceeds remaining must be offered to prepay the Second Lien Term Loans to the extent otherwise required pursuant to the Second Lien Credit Agreement; provided, that any such prepayment amount declined by the Second Lien Lenders shall be retained by the Borrower (or the applicable Restricted Subsidiary) and may be applied by the Borrower or such Restricted Subsidiary in any manner not prohibited by this Agreement.

(h) Notwithstanding any other provisions of this Section 2.05(2), (A) to the extent that any or all of the Net Proceeds of any Asset Sale by a Foreign Subsidiary giving rise to a prepayment event pursuant to Section 2.05(2)(b) (a “Foreign Asset Sale”), the Net Proceeds of any Casualty Event from a Foreign Subsidiary (a “Foreign Casualty Event”) or all or a portion of Excess Cash Flow are prohibited or delayed by applicable local law from being repatriated to the United States, an amount equal to the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.05(2) so long, but only so long, as the applicable local law will not permit repatriation to the United States (the Borrower hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Proceeds or Excess Cash Flow is permitted under the applicable local law, an amount equal to such Net Proceeds or Excess Cash Flow permitted to be repatriated will be promptly (and in any event not later than two (2) Business Days after any such repatriation) applied (net of additional taxes that are or would be payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to this Section 2.05(2) to the extent otherwise provided herein and (B) to the extent that the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Foreign Asset Sale or Foreign Casualty Event or Excess Cash Flow would have a material adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation) with respect to such Net Proceeds or Excess Cash Flow, an amount equal to the Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.05(2).
(i) All prepayments under this Section 2.05 (other than prepayments of Base Rate Revolving Loans that are not made in connection with the termination or permanent reduction of Revolving Commitments) shall be accompanied by all accrued interest thereon, together with, in the case of any such prepayment of a Eurodollar Rate Loan or EURIBOR Rate Loan on a date prior to the last day of an Interest Period therefor, any amounts owing in respect of such Eurodollar Rate Loan or EURIBOR Rate Loan pursuant to Section 3.05.

Notwithstanding any of the other provisions of this Section 2.05, so long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurodollar Rate Loans or EURIBOR Rate Loans is required to be made under this Section 2.05 prior to the last day of the Interest Period therefor, in lieu of making any payment pursuant to this Section 2.05 in respect of any such Eurodollar Rate Loan or EURIBOR Rate Loan prior to the last day of the Interest Period therefor, the Borrower may, in its discretion, deposit an amount sufficient to make any such prepayment otherwise required to be made thereunder together with accrued interest to the last day of such Interest Period into a Cash Collateral Account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05. Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with the relevant provisions of this Section 2.05. Such deposit shall be deemed to be a prepayment of such Loans by the Borrower for all purposes under this Agreement.

Additionally, notwithstanding anything else in this Agreement to the contrary, in the event that any Term Loan of any Lender would otherwise be repaid or prepaid from the proceeds of other Term Loans being funded on the date of such repayment or prepayment, if agreed to by the Borrower and such Lender and notified to the Administrative Agent prior to the date of the applicable repayment or prepayment, all or any portion of such Lender’s Term Loan that would have otherwise been repaid or prepaid in connection therewith may be converted on a “cashless roll” basis into a new Term Loan.

SECTION 2.06 Termination or Reduction of Commitments.

(1) Optional. The Borrower may, upon written notice by the Borrower to the Administrative Agent, terminate the unused Commitments of any Class, or from time to time permanently reduce the unused Commitments of any Class, in each case without premium or penalty; provided that

(a) any such notice shall be received by the Administrative Agent three (3) Business Days prior to the date of termination or reduction,

(b) any such partial reduction shall be in an aggregate amount of $5.0 million or any whole multiple of $1.0 million in excess thereof or, if less, the entire amount thereof and

(c) if, after giving effect to any reduction of the Commitments, the L/C Sublimit exceeds the amount of the Revolving Facility, the L/C Sublimit shall be automatically reduced by the amount of such excess.

Except as provided above, the amount of any such Revolving Commitment reduction shall not be applied to the L/C Sublimit unless otherwise specified by the Borrower. Notwithstanding the foregoing, the Borrower may rescind or postpone any notice of termination of any Commitments if such termination would have resulted from a refinancing of all of the applicable Facility or other conditional event, which refinancing or other conditional event shall not be consummated or shall otherwise be delayed.
(2) **Mandatory.** The Additional Term B USD Commitment of the Additional Term B USD Lender on the Second Amendment Effective Date shall be automatically and permanently reduced to $0 upon the making of such Lender’s Term B USD Loans to the Borrower pursuant to Section 2.01(1)(e). The Additional Term B Euro Commitment of the Additional Term B Euro Lender on the Second Amendment Effective Date shall be automatically and permanently reduced to €0 upon the making of such Lender’s Term B Euro Loans to the Borrower pursuant to Section 2.01(1)(f). The Term B Euro Incremental Commitment of the Term B Euro Incremental Lender on the Second Amendment Effective Date shall be automatically and permanently reduced to €0 upon the making of such Lender’s Term B Euro Incremental Loans to the Borrower pursuant to Section 2.01(1)(g). The 2019 Term B USD Incremental Commitment of the 2019 Term B USD Incremental Lender on the Third Amendment Effective Date shall be automatically and permanently reduced to $0 upon the making of such Lender’s 2019 Term B USD Incremental Loans to the Borrower pursuant to Section 2.01(1)(h). The 2019 Term B Euro Incremental Commitment of the 2019 Term B Euro Incremental Lender on the Third Amendment Effective Date shall be automatically and permanently reduced to $0 upon the making of such Lender’s 2019 Term B Euro Incremental Loans to the Borrower pursuant to Section 2.01(1)(i). The Revolving Commitment of each Revolving Lender shall automatically and permanently terminate on the Maturity Date for the applicable Revolving Facility.

(3) **Application of Commitment Reductions; Payment of Fees.** The Administrative Agent will promptly notify the Appropriate Lenders of any termination or reduction of unused portions of the L/C Sublimit or the unused Commitments of any Class under this Section 2.06. Upon any reduction of unused Commitments of any Class, the Commitment of each Lender of such Class shall be reduced on a pro rata basis (determined on the basis of the aggregate Commitments under such Class) (other than the termination of the Commitment of any Lender as provided in Section 3.07). Any commitment fees accrued until the effective date of any termination of the Revolving Commitments shall be paid on the effective date of such termination.

SECTION 2.07 **Repayment of Loans.**

(1) **Term B Loans.** The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders (a) on the last Business Day of each March, June, September and December, commencing with December 31, 2018, an aggregate principal amount (x) with respect to the Term B USD Loans, in Dollars equal to $7,756,303.62 and (y) with respect to the Term B Euro Loans, in Euros equal to €2,743,965.25 (in each case, which payments shall be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.05) and (b) on the Maturity Date for the Term B Loans, the aggregate principal amount of all Term B Loans outstanding on such date. In connection with any Incremental Term Loans that constitute part of the same Class as the Term B USD Loans or Term B Euro Loans, as applicable, the Borrower and the Administrative Agent shall be permitted to adjust the rate of prepayment in respect of such Class such that the Term Lenders holding Term B USD Loans or Term B Euro Loans, as applicable, comprising part of such Class continue to receive a payment that is not less than the same Dollar amount that such Term Lenders would have received absent the incurrence of such Incremental Term Loans; provided, that if such Incremental Term Loans are to be “fungible” with the Term B USD Loans or Term B Euro Loans, as applicable, notwithstanding any other conditions specified in this Section 2.07(1), the amortization schedule for such “fungible” Incremental Term Loan may provide for amortization in such other percentage(s) to be agreed by the Borrower and the Administrative Agent to ensure that the Incremental Term Loans will be “fungible” with the Term B USD Loans or Term B Euro Loans, as applicable.
(2) **Revolving Loans.** The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the Maturity Date for the applicable Revolving Facility the aggregate principal amount of all Revolving Loans under such Facility outstanding on such date.

(3) **Non-Converted Closing Date Term Loans.** The Borrower shall repay to the Administrative Agent for the ratable account of each Term Lender with Non-Converted Closing Date Term Loans, the full amount of Non-Converted Closing Date Term Loans on the Second Amendment Effective Date.

**SECTION 2.08 Interest.**

(1) Subject to the provisions of Section 2.08(2), (a) each Eurodollar Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Eurodollar Rate for such Interest Period, plus the Applicable Rate, (b) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable Borrowing date at a rate per annum equal to the Base Rate, plus the Applicable Rate and (c) each EURIBOR Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the EURIBOR Rate for such Interest Period, plus the Applicable Rate.

(2) During the continuance of a Default under Section 8.01(1), the Borrower shall pay interest on past due amounts hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws; provided that no interest at the Default Rate shall accrue or be payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(3) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

**SECTION 2.09 Fees.**

(1) **Commitment Fee.** The Borrower agrees to pay to the Administrative Agent for the account of each Revolving Lender under each Revolving Facility in accordance with its Applicable Percentage, a commitment fee equal to the applicable Commitment Fee Rate times the actual daily amount by which the aggregate Revolving Commitments for the applicable Revolving Facility exceed the sum of (a) the Outstanding Amount of Revolving Loans for such Revolving Facility and (b) the Outstanding Amount of L/C Obligations; provided that any commitment fee accrued with respect to any of the Commitments of a Defaulting Lender under such Revolving Facility during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrower so long as such Lender shall be a Defaulting Lender except to the extent that such commitment fee shall otherwise have been due and payable by the Borrower prior to such time; and provided further that no commitment fee shall accrue on any of the Commitments under any Revolving Facility of a Defaulting Lender so long as such Lender shall be a Defaulting Lender. The commitment fee on each Revolving Commitment for each Revolving Facility shall accrue at all times from the Closing Date (or date of initial effectiveness, as applicable) and for the avoidance of doubt, the commitment fee on the Revolving Commitment under the Closing Date Revolving Facility shall accrue from the Closing Date) until the Maturity Date for the applicable such Revolving Facility, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable quarterly in arrears on the last Business Day of each of March, June, September and December, (x) in the case of the Closing Date Revolving Facility, commencing with December 29, 2017, and (y) in the case of the 2020 Extended Revolving Facility, commencing with the last Business Day of the fiscal quarter in which the Fourth
Amendment Extension Effective Date occurs, and on the Maturity Date for such Revolving Facility. The commitment fee shall be calculated quarterly in arrears, and if there is any change in the Commitment Fee Rate during any quarter, the actual daily amount shall be computed and multiplied by the Commitment Fee Rate separately for each period during such quarter that such Commitment Fee Rate was in effect.

(2) Other Fees. The Borrower shall pay to the Agents such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrower and the applicable Agent).

SECTION 2.10 Computation of Interest and Fees. All computations of interest for Base Rate Loans shall be made on the basis of a year of 365 days or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(1), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

SECTION 2.11 Evidence of Indebtedness.

(1) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulation Section 5f.103-1(c), as agent for the Borrower, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be prima facie evidence absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent, as set forth in the Register, in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which shall evidence such Lender’s Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(2) In addition to the accounts and records referred to in Section 2.11(1), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records and, in the case of the Administrative Agent, entries in the Register, evidencing the purchases and sales by such Lender of participations in Letters of Credit. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(3) Entries made in good faith by the Administrative Agent in the Register pursuant to Sections 2.11(1) and (2), and by each Lender in its account or accounts pursuant to Sections 2.11(1) and (2), shall be prima facie evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement and the other Loan Documents, absent manifest error; provided that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement and the other Loan Documents.
SECTION 2.12 Payments Generally.

(1) All payments with respect to any Class of Loans to be made by the Borrower hereunder shall be made in the currency in which the Loans thereunder are denominated without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent’s Office for payment and in Same Day Funds not later than 2:00 p.m., New York time, on the date specified herein. The Administrative Agent will promptly distribute to each Appropriate Lender its Pro Rata Share (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender’s Lending Office. Any payments under this Agreement that are made later than 2:00 p.m., New York time, shall be deemed to have been made on the next succeeding Business Day (but the Administrative Agent may extend such deadline for purposes of computing interest and fees (but not beyond the end of such day) in its sole discretion whether or not such payments are in process).

(2) Except as otherwise expressly provided herein, if any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(3) Unless the Borrower or any Lender has notified the Administrative Agent, prior to the date, or in the case of any Borrowing of Base Rate Loans, prior to 1:00 p.m., New York time, on the date of such Borrowing, any payment is required to be made by it to the Administrative Agent hereunder (in the case of the Borrower, for the account of any Lender or an Issuing Bank hereunder or, in the case of the Lenders, for the account of any Issuing Bank or the Borrower hereunder), that the Borrower or such Lender, as the case may be, will not make such payment, the Administrative Agent may assume that the Borrower or such Lender, as the case may be, has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to the Person entitled thereto. If and to the extent that such payment was not in fact made to the Administrative Agent in Same Day Funds, then:

   (a) if the Borrower failed to make such payment, each Lender or Issuing Bank shall forthwith on demand repay to the Administrative Agent the portion of such assumed payment that was made available to such Lender or Issuing Bank in Same Day Funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender or Issuing Bank to the date such amount is repaid to the Administrative Agent in Same Day Funds at the Overnight Rate from time to time in effect; and

   (b) if any Lender failed to make such payment, such Lender shall forthwith on demand pay to the Administrative Agent the amount thereof in Same Day Funds, together with interest thereon for the period from the date such amount was made available by the Administrative Agent to the Borrower to the date such amount is recovered by the Administrative Agent (the “Compensation Period”) at a rate per annum equal to the Overnight Rate from time to time in effect. When such Lender makes payment to the Administrative Agent (together with all accrued interest thereon), then such payment amount (excluding the amount of any interest which may have accrued and been paid in respect of such late payment) shall constitute such Lender’s Loan included in the applicable Borrowing. If such Lender does not pay such amount forthwith upon the Administrative Agent’s demand therefor, the Administrative Agent may make a demand therefor.
upon the Borrower, and the Borrower shall pay such amount, or cause such amount to be paid, to the Administrative Agent, together with interest
thereon for the Compensation Period at a rate per annum equal to the rate of interest applicable to the applicable Borrowing. Nothing herein shall
be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the
Borrower may have against any Lender as a result of any default by such Lender hereunder. A notice of the Administrative Agent to any Lender or
the Borrower with respect to any amount owing under this Section 2.12(3) shall be conclusive, absent manifest error.

(c) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in this Article II,
and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Credit Extension set
forth in Section 4.02 are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like
funds as received from such Lender) to such Lender, without interest.

(d) The obligations of the Lenders hereunder to make Loans and to fund participations in Letters of Credit are several and not joint. The
failure of any Lender to make any Loan or fund any participation on any date required hereunder shall not relieve any other Lender of its
corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or
purchase its participation.

(e) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute
a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient
to pay in full all amounts due and payable to the Administrative Agent and the Lenders under or in respect of this Agreement and the other Loan
Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders
in the order of priority set forth in Section 8.03 (or otherwise expressly set forth herein). If the Administrative Agent receives funds for application
to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not
specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such
funds to each of the Lenders in accordance with such Lender’s Pro Rata Share of the sum of (i) the Outstanding Amount of all Loans outstanding
at such time and (ii) the Outstanding Amount of all L/C Obligations outstanding at such time, in repayment or prepayment of such of the
outstanding Loans or other Obligations then owing to such Lender.

SECTION 2.13 Sharing of Payments. Other than as expressly provided elsewhere herein, if any Lender of any Class shall obtain payment
in respect of any principal of or interest on account of the Loans of such Class made by it or the participations in L/C Obligations held by it (whether
voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder)
thereof, such Lender shall immediately (1) notify the Administrative Agent of such fact, and (2) purchase from the other Lenders such participations in
the Loans of such Class made by them or such subparticipations in the participations in L/C Obligations held by them, as the case may be, as shall be
necessary to cause such purchasing Lender to share the excess payment in respect of any principal of or interest on such Loans of such Class or such
participations, as the case may be, pro rata with each of them; provided that if all or any portion of such excess payment is thereafter recovered from the
purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to
any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender’s ratable share (according to the proportion of (a) the amount of such paying Lender’s required repayment to (b) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. For the avoidance of doubt, the provisions of this Section 2.13 shall not be construed to apply to (i) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement as in effect from time to time (including the application of funds arising from the existence of a Defaulting Lender) or (ii) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant permitted hereunder. The Borrower agrees that any Lender so purchasing a participation from another Lender pursuant to this Section 2.13 may, to the fullest extent permitted by applicable Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.10) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased. For purposes of clause (3) of the definition of Excluded Taxes, any participation acquired by a Lender pursuant to this Section 2.13 shall be treated as having been acquired on the earlier date(s) on which the applicable interest(s) in the Commitment(s) or Loan(s) to which such participation relates were acquired by such Lender.

SECTION 2.14 Incremental Facilities

(1) Incremental Loan Request. The Borrower may at any time and from time to time after the Closing Date, by notice to the Administrative Agent (an “Incremental Loan Request”), request (A) one or more new commitments which may be of the same Class as any outstanding Term Loans (a “Term Loan Increase”) or a new Class of term loans (collectively with any Term Loan Increase, the “Incremental Term Commitments”) and/or (B) one or more increases in the amount of the Revolving Commitments (a “Revolving Commitment Increase”) or the establishment of one or more new revolving credit commitments (each an “Incremental Revolving Commitment”); and, collectively with any Revolving Commitment Increases, the “Incremental Revolving Commitments” and any Incremental Revolving Commitments, collectively with any Incremental Term Commitments, the “Incremental Commitments”), whereupon the Administrative Agent shall promptly deliver a copy to each of the Lenders. Each Incremental Loan Request from the Borrower pursuant to this Section 2.14 shall set forth the requested amount and proposed terms of the relevant Incremental Term Commitments or Incremental Revolving Commitments.

(2) Incremental Loans. Any Incremental Term Loans or Incremental Revolving Commitments effected through the establishment of one or more new term loans or new revolving credit commitments, as applicable, made on an Incremental Facility Closing Date (other than a Loan Increase) shall be designated a separate Class of Incremental Term Loans or Incremental Revolving Commitments, as applicable, for all purposes of this Agreement. On any Incremental Facility Closing Date on which any Incremental Term Commitments of any Class are effected (including through any Term Loan Increase), subject to the satisfaction of the terms and conditions in this Section 2.14, (i) each Incremental Term Lender of such Class shall make a Loan to the Borrower (an “Incremental Term Loan”) in an amount equal to its Incremental Term Commitment of such Class and (ii) each Incremental Term Lender of such Class shall become a Lender hereunder with respect to the Incremental Term Commitment of such Class.
and the Incremental Term Loans of such Class made pursuant thereto. On any Incremental Facility Closing Date on which any Incremental Revolving Commitments of any Class are effected through the establishment of one or more new revolving credit commitments (including through any Revolving Commitment Increase), subject to the satisfaction of the terms and conditions in this Section 2.14, (i) each Incremental Revolving Lender of such Class shall make its Commitment available to the Borrower (when borrowed, an “Incremental Revolving Loan” and collectively with any Incremental Term Loan, an “Incremental Loan”) in an amount equal to its Incremental Revolving Commitment of such Class and (ii) each Incremental Revolving Lender of such Class shall become a Lender hereunder with respect to the Incremental Revolving Commitment of such Class and the Incremental Revolving Loans of such Class made pursuant thereto.

(3) Incremental Lenders. Incremental Term Loans may be made, and Incremental Revolving Commitments may be provided, by any existing Lender as approved by the Borrower (but no existing Lender will have an obligation to make any Incremental Commitment (or Incremental Loan), nor will the Borrower have any obligation to approach any existing Lenders to provide any Incremental Commitment (or Incremental Loan)) or by any Additional Lender (each such existing Lender or Additional Lender providing such Loan or Commitment, an “Incremental Term Lender” or “Incremental Revolving Lender,” as applicable, and, collectively, the “Incremental Lenders”); provided that (i) the Administrative Agent or, in the case of any Incremental Revolving Commitments only, each Issuing Bank, shall have consented (in each case, not to be unreasonably withheld or delayed) to such Additional Lender’s making such Incremental Term Loans or providing such Incremental Revolving Commitments to the extent such consent, if any, would be required under Section 10.07(b) for an assignment of Loans or Revolving Commitments, as applicable, to such Additional Lender, (ii) with respect to Incremental Term Commitments, any Affiliated Lender providing an Incremental Term Commitment shall be subject to the same restrictions set forth in Section 10.07(h) as they would otherwise be subject to with respect to any purchase by or assignment to such Affiliated Lender of Term Loans and (iii) Affiliated Lenders may not provide Incremental Revolving Commitments.

(4) Effectiveness of Incremental Amendment. The effectiveness of any Incremental Amendment and the availability of any initial credit extensions thereunder shall be subject to the satisfaction on the date thereof (the “Incremental Facility Closing Date”) of each of the following conditions (subject to Section 1.07(10)):

(a) (x) no Event of Default shall exist after giving effect to such Incremental Commitments; provided that, with respect to any Incremental Amendment the primary purpose of which is to finance an acquisition or other Investment permitted by this Agreement, the requirement pursuant to this clause (4)(a)(x) shall be that no Event of Default under Section 8.01(1) or, solely with respect to the Borrower, Section 8.01(6) shall exist after giving effect to such Incremental Commitments, and (y) the representations and warranties of the Borrower contained in Article V or any other Loan Document shall be true and correct in all material respects on and as of the date of such Incremental Amendment (provided that, to the extent that such representations and warranties specifically refer to an earlier date, they shall be true and correct in all material respects as of such earlier date; provided, further, that, any representation and warranty that is qualified as to “materiality,” “Material Adverse Effect” or similar language shall be true and correct (after giving effect to any qualification therein) in all respects on such respective dates); provided that, in connection with an acquisition or other Investment permitted hereunder, the conditions in clause (x) and in clause (y) shall only be required to the extent requested by the Persons providing more than 50% of the applicable Incremental Term Loans and Incremental Term Commitments or Incremental Revolving Loans and Incremental Revolving Commitments, as the case may be (provided, further, that, in the case of an acquisition or other Investment with a purchase price in excess of $100.0 million, the conditions contained in the proviso to clause (x) with respect to no
(b) each Incremental Term Commitment shall be in an aggregate principal amount that is not less than $5.0 million (provided that such amount may be less than $5.0 million if such amount represents all remaining availability under the limit set forth in clause (c) of this Section 2.14(4)) and each Incremental Revolving Commitment shall be in an aggregate principal amount that is not less than $5.0 million (provided that such amount may be less than $5.0 million if such amount represents all remaining availability under the limit set forth in clause (c) of Section 2.14(4));

(c) the aggregate principal amount of Incremental Term Loans and Incremental Revolving Commitments shall not, together with the aggregate principal amount of Permitted Incremental Equivalent Debt, exceed the sum of:

\[
\text{(A)} \quad (1) \quad \$500.0 \text{ million plus any General Debt Basket Reallocated Amount less the Second Lien Incremental Usage Amount (for the avoidance of doubt, it being agreed that as of the Third Amendment Effective Date, no Incremental Loans or Incremental Commitments have been incurred pursuant to this clause (1)) plus (2) the aggregate amount of (w) voluntary prepayments, redemptions or repurchases of Incremental Term Loans and Permitted Incremental Equivalent Debt (other than any Permitted Incremental Equivalent Debt that is a revolving credit facility) (including purchases of Incremental Term Loans or Permitted Incremental Equivalent Debt by Holdings, the Borrower or any of its Subsidiaries at or below par, in which case the amount of voluntary prepayments of such Incremental Term Loans or Permitted Incremental Equivalent Debt shall be deemed not to exceed the actual purchase price of such Loans or Permitted Incremental Equivalent Debt below par), in each case, only to the extent such Incremental Term Loans or Permitted Incremental Equivalent Debt was incurred in reliance on clause (A)(1) above, (x) voluntary permanent commitment reductions in respect of Incremental Revolving Commitments or Permitted Incremental Equivalent Debt consisting of revolving credit commitments, in each case, to the extent such Incremental Revolving Commitments or Permitted Incremental Equivalent Debt was incurred in reliance on clause (A)(1) above, (y) voluntary prepayments, redemption or repurchase of Second Lien Incremental Usage Amount Debt (including purchases of Second Lien Incremental Usage Amount Debt by Holdings, the Borrower or any of its Subsidiaries and (z) voluntary prepayments, redemptions or repurchases of any Credit Agreement Refinancing Indebtedness, Other Loans, Refinancing Indebtedness or other Indebtedness, in each case, previously applied to the prepayment, redemption or repurchase of any Incremental Term Loans and Permitted Incremental Equivalent Debt (other than any Permitted Incremental Equivalent Debt that is a revolving credit facility) incurred in reliance on clause (A)(1) above or any Second Lien Incremental Usage Amount Debt, in the case of this clause (z), so long as such prepayment, redemption or repurchase was not previously included in clause (w) or clause (y) above; other than, in each case under clauses (w), (y) and (z), from proceeds of long-term Indebtedness (other than revolving credit facilities); provided, that for the avoidance of doubt, this clause (A) shall not give credit to any prepayment of Closing Date Term Loans with the proceeds of, or by the conversion into, Term B Loans, plus

(B) (x) in the case of any Incremental Loans or Incremental Commitments that effectively extend the Maturity Date of, or refinance, any Facility, an amount equal to the portion of the Facility to be replaced with (or refinanced by) such Incremental Loans or Incremental Commitments and (y) in the case of any Incremental Loans or Incremental Commitments that effectively replace any Commitment or Loan that is terminated or cancelled in accordance with Section 3.07, an amount equal to the portion of the relevant terminated or cancelled Commitment or Loan, plus

(C) solely to the extent not in duplication of prepayments, redemptions, repurchases or permanent commitment reductions described in Section 2.14(4)(c)(A)(2), the aggregate amount of (x) voluntary prepayments, redemptions or repurchases of Term Loans and Permitted Incremental Equivalent Debt (other than any Permitted Incremental Equivalent Debt that is a revolving credit facility) (including purchases of Term Loans or Permitted Incremental Equivalent Debt by Holdings, the Borrower or any of its Subsidiaries), (y) voluntary permanent commitment reductions in respect of Revolving Commitments or Permitted Incremental Equivalent Debt consisting of revolving credit commitments and (z) voluntary prepayments, redemptions or repurchases of any Credit Agreement Refinancing Indebtedness, Other Loans, Refinancing Indebtedness or other Indebtedness, in each case, previously applied to the prepayment, redemption or repurchase of any Term Loans and Permitted Incremental Equivalent Debt (other than any Permitted Incremental Equivalent Debt that is a revolving credit facility), in the case of this clause (z), so long as such prepayment, redemption or repurchase was not previously included in clause (x) above; other than, in each case under clauses (x) and (z), from proceeds of long-term Indebtedness (other than revolving credit facilities) provided, that for the avoidance of doubt, this clause (C) shall not give credit to any prepayment of Closing Date Term Loans with the proceeds of, or by the conversion into, Term B Loans, plus

(D) an unlimited amount, so long as in the case of this clause (D) only,

(x) in the case of Incremental Loans or Incremental Revolving Commitments secured by Liens on all or a portion of the Collateral on a basis that is equal in priority to the Liens on the Collateral securing the First Lien Obligations under this Agreement (but without regard to the control of remedies), either (I) the First Lien Net Leverage Ratio for the Test Period most recently ended calculated on a pro forma basis after giving effect to any such incurrence, does not exceed 4.75 to 1.00 (including in connection with an acquisition or other similar Investment permitted under this Agreement) or (II) to the extent such Incremental Loans or Incremental Revolving Commitments are incurred in connection with an acquisition or other similar Investment permitted under this Agreement, the First Lien Net Leverage Ratio for the Test Period most recently ended calculated on a pro forma basis after giving effect to any such incurrence is no greater than the First Lien Net Leverage Ratio immediately prior to giving effect to such incurrence of Incremental Loans or establishment of Incremental Revolving Commitments (in each case under clauses (I) and (II), in the case of an incurrence of Incremental Revolving Commitments, assuming such Incremental Revolving Commitments are fully drawn and calculating the First Lien Net Leverage Ratio without netting the cash proceeds from such Incremental Loans then proposed to be incurred) (it being agreed that the 2019 Term B USD Incremental Loans and 2019 Term B Euro Incremental Loans shall be deemed to be incurred pursuant to this clause (4)(c)(D)(x)),
(y) in the case of Incremental Loans or Incremental Revolving Commitments secured by Liens on all or a portion of the
Collateral on a basis that is junior in priority to the Liens on the Collateral securing the First Lien Obligations under this Agreement,
either (I) the Secured Net Leverage Ratio for the Test Period most recently ended calculated on a pro forma basis after giving effect
to any such incurrence, does not exceed 5.75 to 1.00 (including in connection with an acquisition or other similar Investment
permitted under this Agreement) or (II) to the extent such Incremental Loans or Incremental Revolving Commitments are incurred in
connection with an acquisition or other similar Investment permitted under this Agreement, the Secured Net Leverage Ratio for the
Test Period most recently ended calculated on a pro forma basis after giving effect to any such incurrence is no greater than the
Secured Net Leverage Ratio immediately prior to giving effect to such incurrence of Incremental Loans or establishment of
Incremental Revolving Commitments (in each case under clauses (I) and (II), in the case of an incurrence of Incremental Revolving
Commitments, assuming such Incremental Revolving Commitments are fully drawn and calculating the Secured Net Leverage Ratio
without netting the cash proceeds from such Incremental Loans then proposed to be incurred) and
(z) in the case of Incremental Loans or Incremental Revolving Commitments that are unsecured, (i) the Total Net Leverage
Ratio for the Test Period most recently ended calculated on a pro forma basis after giving effect to any such incurrence, does not
exceed 6.00 to 1.00 (including in connection with an acquisition or other similar Investment permitted under this Agreement) or
(ii) to the extent such Incremental Loans or Incremental Revolving Commitments are incurred in connection with an acquisition or
other Investment permitted under this Agreement, the Total Net Leverage Ratio for the Test Period most recently ended calculated
on a pro forma basis after giving effect to any such incurrence is no greater than the Total Net Leverage Ratio immediately prior to
giving effect to such incurrence of Incremental Loans or establishment of Incremental Revolving Commitments (in each case in the
case of an incurrence of Incremental Revolving Commitments, assuming such Incremental Revolving Commitments are fully drawn
and calculating the Total Net Leverage Ratio without netting the cash proceeds from such Incremental Loans then proposed to be
incurred);

(the amount available under clauses (A) through (D), the “Available Incremental Amount”). The Borrower may elect to use clause (D) of the Available
Incremental Amount regardless of whether the Borrower has capacity under clauses (A), (B) or (C) of the Available Incremental Amount. Further, the
Borrower may elect to use clause (D) of the Available Incremental Amount prior to using clauses (A), (B) or (C) of the Available Incremental Amount,
and if both clause (D) and clauses (A), (B) or (C) of the Available Incremental Amount are available and the Borrower does not make an election, then
the Borrower will be deemed to have elected to use clause (D) of the Available Incremental Amount. In addition, any Indebtedness originally designated
as incurred pursuant to clauses (A), (B) or (C) of the Available Incremental Amount shall be automatically reclassified as incurred under clause (D) of
the Available Incremental Amount at such time as the Borrower would meet the applicable leverage or coverage-based incurrence test at such time on a
pro forma basis.

(5) **Required Terms.** The terms, provisions and documentation of the Incremental Term Loans and Incremental Term Commitments or the Incremental Revolving Loans and Incremental Revolving Commitments, as the case may be, of any Class and any Loan Increase shall be as agreed between the Borrower and the applicable Incremental Lenders providing such Incremental Commitments, and except as otherwise set forth herein, to the extent not identical to the Term B Loans or, Closing Date Revolving Facility or 2020 Extended Revolving Facility, as applicable, existing on the Incremental Facility Closing Date, shall either, at the option of the Borrower, (A) reflect market terms and conditions (taken as a whole) at the time of incurrence of such Indebtedness (as determined by the Borrower in good faith), (B) be not materially more restrictive to the Borrower (as determined by the Borrower in good faith), when taken as a whole, than the terms of the Term B Loans or, Closing Date Revolving Facility or 2020 Extended Revolving Facility, as applicable, except with respect to (x) covenants and other terms applicable to any period after the Latest Maturity Date in effect immediately prior to the incurrence of the Incremental Term Loans and Incremental Term Commitments or the Incremental Revolving Loans and Incremental Revolving Commitments, as the case may be, or (y) subject to the immediately succeeding proviso, a Previously Absent Financial Maintenance Covenant; provided that, notwithstanding anything to the contrary herein, if any such terms of any Incremental Revolving Loans and Incremental Revolving Commitments contain a Previously Absent Financial Maintenance Covenant that is in effect prior to the applicable Latest Maturity Date of the Revolving Facility, such Previously Absent Financial Maintenance Covenant shall be included for the benefit of the Revolving Facility or (C) if neither clause (A) or (B) are satisfied, such terms, provisions and documentation shall be reasonably satisfactory to the Administrative Agent (it being understood that, at Borrower’s election, to the extent any term or provision is added for the benefit of (x) the Lenders of Incremental Term Loans, no consent shall be required from the Administrative Agent to the extent that such term or provision is also added (or the features of such term are provided) for the benefit of the Lenders of the Term B Loans or (y) the Lenders under Incremental Revolving Commitments, no consent shall be required from the Administrative Agent to the extent that such term or provision is also added (or the features of such term are provided) for the benefit of the Lenders of the Closing Date Revolving Facility); provided, further, that in the case of a Term Loan Increase or a Revolving Commitment Increase, the terms, provisions and documentation of such Term Loan Increase or a Revolving Commitment Increase shall be identical (other than with respect to upfront fees, OID or similar fees, it being understood that, if required to consummate such Loan Increase transaction, the interest rate margins and rate floors may be increased, any call protection provision may be made more favorable to the applicable existing Lenders and additional upfront or similar fees may be payable to the lenders providing the Loan Increase) to the applicable Term Loans or Revolving Commitments being increased, in each case, as existing on the Incremental Facility Closing Date (provided that if such Incremental Term Loans are to be “fungible” with the Term B USD Loans or Term B Euro Loans, as applicable, notwithstanding any other conditions specified in this Section 2.14(5), the amortization schedule for such “fungible” Incremental Term Loan may provide for amortization in such other percentage(s) to be agreed by Borrower and the Administrative Agent to ensure that the Incremental Term Loans will be “fungible” with the Term B USD Loans or Term B Euro Loans, as applicable). In any event:

(a) the Incremental Term Loans:

   (i) (x) shall rank equal in priority in right of payment with the First Lien Obligations under this Agreement and (y) shall either (1) rank equal (but without regard to the control of remedies) or junior in priority of right of security with the First Lien Obligations under this Agreement (subject to the applicable Intercreditor Agreement) or (2) be unsecured, in each case as applicable pursuant to clause (4)(c) above,

   (ii) shall not mature earlier than the Original Term Loan Maturity Date,
(iii) shall have a Weighted Average Life to Maturity not shorter than the remaining Weighted Average Life to Maturity of the Term B Loans on the date of incurrence of such Incremental Term Loans,

(iv) subject to clause (5)(a)(iii) above and clause (5)(c) below, respectively, shall have amortization and an Applicable Rate determined by the Borrower and the applicable Incremental Term Lenders,

(v) may participate on a pro rata basis, less than a pro rata basis or greater than a pro rata basis in any mandatory prepayments of Term Loans hereunder (except that, unless otherwise permitted under this Agreement, such Incremental Term Loans may not participate on a greater than a pro rata basis as compared to any earlier maturing Class of Term Loans constituting First Lien Obligations in any mandatory prepayments under Section 2.05(2)(a), (b) and (d)(i)), as specified in the applicable Incremental Amendment,

(vi) shall be denominated in Dollars, Euros or, subject to the consent of the Administrative Agent (not to be unreasonably withheld, delayed or conditioned), another currency as determined by the Borrower and the applicable Incremental Term Lenders, and

(vii) shall not at any time be guaranteed by any Subsidiary of the Borrower other than Subsidiaries that are Guarantors.

(b) the Incremental Revolving Commitments and Incremental Revolving Loans:

(i) (x) shall rank equal in priority in right of payment with the First Lien Obligations under this Agreement and (y) shall either (1) rank equal (but without regard to the control of remedies) or junior in priority of right of security with the First Lien Obligations under this Agreement or (2) be unsecured, in each case as applicable pursuant to clause (4)(c) above,

(ii) shall not mature earlier than the Original Revolving Facility Maturity Date, and shall not be subject to amortization,

(iii) shall provide that the borrowing and repayment (except for (1) payments of interest and fees at different rates on Incremental Revolving Commitments (and related outstanding Incremental Revolving Loans), (2) repayments required upon the Maturity Date of any Revolving Commitments, (3) repayments made in connection with any refinancing of Revolving Commitments and (4) repayment made in connection with a permanent repayment and termination of Commitments) of Revolving Loans with respect to Incremental Revolving Commitments after the associated Incremental Facility Closing Date shall be made on a pro rata basis with all other outstanding Revolving Commitments existing on such Incremental Facility Closing Date,

(iv) subject to the provisions of Section 2.03(13) in connection with Letters of Credit which mature or expire after a Maturity Date at any time Incremental Revolving Commitments with a later Maturity Date are outstanding, shall provide that all Letters of Credit shall be participated on a pro rata basis by each Lender with a Revolving Commitment in accordance with its percentage of the Revolving Commitments existing on the Incremental Facility Closing Date (and except as provided in Section 2.03(13), without giving effect to changes thereto on an earlier Maturity Date with respect to Letters of Credit theretofore incurred or issued),
(v) shall provide that the permanent repayment of Revolving Loans with respect to, and termination of, Incremental Revolving Commitments after the associated Incremental Facility Closing Date may be made on a pro rata basis or less than a pro rata basis or greater than a pro rata basis, in each case, with all other Revolving Commitments existing on such Incremental Facility Closing Date,

(vi) shall provide that assignments and participations of Incremental Revolving Commitments and Incremental Revolving Loans shall be governed by the same assignment and participation provisions applicable to Revolving Commitments and Revolving Loans existing on the Incremental Facility Closing Date,

(vii) shall provide that any Incremental Revolving Commitments may constitute a separate Class or Classes, as the case may be, of Commitments from the Classes constituting the applicable Revolving Commitments prior to the Incremental Facility Closing Date; provided at no time shall there be Revolving Commitments hereunder (including Incremental Revolving Commitments and any original Revolving Commitments) which have more than four (4) different Maturity Dates unless otherwise agreed to by the Administrative Agent,

(viii) shall have an Applicable Rate determined by the Borrower and the applicable Incremental Revolving Lenders,

(ix) shall be denominated in Dollars or, subject to the consent of the Administrative Agent (not to be unreasonably withheld, delayed or conditioned), another currency as determined by the Borrower and the applicable Incremental Revolving Lenders and

(x) shall not at any time be guaranteed by any Subsidiary of the Borrower other than Subsidiaries that are Guarantors.

(c) the amortization schedule applicable to any Incremental Term Loans and the All-In Yield applicable to the Incremental Term Loans of each Class shall be determined by the Borrower and the applicable Incremental Term Lenders and shall be set forth in each applicable Incremental Amendment; provided, however, that (i) with respect to any syndicated Dollar-denominated Class of Incremental Term Loans that rank equal in priority of right of security with the First Lien Obligations under this Agreement (but without regard to the control of remedies), the All-In Yield applicable to such Incremental Term Loans shall not be greater than the applicable All-In Yield payable pursuant to the terms of this Agreement as amended through the date of such calculation with respect to Term B USD Loans, plus 50 basis points per annum unless the Applicable Rate (together with, as provided in the proviso below, the Eurodollar Rate or Base Rate floor) with respect to the Term B USD Loans is increased so as to cause the then applicable All-In Yield under this Agreement on the Term B USD Loans to equal the All-In Yield then applicable to the Incremental Term Loans, minus 50 basis points per annum; provided that any increase in All-In Yield on the Term B USD Loans due to the application of a Eurodollar Rate or Base Rate floor on any Incremental Term Loan shall be effected solely through an increase in (or implementation of, as applicable) the Eurodollar Rate or Base Rate floor applicable to such Term B USD Loans and (ii) with respect to any syndicated Euro-denominated Class of Incremental Term Loans that rank equal in priority of right of security with the First Lien Obligations under this Agreement...
Agreement (but without regard to the control of remedies), the All-In Yield applicable to such Incremental Term Loans shall not be greater than the applicable All-In Yield payable pursuant to the terms of this Agreement as amended through the date of such calculation with respect to Term B Euro Loans, plus 50 basis points per annum unless the Applicable Rate (together with, as provided in the proviso below, the EURIBOR Rate floor) with respect to the Term B Euro Loans is increased so as to cause the then applicable All-In Yield under this Agreement on the Term B Euro Loans to equal the All-In Yield then applicable to the Incremental Term Loans, minus 50 basis points per annum; provided that any increase in All-In Yield on the Term B Euro Loans due to the application of a EURIBOR Rate floor on any Incremental Term Loan shall be effected solely through an increase in (or implementation of, as applicable) the EURIBOR Rate floor applicable to such Term B Euro Loans.

(6) Incremental Amendment. Commitments in respect of Incremental Term Loans and Incremental Revolving Commitments shall become Commitments (or in the case of an Incremental Revolving Commitment to be provided by an existing Revolving Lender, an increase in such Lender’s applicable Revolving Commitment), under this Agreement pursuant to an amendment (an “Incremental Amendment”) to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Incremental Lender providing such Incremental Commitments and the Administrative Agent. The Incremental Amendment may, without the consent of any other Loan Party, Agent or Lender, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.14. In connection with any Incremental Amendment, the Borrower shall, if reasonably requested by the Administrative Agent, deliver customary reaffirmation agreements and/or such amendments to the Collateral Documents as may be reasonably requested by the Administrative Agent in order to ensure that such Incremental Loans are provided with the benefit of the applicable Loan Documents. The Borrower will use the proceeds (if any) of the Incremental Loans for any purpose not prohibited by this Agreement. No Lender shall be obligated to provide any Incremental Commitments or Incremental Loans unless it so agrees.

Notwithstanding anything to the contrary in Section 10.01, the Administrative Agent is expressly permitted, without the consent of any Lenders or any Issuing Bank, to amend the Loan Documents (including Section 2.07) to the extent necessary or appropriate in the reasonable discretion of the Administrative Agent to give effect to any Incremental Commitment pursuant to this Section 2.14 (which may be in the form of an amendment and restatement), including to provide to the Lenders of any Class of Loans or Commitments hereunder the benefit of any term or provision that is added under any Incremental Amendment for the benefit of the Lenders of a Class of Incremental Commitments (including to the extent necessary or advisable to allow any Class of Incremental Commitments to be an Incremental Increase).

(7) Reallocation of Revolving Exposure. Upon any Incremental Facility Closing Date on which Incremental Revolving Commitments are effected through an increase in the Revolving Commitments with respect to any existing Revolving Facility pursuant to this Section 2.14, (a) each of the Revolving Lenders under such Facility shall assign to each of the Incremental Revolving Lenders, and each of the Incremental Revolving Lenders shall purchase from each of the Revolving Lenders, at the principal amount thereof, such interests in the Revolving Loans outstanding on such Incremental Facility Closing Date as shall be necessary in order that, after giving effect to all such assignments and purchases, such Revolving Loans will be held by existing Revolving Lenders and Incremental Revolving Lenders ratably in accordance with their Revolving Commitments after giving effect to the addition of such Incremental Revolving Commitments to the Revolving Commitments, (b) each Incremental Revolving Commitment shall be deemed for all purposes a Revolving Commitment and each Loan made thereunder shall be deemed, for all purposes, a Revolving Loan and (c) each Incremental Revolving Lender shall become a Lender with respect to the Incremental Revolving Commitments and all matters relating thereto. The Administrative Agent and the Lenders hereby agree that the minimum borrowing and prepayment requirements in Section 2.02 and 2.05(1) of this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.
(8) This Section 2.14 shall supersede any provisions in Section 2.12, 2.13 or 10.01 to the contrary. For the avoidance of doubt, any of the provisions of this Section 2.14 may be amended with the consent of the Required Lenders (or the applicable Required Facility Lenders, if applicable).

SECTION 2.15 Refinancing Amendments.

(1) At any time after the Closing Date, the Borrower may obtain, from any Lender or any Additional Lender (it being understood that (i) no Lender shall be required to provide any Other Loan without its consent, (ii) Affiliated Lenders may not provide Other Revolving Commitments and (iii) Other Term Loans provided by Affiliated Lenders shall be subject to the limitations set forth in Section 10.07(h)), Other Loans to refinance all or any portion of the applicable Class or Classes of Loans then outstanding under this Agreement which will be made pursuant to Other Term Loan Commitments, in the case of Other Term Loans, and pursuant to Other Revolving Commitments, in the case of Other Revolving Loans, in each case pursuant to a Refinancing Amendment; provided that such Other Loans and Other Revolving Commitments (i) shall rank equal in priority in right of payment with the other Loans and Commitments hereunder, (ii) shall be unsecured or rank pari passu (without regard to the control of remedies) or junior in right of security with any First Lien Obligations under this Agreement and, if secured on a junior basis, shall be subject to an applicable Intercreditor Agreement(s), (iii) if secured, shall not be secured by any property or assets of the Borrower or any Restricted Subsidiary other than the Collateral, (iv) shall not at any time be guaranteed by any Subsidiary of the Borrower other than Subsidiaries that are Guarantors, (v) (A) shall have interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, funding discounts, original issue discounts and prepayment terms and premiums as may be agreed by the Borrower and the Lenders thereof and/or (B) may provide for additional fees and/or premiums payable to the Lenders providing such Other Loans in addition to any of the items contemplated by the preceding clause (A), in each case, to the extent provided in the applicable Refinancing Amendment, (vi) may have optional prepayment terms (including call protection and prepayment terms and premiums) as may be agreed between the Borrower and the Lenders thereof, (vii) will have a final maturity date no earlier than, and, in the case of Other Term Loans, will have a Weighted Average Life to Maturity equal to or greater than, the Term Loans or Revolving Commitments being refinanced and (viii) will have such other terms and conditions (other than as provided in foregoing clauses (ii) through (vii)) that either, at the option of the Borrower, (I) reflect market terms and conditions (taken as a whole) at the time of incurrence of such Other Loans or Other Revolving Commitments (as determined by the Borrower in good faith) or (2) if otherwise not consistent with the terms of such Class of Loans or Commitments being refinanced, not be materially more restrictive to the Borrower (as determined by the Borrower in good faith), when taken as a whole, than the terms of such Class of Loans or Commitments being refinanced, except with respect to (x) covenants and other terms applicable to any period after the Latest Maturity Date of the Loans in effect immediately prior to such refinancing or (y) subject to the immediately succeeding proviso, a Previously Absent Financial Maintenance Covenant; provided that, notwithstanding anything to the contrary contained herein, if any such terms of the Other Revolving Commitments contain a Previously Absent Financial Maintenance Covenant that is in effect prior to the applicable Latest Maturity Date of the Revolving Facility, such Previously Absent Financial Maintenance Covenant shall be included for the benefit of each Class of Revolving Commitments.

Any Other Term Loans may participate on a pro rata basis, less than a pro rata basis or greater than a pro rata basis in any mandatory prepayments of Term Loans hereunder (except that, unless otherwise permitted under this Agreement or unless the Class of Term Loans being refinanced was so entitled to participate on a greater than a pro rata basis in such mandatory prepayments, such Other Term Loans may not participate on a greater than a pro rata basis as compared to any earlier maturing Class of Term Loans constituting First Lien Obligations in any mandatory prepayments under
Section 2.05(2)(a), (b) and (d)(i), as specified in the applicable Refinancing Amendment. All Other Revolving Commitments shall provide that all borrowings under the applicable Revolving Commitments and repayments thereunder shall be made on a pro rata basis (except for (1) payments of interest and fees at different rates on Other Revolving Commitments (and related outstanding Other Revolving Loans), (2) repayments required upon the applicable Maturity Date of the Revolving Commitments, (3) repayments made in connection with any refinancing of Revolving Commitments and (4) repayment made in connection with a permanent repayment and termination of Commitments). In connection with any Refinancing Amendment, the Borrower shall, if reasonably requested by the Administrative Agent, deliver customary reaffirmation agreements and/or such amendments to the Collateral Documents as may be reasonably requested by the Administrative Agent in order to ensure that such Other Loans or Other Revolving Commitments are provided with the benefit of the applicable Loan Documents.

(2) Each Class of Other Commitments and Other Loans incurred under this Section 2.15 shall be in an aggregate principal amount that is not less than $5.0 million. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Other Commitments and Other Loans incurred pursuant thereto (including any amendments necessary to treat the Other Loans and/or Other Commitments as Loans and Commitments). Any Refinancing Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.15.

(3) This Section 2.15 shall supersede any provisions in Section 2.12, 2.13 or 10.01 to the contrary. For the avoidance of doubt, any of the provisions of this Section 2.15 may be amended with the consent of the Required Lenders (or the applicable Required Facility Lenders, if applicable).

SECTION 2.16

(1) Extension of Term Loans. The Borrower may at any time and from time to time request that all or a portion of the Term Loans of any Class (each, an “Existing Term Loan Class”) be converted or exchanged to extend the scheduled Maturity Date(s) of any payment of principal with respect to all or a portion of any principal amount of such Term Loans (any such Term Loans which have been so extended, “Extended Term Loans”) and to provide for other terms consistent with this Section 2.16. Prior to entering into any Extension Amendment with respect to any Extended Term Loans, the Borrower shall provide written notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Term Loan Class, with such request offered equally to all such Lenders of such Existing Term Loan Class) (each, a “Term Loan Extension Request”) setting forth the proposed terms of the Extended Term Loans to be established, which terms shall be identical in all material respects to the Term Loans of the Existing Term Loan Class from which they are to be extended except that (i) the scheduled final maturity date shall be extended and all or any of the scheduled amortization payments, if any, of all or a portion of any principal amount of such Extended Term Loans may be delayed to later dates than the scheduled amortization, if any, of principal of the Term Loans of such Existing Term Loan Class (with any such delay resulting in a corresponding adjustment to the scheduled amortization payments reflected in the Extension Amendment, the Incremental Amendment, the Refinancing Amendment or any other amendment, as the case may be, with respect to the Existing Term Loan Class from which such Extended Term Loans were extended), (ii)(A) the interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, funding discounts, original issue discounts and voluntary prepayment terms and premiums with respect to the Extended Term Loans may be different than those for the Term Loans of such Existing Term Loan Class and/or (B) additional fees and/or premiums may be

153
payable to the Lenders providing such Extended Term Loans in addition to any of the items contemplated by the preceding clause (A), in each case, to the extent provided in the applicable Extension Amendment, (iii) the Extended Term Loans may have optional prepayment terms (including call protection and prepayment terms and premiums) as may be agreed between the Borrower and the Lenders thereof, (iv) any Extended Term Loans may participate on a pro rata basis, less than a pro rata basis or greater than a pro rata basis in any mandatory prepayments of Term Loans hereunder (except that, unless otherwise permitted under this Agreement, such Extended Term Loans may not participate on a greater than pro rata basis as compared to any earlier maturing Class of Term Loans in any mandatory prepayments under Section 2.05(2)(a), (b) and (d)(i)), in each case as specified in the respective Term Loan Extension Request and (v) the Extension Amendment may provide for other covenants and terms that apply to any period after the Latest Maturity Date in respect of Term Loans that is in effect immediately prior to the establishment of such Extended Term Loans. No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Class converted into Extended Term Loans pursuant to any Term Loan Extension Request. Any Extended Term Loans extended pursuant to any Term Loan Extension Request shall be designated a series (each, a "Term Loan Extension Series") of Extended Term Loans for all purposes of this Agreement and shall constitute a separate Class of Loans from the Existing Term Loan Class from which they were extended; provided that any Extended Term Loans amended from an Existing Term Loan Class may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Term Loan Extension Series with respect to such Existing Term Loan Class.

(2) Extension of Revolving Commitments. The Borrower may at any time and from time to time request that all or a portion of the Revolving Commitments of any Class (each, an "Existing Revolving Class") be converted or exchanged to extend the scheduled Maturity Date(s) of any payment of principal with respect to all or a portion of any principal amount of such Revolving Commitments (any such Revolving Commitments which have been so extended, "Extended Revolving Commitments") and to provide for other terms consistent with this Section 2.16. Prior to entering into any Extension Amendment with respect to any Extended Revolving Commitments, the Borrower shall provide written notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders under the applicable Existing Revolving Class, with such request offered equally to all such Lenders of such Existing Revolving Class) (each, a "Revolving Extension Request") setting forth the proposed terms of the Extended Revolving Commitments to be established, which terms shall be identical in all material respects to the Revolving Commitments of the Existing Revolving Class from which they are to be extended except that (i) the scheduled final maturity date shall be extended to a later date than the scheduled final maturity date of the Revolving Commitments of such Existing Revolving Class; provided, however, that at no time shall there be Classes of Revolving Commitments hereunder (including Extended Revolving Commitments) which have more than four (4) different Maturity Dates (unless otherwise consented to by the Administrative Agent), (ii)(A) the interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, funding discounts, original issue discounts and voluntary prepayment terms and premiums with respect to the Extended Revolving Commitments may be different than those for the Revolving Commitments of such Existing Revolving Class and/or (B) additional fees and/or premiums may be payable to the Lenders providing such Extended Revolving Commitments in addition to any of the items contemplated by the preceding clause (A), in each case, to the extent provided in the applicable Extension Amendment, (iii) all borrowings under the applicable Revolving Commitments (i.e., the Existing Revolving Class and the Extended Revolving Commitments of the applicable Revolving Extension Series) and repayments thereunder shall be made on a pro rata basis (except for (I) payments of interest and fees at different rates on Extended Revolving Commitments (and related outstanding Extended Revolving Loans), (II) repayments required upon the Maturity Date of the non-extending Revolving Commitments, (III) repayments made in connection with any refinancing of Revolving Commitments and (IV) repayments made in connection with a permanent repayment and termination of Commitments), and (iv) the Extension Amendment may provide for other covenants and terms that apply to any period after the Latest Maturity
Date in respect of Revolving Commitments that is in effect immediately prior to the establishment of such Extended Revolving Commitments. No Lender shall have any obligation to agree to have any of its Revolving Commitments of any Existing Revolving Class converted into Extended Revolving Commitments pursuant to any Revolving Extension Request. Any Extended Revolving Commitments extended pursuant to any Revolving Extension Request shall be designated a series (each, a “Revolving Extension Series”) of Extended Revolving Commitments for all purposes of this Agreement and shall constitute a separate Class of Revolving Commitments from the Existing Revolving Class from which they were extended; provided that any Extended Revolving Commitments amended from an Existing Revolving Class may, to the extent provided in the applicable Extension Amendment, be designated as an increase in any previously established Revolving Extension Series with respect to such Existing Revolving Class.

(3) Extension Request. The Borrower shall provide the applicable Extension Request to the Administrative Agent at least five (5) Business Days (or such shorter period as the Administrative Agent may determine in its sole discretion) prior to the date on which Lenders under the applicable Existing Term Loan Class or Existing Revolving Class, as applicable, are requested to respond. Any Lender holding a Term Loan under an Existing Term Loan Class (each, an “Extending Term Lender”) wishing to have all or a portion of its Term Loans of an Existing Term Loan Class or Existing Term Loan Classes, as applicable, subject to such Extension Request converted or exchanged into Extended Term Loans, and any Extending Term Lender with a Revolving Commitment under an Existing Revolving Class (each, an “Extending Revolving Lender”) wishing to have all or a portion of its Revolving Commitments of an Existing Revolving Class or Existing Revolving Classes, as applicable, subject to such Extension Request converted or exchanged into Extended Revolving Commitments, as applicable, shall notify the Administrative Agent (each, an “Extension Election”) on or prior to the date specified in such Extension Request of the amount of its Term Loans or Revolving Commitments, as applicable, which it has elected to convert or exchange into Extended Term Loans or Extended Revolving Commitments, as applicable. In the event that the aggregate principal amount of Term Loans and/or Revolving Commitments, as applicable, subject to Extension Elections exceeds the amount of Extended Term Loans and/or Extended Revolving Commitments, respectively, requested pursuant to the Extension Request, Term Loans and/or Revolving Commitments, as applicable, subject to Extension Elections shall be converted or exchanged into Extended Term Loans and/or Revolving Commitments, respectively, on a pro rata basis (subject to such rounding requirements as may be established by the Administrative Agent) based on the aggregate principal amount of Term Loans or Revolving Commitments, as applicable, included in each such Extension Election or as may be otherwise agreed to in the applicable Extension Amendment.

(4) Extension Amendment. Extended Term Loans and Extended Revolving Commitments shall be established pursuant to an amendment (each, an “Extension Amendment”) to this Agreement (which, notwithstanding anything to the contrary set forth in Section 10.01, shall not require the consent of any Lender other than the Extending Lenders with respect to the Extended Term Loans and/or Extended Revolving Commitments established thereby, as the case may be) executed by the Borrower, the Administrative Agent and the Extending Lenders, it being understood that such Extension Amendment shall not require the consent of any Lender other than (A) the Extending Lenders with respect to the Extended Term Loans or Extended Revolving Commitments, as applicable, established thereby and (B) with respect to any extension of the Revolving Commitments that results in an extension of Issuing Bank’s obligations with respect to Letters of Credit, the consent of such Issuing Bank). Each request for an Extension Series of Extended Term Loans or Extended Revolving Commitments proposed to be incurred under this Section 2.16 shall be in an aggregate principal amount that is not less than $5.0 million (it being understood that the actual principal amount thereof provided by the applicable Lenders may be lower than such minimum amount), and the Borrower may condition the effectiveness of any Extension Amendment on an Extension Minimum Condition, which may be waived by the Borrower in its sole discretion. In addition to any terms and changes required or permitted by Sections 2.16(1) and (2), each of the parties hereto agrees that this Agreement and the other Loan Documents may be amended pursuant to an Extension Amendment.
Amendment, without the consent of any other Lenders, to the extent necessary to (i) in respect of each Extension Amendment in respect of Extended Term Loans, amend the scheduled amortization payments pursuant to Section 2.07 or the applicable Incremental Amendment, Extension Amendment, Refinancing Amendment or other amendment, as the case may be, with respect to the Existing Term Loan Class from which the Extended Term Loans were exchanged to reduce each scheduled repayment amount for the Existing Term Loan Class in the same proportion as the amount of Term Loans of the Existing Term Loan Class is to be reduced pursuant to such Extension Amendment (it being understood that the amount of any repayment amount payable with respect to any individual Term Loan of such Existing Term Loan Class that is not an Extended Term Loan shall not be reduced as a result thereof); (ii) reflect the existence and terms of the Extended Term Loans or Extended Revolving Commitments, as applicable, incurred pursuant thereto; (iii) modify the prepayments set forth in Section 2.05 to reflect the existence of the Extended Term Loans and the application of prepayments with respect thereto and (iv) effect such other amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.16, and the Lenders hereby expressly authorize the Administrative Agent to enter into any such Extension Amendment. In connection with any Extension Amendment, the Borrower shall, if reasonably requested by the Administrative Agent, deliver customary reaffirmation agreements and/or such amendments to the Collateral Documents as may be reasonably requested by the Administrative Agent in order to ensure that such Extended Term Loans and/or Extended Revolving Commitments are provided with the benefit of the applicable Loan Documents.

(5) Notwithstanding anything to the contrary contained in this Agreement, on any date on which any Existing Term Loan Class and/or Existing Revolving Class is converted or exchanged to extend the related scheduled maturity date(s) in accordance with paragraphs (1) and (2) of this Section 2.16, in the case of the existing Term Loans or Revolving Commitments, as applicable, of each Extending Lender, the aggregate principal amount of such existing Loans shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Term Loans and/or Extended Revolving Commitments, respectively, so converted or exchanged by such Lender on such date, and the Extended Term Loans and/or Extended Revolving Commitments shall be established as a separate Class of Loans, except as otherwise provided under Sections 2.16(1) and (2). Subject to the provisions of Section 2.03(13) in connection with Letters of Credit which mature or expire after a Maturity Date at any time Extended Revolving Commitments with a later Maturity Date are outstanding, all Letters of Credit shall be participated on a pro rata basis by each Lender with a Revolving Commitment in accordance with its percentage of the Revolving Commitments existing on the date of the Extension of such Extended Revolving Commitments (and except as provided in Section 2.03(13), without giving effect to changes thereto on an earlier Maturity Date with respect to Letters of Credit theretofore incurred or issued).

(6) In the event that the Administrative Agent determines in its sole discretion that the allocation of Extended Term Loans and/or Extended Revolving Commitments of a given Extension Series to a given Lender was incorrectly determined as a result of manifest administrative error in the receipt and processing of an Extension Election timely submitted by such Lender in accordance with the procedures set forth in the applicable Extension Amendment, then the Administrative Agent, the Borrower and such affected Lender may (and hereby are authorized to), in their sole discretion and without the consent of any other Lender, enter into an amendment to this Agreement and the other Loan Documents (each, a “Corrective Extension Amendment”) within 15 days following the effective date of such Extension Amendment, as the case may be, which Corrective Extension Amendment shall (i) provide for the conversion or exchange of Term Loans under the Existing Term Loan Class, or of Revolving Commitments under the Existing Revolving Class, in either case, in such amount as is required to cause such Lender to hold Extended Term Loans or Extended Revolving Commitments, as applicable, of the applicable Extension Series into which such other Term Loans or Revolving Commitments were initially converted or exchanged, as the case may be, in the amount such Lender would have held had such
administrative error not occurred and had such Lender received the minimum allocation of the applicable Loans or Commitments to which it was
entitled under such Extension Amendment, in the absence of such error, (ii) be subject to the satisfaction of such conditions as the
Administrative Agent, the Borrower and such Extending Term Lender or Extending Revolving Lender, as applicable, may agree, and (iii) effect such
other amendments of the type (with appropriate reference and nomenclature changes) described in the penultimate sentence of Section 2.16(4).

(7) No conversion or exchange of Loans or Commitments pursuant to any Extension Amendment in accordance with this Section 2.16
shall constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

(8) This Section 2.16 shall supersede any provisions in Section 2.12, 2.13 or 10.01 to the contrary. For the avoidance of doubt, any of the
provisions of this Section 2.16 may be amended with the consent of the Required Lenders (or the applicable Required Facility Lenders, if applicable).

SECTION 2.17 Defaulting Lenders.

(1) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then,
until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(a) Waivers and Amendments. That Defaulting Lender’s right to approve or disapprove of any amendment, waiver or consent with respect to
this Agreement shall be restricted as set forth in Section 10.01.

(b) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the
account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise), shall be applied at such
time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender
to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to the relevant
Issuing Banks hereunder; third, if so determined by the Administrative Agent or requested by the relevant Issuing Banks, to be held as Cash
Collateral for future funding obligations of that Defaulting Lender of any participation in any Letter of Credit; fourth, as the Borrower may request
(so long as no Default has occurred and is continuing), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its
portion thereof as required by this Agreement, as determined by the Administrative Agent; fifth, if so determined by the Administrative Agent and
the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund
Loans under this Agreement; sixth, to the payment of any amounts owing to the Lenders or the relevant Issuing Banks as a result of any judgment
of a court of competent jurisdiction obtained by any Lender or the relevant Issuing Banks against that Defaulting Lender as a result of that
Defaulting Lender’s breach of its obligations under this Agreement; seventh, so long as no Default has occurred and is continuing, to the payment
of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that
Defaulting Lender as a result of that Defaulting Lender’s breach of its obligations under this Agreement; and eighth, to that Defaulting Lender or
as otherwise directed by a court of competent jurisdiction; provided that if (i) such payment is a payment of the principal amount of any Loans or
L/C Borrowings in respect of which that Defaulting Lender has not fully funded its appropriate share and (ii) such Loans or L/C Borrowings were
made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of,and L/C Borrowings owed to, all
Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or L/C Borrowings owed to, that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.17(1)(b) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(c) Certain Fees. That Defaulting Lender (i) shall not be entitled to receive any commitment fee pursuant to Section 2.09(1) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender) and (ii) shall be limited in its right to receive Letter of Credit fees as provided in Section 2.03(9).

(d) Reallocation of Applicable Percentages to Reduce Fronting Exposure. During any period in which there is a Defaulting Lender, for purposes of computing the amount of the obligation of each Non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit pursuant to Section 2.03, the “Applicable Percentage” of each Non-Defaulting Lender’s Revolving Loans and L/C Obligations shall be computed without giving effect to the Commitment of that Defaulting Lender; provided that the aggregate obligation of each Non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit shall not exceed the positive difference, if any, of (1) the Revolving Commitment of that Non-Defaulting Lender minus (2) the aggregate Outstanding Amount of the Revolving Loans of that Non-Defaulting Lender.

(2) Defaulting Lender Cure. If the Borrower, the Administrative Agent and the Issuing Banks agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Revolving Loans and funded and unfunded participations in Letters of Credit to be held on a pro rata basis by the Lenders in accordance with their Applicable Percentages (without giving effect to Section 2.17(1)(d)), whereupon that Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; provided further that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender having been a Defaulting Lender.

SECTION 2.18 Loan Repricing Protection. In the event that, on or prior to the date that is six months after the Third Amendment Effective Date, the Borrower (a) makes any prepayment of any Term B Loans in connection with any Repricing Transaction with respect to such Term B Loans or (b) effects any amendment of this Agreement resulting in a Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each applicable Lender, (i) in the case of clause (a), a prepayment premium of 1.00% of the aggregate principal amount of such Term B Loans being prepaid and (ii) in the case of clause (b), a payment equal to 1.00% of the aggregate principal amount of the applicable Term B Loans outstanding immediately prior to such amendment that are subject to such Repricing Transaction.
Article III

Taxes, Increased Costs Protection and Illegality

SECTION 3.01 Taxes.

(1) Except as required by applicable Law, all payments by or on account of any Loan Party to or for the account of any Agent or any Lender under any Loan Document shall be made free and clear of and without deduction or withholding for any Taxes.

(2) If any Loan Party or any other applicable withholding agent is required by applicable Law to make any deduction or withholding on account of any Taxes from any sum paid or payable by or on account of any Loan Party to or for the account of any Lender or Agent under any of the Loan Documents:

(a) the applicable Loan Party or other applicable withholding agent shall make such deduction or withholding and pay to the relevant Governmental Authority any such Tax before the date on which penalties attach thereto, such payment to be made (if the liability to pay is imposed on any Loan Party) for such Loan Party’s account or (if that liability is imposed on the Lender or Agent) on behalf of and in the name of the Lender or Agent (as applicable);

(b) if the Tax in question is a Non-Excluded Tax or Other Tax, the sum payable to such Lender or Agent (as applicable) shall be increased by such Loan Party to the extent necessary to ensure that, after the making of any required deduction or withholding for Non-Excluded Taxes or Other Taxes (including any deductions or withholdings for Non-Excluded Taxes or Other Taxes attributable to any payments required to be made under this Section 3.01), such Lender (or, in the case of any payment made to the Administrative Agent for its own account, the Administrative Agent) receives on the due date a net sum equal to what it would have received had no such deduction or withholding been required or made; and

(c) within thirty days after paying any sum from which it is required by Law to make any deduction or withholding, and within thirty days after the due date of payment of any Tax which it is required by clause (a) above to pay (or, in each case, as soon as reasonably practicable thereafter), the Borrower shall deliver to the Administrative Agent evidence reasonably satisfactory to the other affected parties of such deduction or withholding and of the remittance thereof to the relevant Governmental Authority.

(3) Status of Lender. Each Lender shall, at such times as are reasonably requested by the Borrower or the Administrative Agent, provide the Borrower and the Administrative Agent with any documentation prescribed by Laws or reasonably requested by the Borrower or the Administrative Agent certifying as to any entitlement of such Lender to an exemption from, or reduction in, withholding Tax with respect to any payments to be made to such Lender under any Loan Document. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Each such Lender shall, whenever a lapse in time or change in circumstances renders any such documentation (including any specific documentation required below in this Section 3.01(3)) obsolete, expired or inaccurate in any respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower or the Administrative Agent) or promptly notify the Borrower and Administrative Agent of its legal ineligibility to do so.
Without limiting the foregoing:

(a) Each U.S. Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement two properly completed and duly signed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding.

(b) Each Foreign Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent) whichever of the following is applicable:

(i) two properly completed and duly signed copies of IRS Form W-8BEN or W-8BEN-E (or any successor forms) claiming eligibility for the benefits of an income tax treaty to which the United States is a party, and such other documentation as required under the Code,

(ii) two properly completed and duly signed copies of IRS Form W-8ECI (or any successor forms),

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (A) two properly completed and duly signed certificates substantially in the form of Exhibit H (any such certificate, a “United States Tax Compliance Certificate”) and (B) two properly completed and duly signed copies of IRS Form W-8BEN or W-8BEN-E (or any successor forms),

(iv) to the extent a Foreign Lender is not the beneficial owner (for example, where such Foreign Lender is a partnership or a participating Lender), IRS Form W-8IMY (or any successor forms) of such Foreign Lender, accompanied by an IRS Form W-8ECI, Form W-8BEN or W-8BEN-E, United States Tax Compliance Certificate, Form W-9, Form W-8IMY and any other required information (or any successor forms) from each beneficial owner that would be required under this Section 3.01(3) if such beneficial owner were a Lender, as applicable (provided that, if a Lender is a partnership (and not a participating Lender) and if one or more beneficial owners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Foreign Lender on behalf of such beneficial owner(s)), or

(v) two properly completed and duly signed copies of any other documentation prescribed by applicable U.S. federal income tax laws (including the Treasury Regulations) as a basis for claiming a complete exemption from, or a reduction in, U.S. federal withholding tax on any payments to such Lender under the Loan Documents.

(c) If a payment made to a Lender under any Loan Document would be subject to Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or
times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has complied with such Lender’s obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this paragraph (c), the term “FATCA” shall include any amendments made to FATCA after the date of this Agreement.

For the avoidance of doubt, if a Lender is an entity disregarded from its owner for U.S. federal income tax purposes, references to the foregoing documentation are intended to refer to documentation with respect to such Lender’s owner and, as applicable, such Lender.

Notwithstanding any other provision of this Section 3.01(3), a Lender shall not be required to deliver any documentation that such Lender is not legally eligible to deliver. Each Lender hereby authorizes the Administrative Agent to deliver to the Loan Parties and to any successor Administrative Agent any documentation provided by such Lender to the Administrative Agent pursuant to this Section 3.01(3).

(4) Without duplication of other amounts payable by the Borrower pursuant to Section 3.01(2), the Borrower shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(5) The Loan Parties shall, jointly and severally, indemnify a Lender or the Administrative Agent (each a “Tax Indemnitee”), within 10 days after written demand therefor, for the full amount of any Non-Excluded Taxes paid or payable by such Tax Indemnitee on or attributable to any payment under or with respect to any Loan Document, and any Other Taxes payable by such Tax Indemnitee (including Non-Excluded Taxes or Other Taxes imposed on or attributable to amounts payable under this Section 3.01) (other than any interest, penalties and other costs determined by a final and non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence, bad faith or willful misconduct of such Tax Indemnitee), whether or not such Taxes were correctly or legally imposed or asserted by the Governmental Authority; provided that if the Borrower reasonably believes that such Taxes were not correctly or legally imposed or asserted by the Governmental Authority, whether or not such Taxes were correctly or legally imposed or asserted by the Governmental Authority; provided that if the Borrower reasonably believes that such Taxes were not correctly or legally imposed or asserted, such Tax Indemnitee will use reasonable efforts to cooperate with the Borrower to obtain a refund of such Taxes (which shall be repaid to the Borrower in accordance with Section 3.01(6)) so long as such efforts would not, in the sole determination of such Tax Indemnitee (exercised in good faith), result in any additional out-of-pocket costs or expenses not reimbursed by such Loan Party or be otherwise materially disadvantageous to such Tax Indemnitee. A certificate as to the amount of such payment or liability prepared in good faith and delivered by the Tax Indemnitee or by the Administrative Agent on behalf of another Tax Indemnitee, shall be conclusive absent manifest error.

(6) If and to the extent that a Tax Indemnitee, in its sole discretion (exercised in good faith), determines that it has received a refund (whether received in cash or applied as a credit against any other cash Taxes payable) of any Non-Excluded Taxes or Other Taxes in respect of which it has received indemnification payments or additional amounts under this Section 3.01, then such Tax Indemnitee shall pay to the relevant Loan Party the amount of such refund, net of all out-of-pocket expenses of the Tax Indemnitee (including any Taxes imposed with respect to such refund), and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the Loan Party, upon the request of the Tax Indemnitee, agrees to repay the amount paid over by the Tax Indemnitee (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Tax Indemnitee to the extent the Tax Indemnitee is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 3.01(6), in no event will the Tax
Indemnitee be required to pay any amount to a Loan Party pursuant to this Section 3.01(6) the payment of which would place the Tax Indemnitee in a less favorable net after-Tax position than the Tax Indemnitee would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require a Tax Indemnitee to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party or any other Person.

(7) On or before the date the Administrative Agent becomes a party to this Agreement, the Administrative Agent shall deliver to the Borrower whichever of the following is applicable: (i) if the Administrative Agent is a “United States person” within the meaning of Section 7701(a)(30) of the Code, two executed original copies of IRS Form W-9 certifying that such Administrative Agent is exempt from U.S. federal backup withholding or (ii) if the Administrative Agent is not a “United States person” within the meaning of Section 7701(a)(30) of the Code, (A) with respect to payments received for its own account, two executed original copies of IRS Form W-8ECI and (ii) with respect to payments received on account of any Lender, two executed original copies of IRS Form W-8IMY (together with all required accompanying documentation) certifying that the Administrative Agent is a U.S. branch and may be treated as a United States person for purposes of applicable U.S. federal withholding Tax. At any time thereafter, the Administrative Agent shall provide updated documentation previously provided (or a successor form thereto) when any documentation previously delivered has expired or become obsolete or invalid or otherwise upon the reasonable request of the Borrower. Notwithstanding anything to the contrary in this Section 3.01(7), the Administrative Agent shall not be required to provide any documentation that the Administrative Agent is not legally eligible to deliver as a result of a Change in Law after the Closing Date.

(8) The agreements in this Section 3.01 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(9) For the avoidance of doubt, for purposes of this Section 3.01, the term “Lender” includes any Issuing Bank.

SECTION 3.02 Illegality.

(1) If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to the Eurodollar Rate, or to determine or charge interest rates based upon the Eurodollar Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on written notice thereof by such Lender to the Borrower through the Administrative Agent, (1) any obligation of such Lender to make or continue Eurodollar Rate Loans or to convert Base Rate Loans to Eurodollar Rate Loans shall be suspended, and (2) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans to Eurodollar Rate Loans shall be suspended, and (2) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Eurodollar Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be reasonably determined by the Administrative Agent without reference to the Eurodollar Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (a) the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Rate Loans and shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Eurodollar Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurodollar Rate component of the Base Rate), either on the
last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurodollar Rate Loans and (b) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Eurodollar Rate component of the Base Rate with respect to any Base Rate Loans, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Eurodollar Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurodollar Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

(2) If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to the EURIBOR Rate, or to determine or charge interest rates based upon the EURIBOR Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Euros in the European interbank market, then, on written notice thereof by such Lender to the Borrower through the Administrative Agent, (1) any obligation of such Lender to make or continue EURIBOR Rate Loans or to convert Base Rate Loans to EURIBOR Rate Loans shall be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of or continuation of EURIBOR Rate Loans and, unless the Administrative Agent (acting on instructions of the Required Lenders) and the Borrower otherwise agree to a substitute rate (it being understood that the Administrative Agent, Required Lenders and Borrower shall negotiate in good faith to amend the definition of “EURIBOR Rate” and other applicable provisions to preserve the original intent thereof in light of such change) such EURIBOR Rate Loans shall bear interest at such rate as the Administrative Agent (acting on instructions of the Required Lenders) shall determine adequately and fairly reflects the cost to the Euro Term Lenders of making or maintaining such EURIBOR Rate Loans for the applicable Interest Period plus the applicable percentage set forth in the definition of Applicable Rate with respect to such EURIBOR Rate Loans.

SECTION 3.03 Inability to Determine Rates.

(1) If the Administrative Agent (in the case of clause (1) or (2) below) or the Required Lenders (in the case of clause (3) below) reasonably determine that for any reason in connection with any request for a Eurodollar Rate Loan or a conversion to or continuation thereof that

(a) Dollar deposits are not being offered to banks in the London interbank eurodollar market for the applicable amount and Interest Period of such Eurodollar Rate Loan,

(b) adequate and reasonable means do not exist for determining the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan or in connection with an existing or proposed Base Rate Loan, or

(c) the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan,

the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (i) the obligation of the Lenders to make or maintain Eurodollar Rate Loans shall be suspended, and (ii) in the event of a determination described in the preceding sentence with respect to the Eurodollar Rate component of the Base Rate, the utilization of the Eurodollar Rate component in determining the Base Rate shall be
suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, 
the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurodollar Rate Loans or, failing that, will be 
deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein.

(2) If the Administrative Agent (in the case of clause (1) or (2) below) or the Required Lenders (in the case of clause (3) below) reasonably 
determine that for any reason in connection with any request for a EURIBOR Rate Loan or continuation thereof that

(a) Euro deposits are not being offered to banks in the European interbank market for the applicable amount and Interest Period of such 
EURIBOR Rate Loan,

(b) adequate and reasonable means do not exist for determining the EURIBOR Rate for any requested Interest Period with respect to a 
proposed EURIBOR Rate Loan, or

(c) the EURIBOR Rate for any requested Interest Period with respect to a proposed EURIBOR Rate Loan does not adequately and fairly 
reflect the cost to such Lenders of funding such Loan,

the Administrative Agent will promptly so notify the Borrower and each Euro Term Lender. Thereafter, the obligation of the Lenders to make or 
maintain EURIBOR Rate Loans shall be suspended until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice 
and, unless the Administrative Agent (acting on instructions of the Required Lenders) and the Borrower otherwise agree to a substitute rate (it being 
understood that the Administrative Agent, Required Lenders and Borrower shall negotiate in good faith to amend the definition of “EURIBOR Rate” 
and other applicable provisions to preserve the original intent thereof in light of such change) such EURIBOR Rate Loans shall bear interest at such rate 
as the Administrative Agent (acting on instructions of the Required Lenders) shall determine adequately and fairly reflects the cost to the Euro Term 
Lenders of making or maintaining such EURIBOR Rate Loans for the applicable Interest Period plus the applicable percentage set forth in the definition 
of Applicable Rate with respect to such EURIBOR Rate Loans. Upon receipt of such notice, the Borrower may revoke any pending request for a 
Borrowing of or continuation of EURIBOR Rate Loans.

SECTION 3.04 Increased Cost and Reduced Return; Capital Adequacy; Reserves on Eurodollar Rate Loans and EURIBOR Rate Loans.

(1) Increased Costs Generally. If any Change in Law shall:

(a) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets 
of, deposits with or for the account of, or credit extended or participated in by, any Lender;

(b) subject any Lender to any Tax of any kind whatsoever with respect to this Agreement or any Eurodollar Rate Loan or EURIBOR Rate 
Loan made by it, or change the basis of taxation of payments to such Lender in respect thereof (except for Non-Excluded Taxes or Other Taxes 
covered by Section 3.01 and any Excluded Taxes); or

(c) impose on any Lender or the London interbank market or European interbank market any other condition, cost or expense affecting this 
Agreement or Eurodollar Rate Loans or EURIBOR Rate Loans made by such Lender that is not otherwise accounted for in the definition of 
“Eurodollar Rate”, “EURIBOR Rate” or this clause (1);

164
and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining any Loan the interest on which is determined by reference to the Eurodollar Rate or EURIBOR Rate (or of maintaining its obligation to make any such Loan), or to reduce the amount of any sum received or receivable by such Lender (whether of principal, interest or any other amount) then, from time to time within fifteen (15) days after demand by such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent), the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered; provided that such amounts shall only be payable by the Borrower to the applicable Lender under this Section 3.04(1) so long as it is such Lender’s general policy or practice to demand compensation in similar circumstances under comparable provisions of other financing agreements.

(2) Capital Requirements. If any Lender reasonably determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender’s holding company, if any, regarding capital requirements has or would have the effect of reducing the rate of return on such Lender’s capital or on the capital of such Lender’s holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by it, or participations in or issuance of Letters of Credit by such Lender, to a level below that which such Lender or such Lender’s holding company, as the case may be, could have achieved but for such Change in Law (taking into consideration such Lender’s policies and the policies of such Lender’s holding company with respect to capital adequacy), then from time to time upon demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the Administrative Agent), the Borrower will pay to such Lender additional amount or amounts as will compensate such Lender or such Lender’s holding company for any such reduction suffered; provided that such amounts shall only be payable by the Borrower to the applicable Lender under this Section 3.04(2) so long as it is such Lender’s general policy or practice to demand compensation in similar circumstances under comparable provisions of other financing agreements.

(3) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in subsection (1) or (2) of this Section 3.04 and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender, as the case may be, the amount shown as due on any such certificate within fifteen (15) days after receipt thereof.

SECTION 3.05 Funding Losses. Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, which demand shall set forth in reasonable detail the basis for requesting such amount, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense (excluding loss of anticipated profits or margin) actually incurred by it as a result of:

(1) any continuation, conversion, payment or prepayment of any Eurodollar Rate Loan or EURIBOR Rate Loan on a day prior to the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(2) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Eurodollar Rate Loan or EURIBOR Rate Loan on the date or in the amount notified by the Borrower; or
(3) any assignment of a Eurodollar Rate Loan or EURIBOR Rate Loan on a day prior to the last day of the Interest Period therefor as a result of a request by the Borrower pursuant to Section 3.07; including any loss or expense (excluding loss of anticipated profits or margin) actually incurred by reason of the liquidation or reemployment of funds obtained by it to maintain such Eurodollar Rate Loan or EURIBOR Rate Loan or from fees payable to terminate the deposits from which such funds were obtained.

Notwithstanding the foregoing, no Lender may make any demand under this Section 3.05 with respect to the “floor” specified (x) in the proviso to the definition of “Eurodollar Rate” or (y) in the proviso to the definition of “EURIBOR Rate”.

SECTION 3.06 Matters Applicable to All Requests for Compensation.

(1) Designation of a Different Lending Office. If any Lender requests compensation under Section 3.04, or the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the good faith judgment of such Lender such designation or assignment (a) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (b) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any material economic, legal or regulatory respect.

(2) Suspension of Lender Obligations. If any Lender requests compensation by the Borrower under Section 3.04, the Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue Eurodollar Rate Loans from one Interest Period to another Interest Period, or to convert Base Rate Loans into Eurodollar Rate Loans until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.06(3) shall be applicable); provided that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(3) Conversion of Eurodollar Rate Loans. If any Lender gives notice to the Borrower (with a copy to the Administrative Agent) that the circumstances specified in Section 3.02, 3.03 or 3.04 hereof that gave rise to the conversion of such Lender’s Eurodollar Rate Loans no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurodollar Rate Loans made by other Lenders, as applicable, are outstanding, such Lender’s Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurodollar Rate Loans to the extent necessary so that, after giving effect thereto, all Loans of a given Class held by the Lenders of such Class holding Eurodollar Rate Loans and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Pro Rata Shares.

(4) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of Sections 3.01 or 3.04 shall not constitute a waiver of such Lender’s right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of Section 3.01 or 3.04 for any increased costs incurred or reductions suffered more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the event giving rise to such claim and of such Lender’s intention to claim compensation therefor (except that, if the circumstance giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).
SECTION 3.07 Replacement of Lenders under Certain Circumstances. If (1) any Lender requests compensation under Section 3.04 or ceases to make Eurodollar Rate Loans or EURIBOR Rate Loans as a result of any condition described in Section 3.02 or Section 3.04, (2) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01 or 3.04, (3) any Lender is a Non-Consenting Lender, (4) any Lender becomes a Defaulting Lender or (5) any other circumstance exists hereunder that gives the Borrower the right to replace a Lender as a party hereto, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent,

(a) require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.07), all of its interests, rights and obligations under this Agreement (or, with respect to clause (3) above, all of its interests, rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, waiver, or amendment, as applicable) and the related Loan Documents to one or more Eligible Assignees that shall assume such obligations (any of which assignee may be another Lender, if a Lender accepts such assignment), provided that:

(i) the Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 10.07(b)(iv);

(ii) such Lender shall have received payment of an amount equal to the applicable outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05 and, in the case of a Repricing Transaction, any “prepayment premium” pursuant to Section 2.18 that would otherwise be owed in connection therewith) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(iii) such Lender being replaced pursuant to this Section 3.07 shall (i) execute and deliver an Assignment and Assumption with respect to all, or a portion, as applicable, of such Lender’s Commitment and outstanding Loans and participations in L/C Obligations and (ii) deliver any Notes evidencing such Loans to the Borrower or Administrative Agent (or a lost or destroyed note indemnity in lieu thereof); provided that the failure of any such Lender to execute an Assignment and Assumption or deliver such Notes shall not render such sale and purchase (and the corresponding assignment) invalid and such assignment shall be recorded in the Register and the Notes shall be deemed to be canceled upon such failure;

(iv) the Eligible Assignee shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification and confidentiality provisions under this Agreement, which shall survive as to such assigning Lender;

(v) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;
(vi) such assignment does not conflict with applicable Laws;

(vii) any Lender that acts as an Issuing Bank may not be replaced hereunder at any time when it has any Letter of Credit outstanding hereunder unless arrangements reasonably satisfactory to such Issuing Bank (including the furnishing of a back-up standby letter of credit in form and substance, and issued by an issuer, reasonably satisfactory to such Issuing Bank or the depositing of Cash Collateral into a Cash Collateral Account in amounts and pursuant to arrangements reasonably satisfactory to such Issuing Bank) have been made with respect to each such outstanding Letter of Credit; and

(viii) the Lender that acts as Administrative Agent cannot be replaced in its capacity as Administrative Agent other than in accordance with Section 9.11, or

(b) terminate the Commitment of such Lender or Issuing Bank, as the case may be, and (A) in the case of a Lender (other than an Issuing Bank), repay all Obligations of the Borrower owing to such Lender relating to the Loans and participations held by such Lender as of such termination date (including in the case of a Repricing Transaction, any “prepayment premium” pursuant to Section 2.18 that would otherwise be owed in connection therewith) and (B) in the case of an Issuing Bank, repay all Obligations of the Borrower owing to such Issuing Bank relating to the Loans and participations held by such Issuing Bank as of such termination date and Cash Collateralize, cancel or backstop, or provide for the deemed reissuance under another facility, on terms satisfactory to such Issuing Bank any Letters of Credit issued by it; provided that in the case of any such termination of the Commitment of a Non-Consenting Lender such termination shall be sufficient (together with all other consenting Lenders) to cause the adoption of the applicable consent, waiver or amendment of the Loan Documents and such termination shall, with respect to clause (3) above, be in respect of all of its interests, rights and obligations with respect to the Class of Loans or Commitments that is the subject of the related consent, waiver and amendment.

In the event that (i) the Borrower or the Administrative Agent has requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of each Lender, all affected Lenders or all the Lenders or all affected Lenders with respect to a certain Class or Classes of the Loans/Commitments and (iii) the Required Lenders or Required Facility Lenders, as applicable, have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a “Non-Consenting Lender.”

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

SECTION 3.08 Survival. All of the Borrower’s obligations under this Article III shall survive termination of the Aggregate Commitments, repayment of all other Obligations hereunder and resignation of the Administrative Agent.
Article IV

In addition, solely to the extent the Borrower has delivered to the Administrative Agent a Notice of Intent to Cure pursuant to Section 8.04, no request for a Credit Extension shall be honored after delivery of such notice until the applicable Cure Amount specified in such notice is actually received by the Borrower. For the avoidance of doubt, the preceding sentence shall have no effect on the continuation or conversion of any Loans outstanding.

Each Lender shall be solely responsible for timely accessing posted documents or requesting delivery of paper copies of such documents from the Administrative Agent and maintaining its copies of such documents.
The Borrower hereby acknowledges that (a) the Administrative Agent will make available to the Lenders and the Issuing Banks materials or information provided by or on behalf of the Borrower hereunder (collectively, the “Borrower Materials”) by posting the Borrower Materials on Intralinks, SyndTrak, ClearPar or another similar electronic system (the “Platform”) and (b) certain of the Lenders may have personnel who do not wish to receive any information with respect to Holdings, their Subsidiaries or their respective securities that is not Public-Side Information, and who may be engaged in investment and other market-related activities with respect to such Person’s securities (each, a “Public Lender”). The Borrower hereby agrees that (i) at the Administrative Agent’s request, all Borrower Materials that are to be made available to Public Lenders will be clearly and conspicuously marked “PUBLIC” which, at a minimum, means that the word “PUBLIC” will appear prominently on the first page thereof; (ii) by marking Borrower Materials “PUBLIC,” the Borrower will be deemed to have authorized the Administrative Agent, the Lenders and the Issuing Banks to treat such Borrower Materials as containing only Public-Side Information (provided, however, that to the extent such Borrower Materials constitute Information, they will be treated as set forth in Section 10.09); (iii) all Borrower Materials marked “PUBLIC” and, except to the extent the Borrower notifies the Administrative Agent to the contrary, any Borrower Materials provided pursuant to Sections 6.01(1), 6.01(2) or 6.02(1) are permitted to be made available through a portion of the Platform designated as “Public Side Information”; and (iv) the Administrative Agent and the Arrangers shall be entitled to treat Borrower Materials that are not specifically identified as “PUBLIC” as being suitable only for posting on a portion of the Platform not designated as “Public Side Information.” Notwithstanding the foregoing, the Borrower shall be under no obligation to mark the Borrower Materials “PUBLIC.”

Anything to the contrary notwithstanding, nothing in this Agreement will require Holdings, the Borrower or any Subsidiary to disclose, permit the inspection, examination or making copies or abstracts of, or discussion of, any document, information or other matter, or provide information (i) that constitutes non-financial trade secrets or non-financial proprietary information, (ii) in respect of which disclosure is prohibited by Law or binding agreement or (iii) that is subject to attorney-client or similar privilege or constitutes attorney work product; provided that in the event that the Borrower does not provide information that otherwise would be required to be provided hereunder in reliance on the exclusions in this paragraph relating to violation of any obligation of confidentiality, the Borrower shall use commercially reasonable efforts to provide notice to the Administrative Agent promptly upon obtaining knowledge that such information is being withheld (but solely if providing such notice would not violate such obligation of confidentiality).

SECTION 6.03 Notices. Promptly after a Responsible Officer obtains actual knowledge thereof, notify the Administrative Agent of:

(1) the occurrence of any Default; and

(2) (a) any dispute, litigation, investigation or proceeding between any Loan Party and any arbitrator or Governmental Authority, (b) the filing or commencement of, or any material development in, any litigation or proceeding affecting any Loan Party or any of its Subsidiaries, including pursuant to any applicable Environmental Laws or in respect of IP Rights, the occurrence of any violation by any Loan Party or any of its Subsidiaries of, or liability under, any Environmental Law or Environmental Permit, or (c) the occurrence of any ERISA Event that, in any such case referred to in clauses (a), (b) or (c) of this Section 6.03(2), has resulted or would reasonably be expected to result in a Material Adverse Effect.
Each notice pursuant to this Section 6.03 shall be accompanied by a written statement of a Responsible Officer of the Borrower (a) that such notice is being delivered pursuant to Section 6.03(1) or (2) (as applicable) and (b) setting forth details of the occurrence referred to therein and stating what action the Borrower has taken and proposes to take with respect thereto.

SECTION 6.04 Payment of Obligations. Timely pay, discharge or otherwise satisfy, as the same shall become due and payable, all of its obligations and liabilities in respect of Taxes imposed upon it or upon its income or profits or in respect of its property, except, in each case, to the extent (1) any such Tax is being contested in good faith and by appropriate actions for which appropriate reserves have been established in accordance with GAAP or (2) the failure to pay or discharge the same would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.

SECTION 6.05 Preservation of Existence, etc.

(1) Preserve, renew and maintain in full force and effect its legal existence under the Laws of the jurisdiction of its organization; and (2) take all reasonable action to obtain, preserve, renew and keep in full force and effect its rights, licenses, permits, privileges, franchises, and IP Rights material to the conduct of its business, except in the case of clause (1) or (2) to the extent (other than with respect to the preservation of the existence of the Borrower) that failure to do so would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect or pursuant to any merger, consolidation, liquidation, dissolution or disposition permitted by Article VII.

SECTION 6.06 Maintenance of Properties. Except if the failure to do so would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, maintain, preserve and protect all of its material properties and equipment used in the operation of its business in good working order, repair and condition, ordinary wear and tear excepted and casualty or condemnation excepted and any repairs and replacements that are the obligation of the owner or landlord of any property leased by the Borrower or any of the Restricted Subsidiaries excepted.

SECTION 6.07 Maintenance of Insurance. Maintain with insurance companies that the Borrower believes (in the good faith judgment of its management) are financially sound and reputable at the time the relevant coverage is placed or renewed or with a Captive Insurance Subsidiary, insurance with respect to the Borrower’s and the Restricted Subsidiaries’ properties and business against loss or damage of the kinds customarily insured against by Persons engaged in the same or similar business, of such types and in such amounts (after giving effect to any self-insurance reasonable and customary for similarly situated Persons engaged in the same or similar businesses as the Borrower and the Restricted Subsidiaries) as are customarily carried under similar circumstances by such other Persons, and will furnish to the Lenders, upon written request from the Administrative Agent, information presented in reasonable detail as to the insurance so carried, provided that notwithstanding the foregoing, in no event will the Borrower or any Restricted Subsidiary be required to obtain or maintain insurance that is more restrictive than its normal course of practice. Subject to Section 6.13(2), each such policy of insurance will, as appropriate, (i) name the Collateral Agent, on behalf of the Secured Parties, as an additional insured thereunder as its interests may appear or (ii) in the case of each casualty insurance policy, contain an additional loss payable clause or endorsement that names the Collateral Agent, on behalf of the Secured Parties, as the additional loss payee thereunder.

SECTION 6.08 Compliance with Laws. Comply in all material respects with the requirements of all Laws and comply with the USA PATRIOT Act, sanctions administered by OFAC and all orders, writs, injunctions and decrees of any Governmental Authority applicable to it or to its business or property, except if the failure to comply therewith would not reasonably be expected individually or in the aggregate to have a Material Adverse Effect.
SECTION 6.09 Books and Records. Maintain proper books of record and account, in which entries that are full, true and correct in all material respects shall be made of all material financial transactions and matters involving the assets and business of the Borrower or such Restricted Subsidiary, as the case may be (it being understood and agreed that certain Foreign Subsidiaries may maintain individual books and records in conformity with generally accepted accounting principles in their respective countries of organization and that such maintenance shall not constitute a breach of the representations, warranties or covenants hereunder).

SECTION 6.10 Inspection Rights. Permit representatives and independent contractors of the Administrative Agent to visit and inspect any of its properties, to examine its corporate, financial and operating records, and make copies thereof or abstracts therefrom and to discuss its affairs, finances and accounts with its directors, officers, and independent public accountants (subject to such accountants’ customary policies and procedures), all at the reasonable expense of the Borrower and at such reasonable times during normal business hours and as often as may be reasonably desired, upon reasonable advance notice to the Borrower; provided that only the Administrative Agent on behalf of the Lenders may exercise rights under this Section 6.10 and the Administrative Agent shall not exercise such rights more often than two (2) times during any calendar year absent the existence of an Event of Default and only one (1) such time shall be at the Borrower’s expense; provided further that when an Event of Default exists, the Administrative Agent (or any of its representatives or independent contractors) may do any of the foregoing at the expense of the Borrower at any time during normal business hours and upon reasonable advance notice. The Administrative Agent shall give the Borrower the opportunity to participate in any discussions with the Borrower’s independent public accountants. For the avoidance of doubt, this Section 6.10 is subject to the last paragraph of Section 6.02.

SECTION 6.11 Covenant to Guarantee Obligations and Give Security. At the Borrower’s expense, subject to the provisions of the Collateral and Guarantee Requirement and any applicable limitation in any Collateral Document, take all action necessary or reasonably requested by the Administrative Agent or the Collateral Agent to ensure that the Collateral and Guarantee Requirement continues to be satisfied, including:

(D) within sixty (60) days (or ninety (90) days in the case of documents described in Section 6.11(2)(b)) after the reasonable request therefor by the Administrative Agent, deliver to the Administrative Agent a signed copy of a customary Opinion of Counsel, addressed to the Administrative Agent and the Lenders, of counsel for the Loan Parties reasonably acceptable to the Administrative Agent as to such matters set forth in this Section 6.11(1) as the Administrative Agent may reasonably request;

*provided* that actions relating to Liens on real property are governed by Section 6.11(2) and not this Section 6.11(1).

Article VII

Negative Covenants

So long as the Termination Conditions are not satisfied:

SECTION 7.01 Liens. The Borrower shall not, nor shall the Borrower permit any Restricted Subsidiary to, directly or indirectly, create, incur or assume any Lien (except any Permitted Lien(s)) that secures obligations under any Indebtedness or any related guarantee of Indebtedness on any asset or property of the Borrower or any Restricted Subsidiary, or any income or profits therefrom.

The expansion of Liens by virtue of accretion or amortization of original issue discount, the payment of dividends in the form of Indebtedness, and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies will not be deemed to be an incurrence of Liens for purposes of this Section 7.01.

SECTION 7.02 Indebtedness.

(a) The Borrower shall not, nor shall the Borrower permit any Restricted Subsidiary to, directly or indirectly:

(i) create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise (collectively, “incur” and collectively, an “incurrence”) with respect to any Indebtedness (including Acquired Indebtedness), or

(ii) issue any shares of Disqualified Stock or permit any Restricted Subsidiary to issue any shares of Disqualified Stock or Preferred Stock; provided that the Borrower may incur Indebtedness (including Acquired Indebtedness) or issue shares of Disqualified Stock, and any Restricted Subsidiary may incur Indebtedness (including Acquired Indebtedness), issue shares of Disqualified Stock and issue shares of Preferred Stock, in each case, if (any Indebtedness, Disqualified Stock or Preferred Stock incurred or issued pursuant to following clauses (A), (B) and (C), “Permitted Ratio Debt”):
(A) with respect to Indebtedness secured by the Collateral on a pari passu basis with the First Lien Obligations, the First Lien Net Leverage Ratio for the Test Period preceding the date on which such Indebtedness is incurred (without netting any cash received from the incurrence of such Indebtedness proposed to be incurred) would be no greater than 4.75 to 1.00;

(B) with respect to Indebtedness secured by the Collateral on a basis that is junior in priority to the First Lien Obligations, the Secured Net Leverage Ratio for the Test Period preceding the date on which such Indebtedness is incurred (without netting any cash received from the incurrence of such Indebtedness proposed to be incurred) would be no greater than 5.75 to 1.00; or

(C) with respect to Indebtedness that is not secured by the Collateral, including all Indebtedness of Restricted Subsidiaries that are not Guarantors, or any Disqualified Stock or Preferred Stock, the Total Net Leverage Ratio for the Test Period preceding the date on which such Indebtedness is incurred or such Disqualified Stock or Preferred Stock is issued (without netting any cash received from the incurrence of such Indebtedness proposed to be incurred) would be no greater than 6.00 to 1.00,

in each case, determined on a pro forma basis (including a pro forma application of the net proceeds therefrom), as if the additional Indebtedness had been incurred, or the Disqualified Stock or Preferred Stock had been issued, as the case may be, and the application of proceeds therefrom had occurred at the beginning of such Test Period;

provided further that (I) Restricted Subsidiaries of the Borrower that are not Guarantors may not incur Indebtedness or issue Disqualified Stock or Preferred Stock under this Section 7.02(a) if, after giving pro forma effect to such incurrence or issuance (including a pro forma application of the net proceeds therefrom), the aggregate principal amount of Indebtedness, liquidation preference of Disqualified Stock and amount of Preferred Stock of such Restricted Subsidiaries incurred or issued pursuant to this Section 7.02(a), together with any principal amounts incurred or issued by such Restricted Subsidiaries under Section 7.02(b)(14)(a) and Refinancing Indebtedness in respect of any of the foregoing (excluding any Incremental Amounts), in each case then outstanding, would exceed (as of the date such Indebtedness, Disqualified Stock or Preferred Stock is issued, incurred or otherwise obtained) the greater of (i) $500.0 million and (ii) 65.0% of Consolidated EBITDA of the Borrower and the Restricted Subsidiaries for the most recently ended Test Period (calculated on a pro forma basis), (II) Permitted Ratio Debt in the form of Indebtedness (x) shall not mature earlier than the Original Term Loan Maturity Date and (y) shall have a Weighted Average Life to Maturity not shorter than the remaining Weighted Average Life to Maturity of the Term B Loans on the date of incurrence of such Permitted Ratio Debt, (III) if the terms of any such Permitted Ratio Debt in the form of revolving loans or commitments contain a Previously Absent Financial Maintenance Covenant that is in effect prior to the applicable Latest Maturity Date of the Revolving Facility, such Previously Absent Financial Maintenance Covenant shall be included for the benefit of the Revolving Facility and (IV) if any such Indebtedness in clause (A) of the definition of Permitted Ratio Debt consists of syndicated Dollar-denominated or Euro-denominated term loans secured by a Lien on the Collateral ranking pari passu with the First Lien Obligations under this Agreement, then the Borrower shall comply with the “most favored nation” pricing provisions of Section 2.14(5)(c) (to the extent then applicable) as if such Indebtedness were Incremental Term Loans incurred pursuant to Section 2.14.
(b) The provisions of Section 7.02(a) will not apply to:

(1) Indebtedness under the Loan Documents (including Incremental Loans, Other Loans, Extended Term Loans, Loans made pursuant to Extended Revolving Commitments and Replacement Loans);

(2) the incurrence by the Borrower and any Guarantor of Indebtedness pursuant to the Second Lien Credit Documents or consisting of “Permitted Incremental Equivalent Debt” (or equivalent term) (as defined in the Second Lien Credit Agreement) or any Refinancing Indebtedness in respect thereof (including any “Credit Agreement Refinancing Indebtedness” (or equivalent term) (as defined in the Second Lien Credit Agreement)) in an aggregate outstanding principal amount not to exceed $600.0 million (plus (x)(i) the amount of any “Incremental Loans” and “Permitted Incremental Equivalent Debt” (or equivalent terms) (each, as defined in the Second Lien Credit Agreement (as in effect on the date hereof)) permitted under Sections 2.14(4)(c) and 7.02 (or equivalent provisions) of the Second Lien Credit Agreement (as in effect on the date hereof) and (ii) any Refinancing Indebtedness in respect thereof and (y) the amount of accrued interest, fees and premiums (including tender premium) and penalties (if any) with respect to any such Indebtedness under this clause (b)(2) refinanced, and fees, expenses, original issue discount and upfront fees incurred in connection with any such refinancing);

(3) the incurrence of Indebtedness by the Borrower and any Restricted Subsidiary in existence on the Closing Date (excluding Indebtedness described in the preceding clauses (1) and (2)); provided that any such item of Indebtedness with an aggregate outstanding principal amount on the Closing Date in excess of $15.0 million shall be set forth on Schedule 7.02;

(4) the incurrence of Attributable Indebtedness and Indebtedness (including Capitalized Lease Obligations and Purchase Money Obligations) and Disqualified Stock incurred or issued by the Borrower or any Restricted Subsidiary and Preferred Stock issued by any Restricted Subsidiary, to finance the purchase, lease, expansion, construction, installation, replacement, repair or improvement of property (real or personal), equipment or other assets, including assets that are used or useful in a Similar Business, whether through the direct purchase of assets or the Capital Stock of any Person owning such assets in an aggregate principal amount, together with any Refinancing Indebtedness in respect thereof (excluding any Incremental Amounts) and all other Indebtedness, Disqualified Stock or Preferred Stock incurred or issued and outstanding under this clause (4) at such time, not to exceed (as of the date such Indebtedness, Disqualified Stock or Preferred Stock is issued, incurred or otherwise obtained) the greater of (I) $230.0 million and (II) 30.0% of Consolidated EBITDA of the Borrower and the Restricted Subsidiaries for the most recently ended Test Period (calculated on a pro forma basis);

(5) Indebtedness incurred by the Borrower or any Restricted Subsidiary (a) constituting reimbursement obligations with respect to letters of credit, bank guarantees, banker’s acceptances, warehouse receipts, or similar instruments issued or entered into, or relating to obligations or liabilities incurred, in the ordinary course of business or consistent with industry practice, including in respect of workers’ compensation claims, performance, completion or surety bonds, health, disability or other employee benefits or property, casualty or liability insurance or self-insurance, unemployment insurance or other social security legislation or other Indebtedness with respect to reimbursement-type obligations regarding workers’ compensation claims, performance, completion or surety bonds, health, disability or other employee benefits or property, casualty or liability insurance or self-insurance or (b) as an account party in respect of letters of credit, bank guarantees or similar instruments in favor of suppliers, trade creditors or other Persons issued or incurred in the ordinary course of business or consistent with industry practice;
(6) the incurrence of Indebtedness arising from agreements of the Borrower or any Restricted Subsidiary providing for indemnification, adjustment of purchase price, earnouts, other contingent consideration obligations and other deferred purchase price or similar obligations, in each case, incurred or assumed in connection with the acquisition or disposition of any business, assets or a Subsidiary, other than guarantees of Indebtedness incurred by any Person acquiring all or any portion of such business, assets or a Subsidiary for the purpose of financing such acquisition;

(7) the incurrence of Indebtedness by the Borrower and owing to a Restricted Subsidiary or the issuance of Disqualified Stock of the Borrower to a Restricted Subsidiary (or to any Parent Company which is substantially contemporaneously transferred to any Restricted Subsidiary); provided that any such Indebtedness for borrowed money owing to a Restricted Subsidiary that is not a Guarantor is expressly subordinated in right of payment to the Loans to the extent permitted by applicable law; provided further that any subsequent issuance or transfer of any Capital Stock or any other event that results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such Indebtedness or Disqualified Stock (except to the Borrower or another Restricted Subsidiary or any pledge of such Indebtedness or Disqualified Stock constituting a Permitted Lien) will be deemed, in each case, to be an incurrence of such Indebtedness (to the extent such Indebtedness is then outstanding) or issuance of such Disqualified Stock (to the extent such Disqualified Stock is then outstanding) not permitted by this clause (7);

(8) the incurrence of Indebtedness of a Restricted Subsidiary to the Borrower or another Restricted Subsidiary (or to any Parent Company which is substantially contemporaneously transferred to the Borrower or any Restricted Subsidiary) to the extent permitted by Section 7.05; provided that any such Indebtedness for borrowed money incurred by a Guarantor and owing to a Restricted Subsidiary that is not a Guarantor is expressly subordinated in right of payment to the Guaranty of the Loans of such Guarantor to the extent permitted by applicable law; provided further that any subsequent issuance or transfer of any Capital Stock or any other event which results in any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or any such subsequent transfer of any such Indebtedness (except to the Borrower or a Restricted Subsidiary or any pledge of such Indebtedness constituting a Permitted Lien) will be deemed, in each case, to be an incurrence of such Indebtedness (to the extent such Indebtedness is then outstanding) not permitted by this clause (8);

(9) the issuance of shares of Preferred Stock or Disqualified Stock of a Restricted Subsidiary to the Borrower or a Restricted Subsidiary (or to any Parent Company which is substantially contemporaneously transferred to the Borrower or any Restricted Subsidiary); provided that any subsequent issuance or transfer of any Capital Stock or any other event that results in any such Restricted Subsidiary that holds such Preferred Stock or Disqualified Stock ceasing to be a Restricted Subsidiary or any other subsequent transfer of any such shares of Preferred Stock or Disqualified Stock (except to the Borrower or another Restricted Subsidiary or any pledge of such Preferred Stock or Disqualified Stock constituting a Permitted Lien) will be deemed, in each case, to be an issuance of such shares of Preferred Stock or Disqualified Stock (to the extent such Preferred Stock or Disqualified Stock is then outstanding) not permitted by this clause (9);
(10) the incurrence of Hedging Obligations (excluding Hedging Obligations entered into for speculative purposes);

(11) the incurrence of obligations in respect of self-insurance and obligations in respect of performance, bid, appeal and surety bonds and performance, banker’s acceptance facilities and completion guarantees and similar obligations provided by the Borrower or any Restricted Subsidiary or obligations in respect of letters of credit, bank guarantees or similar instruments related thereto, in each case in the ordinary course of business or consistent with industry practice, including those incurred to secure health, safety and environmental obligations;

For purposes of determining compliance with any Dollar denominated restriction on the incurrence of Indebtedness or issuance of Disqualified Stock or Preferred Stock, the Dollar equivalent principal amount of Indebtedness or liquidation preference of Disqualified Stock or amount of Preferred Stock denominated in a foreign currency will be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness, Disqualified Stock or Preferred Stock was incurred or issued (or, in the case of revolving credit debt, the date such Indebtedness was first committed or first incurred (whichever yields the lower Dollar equivalent)); provided that if such Indebtedness, Disqualified Stock or Preferred Stock is issued to Refinance other Indebtedness, Disqualified Stock or Preferred Stock denominated in a foreign currency, and such refinancing would cause the applicable Dollar denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such Dollar denominated restriction will be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness, Disqualified Stock or Preferred Stock does not exceed (i) the principal amount of such Indebtedness, the liquidation preference of such Disqualified Stock or the amount of such Preferred Stock (as applicable) being refinanced, extended, replaced, refunded, renewed or defeased plus (ii) any accrued and unpaid interest on the Indebtedness, any accrued and unpaid dividends on the Preferred Stock, and any accrued and unpaid dividends on the Disqualified Stock being so refinanced, extended, replaced, refunded, renewed or defeased, plus (iii) the amount of any tender premium or penalty or premium required to be paid under the terms of the instrument or documents governing such refinanced Indebtedness, Preferred Stock or Disqualified Stock and any defeasance costs and any fees and expenses (including original issue discount, upfront fees or similar fees) incurred in connection with the issuance of such new Indebtedness, Preferred Stock or Disqualified Stock or the extension, replacement, refunding, refinancing, renewal or defeasance of such refinanced Indebtedness, Preferred Stock or Disqualified Stock (and with respect to Indebtedness under Designated Revolving Commitments, including an amount equal to any unutilized Designated Revolving Commitments being refinanced, extended, replaced, refunded, renewed or defeased to the extent permanently terminated at the time of incurrence of such Refinancing Indebtedness).

The principal amount of any Indebtedness incurred or Disqualified Stock or Preferred Stock issued to refinance other Indebtedness, Disqualified Stock or Preferred Stock, if incurred or issued in a different currency from the Indebtedness, Disqualified Stock or Preferred Stock, as applicable, being refinanced, will be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness or Disqualified Stock or Preferred Stock is denominated that is in effect on the date of such refinancing. The principal amount of any non-interest bearing Indebtedness or other discount security constituting Indebtedness at any date will be the principal amount thereof that would be shown on a balance sheet of the Borrower dated such date prepared in accordance with GAAP.

3. require that the Borrower Cash Collateralize the then outstanding Letters of Credit (in an amount equal to the then Outstanding Amount thereof); and
4. exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable Law;

provided that (a) upon the occurrence of an actual or deemed entry of an order for relief with respect to the Borrower under Title 11 of the United States Code entitled “Bankruptcy,” as now or hereafter in effect, or any successor thereto (the “Bankruptcy Code”), the Commitments of each Lender and any obligation of the Issuing Banks to issue Letters of Credit, will automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid will automatically become due and payable, and the obligation of the Borrower to Cash Collateralize the Letters of Credit as aforesaid will automatically become effective, in each case without further act of the Administrative Agent or any Lender and (b) notwithstanding anything to the contrary, if the only Events of Default then having occurred and continuing are pursuant to a Financial Covenant Event of Default, then, unless a Financial Covenant Cross Default has occurred and is continuing, the Administrative Agent shall only take the actions set forth in this Section 8.02 at the request (or with the consent) of the Required Facility Lenders under the Revolving Facilities (as opposed to the Required Lenders) and only with respect to the Revolving Commitments, Revolving Loans, Letters of Credit and Obligations under the Revolving Facilities.

223
SECTION 8.03 Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable as set forth in clause (a) of the proviso to Section 8.02), subject to any Intercreditor Agreement then in effect, any amounts received on account of the Obligations will be applied by the Administrative Agent in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest, but including Attorney Costs payable under Section 10.04 and amounts payable under Article III) payable to the Administrative Agent and the Collateral Agent in their capacities as such;

Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal and interest, but including Attorney Costs payable under Section 10.04 and amounts payable under Article III) payable to the Lenders, ratably among them in proportion to the amounts described in this clause Second payable to them;

Third, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Loans and L/C Borrowings, ratably among the Lenders in proportion to the respective amounts described in this clause Third payable to them;

Fourth, to payment of that portion of the Obligations constituting unpaid principal of the Loans and L/C Borrowings (including to Cash Collateralize that portion of L/C Obligations comprised of the aggregate undrawn amount of Letters of Credit), the Obligations under Secured Hedge Agreements and Cash Management Obligations under Secured Cash Management Agreements, ratably among the Secured Parties in proportion to the respective amounts described in this clause Fourth held by them;

Fifth, to the payment of all other Obligations of the Loan Parties that are due and payable to the Administrative Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Obligations owing to the Administrative Agent and the other Secured Parties on such date; and

Last, the balance, if any, after all of the Obligations have been paid in full, to the Borrower or as otherwise required by Law.

Subject to Section 2.03(3), amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Fourth above will be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount will be applied to the other Obligations, if any, in the order set forth above and, if no Obligations remain outstanding, will be paid to the Borrower.

Notwithstanding the foregoing, amounts received from any Loan Party shall not be applied to any Excluded Swap Obligation of such Loan Party.

SECTION 8.04 Right to Cure.

(1) Notwithstanding anything to the contrary contained in Section 8.01 or Section 8.02, but subject to Sections 8.04(2) and (3), for the purpose of determining whether an Event of Default under the Financial Covenant has occurred, the Borrower may on one or more occasions designate any portion of the Net Proceeds from any Permitted Equity Issuance or of any contribution to the common equity capital of the Borrower (or from any other contribution to capital or sale or issuance of any other Equity Interests on terms reasonably satisfactory to the Administrative Agent) (the "Cure Amount") as an increase to Consolidated EBITDA of the Borrower for the applicable fiscal quarter; provided that
(a) such amounts to be designated are actually received by the Borrower (i) on or after the first Business Day of the applicable fiscal quarter and (ii) on or prior to the tenth (10th) Business Day after the date on which financial statements are required to be delivered with respect to such applicable fiscal quarter (the “Cure Expiration Date”),

(b) such amounts to be designated do not exceed the maximum aggregate amount necessary to cure any Event of Default under the Financial Covenant as of such date and

(c) the Borrower will have provided notice to the Administrative Agent on the date such amounts are designated as a “Cure Amount” (it being understood that to the extent such notice is provided in advance of delivery of a Compliance Certificate for the applicable period, the amount of such Net Proceeds that is designated as the Cure Amount may be lower than specified in such notice to the extent that the amount necessary to cure any Event of Default under the Financial Covenant is less than the full amount of such originally designated amount).

The Cure Amount used to calculate Consolidated EBITDA for one fiscal quarter will be used and included when calculating Consolidated EBITDA for each Test Period that includes such fiscal quarter. The parties hereby acknowledge that this Section 8.04(1) may not be relied on for purposes of calculating any financial ratios other than as applicable to the Financial Covenant (and may not be included for purposes of determining pricing, mandatory prepayments and the availability or amount permitted pursuant to any covenant under Article VII) and may not result in any adjustment to any amounts (including the amount of Indebtedness) or increase in cash with respect to the fiscal quarter with respect to which such Cure Amount was received other than the amount of the Consolidated EBITDA referred to in the immediately preceding sentence, except to the extent such proceeds are actually applied to prepay Indebtedness under the Facilities. Notwithstanding anything to the contrary contained in Section 8.01 and Section 8.02, (A) upon designation of the Cure Amount by the Borrower in an amount necessary to cure any Event of Default under the Financial Covenant, the Financial Covenant will be deemed satisfied and complied with as of the end of the relevant fiscal quarter with the same effect as though there had been no failure to comply with the Financial Covenant and any Event of Default under the Financial Covenant (and any other Default as a result thereof) will be deemed not to have occurred for purposes of the Loan Documents, (B) from and after the date that the Borrower delivers a written notices to the Administrative Agent that it intends to exercise its cure right under this Section 8.04 (a “Notice of Intent to Cure”) neither the Administrative Agent nor any Lender may exercise any rights or remedies under Section 8.02 (or under any other Loan Document) on the basis of any actual or purported Event of Default under the Financial Covenant (and any other Default as a result thereof) until and unless the Cure Expiration Date has occurred without the Cure Amount having been designated and (C) no Lender or Issuing Bank shall be required to (but in its sole discretion may) make any Revolving Loan or issue or amend any Letter of Credit from and after such time as the Administrative Agent has received the Notice of Intent to Cure unless and until the Cure Amount is actually received.

(2) In each period of four consecutive fiscal quarters, there shall be no more than two (2) fiscal quarters in which the cure right set forth in Section 8.04(1) is exercised.

(3) There shall be no more than five (5) fiscal quarters in which the cure rights set forth in Section 8.04(1) are exercised during the term of the Facilities; provided that, so long as the Closing Date Revolving Facility is no longer outstanding, there may be an additional fiscal quarter after the Original Revolving Facility Maturity Date in which the cure rights set forth in this Section 8.04 are exercised during the term of any Revolving Commitments.
Article IX

Administrative Agent and Other Agents

SECTION 9.01 Appointment and Authorization of the Administrative Agent.

(1) Each Lender and Issuing Bank hereby irrevocably appoints Morgan Stanley Senior Funding, Inc., to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article IX (other than Sections 9.07, 9.11, 9.12, 9.15 and 9.16) are solely for the benefit of the Administrative Agent, the Lenders and each Issuing Bank and the Borrower shall not have rights as a third-party beneficiary of any such provision. The Administrative Agent hereby represents and warrants that it is either (i) a “U.S. person” and a “financial institution” and that it will comply with its “obligation to withhold,” each within the meaning of Treasury Regulations Section 1.1441-1(b)(2)(ii) or (ii) a Withholding U.S. Branch.

(2) The Administrative Agent shall also act as the “collateral agent” under the Loan Documents, and each of the Lenders (including in its capacities as a Lender and a potential Hedge Bank or Cash Management Bank) and the Issuing Banks hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of (and to hold any security interest created by the Collateral Documents for and on behalf of or in trust for) such Lender and Issuing Bank for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as “collateral agent” (and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article IX and Article X with respect to the Administrative Agent (including Sections 10.04 and 10.05), as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Loan Documents. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto (including any Intercreditor Agreement), as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

SECTION 9.02 Rights as a Lender. Any Lender that is also serving as an Agent (including as Administrative Agent) hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include each Lender (if any) serving as an Agent hereunder in its individual capacity. Any such Person serving as an Agent and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not an Agent hereunder and without any duty to account therefor to the Lenders. The Lenders acknowledge that, pursuant to such activities, any Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them.
SECTION 9.03 Exculpatory Provisions. The Administrative Agent and Collateral Agent shall not have any duties or responsibilities except those expressly set forth in this Agreement and in the other Loan Documents. Without limiting the generality of the foregoing, each Agent (including the Administrative Agent):

(1) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing and without limiting the generality of the foregoing, the use of the term “agent” herein and in the other Loan Documents with reference to any Agent or Arranger is not intended to connotate any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law and instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties;

(2) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law; and

(3) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by any Person serving as an Agent or any of its Affiliates in any capacity.

Neither the Administrative Agent nor any of its Related Persons shall be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 10.01 and 8.02) or (ii) in the absence of its own gross negligence or willful misconduct as determined by the final and non-appealable judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Borrower, a Lender, or an Issuing Bank.

No Agent-Related Person shall be responsible for or have any duty to ascertain or inquire into (i) any recital, statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, or (vi) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm
receipt of items expressly required to be delivered to the Administrative Agent. The duties of the Administrative Agent shall be mechanical and administrative in nature; the Administrative Agent shall not have by reason of this Agreement or any other Loan Document a fiduciary relationship in respect of any Lender or the holder of any Note; and nothing in this Agreement or in any other Loan Document, expressed or implied, is intended to or shall be so construed as to impose upon the Administrative Agent any obligations in respect of this Agreement or any other Loan Document except as expressly set forth herein or therein.

Notwithstanding any other provision of this Agreement or any provision of any other Loan Document, each Arranger is named as such for recognition purposes only, and in its capacity as such shall have no powers, duties, responsibilities or liabilities with respect to this Agreement or the other Loan Documents or the transactions contemplated hereby and thereby; it being understood and agreed that each Arranger shall be entitled to all indemnification and reimbursement rights in favor of the Arrangers as, and to the extent, provided for under Section 10.05. Without limitation of the foregoing, each Arranger shall not, solely by reason of this Agreement or any other Loan Documents, have any fiduciary relationship in respect of any Lender or any other Person.

SECTION 9.04 Lack of Reliance on the Administrative Agent. Independently and without reliance upon the Administrative Agent, each Lender and the holder of each Note, to the extent it deems appropriate, has made and shall continue to make (i) its own independent investigation of the financial condition and affairs of Holdings, the Borrower and the Restricted Subsidiaries in connection with the making and the continuance of the Loans and the taking or not taking of any action in connection herewith and (ii) its own appraisal of the creditworthiness of Holdings, the Borrower and the Restricted Subsidiaries and, except as expressly provided in this Agreement, the Administrative Agent shall not have any duty or responsibility, either initially or on a continuing basis, to provide any Lender or the holder of any Note with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter. The Administrative Agent shall not be responsible to any Lender or the holder of any Note for any recitals, statements, information, representations or warranties herein or in any document, certificate or other writing delivered in connection herewith or for the execution, effectiveness, genuineness, validity, enforceability, perfection, collectability, priority or sufficiency of this Agreement or any other Loan Document or the financial condition of Holdings, the Borrower or any of the Restricted Subsidiaries or be required to make any inquiry concerning either the performance or observance of any of the terms, provisions or conditions of this Agreement or any other Loan Document, or the financial condition of Holdings, the Borrower or any of the Restricted Subsidiaries or the existence or possible existence of any Default or Event of Default.

SECTION 9.05 Certain Rights of the Administrative Agent. If the Administrative Agent requests instructions from the Required Lenders with respect to any act or action (including failure to act) in connection with this Agreement or any other Loan Document, the Administrative Agent shall be entitled to refrain from such act or taking such action unless and until the Administrative Agent shall have received instructions from the Required Lenders; and the Administrative Agent shall not incur liability to any Lender by reason of so refraining. Without limiting the foregoing, neither any Lender nor the holder of any Note shall have any right of action whatsoever against the Administrative Agent as a result of the Administrative Agent acting or refraining from acting hereunder or under any other Loan Document in accordance with the instructions of the Required Lenders.

SECTION 9.06 Reliance by the Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall be fully protected in relying upon, any note, writing, resolution, notice, statement, certificate, telex, teletype or facsimile message, cablegram, radiogram, order or other document or telephone message signed, sent or made by any Person that the Administrative Agent believed to be the proper Person, and, with respect to all legal matters pertaining to this Agreement and any other Loan
Document and its duties hereunder and thereunder, upon advice of counsel selected by the Administrative Agent. In determining compliance with any condition hereunder to the making of a Loan or the issuance, extension, renewal or increase of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or Issuing Bank, the Administrative Agent may presume that such condition is satisfactory to such Lender or Issuing Bank unless the Administrative Agent shall have received notice to the contrary from such Lender or Issuing Bank prior to the making of such Loan or issuances of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

SECTION 9.07 Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Documents by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Agent-Related Persons. The exculpatory provisions of this Article shall apply to any such sub agent and to the Agent-Related Persons of the Administrative Agent and any such sub agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. Notwithstanding anything to the contrary in this Section 9.07 or Section 9.15, the Administrative Agent shall not delegate to any Supplemental Administrative Agent responsibility for receiving any payments under any Loan Document for the account of any Lender, which payments shall be received directly by the Administrative Agent, without prior written consent of the Borrower (not to unreasonably withheld or delayed).

SECTION 9.08 Indemnification. Whether or not the transactions contemplated hereby are consummated, to the extent the Administrative Agent or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) is not reimbursed and indemnified by the Borrower, the Lenders will reimburse and indemnify the Administrative Agent or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) in proportion to their respective Pro Rata Shares for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by the Administrative Agent or any other Agent-Related Person (solely to the extent any such Agent-Related Person was performing services on behalf of the Administrative Agent) in performing its duties hereunder or under any other Loan Document or in any way relating to or arising out of this Agreement or any other Loan Document; provided that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent’s or any other Agent-Related Person’s gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.08 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrower, provided that such reimbursement by the Lenders shall not affect the Borrower’s continuing reimbursement obligations with respect thereto, provided further that the failure of any Lender to indemnify or reimburse the Administrative Agent shall not relieve any other Lender of its obligation in respect thereof. The undertaking in this Section 9.08 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation of the Administrative Agent.
SECTION 9.09 The Administrative Agent in Its Individual Capacity. With respect to its obligation to make Loans under this Agreement, the Administrative Agent shall have the rights and powers specified herein for a “Lender” and may exercise the same rights and powers as though it were not performing the duties specified herein; and the term “Lender,” “Required Lenders” or any similar terms shall, unless the context clearly indicates otherwise, include the Administrative Agent in its respective individual capacities. The Administrative Agent and its affiliates may accept deposits from, lend money to, and generally engage in any kind of banking, investment banking, trust or other business with, or provide debt financing, equity capital or other services (including financial advisory services) to any Loan Party or any Affiliate of any Loan Party (or any Person engaged in a similar business with any Loan Party or any Affiliate thereof) as if they were not performing the duties specified herein, and may accept fees and other consideration from any Loan Party or any Affiliate of any Loan Party for services in connection with this Agreement and otherwise without having to account for the same to the Lenders. The Lenders acknowledge that, pursuant to such activities, any Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them.

SECTION 9.10 [Reserved].

SECTION 9.11 Resignation by the Administrative Agent. The Administrative Agent may resign from the performance of all its respective functions and duties hereunder or under the other Loan Documents at any time by giving 30 Business Days prior written notice to the Lenders and the Borrower. If the Administrative Agent becomes subject to a Lender-Related Distress Event, then the Administrative Agent may be removed as the Administrative Agent at the reasonable request of the Required Lenders. If the Administrative Agent becomes subject to an Agent-Related Distress Event, then the Borrower may remove the Administrative Agent from such role upon 15 days’ prior written notice to the Lenders. Such resignation or removal shall take effect upon the appointment of a successor Administrative Agent as provided below.

Notwithstanding anything to the contrary in this Agreement, no successor Administrative Agent shall be appointed unless such successor Administrative Agent represents and warrants that it is (i) a “U.S. person” and a “financial institution” and that it will comply with its “obligation to withhold,” each within the meaning of U.S. Treasury Regulations Section 1.1441-1, or (ii) a Withholding U.S. Branch.

Upon any such notice of resignation by, or notice of removal of, the Administrative Agent, the Required Lenders shall appoint a successor Administrative Agent hereunder or thereunder who shall be a commercial bank or trust company reasonably acceptable to the Borrower, which acceptance shall not be unreasonably withheld or delayed (provided that the Borrower’s approval shall not be required if an Event of Default under Section 8.01(1) or, solely with respect to the Borrower, Section 8.01(6) has occurred and is continuing).

If a successor Administrative Agent shall not have been so appointed within such 30 Business Day period, the Administrative Agent, with the consent of the Borrower (which consent shall not be unreasonably withheld or delayed, provided that the Borrower’s consent shall not be required if an Event of Default under Section 8.01(1) or, solely with respect to the Borrower, Section 8.01(6) has occurred and is continuing), shall then appoint a successor Administrative Agent who shall serve as Administrative Agent hereunder or thereunder until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above.
If no successor Administrative Agent has been appointed pursuant to the foregoing by the 35th Business Day after the date such notice of resignation was given by the Administrative Agent or such notice of removal was given by the Required Lenders or the Borrower, as applicable, the Administrative Agent’s resignation shall nonetheless become effective and the Required Lenders shall thereafter perform all the duties of the Administrative Agent hereunder or under any other Loan Document until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above. The retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders or the Issuing Banks under any of the Loan Documents, the retiring Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed and except for any indemnity payments or other amounts then owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender or Issuing Bank directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section 9.11.

Upon the acceptance of a successor’s appointment as Administrative Agent hereunder and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to (i) continue the perfection of the Liens granted or purported to be granted by the Collateral Documents or (ii) otherwise ensure that the Collateral and Guarantee Requirement is satisfied, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent, and the retiring Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 9.11).

The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Administrative Agent’s resignation hereunder and under the other Loan Documents, the provisions of this Article and Sections 10.04 and 10.05 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Agent-Related Persons in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

Upon a resignation or removal of the Administrative Agent pursuant to this Section 9.11, the Administrative Agent (i) shall continue to be subject to Section 10.09 and (ii) shall remain indemnified to the extent provided in this Agreement and the other Loan Documents and the provisions of this Article IX (and the analogous provisions of the other Loan Documents) shall continue in effect for the benefit of the Administrative Agent for all of its actions and inactions while serving as the Administrative Agent.

SECTION 9.12 Collateral Matters. Each Lender (including in its capacities as a potential Cash Management Bank and a potential Hedge Bank) irrevocably authorizes and directs the Administrative Agent and the Collateral Agent to take the actions to be taken by them as set forth in Sections 7.04 and 10.24.
Each Lender hereby agrees, and each holder of any Note by the acceptance thereof will be deemed to agree, that, except as otherwise set forth herein, any action taken by the Required Lenders or the Required Facility Lenders, as applicable, in accordance with the provisions of this Agreement or the Collateral Documents, and the exercise by the Required Lenders or the Required Facility Lenders, as applicable, of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders. The Collateral Agent is hereby authorized on behalf of all of the Lenders, without the necessity of any notice to or further consent from any Lender, from time to time, to take any action with respect to any Collateral or Collateral Documents which may be necessary to perfect and maintain perfected the security interest in and liens upon the Collateral granted pursuant to the Collateral Documents.

Upon request by the Administrative Agent at any time, the Lenders will confirm in writing the Collateral Agent’s authority to release particular types or items of Collateral pursuant to this Section 9.12. In each case as specified in this Section 9.12, Section 7.04 and Section 10.24, the applicable Agent will (and each Lender irrevocably authorizes the applicable Agent to), at the Borrower’s expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Collateral Documents, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents, this Section 9.12, Section 7.04 and Section 10.24.

The Collateral Agent shall have no obligation whatsoever to the Lenders or to any other Person to assure that the Collateral exists or is owned by any Loan Party or is cared for, protected or insured or that the Liens granted to the Collateral Agent herein or pursuant hereto have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, or to exercise or to continue exercising at all or in any manner or under any duty of care, disclosure or fidelity any of the rights, authorities and powers granted or available to the Collateral Agent in this Section 9.12, Section 7.04, Section 10.24 or in any of the Collateral Documents, it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, the Collateral Agent may act in any manner it may deem appropriate, in its sole discretion, given the Collateral Agent’s own interest in the Collateral as one of the Lenders and that the Collateral Agent shall have no duty or liability whatsoever to the Lenders, except for its gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

SECTION 9.13 [Reserved].

SECTION 9.14 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, any Issuing Bank and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, any Issuing Bank and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, any Issuing Bank and the Administrative Agent under Sections 2.09 and 10.04) allowed in such judicial proceeding; and
and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and Issuing Bank to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders and relevant Issuing Banks, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Administrative Agent under Sections 2.09 and 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or Issuing Bank or to authorize the Administrative Agent to vote in respect of the claim of any Lender or Issuing Bank in any such proceeding.

The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar Laws in any other jurisdictions to which a Loan Party is subject, (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable Law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in clauses (a) through (i) of the first proviso to Section 10.01(1) of this Agreement), (iii) the Administrative Agent shall be authorized to assign the relevant Obligations to any such acquisition vehicle pro rata by the Lenders, as a result of which each of the Lenders shall be deemed to have received a pro rata portion of any Equity Interests and/or debt instruments issued by such an acquisition vehicle on account of the assignment of the Obligations to be credit bid, all without the need for any Secured Party or acquisition vehicle to take any further action, and (iv) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders pro rata and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action.
SECTION 9.15 Appointment of Supplemental Administrative Agents.

(1) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent is hereby authorized to appoint an additional individual or institution selected by the Administrative Agent in its sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrative sub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a “Supplemental Administrative Agent” and collectively as “Supplemental Administrative Agents”).

(2) In the event that the Administrative Agent appoints a Supplemental Administrative Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Administrative Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Administrative Agent to the extent, and only to the extent, necessary to enable such Supplemental Administrative Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Administrative Agent shall run to and be enforceable by either the Administrative Agent or such Supplemental Administrative Agent, and (ii) the provisions of this Article IX and of Sections 10.04 and 10.05 that refer to the Administrative Agent shall inure to the benefit of such Supplemental Administrative Agent and all references therein to the Administrative Agent shall be deemed to be references to the Administrative Agent or such Supplemental Administrative Agent, as the context may require.

(3) Should any instrument in writing from any Loan Party be reasonably required by any Supplemental Administrative Agent so appointed by the Administrative Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Borrower shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments reasonably acceptable to it promptly upon request by the Administrative Agent. In case any Supplemental Administrative Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Administrative Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent until the appointment of a new Supplemental Administrative Agent.

SECTION 9.16 Intercreditor Agreements. The Administrative Agent and Collateral Agent are hereby authorized to enter into any Intercreditor Agreement to the extent contemplated by the terms hereof, and the parties hereto acknowledge that such Intercreditor Agreement is binding upon them. Each Secured Party (a) hereby agrees that it will be bound by and will take no actions contrary to the provisions of the Intercreditor Agreements, (b) hereby authorizes and instructs the Administrative Agent and Collateral Agent to enter into the Intercreditor Agreements and to subject the Liens on the Collateral securing the Obligations to the provisions thereof and (c) without any further consent of the Lenders, hereby authorizes and instructs the Administrative Agent and the Collateral Agent to negotiate, execute and deliver on behalf of the Secured Parties any Intercreditor agreement or any amendment (or amendment and restatement) to the Collateral Documents or any Intercreditor Agreement contemplated hereunder (including any such amendment (or amendment and restatement) of the First Lien/Second Lien Intercreditor Agreement).
Agreement or other intercreditor agreement to provide for the incurrence of any Indebtedness permitted hereunder that will be secured on a junior lien or pari passu basis to (x) the Obligations and/or (y) any Indebtedness pursuant to the Second Lien Credit Documents. In addition, each Secured Party hereby authorizes the Administrative Agent and the Collateral Agent to enter into (i) any amendments to any Intercreditor Agreements, and (ii) any other intercreditor arrangements, in the case of clauses (i) and (ii) to the extent required to give effect to the establishment of intercreditor rights and privileges as contemplated and required or permitted by this Agreement (including any such amendment (or amendment and restatement) of the First Lien/Second Lien Intercreditor Agreement or other intercreditor agreement to provide for the incurrence of any Indebtedness permitted hereunder that will be secured on a junior lien or pari passu basis to (x) the Obligations and/or (y) any Indebtedness pursuant to the Second Lien Credit Documents).

Each Secured Party acknowledges and agrees that any of the Administrative Agent and Collateral Agent (or one or more of their respective Affiliates) may (but are not obligated to) act as the “Debt Representative” or like term for the holders of Credit Agreement Refinancing Indebtedness under the security agreements with respect thereto or any Intercreditor Agreement then in effect. Each Lender waives any conflict of interest, now contemplated or arising hereafter, in connection therewith and agrees not to assert against any Agent or any of its affiliates any claims, causes of action, damages or liabilities of whatever kind or nature relating thereto.

SECTION 9.17 Secured Cash Management Agreements and Secured Hedge Agreements. Except as otherwise expressly set forth herein or in any Guaranty or any Collateral Document, no Cash Management Bank or Hedge Bank that obtains the benefits of Section 8.03, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article IX to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

SECTION 9.18 Withholding Tax. To the extent required by any applicable Laws, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 3.01, each Lender shall indemnify and hold harmless the Administrative Agent against, and shall make payable in respect thereof within ten (10) days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the IRS or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold Tax from amounts paid to or for the account of such Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 9.18. The agreements in this Section 9.18 shall survive the resignation or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

235
SECTION 10.01 Amendments, etc.

(1) Except as otherwise set forth in this Agreement, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders (other than (x) with respect to any amendment or waiver contemplated in clauses (g), (h) or (i) below (in the case of clause (i), to the extent permitted by Section 2.14), which shall only require the consent of the Required Facility Lenders under the applicable Facility or Facilities, as applicable (and not the Required Lenders) and (y) with respect to any amendment or waiver contemplated in clauses (a), (b) or (c), which shall only require the consent of the Lenders expressly set forth therein and not the Required Lenders) (or by the Administrative Agent with the consent of the Required Lenders) and the Borrower or the applicable Loan Party, as the case may be, and acknowledged by the Administrative Agent, and the Administrative Agent hereby agrees to acknowledge any such waiver, consent or amendment that otherwise satisfies the requirements of this Section 10.01 as promptly as possible, however, to the extent the final form of such waiver, consent or amendment has been delivered to the Administrative Agent at least one Business Day prior to the proposed effectiveness of the consents by the Lenders party thereto, the Administrative Agent shall acknowledge such waiver, consent or amendment (i) immediately, in the case of any amendment which does not require the consent of any existing Lender under this Agreement or (ii) otherwise, within two hours of the time copies of the Required Lender consents or other applicable Lender consents required by this Section 10.01 have been provided to the Administrative Agent; and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided that no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender without the written consent of such Lender (it being understood that a waiver of any condition precedent set forth in Section 4.01 or 4.02 or the waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender);

(b) postpone any date scheduled for, or reduce the amount of, any payment of principal or interest under Section 2.07 or 2.08 (other than pursuant to Section 2.08(2)) or any payment of fees or premiums hereunder or under any Loan Document with respect to payments to any Lender without the written consent of such Lender, it being understood that none of the following will constitute a postponement of any date scheduled for, or a reduction in the amount of, any payment of principal, interest, fees or premiums: (i) the waiver of (or amendment to the terms of) any mandatory prepayment of the Loans, (ii) the waiver of any Default or Event of Default, and (iii) any change to the definition of “First Lien Net Leverage Ratio,” “Secured Net Leverage Ratio,” “Total Net Leverage Ratio,” “Interest Coverage Ratio” or, in each case, in the component definitions thereof;

(c) reduce the principal of, or the rate of interest specified herein on, any Loan or Unreimbursed Amount, or any fees or other amounts payable hereunder or under any other Loan Document to any Lender without the written consent of such Lender, it being understood that none of the following will constitute a reduction in any rate of interest or any fees: any change to the definition of “First Lien Net Leverage Ratio,” “Secured Net Leverage Ratio,” “Total Net Leverage Ratio,” “Interest Coverage Ratio,” or, in each case, in the component definitions thereof; provided that only the consent of (A) the Required Lenders shall be necessary to amend the definition of “Default Rate” and (B) the Required Lenders or, with respect to any Default Rate payable in respect of the Revolving Facility, the Required Facility Lenders under the Closing Date Revolving Facility, shall be necessary to waive any obligation of the Borrower to pay interest at the Default Rate;
(d) except as contemplated by clause (C) in the second proviso immediately succeeding clause (i) of this Section 10.01(1), change any provision of this Section 10.01 or the definition of “Required Lenders” or “Required Facility Lenders,” “Pro Rata Share” or any other provision specifying the number of Lenders or portion of the Loans or Commitments required to take any action under the Loan Documents or Section 2.13 or 8.03, without the written consent of each Lender directly and adversely affected thereby;

(e) other than in a transaction permitted under Section 7.03 or Section 7.04, release all or substantially all of the aggregate value of the Collateral in any transaction or series of related transactions, without the written consent of each Lender;

(f) other than in a transaction permitted under Section 7.03 or Section 7.04, release all or substantially all of the aggregate value of the Guaranty, without the written consent of each Lender;

(g) amend, waive or otherwise modify any term or provision (including the waiver of any conditions set forth in Section 4.02 as to any Credit Extension under one or more Revolving Facilities) which directly affects Lenders under one or more Revolving Facilities and does not directly affect Lenders under any other Facilities, in each case, without the written consent of the Required Facility Lenders under such applicable Revolving Facility or Facilities with respect to Revolving Commitments (and in the case of multiple Facilities which are affected, such Required Facility Lenders shall consent together as one Facility); provided, however, that the waivers described in this clause (g) shall not require the consent of the Required Lenders or any other Lenders other than the Required Facility Lenders under the applicable Revolving Facility or Facilities (it being understood that any amendment to the conditions of effectiveness of Incremental Commitments set forth in Section 2.14 shall be subject to clause (i) below);

(h) amend, waive or otherwise modify the Financial Covenant or any definition related thereto (solely in respect of the use of such defined terms in the Financial Covenant) or waive any Default or Event of Default resulting from a failure to perform or observe the Financial Covenant) without the written consent of the Required Facility Lenders under the applicable Revolving Facility or Facilities with respect to Revolving Commitments (such Required Facility Lenders shall consent together as one Facility); provided, however, that the amendments, waivers and other modifications described in this clause (h) shall not require the consent of the Required Lenders or any other Lenders other than the Required Facility Lenders under the applicable Revolving Facility or Facilities;

(i) amend, waive or otherwise modify any term or provision (including the availability and conditions to funding (subject to the requirements of Section 2.14) with respect to Incremental Term Loans and Incremental Revolving Commitments, but excluding the rate of interest applicable thereto which shall be subject to clause (c) above)) which directly affects Lenders of one or more Incremental Term Loans or Incremental Revolving Commitments and does not directly affect Lenders under any other Facility, in each case, without the written consent of the Required Facility Lenders under such applicable Incremental Term Loans or Incremental Revolving Commitments (and in the case of multiple Facilities which are affected, such Required Facility Lenders shall consent together as one Facility); provided, however, that, to the extent permitted under
Section 2.14, no amendments or waivers described in this clause (i) shall require the consent of the Required Lenders or any other Lenders and shall only require the consent of the Required Facility Lenders under such applicable Incremental Term Loans or Incremental Revolving Commitments, including to the extent such amendment or waiver includes provisions that benefit the Lenders under any other Facility and are not adverse to such other Lenders;

provided that:

(I) no amendment, waiver or consent shall, unless in writing and signed by each Issuing Bank in addition to the Lenders required above, affect the rights or duties of such Issuing Bank under this Agreement or any Issuing Bank Document relating to any Letter of Credit issued or to be issued by it; provided, however, that this Agreement may be amended to adjust the mechanics related to the issuance of Letters of Credit, including mechanical changes relating to the existence of multiple Issuing Banks, with only the written consent of the Administrative Agent, the applicable Issuing Bank and the Borrower so long as the obligations of the Revolving Lenders, if any, who have not executed such amendment, and if applicable the other Issuing Banks, if any, who have not executed such amendment, are not adversely affected thereby;

(II) [reserved]

(III) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document; and

(IV) Section 10.07(g) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification;

provided further that notwithstanding the foregoing:

(A) no Defaulting Lender shall have any right to approve or disapprove of any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that the Commitment of such Defaulting Lender may not be increased or extended without the consent of such Defaulting Lender (it being understood that any Commitments or Loans held or deemed held by any Defaulting Lender shall be excluded for a vote of the Lenders hereunder requiring any consent of the Lenders);

(B) no Lender consent is required to effect any amendment or supplement to any Intercreditor Agreement (i) that is for the purpose of adding the holders of Permitted Incremental Equivalent Debt, Credit Agreement Refinancing Indebtedness or any other Permitted Indebtedness that is Secured Indebtedness (or a Debt Representative with respect thereto) as parties thereto, as expressly contemplated by the terms of such Intercreditor Agreement, as applicable (it being understood that any such amendment, modification or supplement may make such other changes to the applicable Intercreditor Agreement as, in the good faith determination of the Administrative Agent, are required to effectuate the foregoing and provided such other changes are not adverse, in any material respect, to the interests of the Lenders) or (ii) that is expressly contemplated by any Intercreditor Agreement in connection with joiners and supplements; provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Collateral Agent hereunder or under any other Loan Document without the prior written consent of the Administrative Agent or the Collateral Agent, as applicable;
(C) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (i) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans, the Revolving Loans and L/C Obligations and the accrued interest and fees in respect thereof and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders;

(D) any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) may be effected by an agreement or agreements in writing entered into by the Borrower and the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto under this Section 10.01 if such Class of Lenders were the only Class of Lenders hereunder at the time;

(E) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Borrower and the Administrative Agent (or the Collateral Agent, as applicable) to cure any ambiguity, omission, defect or inconsistency (including amendments, supplements or waivers to any of the Collateral Documents, guarantees, intercreditor agreements or related documents executed by any Loan Party or any other Subsidiary in connection with this Agreement if such amendment, supplement or waiver is delivered in order to cause such Collateral Documents, guarantees, intercreditor agreements or related documents to be consistent with this Agreement and the other Loan Documents) so long as, in each case, the Lenders shall have received at least five (5) Business Days' prior written notice thereof and the Administrative Agent shall not have received, within five (5) Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment; provided that the consent of the Lenders or the Required Lenders, as the case may be, shall not be required to make any such changes necessary to be made in connection with any borrowing of Incremental Loans, any borrowing of Other Loans, any Extension or any borrowing of Replacement Loans and otherwise to effect the provisions of Section 2.14, 2.15 or 2.16 or the immediately succeeding paragraph of this Section 10.01, respectively; and

(F) the Borrower and the Administrative Agent may, without the input or consent of the other Lenders, (i) effect changes to any Mortgage as may be necessary or appropriate in the opinion of the Collateral Agent and (ii) effect changes to this Agreement that are necessary and appropriate to effect the offering process set forth in Section 2.05(1)(e).

(2) In addition, notwithstanding anything to the contrary contained in this Section 10.01, this Agreement may be amended with the written consent of the Administrative Agent, the Borrower and the Lenders providing the Replacement Loans (as defined below) to permit the refinancing of all outstanding Term Loans of any Class ("Replaced Loans") with replacement term loans ("Replacement Loans") hereunder; provided that
(a) the aggregate principal amount of such Replacement Loans shall not exceed the aggregate principal amount of such Replaced Loans, plus accrued interest, fees, premiums (if any) and penalties thereon and reasonable fees and expenses incurred in connection with such refinancing of Replaced Loans with such Replacement Loans,

(b) the All-In Yield with respect to such Replacement Loans (or similar interest rate spread applicable to such Replacement Loans) shall not be higher than the All-In Yield for such Replaced Loans (or similar interest rate spread applicable to such Replaced Loans) immediately prior to such refinancing,

(c) the Weighted Average Life to Maturity of such Replacement Loans shall not be shorter than the Weighted Average Life to Maturity of such Replaced Loans at the time of such refinancing, and

(d) all other terms (other than with respect to pricing, interest rate margins, fees, discounts, rate floors and prepayment or redemption terms) applicable to such Replacement Loans shall either, at the option of the Borrower, (i) reflect market terms and conditions (taken as a whole) at the time of incurrence of such Replacement Loans (as determined by the Borrower in good faith) or (ii) if not otherwise consistent with the terms of such Replaced Loans, not be materially more restrictive to the Borrower (as determined by the Borrower in good faith), when taken as a whole, than the terms of such Replaced Loans, except with respect to covenants and other terms applicable to any period after the Latest Maturity Date of the Loans in effect immediately prior to such refinancing.

Each amendment to this Agreement providing for Replacement Loans may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower to effect the provisions of this paragraph, and for the avoidance of doubt, this paragraph shall supersede any other provisions in this Section 10.01 to the contrary.

(3) In addition, notwithstanding anything to the contrary in this Section 10.01,

(a) the Guaranty, the Collateral Documents and related documents executed by Loan Parties in connection with this Agreement and the other Loan Documents may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) to comply with local Law or advice of local counsel, (ii) to cure ambiguities or defects or (iii) to cause the Guaranty, Collateral Documents or other document to be consistent with this Agreement and the other Loan Documents (including by adding additional parties as contemplated herein or therein) and

(b) if the Administrative Agent and the Borrower shall have jointly identified an obvious error, mistake, ambiguity, incorrect cross-reference or any error or omission of a technical or immaterial nature, in each case, in any provision of this Agreement or any other Loan Document (including, for the avoidance of doubt, any exhibit, schedule or other attachment to any Loan Document), then the Administrative Agent (acting in its sole discretion) and the Borrower or any other relevant Loan Party shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Loan Document. Notification of such amendment shall be made by the Administrative Agent to the Lenders promptly upon such amendment becoming effective.
SECTION 10.02 Notices and Other Communications; Facsimile Copies.

(1) General. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (2) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(a) if to Holdings, the Borrower or the Administrative Agent, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 10.02; and

(b) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next succeeding Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (2) below shall be effective as provided in such subsection (2).

(2) Electronic Communication. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.

(3) Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender’s receipt of an acknowledgement from the intended recipient (such as by the “return receipt requested” function, as available, return e-mail or other written acknowledgement), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next succeeding Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.
The Platform. THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE.” THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD-PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Agent-Related Persons or any Arranger (collectively, the “Agent Parties”) have any liability to Holdings, the Borrower, any Lender, or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower’s or the Administrative Agent’s transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Agent Party; provided, however, that in no event shall any Agent Party have any liability to Holdings, the Borrower, any Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

Change of Address. Each Loan Party and the Administrative Agent may change its address, facsimile or telephone number for notices and other communications hereunder by written notice to the other parties hereto. Each other Lender may change its address, facsimile or telephone number for notices and other communications hereunder by written notice to the Borrower and the Administrative Agent. Each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, facsimile number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the “Private-Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable Law, including United States Federal and state securities laws, to make reference to Borrower Materials that are not made available through the “Public Side Information” portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities laws.

Reliance by the Administrative Agent. The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent, each Lender and the Agent-Related Persons of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

SECTION 10.03 No Waiver; Cumulative Remedies. No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.
Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 8.02 for the benefit of all the Lenders; provided, however, that the foregoing shall not prohibit (a) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) any Issuing Bank from exercising the rights and remedies that inure to its benefit (solely in its capacity as Issuing Bank, as the case may be) hereunder and under the other Loan Documents, (c) any Lender from exercising setoff rights in accordance with Section 10.10 (subject to the terms of Section 2.13), or (d) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and provided further that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b), (c) and (d) of the preceding proviso and subject to Section 2.13, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

SECTION 10.04 Costs and Expenses. The Borrower agrees (a) if the Closing Date occurs and to the extent not paid or reimbursed on or prior to the Closing Date, to pay or reimburse the Administrative Agent and the Arrangers for all reasonable and documented out-of-pocket costs and expenses of the Administrative Agent and such Arrangers incurred in connection with the preparation, negotiation, syndication, execution, delivery and administration of this Agreement and the other Loan Documents and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated hereby and thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby, including all Attorney Costs of a single U.S. counsel and, if necessary, a single local counsel in each relevant material jurisdiction, and (b) upon presentation of a summary statement, together with any supporting documentation reasonably requested by the Borrower, to pay or reimburse the Administrative Agent, each Issuing Bank and the other Lenders, taken as a whole, promptly following a written demand therefor for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and including all Attorney Costs of one counsel to the Administrative Agent and the Lenders taken as a whole (and, if necessary, one local counsel in any relevant material jurisdiction and solely in the case of a conflict of interest, one additional counsel in each relevant material jurisdiction to each group of affected Lenders similarly situated taken as a whole)). The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. All amounts due under this Section 10.04 shall be paid within thirty (30) Business Days following receipt by the Borrower of an invoice relating thereto setting forth such expenses in reasonable detail. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent in its sole discretion.

SECTION 10.05 Indemnification by the Borrower. The Borrower shall indemnify and hold harmless the Agents, each Issuing Bank, each other Lender, the Arrangers and their respective Related Persons (collectively, the “Indemnities”) from and against any and all losses, claims, damages, liabilities or expenses (including Attorney Costs and Environmental Liabilities) to which any such Indemnity may become subject arising out of, resulting from or in connection with (but limited, in the case of legal fees and expenses, to the reasonable and documented out-of-pocket fees, disbursements and other charges of one counsel to all Indemnities taken as a whole and, if reasonably necessary, a single local counsel for all
Indemnitees taken as a whole in each relevant material jurisdiction, and solely in the case of a conflict of interest, one additional counsel in each relevant
material jurisdiction to each group of affected Indemnitees similarly situated taken as a whole) any actual or threatened claim, litigation, investigation or
proceeding relating to the Transactions or to the execution, delivery, enforcement, performance and administration of this Agreement, the other Loan
Documents, the Loans, the Letters of Credit or the use, or proposed use of the proceeds therefrom (including any refusal by any Issuing Bank to honor a
demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such
Letter of Credit), whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or
threatened claim, litigation, investigation or proceeding), and regardless of whether any Indemnitee is a party thereto (all the foregoing, collectively, the
"Indemnified Liabilities"); provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages,
liabilities or expenses resulted from (x) the gross negligence, bad faith or willful misconduct of such Indemnitee or any of its Related Indemnified
Persons as determined by a final, non-appealable judgment of a court of competent jurisdiction, (y) a material breach of any obligations under any Loan
Document by such Indemnitee or any of its Related Indemnified Persons as determined by a final, non-appealable judgment of a court of competent
jurisdiction or (z) any dispute solely among Indemnitees other than any claims against an Indemnitee in its capacity or in fulfilling its role as an
administrative agent or arranger or any similar role under any Loan Document and other than any claims arising out of any act or omission of Holdings
or any of its Affiliates (as determined by a final, non-appealable judgment of a court of competent jurisdiction). To the extent that the undertakings to
indemnify and hold harmless set forth in this Section 10.05 may be unenforceable in whole or in part because they are violative of any applicable Law
or public policy, the Borrower shall contribute the maximum portion that they are permitted to pay and satisfy under applicable Law to the payment and
satisfaction of all Indemnified Liabilities incurred by the Indemnitees or any of them. No Indemnitee shall be liable for any damages arising from the
use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with
this Agreement (except to the extent such damages are found in a final non-appealable judgment of a court of competent jurisdiction to have resulted
from the willful misconduct, bad faith or gross negligence of such Indemnitee), nor shall any Indemnitee or any Loan Party have any liability for any
special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection
herewith or therewith (whether before or after the Closing Date) (other than, in the case of any Loan Party, in respect of any such damages incurred or
paid by an Indemnitee to a third party for which such Indemnitee is otherwise entitled to indemnification pursuant to this Section 10.05). In the case of
an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not
such investigation, litigation or proceeding is brought by any Loan Party, its directors, stockholders or creditors or an Indemnitee or any other Person,
whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other
Loan Documents is consummated. All amounts due under this Section 10.05 shall be paid within thirty (30) Business Days after written demand
therefor. The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination
of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. This Section 10.05 shall not apply to Taxes,
except any Taxes that represent losses or damages arising from any non-Tax claim. Notwithstanding the foregoing, each Indemnitee shall be obligated to
refund and return promptly any and all amounts paid by any Loan Party or any of its Affiliates under this Section 10.05 to such Indemnitee for any such
fees, expenses or damages to the extent such Indemnitee is not entitled to payment of such amounts in accordance with the terms hereof.

SECTION 10.06 Marshaling; Payments Set Aside. None of the Administrative Agent or any Lender shall be under any obligation to
marshal any assets in favor of the Loan Parties or any other party or against or in payment of any or all of the Obligations. To the extent that any
payment by or on behalf of the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right
of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Overnight Rate from time to time in effect.

SECTION 10.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and registered assigns permitted hereby, except that neither Holdings nor the Borrower may, except as permitted by Section 7.03, assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder (including to existing Lenders and their Affiliates) except (i) to an assignee in accordance with the provisions of Section 10.07(b) (such an assignee, an “Eligible Assignee”) and (A) in the case of any Eligible Assignee that, immediately prior to or upon giving effect to such assignment, is an Affiliated Lender, in accordance with the provisions of Section 10.07(h), (B) in the case of any Eligible Assignee that is Holdings, the Borrower or any Subsidiary of the Borrower, in accordance with the provisions of Section 10.07(l), or (C) in the case of any Eligible Assignee that, immediately prior to or upon giving effect to such assignment, is a Debt Fund Affiliate, in accordance with the provisions of Section 10.07(k), (ii) by way of participation in accordance with the provisions of Section 10.07(d), (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(f), or (iv) to an SPC in accordance with the provisions of Section 10.07(g) (and any other attempted assignment or transfer by any party hereto shall be null and void) (or in the case of any such attempted assignment or transfer to a Disqualified Institution shall be subject to the provisions set forth in the fourth sentence of the definition of “Lender”). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(d) and, to the extent expressly contemplated hereby, Related Persons of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans (including for purposes of this Section 10.07(b), participations in L/C Obligations) at the time owing to it); provided that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender’s Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

245
(B) in any case not described in subsection (b)(i)(A) of this Section 10.07, the aggregate amount of the Commitment or, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if “Trade Date” is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than $1.0 million, in the case of USD Term Loans, not less than €1.0 million, in the case of Euro Term Loans, and not less than $5.0 million, in the case of Revolving Loans and Revolving Commitments, unless each of the Administrative Agent and, so long as no Event of Default under Section 8.01(1) or, solely with respect to the Borrower, Section 8.01(6) has occurred and is continuing, the Borrower otherwise consents (in the case of an assignment of Term Loans, each such consent not to be unreasonably withheld or delayed); provided, however, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met.

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender’s rights and obligations under this Agreement with respect to the Loans or the Commitment assigned (it being understood that assignments under separate Facilities shall not be required to be made on a pro rata basis).

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by Section 10.07(b)(i)(B) and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (1) an Event of Default under Section 8.01(1) or, solely with respect to the Borrower, Section 8.01(6) has occurred and is continuing at the time of such assignment determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if a “Trade Date” is specified in the Assignment and Assumption, as of the Trade Date or (2) in respect of an assignment of all or a portion of the Term Loans only, such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; provided that (x) consent for any affiliate of a Disqualified Institution that is not a Disqualified Institution may be withheld, (y) the Borrower shall be deemed to have consented to any assignment of all or a portion of the Term Loans unless it shall have objected thereto by written notice to the Administrative Agent within ten (10) Business Days after having received notice of a failure to respond to such request for assignment and (z) no consent of the Borrower shall be required for an assignment of all or a portion of the Loans pursuant to Section 10.07(b), (k) or (l);

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required if such assignment is to a Person that is not a Lender, an Affiliate of such Lender or an Approved Fund with respect to such Lender; provided that no consent of the Administrative Agent shall be required for an assignment of all or a portion of the Loans pursuant to Section 10.07(b), (k) or (l);

(C) the consent of each applicable Issuing Bank at the time of such assignment (such consent not to be unreasonably withheld or delayed) shall be required; provided that no consent of the applicable Issuing Bank shall be required for any assignment not related to Revolving Commitments or Revolving Exposure; and

(D) [Reserved]
(E) with respect to assignments of any Commitments and Loans under the Revolving Facility, the consent of TPG VII Manta
Holdings II, LP (such consent not to be unreasonably withheld or delayed) shall be required (so long as TPG VII Manta Holdings II, LP
and its affiliates hold, directly or indirectly, at least a majority of the aggregate ordinary voting power represented by the issued and
outstanding Equity Interests of the Borrower) unless an Event of Default under Section 8.01(1) or, solely with respect to the Borrower,
Section 8.01(6) has occurred and is continuing at the time of such assignment determined as of the date the Assignment and Assumption
with respect to such assignment is delivered to the Administrative Agent or, if a “Trade Date” is specified in the Assignment and
Assumption, as of the Trade Date (it being understood that TPG VII Manta Holdings II, LP shall be an express third party beneficiary of
the provisions in this Section 10.07(b)(iii)(E)).

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and
Assumption via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent,
manually), and shall pay to the Administrative Agent a processing and recordation fee of $3,500 (which fee may be waived or reduced in the sole
discretion of the Administrative Agent). Other than in the case of assignments pursuant to Section 10.07(l), the Eligible Assignee, if it shall not be
a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and all applicable tax forms.

(v) No Assignments to Certain Persons. No such assignment shall be made (A) to Holdings, the Borrower or any of the Borrower’s
Subsidiaries except as permitted under Sections 2.05(1)(e) and 10.07(l), (B) subject to Sections 10.07(h), (k) and (l) below, to any Affiliate of the
Borrower, (C) to a natural person, (D) to any Disqualified Institution or (E) to any Defaulting Lender.

In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective
unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the
Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the
assignee of participations or sub participations, or other compensating actions, including funding, with the consent of the Borrower and the
Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the
applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender
to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full Pro Rata Share of
all Loans and participations in Letters of Credit in accordance with its Pro Rata Share. Notwithstanding the foregoing, in the event that any assignment
of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of
this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance
occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to clause (c) of this Section 10.07 (and, in the case of an
Affiliated Lender or a Person that, after giving effect to such assignment, would become an Affiliated Lender, to the requirements of clause (h) of this
Section 10.07), from and after the effective date specified in each Assignment and Assumption, other than in connection with an assignment pursuant to
Section 10.07(l), (x) the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and
Assumption, have the rights and obligations of a Lender under this Agreement, and (y) the assigning Lender thereunder shall, to
the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender’s rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment), but shall in any event continue to be subject to Section 10.09. Upon request, and the surrender by the assigning Lender of its Note, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(d).

(c) The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent’s Office a copy of each Assignment and Assumption delivered to it, each Affiliated Lender Assignment and Assumption delivered to it, each notice of cancellation of any Loans delivered by the Borrower pursuant to subsections (h) or (l) below, and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, L/C Obligations (specifying Unreimbursed Amounts), L/C Borrowings and amounts due under Section 2.03, owing to each Lender pursuant to the terms hereof from time to time (the “Register”). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Agent and, with respect to its own Loans, any Lender, at any reasonable time and from time to time upon reasonable prior notice. This Section 10.07(c) and Section 2.11 shall be construed so that all Loans are at all times maintained in “registered form” within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations). Notwithstanding the foregoing, in no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any Lender is an Affiliated Lender, nor shall the Administrative Agent be obligated to monitor the aggregate amount of the Term Loans or Incremental Term Loans held by Affiliated Lenders.

(d) Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural person, the Borrower and its Affiliates, a Defaulting Lender or a Disqualified Institution) (each, a “Participant”) in all or a portion of such Lender’s rights or obligations under this Agreement (including all or a portion of its Commitment or the Loans (including such Lender’s participations in L/C Obligations) owing to it); provided that (i) such Lender’s obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 10.01(1) (other than clauses (g), (h) and (i) thereof) that directly and adversely affects such Participant. Subject to subsection (e) of this Section 10.07, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01 (subject to the requirements of Section 3.01 (including subsections (2), (3) and (4), as applicable) as though it were a Lender; provided that any forms required to be provided under Section 3.01(3) shall be provided solely to the participating Lender), 3.04 and 3.05 (through the applicable Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section 10.07.
To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 10.10 as though it were a Lender; provided that such Participant shall agree to be subject to Section 2.13 as though it were a Lender.

(e) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower’s prior written consent. Each Lender that sells a participation shall (acting solely for this purpose as a non-fiduciary agent of the Borrower) maintain a register complying with the requirements of Sections 163(f), 871(h) and 881(c)(2) of the Code and the Treasury regulations issued thereunder on which is entered the name and address of each Participant and the principal amounts (and related interest amounts) of each Participant’s interest in the Loans or other obligations under this Agreement (the “Participant Register”). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender and the Borrower shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary; provided that no Lender shall have the obligation to disclose all or a portion of the Participant Register (including the identity of the Participant or any information relating to a Participant’s interest in any commitments, loans, letters of credit or other obligations under this Agreement) to any Person except to the extent such disclosure is necessary to establish that any such commitments, loans, letters of credit or other obligations are in registered form for U.S. federal income tax purposes or such disclosure is otherwise required under Treasury Regulations Section 5f.103-1(c).

(f) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any other central bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Notwithstanding anything to the contrary contained herein, any Lender (a “Granting Lender”) may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an “SPC”) the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof and (iii) such SPC and the applicable Loan or any applicable part thereof shall be appropriately reflected in the Participant Register. Each party hereto hereby agrees that (i) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under Section 3.01, 3.04 or 3.05), (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (iii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the Lender hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrower and the Administrative Agent and with the payment of a processing fee of $3,500 (which processing fee may be waived by the Administrative Agent in its sole discretion), assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

249
Any Lender may at any time, assign all or a portion of its rights and obligations with respect to Term Loans under this Agreement to a Person who is or will become, after such assignment, an Affiliated Lender through (x) Dutch auctions or other offers to purchase or take by assignment open to all Lenders on a pro rata basis in accordance with procedures determined by such Affiliated Lender in its sole discretion or (y) open market purchase on a non-pro rata basis, in each case subject to the following limitations:

(i) Affiliated Lenders will not (A) receive information provided solely to Lenders by the Administrative Agent or any Lender and will not be permitted to attend or participate in conference calls or meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II or (B) make any challenge to the Administrative Agent’s or any other Lender’s attorney-client privilege on the basis of its status as a Lender;

(ii) [reserved];

(iii) each Lender (other than any other Affiliated Lender) that assigns any Loans to an Affiliated Lender pursuant to clause (y) above shall deliver to the Administrative Agent and the Borrower a customary Big Boy Letter;

(iv) the aggregate principal amount of Term Loans of any Class under this Agreement held by Affiliated Lenders at the time of any such purchase or assignment shall not exceed 25% of the aggregate principal amount of Term Loans of such Class outstanding at such time under this Agreement (such percentage, the “Affiliated Lender Cap”); provided that to the extent any assignment to an Affiliated Lender would result in the aggregate principal amount of all Term Loans of any Class held by Affiliated Lenders exceeding the Affiliated Lender Cap, the assignment of such excess amount will be void ab initio;

(v) as a condition to each assignment pursuant to this subsection (h), the Administrative Agent and the Borrower shall have been provided a notice in connection with each assignment to an Affiliated Lender or a Person that upon effectiveness of such assignment would constitute an Affiliated Lender pursuant to which such Affiliated Lender (in its capacity as such) shall waive any right to bring any action in connection with such Loans against the Administrative Agent, in its capacity as such; and

(vi) the assigning Lender and the Affiliated Lender purchasing such Lender’s Term Loans shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit D-2 hereto (an “Affiliated Lender Assignment and Assumption”).

Notwithstanding anything to the contrary contained herein, any Affiliated Lender that has purchased Term Loans pursuant to this subsection (h) may, in its sole discretion, contribute, directly or indirectly, the principal amount of such Term Loans or any portion thereof, plus all accrued and unpaid interest thereon, to the Borrower for the purpose of cancelling and extinguishing such Term Loans. Upon the date of such contribution, assignment or transfer, (x) the aggregate outstanding principal amount of Term Loans shall reflect such cancellation and extinguishing of the Term Loans then held by the Borrower and (y) the Borrower shall promptly provide notice to the Administrative Agent of such contribution of such Term Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Term Loans in the Register.
Each Affiliated Lender agrees to notify the Administrative Agent and the Borrower promptly (and in any event within ten (10) Business Days) if it acquires any Person who is also a Lender, and each Lender agrees to notify the Administrative Agent and the Borrower promptly (and in any event within ten (10) Business Days) if it becomes an Affiliated Lender. The Administrative Agent may conclusively rely upon any notice delivered pursuant to the immediately preceding sentence or pursuant to clause (v) of this subsection (h) and shall not have any liability for any losses suffered by any Person as a result of any purported assignment to or from an Affiliated Lender.

(i) Notwithstanding anything in Section 10.01 or the definition of “Required Lenders,” or “Required Facility Lenders” to the contrary, for purposes of determining whether the Required Lenders and Required Facility Lenders (in respect of a Class of Term Loans) have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, or subject to Section 10.07(j), any plan of reorganization pursuant to the U.S. Bankruptcy Code, (ii) otherwise acted on any matter related to any Loan Document, or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, no Affiliated Lender shall have any right to consent (or not consent), otherwise act or direct or require the Administrative Agent or any Lender to take (or refrain from taking) any such action and, except with respect to any amendment, modification, waiver, consent or other action (x) in Section 10.01 requiring the consent of all Lenders, all Lenders directly and adversely affected or specifically such Lender, (y) that alters an Affiliated Lender’s pro rata share of any payments given to all Lenders, or (z) affects the Affiliated Lender (in its capacity as a Lender) in a manner that is disproportionate to the effect on any Lender in the same Class, the Loans held by an Affiliated Lender shall be disregarded in both the numerator and denominator in the calculation of any Lender vote (and shall be deemed to have been voted in the same percentage as all other applicable Lenders voted if necessary to give legal effect to this paragraph) (but, in any event, in connection with any amendment, modification, waiver, consent or other action, shall be entitled to any consent fee, calculated as if all of such Affiliated Lender’s Loans had voted in favor of any matter for which a consent fee or similar payment is offered).

(j) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, each Affiliated Lender hereby agrees that, and each Affiliated Lender Assignment and Assumption shall provide a confirmation that, if a proceeding under any Debtor Relief Law shall be commenced by or against the Borrower or any other Loan Party at a time when such Lender is an Affiliated Lender, such Affiliated Lender irrevocably authorizes and empowers the Administrative Agent to vote on behalf of such Affiliated Lender with respect to the Term Loans held by such Affiliated Lender in any manner in the Administrative Agent’s sole discretion, unless the Administrative Agent instructs such Affiliated Lender to vote, in which case such Affiliated Lender shall vote with respect to the Term Loans held by it as the Administrative Agent directs; provided that such Affiliated Lender shall be entitled to vote in accordance with its sole discretion (and not in accordance with the direction of the Administrative Agent) in connection with any plan of reorganization to the extent any such plan of reorganization proposes to treat any Obligations held by such Affiliated Lender in a disproportionately adverse manner than the proposed treatment of similar Obligations held by Term Lenders that are not Affiliated Lenders.

(k) Although any Debt Fund Affiliate(s) shall be Eligible Assignees and shall not be subject to the provisions of Section 10.07(h), (i) or (j), any Lender may, at any time, assign all or a portion of its rights and obligations with respect to Term Loans under this Agreement to a Person who is or will become, after such assignment, a Debt Fund Affiliate only through (x) Dutch auctions or other offers to purchase or take by assignment open to all Lenders on a pro rata basis in accordance with procedures of
the type described in Section 2.05(1)(e) (for the avoidance of doubt, without requiring any representation as to the possession of material non-public information by such Affiliate) or (y) open market purchase on a non-pro rata basis. Notwithstanding anything in Section 10.01 or the definition of “Required Lenders” to the contrary, for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, (ii) otherwise acted on any matter related to any Loan Document or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, all Term Loans, Revolving Commitments and Revolving Loans held by Debt Fund Affiliates, in the aggregate, may not account for more than 49.9% of the Term Loans, Revolving Commitments and Revolving Loans of Lenders included in determining whether the Required Lenders have consented to any action pursuant to Section 10.01.

(l) Any Lender may, so long as no Event of Default has occurred and is continuing, at any time, assign all or a portion of its rights and obligations with respect to Term Loans under this Agreement to Holdings, the Borrower or any Subsidiary of the Borrower through (x) Dutch auctions or other offers to purchase open to all Lenders on a pro rata basis in accordance with procedures of the type described in Section 2.05(1)(e) or (y) open market purchases on a non-pro rata basis; provided that:

(i) (x) if the assignee is Holdings or a Subsidiary of the Borrower, upon such assignment, transfer or contribution, the applicable assignee shall automatically be deemed to have contributed or transferred the principal amount of such Term Loans, plus all accrued and unpaid interest thereon, to the Borrower; or (y) if the assignee is the Borrower (including through contribution or transfers set forth in clause (x)), (a) the principal amount of such Term Loans, along with all accrued and unpaid interest thereon, so contributed, assigned or transferred to the Borrower shall be deemed automatically cancelled and extinguished on the date of such contribution, assignment or transfer, (b) the aggregate outstanding principal amount of Term Loans of the remaining Lenders shall reflect such cancellation and extinguishing of the Term Loans then held by the Borrower and (c) the Borrower shall promptly provide notice to the Administrative Agent of such contribution, assignment or transfer of such Term Loans, and the Administrative Agent, upon receipt of such notice, shall reflect the cancellation of the applicable Term Loans in the Register;

(ii) [reserved];

(iii) each Lender (other than an Affiliated Lender) that assigns any Loans to Holdings, the Borrower or any Subsidiary of the Borrower pursuant to clause (y) above shall deliver to the Administrative Agent and the Borrower a customary Big Boy Letter; and

(iv) purchases of Term Loans pursuant to this subsection (l) may not be funded with the proceeds of Revolving Loans.

(m) Notwithstanding anything to the contrary contained herein, without the consent of the Borrower or the Administrative Agent, (1) any Lender may in accordance with applicable Law create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it and (2) any Lender that is a Fund may create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; provided that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 10.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.
The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Institutions. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment or participation of Loans or Commitments, or disclosure of confidential information, to any Disqualified Institution.

SECTION 10.08 Resignation of Issuing Bank. Notwithstanding anything to the contrary contained herein, any Issuing Bank may, upon thirty (30) Business Days’ notice to the Borrower and the Lenders, resign as an Issuing Bank, so long as on or prior to the expiration of such 30-Business Day period with respect to such resignation, the relevant Issuing Bank shall have identified a successor Issuing Bank reasonably acceptable to the Borrower willing to accept its appointment as successor Issuing Bank. In the event of any such resignation of an Issuing Bank, the Borrower shall be entitled to appoint from among the Lenders willing to accept such appointment a successor Issuing Bank hereunder; provided that no failure by the Borrower to appoint any such successor shall affect the resignation of the relevant Issuing Bank except as expressly provided above. If an Issuing Bank resigns as an Issuing Bank, it shall retain all the rights and obligations of an Issuing Bank hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as an Issuing Bank and all L/C Obligations with respect thereto (including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(3)).

SECTION 10.09 Confidentiality. Each of the Agents, the Arrangers, the Lenders and each Issuing Bank agrees to maintain the confidentiality of the Information in accordance with its customary procedures (as set forth below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates’ respective partners, directors, officers, employees, legal counsel, independent auditors, agents, trustees, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential, with such Affiliate being responsible for such Person’s compliance with this Section 10.09; provided, however, that such Agent, Arranger, Lender or Issuing Bank, as applicable, shall be principally liable to the extent this Section 10.09 is violated by one or more of its Affiliates or any of its or their respective employees, directors or officers), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners); provided, however, that each Agent, each Arranger, each Lender and each Issuing Bank agrees to notify the Borrower promptly thereof (except in connection with any request as part of a regulatory examination) to the extent it is legally permitted to do so, (c) to the extent required by applicable laws or regulations or by any subpoena or otherwise as required by applicable Law or regulation or as requested by a governmental authority; provided that such Agent, such Arranger, such Lender or such Issuing Bank, as applicable, agrees that it will (x) notify the Borrower as soon as practicable in the event of any such disclosure by such Person (except in connection with any request as part of a regulatory examination) unless such notification is prohibited by law, rule or regulation and (y) seek confidential treatment with respect to any such disclosure, (d) to any other party hereto, (e) subject to an agreement containing provisions at least as restrictive as those of this Section 10.09, to (i) subject to Section 10.07(1)(b)(v)(D), any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or any Eligible Assignee (or its agent) invited to be an Additional Lender or (ii) with the prior consent of the Borrower, any actual or prospective direct or indirect counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower or any of their Subsidiaries or any of their respective obligations; provided that such disclosure
shall be made subject to the acknowledgment and acceptance by such prospective Lender, Participant or Eligible Assignee that such Information is being disseminated on a confidential basis (on substantially the terms set forth in this paragraph or as is otherwise reasonably acceptable to the Borrower, the Agents and the Arrangers, including as set forth in any confidential information memorandum or other marketing materials) in accordance with the standard syndication process of the Agents and the Arrangers or market standards for dissemination of such type of information which shall in any event require “click through” or other affirmative action on the part of the recipient to access such confidential information, (f) for purposes of establishing a “due diligence” defense, (g) on a confidential basis to (i) any rating agency in connection with rating the Borrower or its Subsidiaries or the credit facilities provided hereunder, (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers or other market identifiers with respect to the credit facilities provided hereunder, or (iii) service providers to the Agents and the Lenders in connection with the administration, settlement and management of this Agreement and the credit facilities provided hereunder, (h) with the consent of the Borrower or (i) to the extent such Information (x) becomes publicly available other than as a result of a breach by any Person of this Section 10.09 or any other confidentiality provision in favor of any Loan Party, (y) becomes available to any Agent, any Arranger, any Lender, any Issuing Bank or any of their respective Affiliates on a nonconfidential basis from a source other than Holdings, the Borrower or any Subsidiary thereof, and which source is not known by such Agent, such Lender, such Issuing Bank or the applicable Affiliate to be subject to a confidentiality restriction in respect thereof in favor of Holdings, the Borrower or any Affiliate thereof or (z) is independently developed by the Agents, the Lenders, the Issuing Banks, the Arrangers or their respective Affiliates, in each case, so long as not based on information obtained in a manner that would otherwise violate this Section 10.09.

For purposes of this Section 10.09, “Information” means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary or Affiliate thereof or their respective businesses, other than any such information that is available to any Agent, any Lender or any Issuing Bank on a nonconfidential basis prior to disclosure by any Loan Party or any Subsidiary thereof; it being understood that no information received from Holdings, the Borrower or any Subsidiary thereof after the date hereof shall be deemed nonconfidential on account of such information not being clearly identified at the time of delivery as being confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 10.09 shall be considered to have complied with its obligation to do so in accordance with its customary procedures if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each Agent, each Arranger, each Lender and each Issuing Bank acknowledges that (a) the Information may include trade secrets, protected confidential information, or material non-public information concerning the Borrower or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of such information and (c) it will handle such information in accordance with applicable Law, including United States Federal and state securities Laws and to preserve its trade secret or confidential character.

The respective obligations of the Agents, the Arrangers, the Lenders and any Issuing Bank under this Section 10.09 shall survive, to the extent applicable to such Person, (x) the payment in full of the Obligations and the termination of this Agreement, (y) any assignment of its rights and obligations under this Agreement and (z) the resignation or removal of any Agent.

SECTION 10.10 Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each Issuing Bank is hereby authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent, to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever
currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or such Issuing Bank to or for the credit or the account of any Loan Party against any and all of the obligations of such Loan Party then due and payable under this Agreement or any other Loan Document to such Lender or such Issuing Bank, irrespective of whether or not such Lender or such Issuing Bank shall have made any demand under this Agreement or any other Loan Document; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.17 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Issuing Banks, and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and each Issuing Bank under this Section 10.10 are in addition to other rights and remedies (including other rights of setoff) that such Lender or such Issuing Bank may have. Each Lender and each Issuing Bank agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application.

SECTION 10.11 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “Maximum Rate”). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

SECTION 10.12 Counterparts; Integration; Effectiveness. This Agreement and each of the other Loan Documents may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging (including in .pdf format) means shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 10.13 Electronic Execution of Assignments and Certain Other Documents. The words “delivery,” “execution,” “execute,” “signed,” “signature,” and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including without limitation Assignment and Assumptions, amendments or other modifications, Committed Loan Notices, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.
SECTION 10.14 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied.

SECTION 10.15 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 10.16 GOVERNING LAW.

(a) THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) THE BORROWER, HOLDINGS, THE ADMINISTRATIVE AGENT AND EACH LENDER EACH IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK SITTING IN THE BOROUGH OF MANHATTAN, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. EACH PARTY HERETO AGREES THAT THE AGENTS AND LENDERS RETAIN THE RIGHT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO BRING PROCEEDINGS AGAINST ANY LOAN PARTY IN THE COURTS OF ANY OTHER JURISDICTION IN CONNECTION WITH THE EXERCISE OF ANY RIGHTS UNDER ANY COLLATERAL DOCUMENT OR THE ENFORCEMENT OF ANY JUDGMENT.

(c) THE BORROWER, HOLDINGS, THE ADMINISTRATIVE AGENT AND EACH LENDER EACH IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY
COURT REFERRED TO IN PARAGRAPH (b) OF THIS SECTION 10.16. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

SECTION 10.17 WAIVER OF RIGHT TO TRIAL BY JURY. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY).

EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.17.

SECTION 10.18 Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower and the Administrative Agent and the Administrative Agent shall have been notified by each Lender that each such Lender has executed it and thereafter shall be binding upon and inure to the benefit of the Borrower, each Agent, each Lender, each other party hereto and their respective successors and assigns.

SECTION 10.19 Lender Action. Each Lender agrees that it shall not take or institute any actions or proceedings, judicial or otherwise, for any right or remedy against any Loan Party under any of the Loan Documents or the Secured Hedge Agreements (including the exercise of any right of setoff, rights on account of any banker’s lien or similar claim or other rights of self-help), or institute any actions or proceedings, or otherwise commence any remedial procedures, with respect to any Collateral or any other property of any such Loan Party, without the prior written consent of the Administrative Agent. The provision of this Section 10.19 are for the sole benefit of the Lenders and shall not afford any right to, or constitute a defense available to, any Loan Party.

SECTION 10.20 Use of Name, Logo, etc. Each Loan Party consents to the publication in the ordinary course by Administrative Agent or the Arrangers of customary advertising material relating to the financing transactions contemplated by this Agreement using such Loan Party’s name, product photographs, logo or trademark; provided that any such material shall be provided to the Borrower for its review a reasonable period of time in advance of publication. Such consent shall remain effective until revoked by such Loan Party in writing to the Administrative Agent and the Arrangers.

SECTION 10.21 USA PATRIOT Act. Each Lender that is subject to the USA PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the USA PATRIOT Act. The Borrower shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable “know your customer” and anti-money laundering rules and regulations, including the USA PATRIOT Act.

257
SECTION 10.22 Service of Process. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

SECTION 10.23 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each of the Borrower and Holdings acknowledges and agrees that (i) (A) the arranging and other services regarding this Agreement provided by the Agents, the Arrangers and the Lenders are arm's-length commercial transactions between the Borrower, Holdings and their respective Affiliates, on the one hand, and the Administrative Agent, the Arrangers and the Lenders, on the other hand, (B) each of the Borrower and Holdings has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) each of the Borrower and Holdings is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each Agent, Arranger and Lender is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower, Holdings or any of their respective Affiliates, or any other Person and (B) none of the Agents, the Arrangers nor any Lender has any obligation to the Borrower, Holdings or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Agents, the Arrangers, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, Holdings and their respective Affiliates, and none of the Agents, the Arrangers nor any Lender has any obligation to disclose any of such interests to the Borrower, Holdings or any of their respective Affiliates. To the fullest extent permitted by law, each of the Borrower and Holdings hereby waives and releases any claims that it may have against the Agents, the Arrangers or any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

SECTION 10.24 Release of Collateral and Guarantee Obligations; Subordination of Liens.

(a) The Lenders and the Issuing Banks hereby irrevocably agree that the Liens granted to the Administrative Agent or the Collateral Agent by the Loan Parties on any Collateral shall be automatically released (i) in full, as set forth in clause (b) below, (ii) upon the sale or other transfer of such Collateral (including as part of or in connection with any other sale or other transfer permitted hereunder (including any Receivables Financing Transaction)) to any Person other than another Loan Party, to the extent such sale, transfer or other disposition is made in compliance with the terms of this Agreement (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Loan Party upon its reasonable request without further inquiry), (iii) to the extent such Collateral is comprised of property leased to a Loan Party by a Person that is not a Loan Party, upon termination or expiration of such lease, (iv) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with Section 10.01), (v) to the extent the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the Guaranty (in accordance with the second succeeding sentence), (vi) as required by the Collateral Agent to effect any sale, transfer or other disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Collateral Documents and (vii) to the extent such Collateral otherwise becomes Excluded Assets. Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of
the Loan Documents. Additionally, the Lenders and the Issuing Banks hereby irrevocably agree that the Guarantors shall be released from the
Guaranties upon consummation of any transaction permitted hereunder resulting in such Subsidiary ceasing to constitute a Restricted Subsidiary, or
otherwise becoming an Excluded Subsidiary. The Lenders and the Issuing Banks hereby authorize the Administrative Agent and the Collateral Agent, as
applicable, to execute and deliver any instruments, documents, consents, acknowledgements, and agreements necessary or desirable to evidence or
confirm the release of any Guarantor or Collateral pursuant to the foregoing provisions of this paragraph, all without the further consent or joinder of
any Lender or Issuing Bank. Any representation, warranty or covenant contained in any Loan Document relating to any such released Collateral or
Guarantor shall no longer be deemed to be repeated.

(b) Notwithstanding anything to the contrary contained herein or any other Loan Document, when the Termination Conditions are
satisfied, upon request of the Borrower, the Administrative Agent or Collateral Agent, as applicable, shall (without notice to, or vote or consent of, any
Secured Party) take such actions as shall be required to release its security interest in all Collateral, and to release all obligations under any Loan
Document, whether or not on the date of such release there may be any (i) Hedging Obligations in respect of any Secured Hedge Agreements, (ii) Cash
Management Obligations in respect of any Secured Cash Management Agreements, (iii) contingent obligations not then due and (iv) Outstanding
Amount of L/C Obligations related to any Letter of Credit that has been Cash Collateralized, backstopped by a letter of credit reasonably satisfactory to
the applicable Issuing Bank or deemed reissued under another agreement reasonably acceptable to the applicable Issuing Bank. Any such release of
Obligations shall be deemed subject to the provision that such Obligations shall be reinstated if after such release any portion of any payment in respect
of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution,
liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or
trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been
made.

SECTION 10.25 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any
Loan Document or in any other agreement, arrangement or understanding among the parties hereto, each party hereto acknowledges that any liability of
any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and
conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder
which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;
(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

SECTION 10.26 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any Hedge Agreement or any other agreement or instrument that is a QFC (such support, “QFC Credit Support”, and each such QFC, a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender hereunder shall in no event affect the rights of any Covered Party under a Supported QFC or any QFC Credit Support.
